About the Vancouver Board of School Trustees
1580 West Broadway
Vancouver, B.C. V6J 5K8
Phone: 604-713-5000

The Vancouver Board of School Trustees is elected by the public to serve the educational interests of the students in our district. The Board consists of nine trustees, each of whom serves for a three year term.

The statutory powers and duties of the Board are defined by the Provincial Government’s School Act. The Board is responsible for:

- formulating and interpreting policies and by-laws
- delegating administrative duties
- making decisions on educational and budget matters
- making continual appraisals of the educational, administrative, and planning processes, in light of the Board’s stated goals and objectives
- administering public funds
- communicating with the citizenry of the district.

The Board makes formal decisions at public Board meetings held on the first and third Mondays of each month at 7:00 pm (except for July, August and December). The time and place of these meetings are advertised in the Board Review newsletter which is produced to keep you up to date on district policies and direction.

The following collective agreement outlines conditions relevant to your employment. Other conditions over and above those negotiated between the Board and CUPE Local 15 (VMECW) are dictated by Board policy and practices. The Board encourages you to contact your supervisor or the Human Resources Division if you have any questions about the agreement or Board policies.

The Board values its employees and strives for the positive and cooperative working relationships that foster the best educational environment for our students.

CUPE Local 15 was organized over 90 years ago and has over 5300 members working at over 100 different work sites in the Lower Mainland. Members of Local 15 work in a diversity of jobs which include clerical, technical, administrative, recreational, educational, cultural, residential, parking enforcement and building service positions. Local 15 represents members working for 18 different employers including the Vancouver Board of Education. The overall membership is made up of approximately 80% women and one third are part-time workers. Local 15 is affiliated to CUPE British Columbia Provincial Division, CUPE Metropolitan District Council and the Vancouver and District Labour Council. The Canadian Union of Public Employees represents over 550,000 workers in the public sector across Canada from coast to coast.

As a CUPE Local 15 member you are encouraged to participate in your Union as much as possible. Membership meetings are held nine times per year. These are where the discussion, debate, appointments, elections and major decisions take place that impact you and our local. It is also your opportunity to find out first hand the latest news, give input and ask questions on issues that you are concerned about.

An Executive Board and Trustees are elected by the membership at an Annual General Meeting held every April. The President and Secretary Treasurer work full time at the union office and are full time political officers of the Union. Local 15 also employs its own specialized staff including staff representatives, office support staff, an accounting coordinator and a building maintenance worker. All staff work under the direction of the Executive Board and are an important part of our local. In addition CUPE directly supplies Local 15 with national representatives, legal representatives and clerical support.

The collective agreement specifies the terms and conditions of your employment and has been mutually agreed to by the Union and the School Board. Both parties want the provisions to be respected and properly applied. It is in your interest to know the contract as it applies to your working environment. Contract improvements are negotiated between the Board and the Union. Changes to the application of the agreement require mutual agreement between the Union and the Board. Negotiations generally start three months prior to the expiry of the collective agreement. It is the practice of your Union to elect the bargaining committee from within the membership of the bargaining unit.

Within the Vancouver Board of Education there are members that have been elected as shop stewards. If you have any questions concerning the Union, the collective agreement or your rights as a worker, a shop steward would be pleased to provide assistance. If you do not know a shop steward contact the Union Office.

2. Orientation During Trial Period

If the appointment is not confirmed the employee shall revert to a position of equal status to the position occupied prior to promotion or transfer. In the event that the employee does not wish to continue in the position during the first eight (8) weeks of the trial period the employee may opt to return to his/her previous position, provided that it has not been filled, or be placed in the next available position of equal status.

3. Transfer/Promotion

Transfers and promotions within the trial period may be considered in exceptional circumstances and where practicable as determined by the Human Resources Division.

4. Performance Appraisals

When a performance appraisal is conducted, the employee shall be given the opportunity to review and sign the performance appraisal form upon its completion to indicate that its content has been read. The employee shall have the right to place his/her own comments on the form or to append comments to the form. The absence of the employee's signature will not render the performance appraisal invalid. When the evaluation is completed, the employee shall be provided with a copy and a copy shall be placed on the employee's personnel file. In the event a performance appraisal is conducted during a probationary or trial period, it shall include a mid-term performance appraisal which will be conducted as close to the middle of the probationary or trial period as possible.

(a) A performance appraisal will not be conducted at every site the employee works.

