BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

The rights and obligations of the local parties under this framework are of no force or effect unless their collective agreement has been ratified by both parties no later than November 30, 2014.

1. Term

July 1, 2014 to June 30, 2019.

2. Wage Increases

Wages will increase by 5.5%. Increases will be effective on the following dates:

- July 1, 2015 1.0%
- May 1, 2016 Economic Stability Dividend
- July 1, 2016 0.5%
- May 1, 2017 1.0% plus Economic Stability Dividend
- July 1, 2017 0.5%
- May 1, 2018 1.0% plus Economic Stability Dividend
- July 1, 2018 0.5%
- May 1, 2019 1.0% plus Economic Stability Dividend

The terms of the Economic Stability Dividend are described in Appendix A.

3. Employee Support Grant

BCPSEA, the Unions and the Government agree to the principle that support staff union members who have lost wages as a result of not crossing lawful picket lines during full days of the BCTF strike/BCPSEA lockout shall be compensated in accordance with the agreement in Appendix B.

4. Benefits Standardization

The Parties agree to pursue a voluntary standardized extended health plan to be implemented during the term of the collective agreement in accordance with the terms laid out in Appendix C.

5. The Support Staff Education and Adjustment Committee (SSEAC)

The Parties agree to renew their commitment to the Support Staff Education and Adjustment Committee (SSEAC). The Parties remain committed to the exploration of the following:

- a) a focus on best practices to integrate skill development for support staff employees with district goals and student needs
- b) a study of the potential for regionalization of wages
- c) an exploration of the potential for a standardized extended health and dental benefit plan
- d) recommendations to address issues associated with hours of work and service delivery
- e) a review of practices in districts having modified school calendars and the resulting impact on support staff
- f) skills enhancement for support staff

There will be a total of \$100,000 of annual funding allocated for the purposes set out above commencing July 1, 2015. The parties agree that work plans to address the above and any resulting recommendations will require mutual agreement.

6. Education Assistants Committee

- a) The Parties agree to continue the Education Assistants Committee charged with the responsibility of investigating and making recommendations regarding possibilities for the creation of whole Education Assistant jobs, and for the deployment of Education Assistant staff in accordance with recognized best practices.
- b) The Parties agree the Committee will engage with the Ministry of Education around the development and implementation of a system of recognized credentials and qualifications to regulate the employment of Education Assistants.
- c) The Parties agree the Committee shall consist of not more than 8 representatives appointed by Support Staff unions and not more than 8 representatives appointed by BCPSEA.
- d) The Parties agree the Committee will be resourced with a budget fixed by SSEAC and drawn from SSEAC funds to accomplish its work.
- e) The Parties agree the work of the Committee will recommence within one year of the ratification of the framework agreement.

- f) The Parties agree that the Committee will complete its work and report its findings to the Parties.

7. Learning Improvement Fund – Support Staff

The funds stipulated in Item 1 of the LOA – Learning Improvement Fund: Support Staff Priorities (Appendix D) are the greater of \$10 million or 20% of the LIF commencing on July 1, 2015. These funds will be allocated to School Districts in accordance with the following principles as per established SSEAC procedures:

- a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. This does not preclude the creation of new full time or part time EA positions.
- b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.
- c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.
- d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA's in circumstances of changing enrollment throughout the school year.
- e) Support staff local unions and Boards of Education will formulate a plan for the above funds. Plans for full time jobs for EA's are to be accompanied by job descriptions as per existing SSEAC procedures in accordance with the Collective Agreements.
- f) SSEAC will receive the jointly agreed plans from school districts and locals.
- g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
- h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.
- i) If permitted by legislation and regulation, a one-time allocation of \$2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. PEBT

a) Date adjustment for the annual funding of the PEBT LTD plan:

Change the date of the annual funding payment of \$19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with \$19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of \$300,000 on January 2, 2015.

b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

9. Shared Services

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of \$50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of \$250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of \$1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of \$900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of \$200,000 to the K-12 Presidents' Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

AND
K-12 PRESIDENTS COUNCIL

Re ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

"Collective agreement year" means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

"Economic Forecast Council" means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

"Forecast GDP" means the average forecast for British Columbia's real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

"Fiscal year" means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as 'the period from April 1 in one year to March 31 in the next year';

"Calendar year" is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

"GDP" or "Gross Domestic Product" for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

"GWI" or "General Wage Increase" means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

"Real GDP" means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada's Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as "Real Gross Domestic Product at Market Prices" currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC's real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
 - (i) February Budget – Forecast GDP for the upcoming calendar year;
 - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
 - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
 - (iv) Advice from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.
7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

- (i) February 2015 – Forecast GDP for calendar 2015;
- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.

