PREAMBLE

WHEREAS it is the desire of both parties to this agreement:

(1) to promote the harmonious relations and settle conditions of employment between the Employer and the Union;

(2) to recognize the mutual value of joint discussion and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, etc.;

(3) to encourage efficiency in operation;

(4) to promote the morale, wellbeing and security of all the employees in the bargaining unit of the Union.

AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an agreement.

NOW, THEREFORE the parties agree as follows:
ARTICLE 1 – UNION RECOGNITION

1.01 Bargaining Authority

The Employer recognizes the Union as the exclusive representative for the purposes of conducting collective bargaining regarding rates of pay, hours of work, and all other working conditions of the employees of the Employer, as long as the Union retains its right to conduct collective bargaining on behalf of such employees, under provisions of The Labour Relations Code as certified by the Labour Relations Board, and excepting those having authority to hire or discharge employees and those employed in a confidential capacity as defined by The Labour Relations Code.

1.02 Definition of Employees

1. Regular Employees: are employees either full-time or part-time who hold a posted position.

2. Temporary Employees: are employees who have completed sixty (60) working shifts, as defined in Article 10.02, of continuous or broken employment within a twelve (12) month period. In the event that an employee has an unfavourable evaluation and the employer feels a further period of time is required to determine if the employer is satisfied with the employee, with the consent of the Union, the qualifying period for seniority shall be extended from sixty (60) working shifts to ninety (90) working shifts. Such an unfavourable evaluation will be presented in writing to the employee, accompanied by their Union Representative, prior to the request for an extension.

Temporary employees will not be employed on a continuous basis for more than six (6) months unless mutually agreed between the Employer and the Union. Once an employee becomes temporary he will be shown as such on the seniority list.

3. Casual Employees: are employees who work on an intermittent basis, but who have not completed sixty (60) working shifts employment within a twelve (12) month period. Casual employees have no seniority, qualify for no benefits, paid leaves or sick leave. Casual employees will be paid eight point six percent (8.6%) payment on their gross pay for vacation pay and statutory holiday pay. A callout list for casual employees will be kept with the longest term employees being given preference for callouts in their classifications and geographical area.
**Note: Employees hired prior to September 13, 2005 will continue to be paid thirteen point four percent (13.4%) in lieu of vacations and statutory holidays.

1.03 Additional Casual Hours

Regular or temporary employees who work additional unposted hours over their posted assignment will be paid eight point six (8.6%) or thirteen point four (13.4%) for those employees hired prior to September 13, 2005 in lieu of stat and vacation pay on those hours on each pay. If employee is a contributor to the Municipal Pension Plan then pension deductions will also be made.

1.04 Intimidation or Discrimination

The Employer agrees that there shall be no intimidation or discrimination against any employee by reason of his activities as a member of the Union, and the Union agrees that there shall be no intimidation on its part towards any employee of the Employer.

1.05 Strike or Lockout

The Union agrees that neither it, nor any of its representatives, nor any employee, shall in any way authorize, encourage or participate in any strike, walk-out, or suspension of work on the part of any employee, or group of employees and that at all times its members shall, under the direction of the Employer, maintain all schools during the life of this Agreement, and the Employer agrees that there shall be no lock-out of members of the Union during the life of this Agreement.

1.06 Bulletin Boards

The Employer agrees that the Union shall have the right to maintain a bulletin board in a convenient location in all worksites, provided that the use of such shall be restricted to the posting of notices regarding the business affairs, meetings, social events and reports of the Union.

1.07 Union Notification of Changes in Employee Status

The Employer agrees that any recommendation or matters considered by the Employer relating to rates of pay, promotions, hiring or discharge of all temporary, casual and regular employees covered by the terms of this Agreement shall be communicated in writing to the Union at the time of their consideration and decision by the Employer.
1.08 Technological Change

Should any displacement of staff be indicated as the result of technological change, the Employer and the Union will meet and discuss the possibility of employing displaced employees in some other capacity, sixty (60) days prior to the implementation of such change. In the event that a regular employee is displaced, he shall be offered an opportunity to bid on jobs held by employees with less seniority providing the displaced employee possesses the qualifications required of the job held by the junior employee. Any employee placed in a lower-rated position as a result of technological change, shall not have his wages reduced; but shall continue to receive his old rate until such time as the agreement rate for his new position is equal to his actual rate of pay.