(b) The location with the highest percentage of time (fte) shall be responsible for conducting the performance appraisal.
6. **WORKING CONDITIONS**

H. Trial Period on Promotion or Transfer

(c) If locations share an equal amount of time (fte), all locations are responsible for conferring and submitting one performance appraisal to Human Resources for that employee.

(d) A performance appraisal shall be conducted only by the Employee's Supervisor.

I. Temporary Positions

1. Posting

   All temporary vacancies which are expected to continue for over five (5) months shall be posted internally provided any vacancies so created by recruitment may be filled by a temporary appointment without posting.

   All continuous temporary positions twenty (20) hours per week or longer shall be reviewed during the fourth month for a decision as to whether the position shall continue. Should the decision to continue the position result in the position existing for over five (5) months from date of inception, then the position shall be posted in accordance with the terms of this agreement. Should a position which was originally posted as temporary be made permanent it shall be posted in accordance with the terms of this Agreement.

2. Permanent Employee Appointed to Temporary Position

   Should a Permanent Employee be appointed to fill a temporary position he/she shall, when such temporary work is completed, return to his/her former position and location (provided the position is not itinerant in nature) without loss of seniority in such position, and any other employee who may have received promotion as a result of the temporary arrangement of positions in the department shall automatically revert to his/her former position. Employees in itinerant positions shall retain their permanent status when such temporary work is completed.

3. Temporary Assignments - Applications from Permanent Employees

   Permanent employees who have notified Human Resources, in writing, of their interest in temporary reassignments and who are qualified shall be considered for long term temporary non-posted vacancies, prior to Employees-on-Call (EOCs) filing the positions.
6. WORKING CONDITIONS

J. Filling of Temporary Assignments

The practice of the Board is to consider the following factors when filling non-posted temporary assignments: qualifications (related experience and training), availability, suitability, work site requests and V.S.B. work history including length of service, conduct, ability to meet V.S.B. performance standards and ability to work cooperatively with others.

Any concerns regarding the frequency of assignments may be directed to the Human Resources Division to be dealt with, but shall not be arbitrable.

K. Clothing

1. Special apparel shall be provided by the Board for all employees authorized by the Board to wear special apparel. The Board shall supply, launder and repair such special apparel without any cost to the employee. Such special apparel shall be the property of the Board and on terminating their services with the Board, employees shall return it.

2. Compensation shall be granted, upon request, for the cleaning, repair and/or replacement of clothing (including items such as eyeglasses or hearing aids) which is soiled, damaged or destroyed through no negligence of the employee in the performance of the normal duties of the employee. Normally such requests shall be required in writing to the employee's supervisor within five (5) working days of the occurrence. The supervisor shall report the matter immediately to the Human Resources Division in writing who shall determine the amount, if any, of the compensation. Particular attention shall be given to employees who work with special needs children.

3. The Board agrees to pay an annual safety footwear allowance of one hundred and twenty-five dollars ($125.00), payable in September, to all employees required by W.C.B. to wear safety footwear.

L. Job Sharing

Where there is mutual agreement between the Board and the Union to do so, employees may job share on a 50/50 or 40/60 basis with each employee working full days.

Any employee wishing to participate in a job sharing arrangement should make written application to the Union and the Human Resources Division by April 30 for ten (10) month employees or at least three (3) months in advance of the desired commencement date if a twelve (12) month employee. Requests received after the deadline will not be unreasonably withheld on the basis of timeliness alone.
6. WORKING CONDITIONS

L. Job Sharing

A job share partner must be a temporary employee. In each instance of job sharing, the employees involved will be advised in writing of the terms of the arrangement.

Any job sharing arrangements will incorporate the following standards:

1. Retention of seniority and related rights.

2. Retention of employee status.

3. Continuation of all benefits where appropriate. Salary, salary increments, Municipal Pension, vacation pay, deferred savings and sick leave earned and used, and medical/dental appointments will be appropriately pro-rated.

4. Should the owner of the permanent position leave the position the job will be posted. Until this occurs, the remaining incumbent will normally work full time in the position, with a minimum of ten (10) working days’ notice.

5. Either the Board or the Union may cancel the arrangement in writing, with a minimum of thirty (30) working days’ notice, provided that upon doing so the job sharing arrangement will continue until the end of the school year.

6. For short-term absences, the other employee may relieve if agreeable to that employee.

7. Each job sharing arrangement will be established for a specific period, subject to extension by mutual agreement, with the employees involved reverting to their previous hours, status and previous or equivalent position upon its conclusion. Article 6 I. applies to such arrangements.