TERMS OF REFERENCE

BETWEEN:

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION

AND

K-12 PRESIDENTS COUNCIL

Re: Exploration of a Greater Standardization of Benefits Plans

The parties agree to move to an optional standardized provincial extended health benefits plan (standardized plan) which would include the majority of support staff members. To further such change the parties agree to form a working committee with the goal of achieving agreement on a standardized extended health benefits plan.

Terms of Reference:

1. The committee will consist of no more than 4 members of the K-12 Presidents' Council and no more than 4 members of the BCPSEA bargaining teams. Each party will identify its representatives by June 10th, 2014.

3. Local unions who decide to join the standardized plan must elect to do so by July 1, 2016 or a later date as mutually agreed by the Parties.
4. Where the local union in a district determines their existing plan has superior benefits and that local union elects not to participate in the standardized plan, the local union shall retain their existing plan.
5. Local unions may choose not to join the standard benefits plan without opting out of the provincial framework agreement.
6. Any measurable savings realized by movement towards a standardized plan will be retained by the PEBT unless a local collective agreement provides otherwise.
7. BCPSEA will provide ongoing annualized funding to the Boards of Education in the amount of \$3,000,000 effective September 1, 2017 to facilitate the completion of a standardized plan.
8. Any residual unused funds from the implementation of this standardized plan will be allocated to the job evaluation fund.

APPENDIX D

LETTER OF AGREEMENT

BETWEEN:

BCPSEA

AND

K-12 SUPPORT STAFF UNIONS

AND

**HER MAJESTY THE QUEEN IN RIGHT OF THE PROVINCE OF BC AS REPRESENTED BY THE MINISTRY
OF EDUCATION**

RE: LEARNING IMPROVEMENT FUND: Support Staff Priorities

WHEREAS:

The Ministry has established and maintains additional funding for the purpose of addressing high priority challenges to student learning arising from the organization of classes within schools in the province; and

The K-12 support staff unions have since 2006 raised concerns in bargaining regarding the issues of unpaid Education Assistant (EA) work, lack of stable EA hours, bell to bell EA scheduling and lack of livable earnings for EAs, and

The Support Staff Education & Adjustment Committee (SSEAC) is a joint committee of K-12 Support Staff Unions and the BC Public School Employers' Association.

THEREFORE:

The parties hereby agree as follows:

1. Funding for addressing the above matters as it relates to employees covered by this collective agreement between BCPSEA and the K-12 Support Staff Unions will be in the greater amount of \$10 million or 20% of any annual amounts established by government in the Learning Improvement Fund.

2. The allocation of the LIF to school districts is established annually by the Ministry of Education and will provide this information to school districts including the portion of the LIF to be allocated to education assistants.
3. In the event of a dispute arising from the interpretation, application or alleged violation of this agreement there will be a meeting of the parties, and failing agreement, the parties will submit the concern to a mutually agreed arbitrator.

RE: Rental/User Groups

The parties have agreed that where a rental/user group has rented space within our facilities on a weekend and/or a non-instructional day, the District will first offer the work to the Custodian assigned to that school. If the Custodian who accepts the work has worked 40 hours that week, the time worked shall be paid at the appropriate overtime rate and the Custodian will not be eligible to take time off in lieu of payment.

This work will include performing the duties outlined under the job description provided the rental/user group is paying any overtime rates for the Custodial service. If only an opening (\$15) and closing (\$18) is required, these flat rates will apply.

If the Custodian working at the school does not accept the work, the District will then assign the work to a part-time Custodian or a casual Custodian who has not worked 40 hours that week at the straight time rate of pay.