Following the twelve (12) months layoff period where the Employer is unable to provide work for a displaced person with five (5) or more years of service, severance pay will be paid on the basis of one (1) week’s pay, at the regular rate of the position last occupied, for every year of completed service with the Employer.

1.09 Administration of the Collective Agreement

The administration of the terms of this Agreement will fall within the jurisdiction of the Secretary-Treasurer or designate.

1.10 Correspondence

The Employer shall determine qualifications in a fair and equitable manner. Job postings will contain qualifications and experience as outlined in the position description.

12.02 Seniority List

The Employer shall maintain a seniority list showing the date upon which each employee’s service commenced. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in April and November of each year.

During the probationary period the employee shall be entitled to all rights and benefits of this Agreement unless specified otherwise, after completion of the probationary period, seniority shall be effective from the original date of employment, or as per Article 1.02.

12.04 Temporary Employee’s Seniority

A temporary employee’s seniority shall commence on the first day of work in the sixty (60) working shifts qualifying period. Temporary employees qualify for thirteen point four percent (13.4%) payment on their gross pay to compensate for holidays, vacations, benefit premiums and paid leaves of absence.

12.05 No Loss of Seniority

Employees shall not lose seniority rights if they are absent from work because of sickness, accident, lay-off, or leave of absence approved by the Employer.

Rejection of a position that involves travel in excess of one hundred (100) kilometres round trip shall be treated as good and sufficient cause by both parties and shall not result in loss of seniority for the affected employee or employees.
12.06 Loss of Seniority

Employees shall only lose seniority in the event they:

(a) are discharged for just cause and are not reinstated.
(b) resign and submit their resignation in writing.
(c) are absent from work in excess of two (2) working days without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible.

If the employee returns to the bargaining unit within the sixty (60) shifts, he will move back into the position he held prior to leaving the unit. Other employees affected will also bump back into their original positions.

12.08 Merger or Amalgamation

In the event that the Employer shall merge, amalgamate, or combine any of its operations or functions with another School District, the Employer agrees to the retention of seniority rights for all employees with the new District following consultations between the Union and the Employer.

12.09 Operational Transfers

Employees may be transferred from one school to another, if such a transfer is considered expedient by the Employer in order to expedite the over-all cleaning, maintenance or heating work in the School District for a period not in excess of sixty (60) days, and after consultation with the Union, and, if the transfer is to be of a permanent nature, subject to the provisions of Article 12 of this Agreement. If an employee transferred on a temporary basis, sixty (60) working days or less, is required to travel out of the Municipality in which he normally works to effect such temporary transfer, the Employer agrees to provide transportation for the employee from one Municipality to the other for the duration of the temporary transfer, or in lieu of providing such transportation, the Employer shall pay such
employee required to use their own means of transportation at the mileage rate set out in Board Policy for Trustees on School Board business.

12.10 Transfers

By mutual agreement between the Employer and the Union, an employee may be transferred from one position to another in the same classification within the school district when:

a) To eliminate the need for a layoff or
b) In cases where there is a duty to accommodate or
c) Where findings of workplace harassment or bullying have been made.

The transfer will not involve travel of more than 100 kilometers round trip from the employee’s home, unless by mutual agreement.
ARTICLE 13 – POSTINGS AND STAFF CHANGES

13.01 Job Postings and Vacancies

When a vacancy occurs or a new position is created, the Employer shall notify the Union in writing and post notice of the position on all bulletin boards and electronically for a minimum of seven (7) days so that all members will know about a vacancy or new position. Variations to the time period for postings can be changed by mutual agreement.

(a) Posting Timeline

No outside advertising for any vacancy will be placed until the applications of present employees have been fully processed. However, outside advertising may run parallel to the internal posting process in special or emergent situations, such as where there are no qualified employees. Vacancies, if they are to be filled, or new positions must be posted within ten (10) days of the vacancy or creation. Copies of the posting will be emailed to laid off and temporary employees who are not at work and therefore unable to see the posting.