8. The purpose of a job share is not to accept employment elsewhere.

M. Acting in Senior Capacity

1. Temporary Authorization and Pay

An employee who is authorized by his/her Department Head or designate to accept the responsibilities and carry out the duties falling substantially within a position senior to that which he/she normally holds, for a continuous period of one (1) working day or more shall be paid for the total period as if he/she has been promoted to the senior position.

In the event that an employee is required to act in a position that is excluded from the bargaining unit, the same principles of acting pay shall apply.
6. **WORKING CONDITIONS**

M. Acting in Senior Capacity

(Payment) above, later be successful for appointment to the senior position or to a position carrying the same pay rate as the senior position, such employee shall, on appointment to such position, be credited for the time spent acting in the senior position during the previous twelve (12) month period.

8. **EMPLOYEE BENEFITS**

A. **Annual Vacations**

(i) If twenty-eight (28) years' service can be completed by December 31 he/she shall receive thirty-four (34) working days at his/her regular rate of pay (and pro rata if his/her service during the year is not full-time), and thirteen point six per cent (13.6%) if Term Employee.

(j) If twenty-nine (29) years' service can be completed by December 31 he/she shall receive thirty-five (35) working days at his/her regular rate of pay (and pro rata if his/her service during the year is not full-time), and fourteen per cent (14%) if Term Employee.

2. **Carry-Over**

The use of such carry-over must be at such a time which has the approval of the Department Head.

3. **Supplementary Vacation**

(a) Each employee shall be entitled to five (5) working days of supplementary vacation, in addition to the annual vacation to which he/she is entitled under Clause 8.A.1. (Calculations for Entitlement). Upon commencing his/her eleventh, sixteenth, twenty-first, twenty-sixth, thirty-first, thirty-sixth, forty-first or forty-sixth calendar year of service.

(b) It is understood between the parties that each employee shall become entitled to his/her supplementary vacation on the first day of January in the year in which he/she qualifies for such supplementary vacation. An employee shall retain his/her supplementary vacation entitlement in the event that such employee's employment is terminated or he/she resigns prior to the end of the period to which the entitlement applies.

(c) Each supplementary week of vacation will be taken during a five (5) year period commencing in the year the supplementary week is credited. (d) Employees shall have the option of taking pay in lieu of supplementary vacation.

(e) Each employee entitled to supplementary vacation will be asked in writing in December of the preceding year to elect pay or vacation time (as is done for gratuity credits). Mr. Chris Merrick
National Representative
CUPE Local 15 (VMECW)
545 West 10th Avenue
Vancouver, B.C.

Dear Mr. Merrick:

RE: Staffing Ratio, Guaranteed Employment and Reduction in Positions and Permanent Substitutes

Term

This Letter of Understanding is effective for the term of this agreement.

Guaranteed Employment

The Board is prepared to guarantee the employment of permanent employees (including probationary employees) employed prior to 1999 May 14 for the term of this Collective Agreement. Specifically as of October 03, 2014, 382 employees. The pay level, status (FTE) and benefits of these 382 employees will be maintained (grand-parented) for the term of the collective agreement.

Reduction in Positions and Permanent Substitutes

In the event the Board is required to effect a reduction in the total number of positions within a Band, the displaced employees will be those with the least seniority in the band. In the event reassignment is required within the band, the displaced employees shall have preference to the vacated positions based on seniority in the Band, to take severance, pursuant to Clause 11.D., or may choose to become a permanent substitute until a suitable position in the band is available.

Minimum Staffing Ratio

The Board will maintain a minimum staffing level of a ratio of 1:72 of K-12 students based on student enrollment as confirmed by the 1701 count as of 30 September of each year. Specifically, based on the student enrollment of 55,307, the ratio yielded a staffing level of 788 positions for the 1998-1999 school year.

External Funding

The Board will maintain positions funded by service contracts (external funding) in keeping with the service delivery model outlined in the contracts. For these positions, the Board will continue to request the same funding for the programs and services. Where the Board receives the same or better funding, positions will be maintained in keeping with the service delivery model outlined in the contracts. The Board will provide the funding information to the Union on 01 October of each year to determine the level of staffing that will continue each year. Where the contract has changed and funding is reduced or the service delivery is changed, the number and types of positions will be adjusted accordingly.