If the work is assigned to another Custodian who has worked 40 hours that week, the Custodian shall be paid at the appropriate overtime rate and will not be eligible to take time off in lieu of payment.

The intent of this agreement is to ensure the District does not incur additional costs due to renting space within our facilities to rental/user groups.

Custodial Standards and Job Frequency Schedule

Guidelines In Determining Assignments

CUSTODIAL SERVICES

Custodial Standards and Job Frequency Schedule Guidelines in Determining Assignments

1. The custodial workload shown in the following pages is to be used as a general guideline in determining custodial assignments, and to ensure that basic workloads for custodians are reasonably equal.
2. It can also be used by administrators (schools) to determine the impact of periodic duties on the daily custodial routine so that work priorities can be adjusted accordingly (i.e. when custodial help needed to set up or clean for special events such as fun day).
3. Where a custodial assignment exceeds the basic formula and/or the custodial allocation is reduced, a list of priorities and frequencies consistent with this formula shall be assigned to ensure reasonably balanced workloads.
4. Floor plans and a current written schedule/task list for each custodian's area shall be available and posted in the custodians' room and must be updated when changes occur.
5. Where there is an outstanding concern regarding inequitable workloads among several custodians, the areas of responsibilities should be rotated until a solution has been determined with exception to the head custodian's assigned area. Once a resolution has been determined the rotation will cease.
6. A Working Condition Committee consisting of three (3) representatives from each of the District and the Union shall meet every three months, or more often if required, to review custodial allocations and attempt to resolve any concerns in a mutually acceptable manner.
7. Where a reassignment of custodial responsibilities has been amended based on recommendations of the committee no other significant future changes will be made without approval of the administrator at that school/site and notification to the committee.
8. Nothing in this material should be taken as prescriptive. The cleaning standard at each site is the responsibility of the supervisor/administrative office at the site in consultation with the custodial staff and/or Custodial Supervisor.

Elementary

One unit is equivalent to 25-30 minutes of custodial services. A time allowance of 25-30 minutes is required to service one unit. Following are breakdowns of the requirements for specific areas. Please note that these are based upon the time needed to clean the standard sized room for the area listed. Time allotments may vary depending on specific situations – frequency is dependent on individual school needs.

1 classroom = 1 unit

1 kindergarten = 1 unit - with washroom add .38 units

1 Daycare = 1 unit – with washroom add .38 units

1 general office = .5 unit

1 office = .25 unit

- empty waste cans and reline as needed
- check carpet and vacuum as needed, vacuum thoroughly once a week
- damp dusting as needed or weekly, including phones (disinfect)

1 library = 1 unit

1 gym = 1 unit

- dry mop nightly
- spot washed as needed
- damp mop once a week (this to be over and above the 1 Unit allocation)

1 washroom (large) = 1 unit

- toilets, urinals, sinks cleaned
- damp mop floors
- supplies checked and re-stocked – dispensers
- walls/dividers spot washed as needed
- high dusting once a week
- empty waste cans and reline as needed

1 change room = 1 unit (provided that the change room is fully used and not substantially used for storage)

1 multipurpose room = .75 unit

1 computer room = .75 unit

1 staff room = .75 unit

2 staff washrooms = .75 unit (1 toilet, 1 urinal, counter top & sink, and possibly a shower in each)

- toilets, urinals, sinks cleaned
- damp mop floors
- supplies checked and re-stocked
- walls/dividers spot washed as needed
- high dusting once a week
- empty waste cans and reline as needed

Autoscrubbing = Time calculated into units

Elementary (continued)

1 stairwell = .75 unit

- vacuum or dry mop
- damp dust/mop weekly or as needed

1 corridor = .50 unit

- empty waste cans

1 Science Room = 1 unit

1 First Aid Room = .50 unit (consider whether washroom in first aid room; if so add units for washroom)

1 Music Room = .75 units

Units Per Shift

A reasonable/realistic expectation for elementary would be 13 to 15.5 units per 8 hours of custodial time on afternoon shift*, 14 to 16.5 units per 8 hours of custodial time on day shift*, and 12 to 14.5 units per 8 hours of custodial time on graveyard shift* to perform the tasks and frequencies identified on the attached custodial work schedule. Each shift, in addition to the above units per shift, includes 30 minutes for travelling distance between areas, start-up and clean-up time and the allowance for building security.