(b) Increase in Hours

Should the Employer require an increase in hours in a posted position that would result in an increase of twelve percent (12%) or more, then that position shall be reposted.

(c) Temporary Vacancies

Temporary vacancies of thirty (30) worked shifts or more duration will be posted as temporary vacancies. If the temporary vacancy was created by a regular employee being absent due to illness, WorkSafeBC or leave of absence, the absent employee must give two (2) weeks’ notice of his return to work. Vacancies of less than thirty (30) worked shifts need not be posted and shall be filled in accordance with Letter of Understanding No. 3 Call-Out Procedure for Casual Work Assignments.
13.02 Filling Vacancies

(a) **Regular Employees Given Preference**

The parties agree that in all cases of regular postings or temporary postings, regular employees having the required skills will be given preference over temporary employees.

(b) **Senior Qualified Temporary**

When a regular posted position of five (5) continuous hours or more, is not filled by a regular employee, the senior qualified temporary employee shall be offered that position.

Rejection of a position that involves travel in excess of 100 km round trip shall be treated as good and sufficient cause by both parties and shall not result in loss of seniority for the affected employee or employees.

(c) **Education Assistant/Child Care Workers**

It is agreed that Education Assistants and Child Care Workers will remain in the position they hold in September for the duration of the school year. Should an opening occur during the year, the vacancy will be posted and filled on a temporary basis and the successful applicant placed into the position in the following school year (September). If the hours in the new position exceed one hour per day of the hours presently being worked the transfers will be effective immediately.

This clause is superseded by the Letter of Understanding No. 6 — Expedited Staffing Process for Education Assistants.

13.03 Combining Positions

While the parties recognize a need for and a preference on behalf of some employees for part time shifts, the Employer is however encouraged to create positions or a combination of positions that allow employees to work up to the maximum number of hours. Where dual positions are established, the following applies.

(a) **Dual Roles**

A dual role position involves work from two classifications being posted as one job. In all dual role positions, the highest rate of pay shall prevail. Dual role positions will not be spread over more than eight (8) hours work in total (10) hours.
(b) Two Posted Positions

i) An employee holding two part-time posted positions shall receive the separate rates of pay.

ii) An employee holding two posting positions will not exceed 8 hours work within a 12-hour period.

iii) In the event of a reduction of hours of 12% or more or elimination of a job the employee will be allowed to bump if their primary position is affected. Primary position means the job with the most hours or the first job held if the hours are equal.

13.04 Definitions

Promoted – an employee moves from one position to a position with a higher rate of pay.
Demoted – an employee moves from one position to a position with a lower rate of pay.
Transferred – an employee moves from one position to a position with the same rate of pay.

13.05 Posting Content

Notice of postings shall contain the following information:

Nature of position, required qualifications, knowledge, education and skills, shift, wage or salary. Applications must be made in writing. Such qualifications may not be established in an arbitrary or discriminatory manner. All job posting notices will include date of issuance of posting, a closing date for the posting and the assigned work site.

13.06 Role of Seniority

Role of seniority in promotions and transfers:

Both parties recognize:

(1) the principle of promotion within the service of the Employer.

(2) that job opportunity should increase in proportion to length of service.

Therefore, in making staff changes, transfers or promotions, appointment shall be made of the applicant with the greatest seniority and having the required qualifications in accordance with Article 12.01.
13.07 Trial Period/Right to Revert

The successful applicant shall be placed on trial for a period of sixty-five (65) shifts worked provided the new position involves a change of classification.

Conditional on satisfactory service, the employee shall be declared permanent after the period of sixty-five (65) shifts worked. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, he shall be returned to his former position, wage or salary rate and without loss of seniority. Employees will be informed in writing as to why they were unsuccessful in the trial period. Any other employee promoted or transferred because of the re-arrangement of positions shall also be returned to his former position, wage or salary rate, without loss of seniority.