Yours truly,

Jacquie Griffiths
Manager - Labour Relations

**TRAINING/CAREER DEVELOPMENT**

**Training**

The parties to this collective agreement agree to maintain a Joint Training committee with equal representation of three (3) members each, and to utilize funds remaining from the previous workforce reduction fund consistent with developed training strategies.

The Joint Training Committee will review training needs and develop and allocate training resources to assist all employees in developing skill sets that will meet the changing operational requirements of the Board.

The Committee will establish training plans for the purposes of facilitating movements into bands, as determined operationally feasible by the Board. It shall determine what additional training may be required to enable an employee to meet the requirements of the new applicable job band.

In addition, the Committee shall provide guidance and counselling to these employees to assist them in searching and competing for jobs, transfer and promotional opportunities within the Vancouver Board of Education.

The committee will have complete discretion to determining the most cost-effective use of the fund in attempting to meet the best interests of the Board and the employees.

The above initiatives would allow the assessment of skills and provide information in order to establish individual skill development plans for all CUPE Local 15 members at the Board.

Employees who were laid-off and on the recall list as of 1998 December 31, and are currently receiving funding through the approval of the Workforce Reduction Committee will continue to do so until such time as their approved program of study is completed.

Letter of Understanding #3 Renewed July 1, 2014

Permanent Substitutes

- Employees with guaranteed employment displaced as a result of positions reductions within a band (see Letter of Understanding #1) will be appointed as permanent substitutes until a suitable position within the band is available subject to the provisions of Article 11.F being satisfied. Permanent employees will retain their regular salary and benefits while employed as permanent substitutes.

- The Board will advise the Union (in writing) at the time an employee becomes a permanent substitute.

- A permanent substitute will be attached to a home school/location.

- A permanent substitute will be called out by SEMS for assignment within their bands for which they are qualified and may not decline such assignments.

- A permanent substitute who is not called out for an assignment will report to their home school on that day.

- Permanent Substitutes will remain on the bi-weekly payroll and will not be required to complete time sheets.

- When a permanent substitute is not available for work (i.e. various leaves as defined by the collective agreement), s/he will contact the home school (for attendance) and report the absence to SEMS/Sub office.

Under the definition of a 'Prescribed plan' within Section 248(1) (salary deferral arrangement) of the Income Tax Act, the following agreement is to permit members of the Union to arrange a self-funded leave of absence by deferring from tax a portion of salary.

1. DEFINITIONS

Therefore, the original deferral period should not exceed five (5) years to allow for the possible application of these clauses.

"Deferred compensation amount" means the portion of the current compensation amount which is retained by the Board for a participant in each year in accordance with clause 3.1 and augmented from time to time by interest thereon calculated in accordance with clause 3.3 but less all interest paid to participant in accordance with clause 3.4.

"Eligible employee" means a member of the Union.

"Eligible investor" means any Canadian chartered bank, any trust company authorized to carry on business in the province of British Columbia, and any credit union authorized to carry on business in the province of British Columbia.

"Leave of absence" means the period described in clause 4.1.

"Memorandum of Agreement" means the agreement described in Form #1 on page 94.

"Participant" means an eligible employee who has completed a Memorandum of Agreement and whose application for participation in the plan has been approved by the Associate Superintendent, Human Resources in accordance with clause 2.3.

2.1 In order to participate in the plan, an eligible employee must make written application by way of Schedule "B" Memorandum of Agreement to the Associate Superintendent, Human Resources, at least three (3) months prior to participation in the plan, or at a date otherwise agreed between the Board and the Union, stating the date when the eligible employee wishes to participate in the plan.

Approval

2.2 The approval of each application made under clause 2.1 shall rest solely with the Associate Superintendent, Human Resources. The Associate Superintendent, Human Resources shall, at least one (1) month prior to participation in the plan or at a date otherwise agreed between the Board and Union advise each applicant of his/her approval or disapproval of his/her application, and if the latter, an explanation thereof.

Date of Participation

2.3 If the Associate Superintendent, Human Resources gives his/her approval in accordance with clause 2.2, the participation of the eligible employee in the plan will become effective on the date requested by the eligible employee, or if such date is not agreed to by the Associate Superintendent, Human Resources, then on a date which is agreed to by the Associate Superintendent, Human Resources and the eligible employee.