***Please Note:**

- an 8 hour day shift consists of:
 - 7 ½ hours of work, two (2) 15 minute paid rest periods, and an unpaid ½ hour meal break
- an 8 hour afternoon shift consists of:
 - 7 hours of work, two (2) 15 minute paid rest periods, and a paid ½ hour meal break
- an 8 hour graveyard shift consists of:
 - 6 ½ hours of work, two (2) 15 minute paid rest periods, and a paid ½ hour meal break, and a ½ hour paid shift premium

The head custodian's workload should be less 30 minutes for elementary. This is to recognize the additional responsibilities (e.g. inventory control/ordering of supplies, P.R. for rental/user groups, supervision of fellow custodians, and the security aspect).

Secondary

One unit is equivalent to 20 to 25 minutes of custodial services at the secondary level. A time allowance of 20 to 25 minutes is required to service one unit. Following are breakdowns of the requirements for specific areas. Please note that these are based upon the time needed to clean the standard sized room for the area listed. Time allotments may vary depending on specific situations – frequency is dependent on individual school needs.

1 portable = 1.15 units

1 science room = 1.5 units

1 classroom = 1 unit

1 washroom = 1.5 units

- toilets, urinals, sinks cleaned
- damp mop floors
- supplies checked and re-stocked

- empty waste cans and reline as needed

Staff washrooms = .75 unit (for two)

1 music/choir room = 1.25 units (includes office)

1 theatre = 1 unit

1 drama room = 1 unit

1 staff room = 1 unit

1 office = .25 unit

1 auto shop = 1 unit

Secondary (continued)

1 pottery room = 1.5 units

1 wrestling room = 1 unit

- wipe mats
- sweep
- walls – spot washed

1 stairwell = .75 unit

- vacuum or dry mop
- damp dust/mop weekly or as needed

1 double stairwell = 1.25 units i.e. HDS

1 counselling office (main) = .5 unit plus .25 unit for side offices

1 corridor = .50 unit

- edging
- empty waste cans
- vacuum or dry mop
- damp dust/mop weekly or as needed

1 lobby = .50 unit

- empty waste can
- vacuum or dry mop
- damp dust/mop weekly or as needed

Weight room = 1 unit (including wall mirrors, floors and garbage)

Kitchen = 1.5 unit (if a teaching kitchen)

Cafeteria = 2 units (after lunch cleaning tables, damp mop floor)

Home Ec (cooking) = 1.5 units

Home Ec (sewing) = 1 unit

Change room = 1.5 units

Special Needs room = 1.5 units

1 Tech/Electronics room = 1 unit

Computer Room and tables = 1 unit

1 First Aid room = .5 unit (consider whether washroom in first aid room; if so add units for washroom)

Units Per Shift

A reasonable/realistic expectation for secondary would be 15.5 to 19.5 units per 8 hours of custodial time on afternoon shift*, 16.5 to 21 units per 8 hours of custodial time on day shift*, and 14.5 to 18 units per 8 hours of custodial time on graveyard shift* to perform the tasks and frequencies identified on the attached custodial work schedule. Each shift, in addition to the units per shift, includes 30 minutes for travelling distance between areas, start-up and clean-up time and the allowance for building security.

Secondary (continued)

***Please Note:**

- an 8 hour day shift consists of:
 - 7 ½ hours of work, two (2) 15 minute paid rest periods, and an unpaid ½ hour meal break
- an 8 hour afternoon shift consists of:
 - 7 hours of work, two (2) 15 minute paid rest periods, and a paid ½ hour meal break
- an 8 hour graveyard shift consists of:
 - 6 ½ hours of work, two (2) 15 minute paid rest periods, and a paid ½ hour meal break, and a ½ hour paid shift premium

The head custodian's workload should be less 45 minutes for secondary. This is to recognize the additional responsibilities (e.g. inventory control/ordering of supplies, P.R. for rental/user groups, supervision of fellow custodians, and the security aspect).

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K-12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.