An employee in a trial period has the right to revert to his former position within the first ten (10) working days of the trial period. If the former position no longer exists then the employee will exercise his seniority rights.

If an employee chooses to revert back the Employer shall offer the position to the next senior qualified employee who applied for the position.

All other employee movement as a result of the initial appointment shall be reversed.

13.08 Consideration for Promotion

Consideration for promotion will be given to the senior applicant who does not possess the required qualifications or certification, but is preparing for qualification or certification prior to filling of the vacancy. Such employee will be given a trial period to qualify within four (4) months unless otherwise mutually agreed, and to revert to his former position if the required qualifications or certifications are not met within such time. This clause shall not apply where certificates are mandatory for initial placement in the vacancy.

13.09 Notice of Appointment

Within the first week of each month, a listing of all successful applicants for postings issued the previous month will be posted electronically and emailed to the Union. The Union shall be notified of all appointments, hirings, layoffs, transfers and terminations of employment.
13.10 Course of Instruction

In the event of any employee taking a course of instruction, as approved by the Employer, in order that the employee will better qualify to perform his job, the Employer will, on the employee's successful completion of the course, reimburse the employee in full for all costs incurred during the duration of the course. When an exam connected with the course requires the employee to be absent from work for the day then the employee will be reimbursed for one day.

13.11 Notification of Qualifications

An employee shall be responsible for advising the Employer promptly upon meeting the requirements and successfully completing recognized trades or other qualifications.

13.12 Duty to Accommodate

The Union, the employee affected, and the Employer agree to consult and cooperate on issues relating to the duty to accommodate. The Parties recognize the requirements to comply with the Human Rights Code and the Labour Relations Code for an accommodation.

The Union agrees to draw up job descriptions for all positions and classifications for which the Union is the bargaining agent. These descriptions will be drawn up during the first year of this agreement with time off without pay for two (2) people and presented to Management for discussion. The descriptions will become the recognized job descriptions when signed by both the Union and Management. Any position description not agreed to by the committee will be referred to the Labour Management Committee for resolution. It is understood that position descriptions can be reviewed and revised as required and in any event will be reviewed annually.

13.14 Changes to Existing Classifications

Existing classifications and rates of pay shall not be eliminated or changed without consultation with the Union.

13.15 Employee Familiarization

The temporary employees, when lay-off occurs, will have the right to bump, bargaining-unit-wide, any temporary employee with less seniority, providing they can adequately perform the job.

15.09 Reduction of Hours

Should the Employer require a reduction of hours that would result in a twelve percent (12%) or more reduction of the incumbent’s hours during the previous five (5) years, the employee has the following options:

(a) accept the reduction and remain in the position

(b) have the right to exercise his seniority to bump as per Article 15.08 and 15.11.

If an individual has already been reduced by twelve (12%) percent or more, any further reduction will allow bumping to occur and the changed position will be reposted.

15.11 Length of time for Bumping Rights

1. The minimum trip payment for all extra-curricular trips shall be two (2) hours at the bus driver straight time rate.

2. After completion of every four (4) hour period, bus drivers will receive meal allowances as per BCSTA rates.

For trips that are sixteen (16) hours or more in length then BCSTA full day rate will be paid.

3. Night rest periods shall be deemed to be eight (8) hours and will not be used in the calculation of waiting time, working time meal allowances or calculation of a full working day.

4. Time calculation for wage payment will be from point of departure (bus garage or from permanent location of the Christina Lake bus) to return of bus to garage and servicing of bus to operational condition. Up to a maximum of one (1) hour will be paid to put bus in operational condition.

Note that time calculation for trips from Christina Lake is specified in Appendix “B”, No. 6.

5. A room will be provided for any trip that exceeds twelve (12) hours.

6. A driver will be supplied with a room for all overnight trips.

7. A full day waiting time will be paid at regular rates for the full working day.

8. Overtime will be paid after eight (8) hours per day or after forty (40) hours per week. Waiting time will be paid at straight time and not calculated in hours worked for overtime purposes except that overtime occasioned by emergency conditions (vehicle breakdown, weather and road conditions) will be paid after the expiry of normal working hours per day and after eight (8) hours per day on extra-curricular trips.