3. FUNDING FOR LEAVE OF ABSENCE

Funding for leave of absence shall be as follows:

Compensation Deferred

3.1 During each year prior to the leave of absence, the participant, for a maximum to five (5) years, will receive his/her current compensation amount, less the percentage amount which the participant has specified in the Memorandum of Agreement for the year in question which is to be retained by the Board. Such percentage amount will be retained by the Board and be invested in accordance with clause 3.3.

Maximum Percentage Deferred

3.2 The percentage of the annual current compensation amount deferred by the participant cannot exceed thirty-three and one-third per cent (33 1/3%).

Investment of Deferred Compensation

3.3 The monies retained by the Board for each participant, in accordance with clause 3.1, including interest thereon (until paid out in accordance with clause 3.4) shall be pooled and shall be invested and reinvested by the Board in investments offered from time to time by an eligible investor. The Board shall not be liable to any participant for any investments made which are authorized by this clause.
Payment of Accrued Interest

3.4 The eligible investor shall pay the accrued interest to the participant in January for the period ending 31 December.

Reporting to Participants

3.5 The eligible investor shall provide semi-annual statements for the periods January to June and July to December to each participant as to the deferred compensation amount.

4. TAKING LEAVE OF ABSENCE

The taking of leave of absence shall be governed by the following provisions:

Qualification to Participate

4.1 The leave of absence shall occur according to, and be governed by, the Self-Funded Leave of Absence plan policy then established by the Board for its employees but shall be for not less than six (6) months.

Manner of Payment During Leave

4.2 The time and manner of payment to the participant during the leave of absence shall be in accordance with a plan determined by the participant prior to the commencement of leave, but in any event payments shall not be more frequently than provided for the payment of salaries under the Agreement and all amounts payable shall be paid to the participant not later than the end of the first taxation year that commences after the end of the deferral period.

Amount of Payment During Leave

4.3 The payment to be made to a participant in accordance with clause 4.2 during a leave of absence shall be related to the monies retained by the Board, in accordance with clause 3.1 for such participant, but less any monies required by law to be paid by the Board for or on behalf of a participant. The participant shall not receive any salary from the Board during the leave other than amounts which were deferred prior to the leave.

Board's Right to Refuse Leave

4.4 If the Board is unable to obtain a suitable replacement for a participant for the period of a leave of absence specified by the participant, the Board, upon not less than six (6) months notice prior to the scheduled date, may at its discretion defer the leave of absence on one (1) occasion only for one (1) year.

In such case, the participant may choose to remain in the plan or may withdraw from the plan.

Participant's Right to Defer Leave

4.5 Not withstanding the date shown in Item 3 of the Memorandum of Agreement for a requested leave of absence, a participant may, on one (1) occasion only, with the consent of the Associate Superintendent, Human Resources less than six (6) months prior to the scheduled date, postpone such leave for one (1) year.

5.2 A participant may withdraw from the plan upon giving not less than six (6) months notice of intent prior to the date on which the leave of absence is to commence.

Payment

5.3 Upon termination of employment and/or withdrawal from the plan, the Board shall pay to the participant the deferred compensation amount, including any unpaid interest, within sixty (60) days but not later than in the first taxation year that commences after the end of the deferral period, dependent upon the choice of the participant. Upon such payment being made the Board shall have no further liability to the participant.

Upon Death

5.4 Should a participant die, the Board shall within sixty (60) days of notification of such death pay the deferred compensation amount to the participant's estate, subject to the Board receiving any necessary clearance and proofs normally required for payment to estates.

6. TERMINATION OR AMENDMENT OF PLAN Agreement

6.1 The plan may be amended or terminated by agreement between the Board and the Union. Any amendment(s) shall be binding upon all present and future participants.

Not to Prejudice Ruling

6.2 No amendment shall be made to the plan which will prejudice any tax ruling which is applicable to the plan prior to the amendment.

7. GENERAL

Administration

7.1 The eligible investor will charge administration fees to the fund on a monthly basis which shall be payable by the participating members.
7.2 The matters of the position on return from leave, the salary and benefits after the leave and the payment of fringe benefits must be dealt with by separate agreement between the Board and the Union.

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

The rights and obligations of the local parties under this framework are of no force or effect unless their collective agreement has been ratified by both parties no later than November 30, 2014.

1. Term

July 1, 2014 to June 30, 2019.

