## **SECTION A THE COLLECTIVE BARGAINING RELATIONSHIP**

### **ARTICLE A.1 TERM, CONTINUATION AND RENEGOTIATION**

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement that was in effect between the two parties for the period July 1, 2011 to June 30, 2013 including any amendments agreed to by the parties during that period.

1. Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2013 to June 30, 2019. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.
2. In the event that a new Collective Agreement is not in place by June 30, 2019 the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.
3. All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.
4.
  - a. If employees are added to the bargaining unit established under section 5 of the *Public Education Labour Relations Act* during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.
  - b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.
  - c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.
5.
  - a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.
  - b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.

- c.
  - i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See Letter of Understanding No. 1).
  - ii. The parties may agree to another designation which is consistent with the *Public Education Labour Relations Act*.

## **ARTICLE A.2 RECOGNITION OF THE UNION**

1. The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to *PELRA* and subject to the provisions of this Collective Agreement.
2. Pursuant to *PELRA*, the employer in each district recognizes the local in that district as the teachers' union for the negotiation in that district of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in that district subject to *PELRA* and the Provincial Matters Agreement.
3. The BCTF recognizes BCPSEA as the accredited bargaining agent for every school board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the school boards and to bind the school boards by collective agreement in accordance with Section 2 of Schedule 2 of *PELRA*.

## **ARTICLE A.3 MEMBERSHIP REQUIREMENT**

1. All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers' Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.
2. Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

#### **ARTICLE A.4 LOCAL AND BCTF DUES DEDUCTION**

1. The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.
2. At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties.
3. The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.
4. The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer.
5. The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

#### **ARTICLE A.5 COMMITTEE MEMBERSHIP**

1. Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.
2. In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee, and the local shall appoint the representatives. The local will consider the mandate of the committee when appointing the representatives. If the employer wishes to discuss the appointment of a representative, the superintendent, or designate, and the president or designate of the local may meet and discuss the matter.
3. Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher teaching on call costs shall be borne by the employer.

4. A teacher teaching on call attending a “half day” meeting shall receive a half day’s pay. If the meeting extends past a “half day,” the teacher teaching on call shall receive a full day’s pay.

## **ARTICLE A.6 GRIEVANCE PROCEDURE**

### **1. Preamble**

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

### **Steps in Grievance Procedure**

#### **2. Step One**

- a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.
- b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

#### **3. Step Two**

- a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.
- b. The grievance shall be presented in writing giving the general nature of the grievance.

#### **4. Step Three**

- a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.

If both parties agree and the language of the previous Local Agreement stipulates:

- i. the number of representatives of each party at Step Three shall be three; [A.6.4.a.i is applicable in SD 52.]  
and/or
  - ii. at least one of the employer representatives shall be a trustee. [A.6.4.a.ii is not applicable in SD 52.]
- b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

#### **5. Omitting Steps**

- a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.
- b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

#### **6. Referral to Arbitration: Local Matters**

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a "local matters grievance," as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a "local matters grievance." The parties shall agree upon an arbitrator within ten (10) working days of such notice.

**7. Referral to Arbitration: Provincial Matters**

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a “provincial matters grievance,” as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a “provincial matters grievance.” The parties shall agree upon an arbitrator within ten (10) working days of such notice.
- c. Review Meeting:
  - i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a provincial matters grievance that has been referred to arbitration.
  - ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.
  - iii. Each party shall determine who shall attend the meeting on its behalf.

**8. Arbitration (Conduct of)**

- a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.

The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.
- c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.

- d. Authority of the Arbitrator:
  - i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
  - ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
  - iii. The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.
- e. The decision of the arbitrator shall be final and binding.
- f. Each party shall pay one half of the fees and expenses of the arbitrator.

## **9. General**

- a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.
- b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.
- c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.

## Local Provisions

### 7. Seniority

- a. In this article, "Seniority" is defined as a teacher's length of continuous service in the employ of the Board inclusive of temporary service abutting a continuing appointment. For purposes of calculating length of service, part-time teaching shall be credited fully as if it were full-time service.
- b. In addition to the provisions of Article C.2.7.a, the seniority for a teacher on a continuing contract shall include:
  - i. Teacher teaching on call seniority accumulated pursuant to Article C.2.3. A Teacher Teaching on Call conducting union business shall accumulate seniority in accordance with Article G.7.4 (TTOCs Conducting Union Business);
  - ii. Seniority accumulated on a temporary contract pursuant to Article C.2.4; and
  - iii. Seniority ported in accordance with Article C.2.2 provided that in no case, shall a teacher be credited with more than one (1) year of seniority for any school year.

[Note: With respect to Article C.2.7.b.i, for years before September 1, 2014, teacher teaching on call seniority applied on the fourth consecutive and subsequent consecutive days worked in an assignment or assignments, retroactive to the first day worked.]