9. Bus drivers driving extra-curricular trips will be paid their vacation pay at their current percentage on the earnings for each trip on the next closest payday.
APPENDIX “B”

(Applicable to Grand Forks geographical area)

1. It was agreed that the following terms would apply to the administration and payment of curricular and extra-curricular bus trips for bus drivers in addition to the terms of the Bus Driver Administrative Policy as stated in the current C.U.P.E. Local 2098 Collective Agreement.

2. Curricular and extra-curricular trips will be posted in advance. Minimum notice will be twenty-four (24) hours and may be given by telephone to the bus garage. If the driver who is next on the extra-curricular board chooses to take a trip when less than twenty-four (24) hours’ notice has been given he may do so. If he does not wish to take the trip he shall maintain his place on the Trip Board and the trip will then be considered as an emergency trip and will be offered to each of the other drivers on a seniority basis.

3. After completing their probationary period, a driver who has a regular posted position may elect to be listed on the extra-curricular trip board on a seniority basis. Drivers on the board will then be approached to drive on a rotation basis. This rotation will continue in September where it ended the previous June. Secondary board will rotate in reverse seniority.

4. When a driver on the primary board does not take a trip it goes to the first driver on the secondary board (driver on primary board goes to the bottom). As a driver on the secondary board takes, or for any reason does not take a trip, his name goes to the bottom of the secondary board and the trip is then offered to the next in line on the secondary board.

5. The original driver approached, barring sickness or approved leave of absence, must take the trip if no other driver wants it. If he still refuses, he is stricken from the boards for the duration of the school year.

6. All extra-curricular trips from Christina Lake will follow the procedure as laid out in this Appendix provided the Board is not required to pay time on mileage to and/or from the Lake for the driver to pick up or deliver the bus. This item will not apply if the driver on the Christina Lake run is not available for extra-curricular trips.

7. In the event that a trip is cancelled after a driver has taken off his/her regular shift in order to drive that trip, the driver will retain his/her place on the board.

8. When more than one trip occurs on the same day, the earliest departure time goes to the driver who is in first place on the board.
9. Overnight extra-curricular trips will be awarded to the regular drivers on a seniority wide basis on a separate board regardless of their position on the primary or secondary board. This overnight trip board starts off with the driver having the most seniority and will rotate continuously year after year thereafter.

10. Regular drivers shall be eligible for curricular and extra-curricular trips only if there is no extra cost to the Board. Where a regular driver decides to take a trip under this clause, he shall be guaranteed a minimum of his normal shift hours.

11. In the event a driver is absent due to sickness, approved leave of absence or taken off bus duties to work Maintenance, his or her position on the board will remain. If this period lasts longer than one month, his or her name on the board will be by-passed until he or she returns to driving duties.
APPENDIX "B2"

(Applicable to the Kettle Valley Geographical Area)

The Parties agree to amend Appendix “B2” to reflect current practice as follows:

1. It was agreed that the following terms would apply to the administration and payment of curricular and extra-curricular bus trips for bus drivers in addition to the terms of the Bus Driver Administrative Policy as stated in the current CUPE Local 2098 Collective Agreement.

2. Curricular and extra-curricular trips will be posted in advance. Minimum notice will be twenty-four (24) hours and may be given by telephone to the bus garage.

3. Curricular and extra-curricular trips with less than 24 hours’ notice will be considered as an emergency trip. If the driver who is next on the extra-curricular board chooses to take an emergency trip, he may do so. If he does not wish to take the trip, he shall maintain his place on the Trip Board and the trip will then be offered to each of the other drivers on a seniority basis. If a driver who is scheduled to drive an extra-curricular trip is then unable to take the trip due to unforeseen circumstances, with less than twenty-four (24) hours’ notice, this provision will apply.

4. After completing their probationary period, a driver who has a regular posted position may elect to be listed on the extra-curricular trip board on a seniority basis. Drivers on the board will then be approached to drive on a rotation basis. This rotation will continue in September where it ended the previous June.