2. Wage Increases

Wages will increase by 5.5%. Increases will be effective on the following dates:

- July 1, 2015  1.0%
- May 1, 2016  Economic Stability Dividend
- July 1, 2016  0.5%
- May 1, 2017  1.0% plus Economic Stability Dividend
- July 1, 2017  0.5%
- May 1, 2018  1.0% plus Economic Stability Dividend
- July 1, 2018  0.5%
- May 1, 2019  1.0% plus Economic Stability Dividend

The terms of the Economic Stability Dividend are described in Appendix A.

3. Employee Support Grant

BCPSEA, the Unions and the Government agree to the principle that support staff union members who have lost wages as a result of not crossing lawful picket lines during full days of the BCTF strike/BCPSEA lockout shall be compensated in accordance with the agreement in Appendix B.
4. Benefits Standardization

The Parties agree to pursue a voluntary standardized extended health plan to be implemented during the term of the collective agreement in accordance with the terms laid out in Appendix C.

5. The Support Staff Education and Adjustment Committee (SSEAC)

The Parties agree to renew their commitment to the Support Staff Education and Adjustment Committee (SSEAC). The Parties remain committed to the exploration of the following:

a) a focus on best practices to integrate skill development for support staff employees with district goals and student needs

b) a study of the potential for regionalization of wages

c) an exploration of the potential for a standardized extended health and dental benefit plan

d) recommendations to address issues associated with hours of work and service delivery

e) a review of practices in districts having modified school calendars and the resulting impact on support staff

f) skills enhancement for support staff

There will be a total of $100,000 of annual funding allocated for the purposes set out above commencing July 1, 2015. The parties agree that work plans to address the above and any resulting recommendations will require mutual agreement.

6. Education Assistants Committee

a) The Parties agree to continue the Education Assistants Committee charged with the responsibility of investigating and making recommendations regarding possibilities for the creation of whole Education Assistant jobs, and for the deployment of Education Assistant staff in accordance with recognized best practices.

b) The Parties agree the Committee will engage with the Ministry of Education around the development and implementation of a system of recognized credentials and qualifications to regulate the employment of Education Assistants.

c) The Parties agree the Committee shall consist of not more than 8 representatives appointed by Support Staff unions and not more than 8 representatives appointed by BCPSEA.
d) The Parties agree the Committee will be resourced with a budget fixed by SSEAC and drawn from SSEAC funds to accomplish its work.

e) The Parties agree the work of the Committee will recommence within one year of the ratification of the framework agreement.

f) The Parties agree that the Committee will complete its work and report its findings to the Parties.

7. Learning Improvement Fund – Support Staff

The funds stipulated in Item 1 of the LOA – Learning Improvement Fund: Support Staff Priorities (Appendix D) are the greater of $10 million or 20% of the LIF commencing on July 1, 2015. These funds will be allocated to School Districts in accordance with the following principles as per established SSEAC procedures:

a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. This does not preclude the creation of new full time or part time EA positions.

b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.

c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.

d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA’s in circumstances of changing enrollment throughout the school year.

e) Support staff local unions and Boards of Education will formulate a plan for the above funds. Plans for full time jobs for EA’s are to be accompanied by job descriptions as per existing SSEAC procedures in accordance with the Collective Agreements.

f) SSEAC will receive the jointly agreed plans from school districts and locals.

g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.

i) If permitted by legislation and regulation, a one-time allocation of $2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. PEBT

a) Date adjustment for the annual funding of the PEBT LTD plan:

Change the date of the annual funding payment of $19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with $19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of $300,000 on January 2, 2015.

b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

9. Shared Services

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.
11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of $50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of $250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of $1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of $900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of $200,000 to the K-12 Presidents’ Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the Employment Standards Act, no employee shall be required or permitted to perform unpaid hours of work.
15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

AND
K-12 PRESIDENTS COUNCIL

Re ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

“Collective agreement year” means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

“Forecast GDP” means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

“Fiscal year” means the fiscal year of the government as defined in the Financial Administration Act [1996 S.B.C.] c. 138 as ‘the period from April 1 in one year to March 31 in the next year’;

“Calendar year” Is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

“GDP” or “Gross Domestic Product” for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial
and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.

3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.

4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.

6. The timing in each calendar year will be as follows:

   (i) February Budget – Forecast GDP for the upcoming calendar year;
   (ii) November of the following calendar year – Real GDP published for the previous calendar year;
   (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
   (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

   (i) February 2015 – Forecast GDP for calendar 2015;
   (ii) November 2016 – Real GDP published for calendar 2015;
   (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
   (iv) Direction from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for
each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend

(v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.