5. When a driver on the board does not take a trip, that driver goes to the bottom and the trip is then offered to the next in line. If no regular driver takes the trip, it is then offered to the spare drivers on a seniority basis.

6. The original driver approached, barring sickness or approved leave of absence, must take the trip if no other driver wants it. If he still refuses, he is stricken from the boards for the duration of the school year.

7. In the event that a trip is cancelled after a driver has taken off his/her regular shift in order to drive that trip, the driver will retain his/her place on the board.

8. When more than one trip occurs on the same day, the earliest departure time goes to the driver who is in first place on the board. Trip switching is not encouraged. However, two consecutive drivers with trips on the same day may mutually agree to switch trips. No grievances or complaints will be entertained as a result.
9. Overnight extra-curricular trips will be awarded to the regular drivers on a seniority wide basis on a separate board regardless of their position on the trip board. This overnight trip board starts off with the driver having the most seniority and will rotate continuously year after year thereafter.

10. Regular drivers shall be eligible for curricular and extra-curricular trips only if there is no extra cost to the Board. Where a regular driver decides to take a trip under this clause, he/she shall be guaranteed a minimum of his normal shift hours.

11. In the event a driver is absent due to sickness, approved leave of absence or taken off bus duties to work Maintenance, his or her position on the board will remain. If this period lasts longer than one month, his or her name on the board will be by-passed until he or she returns to driving duties.

a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. This does not preclude the creation of new full time or part time EA positions.

b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.

c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.

d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA’s in circumstances of changing enrollment throughout the school year.

e) Support staff local unions and Boards of Education will formulate a plan for the above funds. Plans for full time jobs for EA’s are to be accompanied by job descriptions as per existing SSEAC procedures in accordance with the Collective Agreements.

f) SSEAC will receive the jointly agreed plans from school districts and locals.

g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.

i) If permitted by legislation and regulation, a one-time allocation of $2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. **PEBT**

a) **Date adjustment for the annual funding of the PEBT LTD plan:**

Change the date of the annual funding payment of $19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with $19,428.240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of $300,000 on January 2, 2015.

b) **Employee Family Assistance Program (EFAP) services and the PEBT**

The Parties request that the PEBT Board undertake a review to assess the feasibility of administering all support staff EFAP plans.

9. **Shared Services**

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. **Demographic, Classification and Wage Information**

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

11. **Standardized Job Evaluation Study**

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation
plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of $50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of $250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of $1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of $900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of $200,000 to the K-12 Presidents’ Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the Employment Standards Act, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective
agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

AND
K-12 PRESIDENTS COUNCIL

RE: ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

"Collective agreement year" means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

"Forecast GDP" means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

"Fiscal year" means the fiscal year of the government as defined in the Financial Administration Act [1996 S.B.C.] c. 138 as the period from April 1 in one year to March 31 in the next year;

"Calendar year" is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

"GDP" or "Gross Domestic Product" for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

"GWI" or "General Wage Increase" means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

"Real GDP" means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and
Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

**The Economic Stability Dividend**

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.

3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.

4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

**Annual Calculation and publication of the Economic Stability Dividend**

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.

6. The timing in each calendar year will be as follows:

   (i) February Budget – Forecast GDP for the upcoming calendar year;

   (ii) November of the following calendar year – Real GDP published for the previous calendar year;

   (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;

   (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

7. For greater clarity and as an example only:

   For collective agreement year 3 (2016/17):

   (i) February 2015 – Forecast GDP for calendar 2015;

   (ii) November 2016 – Real GDP published for calendar 2015;

   (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;

   (iv) Direction from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for
each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend

(v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

K-12 PRESIDENTS COUNCIL

Re: Exploration of a Greater Standardization of Benefits Plans

To further such change the parties agree to form a working committee with the goal of achieving agreement on a standardized extended health benefits plan.

Terms of Reference:

7. BCPSEA will provide ongoing annualized funding to the Boards of Education in the amount of $3,000,000 effective September 1, 2017 to facilitate the completion of a standardized plan.

8. Any residual unused funds from the implementation of this standardized plan will be allocated to the job evaluation fund.