- c. Seniority shall accrue to teachers on continuing contracts over the period of any leave of absence (except personal or travel leave) of up to but not exceeding one year which has been approved by the Board. Continuity of service is not broken during any Board approved leave.
- d. Ties in seniority shall be broken in the following sequence:
  - i. longest service in a continuing contract;
  - ii. longest aggregate service with the district;
  - iii. most days service as a teacher teaching on call in this district;
  - iv. longest aggregate service in the province;
  - v. longest aggregate service outside the province;
  - vi. earliest dated letter of appointment.
- e. The Board shall, by October 15, forward to the Union and post in school staff rooms, a list of all teachers on continuing contract employed by the Board, in order of seniority calculated according to this article.

- f. Any errors in the Seniority List shall be brought to the attention of the Superintendent of Schools on or before November 7.

### **ARTICLE C.3 EVALUATION**

1. The purposes of evaluation provisions include providing employees with feedback, and employers and employees with the opportunity and responsibility to address concerns. Where a grievance proceeds to arbitration, the arbitrator must consider these purposes, and may relieve on just and reasonable terms against breaches of time limits or other procedural requirements.

Upon achieving one (1) year of experience, an increment shall be awarded on the first of the month following the month in which the experience accumulation is earned.

### **LOCAL ARTICLES**

#### **ARTICLE C.5 LAYOFF, RECALL AND SEVERANCE PAY**

##### **1. Application**

Where the Board finds it necessary to terminate the employment of teachers on continuing contract in order to effect a reduction in work force, such terminations shall be in accordance with the provisions of this article.

##### **2. Principle of Security**

The Board and the Union agree that teachers with greater seniority, providing they possess the necessary qualifications, are entitled to increased security of teaching employment.

### 3. **Qualifications**

- a. Qualifications in respect of a teaching position will be determined from a review of the teacher's certification, training, education and experience. Assignment to a teaching position is based on a reasonable expectation that a teacher will be able to perform the duties of the teaching position with such qualifications in a satisfactory manner.
- b. The determination of whether or not a teacher has the necessary qualifications for a particular teaching position or group of similar teaching positions shall be the responsibility of the Superintendent of Schools. To permit fair and accurate determination a teacher may be required to supply academic records and other evidence of pre and in-service training details and records of teaching and/or work experience, teaching reports, references. Moreover, a teacher may be required to attend personal interview(s) with the Superintendent and/or other district or school administrative staff.

### 4. **Termination Procedure**

- a. When the Board determines that it is necessary to reduce the total number of teachers employed by the Board, the teachers to be retained on the teaching staff of the district shall be those who have the greatest seniority, provided that they possess the necessary qualifications for the positions available.
- b. The Board shall give each teacher it intends to terminate pursuant to this article, a minimum of thirty (30) calendar days notice in writing, such notice to be effective at the end of a school term, and to contain the reason for the termination. A list of less senior teachers retained on staff shall be included with such notice of termination.

c. **Notice:**

When an appeal is lodged following the thirty (30) day notice period required in Article C.5.4.b (and the Board has not provided less senior employees with notice) the Board will give less senior employees notice that they might be terminated in the event of a successful appeal. Payment in lieu of notice of the minimum thirty (30) days shall satisfy the notice requirements of Article C.5.4.b, such payment to be based upon the number of teaching days notice missed, as a proportion of the prescribed annual teaching days, multiplied by the teacher's annual salary.

- d. Upon termination and prior to being placed on the recall list teachers may state in writing that they wish to be exempted from recall involving a geographic relocation. Teachers may later request in writing that the written statement be removed, or may request in writing that such a statement be applied to them, but in no case shall the later request affect an appointment already made. It is recognized by both parties that recall is different than a transfer and that this article is made without detracting in any way from the right of the School Board under the *School Act* to transfer teachers from one assignment to another.

## **5. Severance Pay**

- a. A teacher on continuing appointment who has one or more years of continuous employment and who is terminated, save and except a teacher who is terminated or dismissed pursuant to Section 15 of the *School Act* or Article C.22 (Dismissal for Teaching Performance) of this Agreement, may elect to receive severance pay at any time during the twelve (12) months following termination.
- b. Severance pay shall be calculated at the rate of five percent of one year's salary for each full-time equivalent year of continuous paid service to a maximum of one year's salary. Salary on which severance pay is calculated shall be based on the teacher's annual full-time salary, including allowances, at the time of the teacher's termination.
- c. A teacher who receives severance pay pursuant to this article and who, notwithstanding Article C.5.7, is subsequently rehired by the Board, shall retain any payment made under the terms of this section and in such case, for the purposes only of Article C.5.5.b, the calculations of years of service shall commence with the date of such rehiring.

## **6. Recall/Re-Engagement Alternative**

- a. When a position on the teaching staff of the District becomes available, the Board shall, except as provided in Article C.5.6.d below, first offer re-engagement to the teacher who held a continuing contract at the time of termination and who has the greater seniority, providing they possess the necessary qualifications. If that teacher declines the offer, the position shall be offered to the teacher with the next greatest seniority providing he/she possess the necessary qualifications and the process shall be repeated until the position is filled or the list has been exhausted. All positions shall be offered in this manner while there are remaining teachers with the necessary qualifications who have been terminated pursuant to this article.
- b. A teacher who is offered re-engagement pursuant to Article C.5.6.a, shall inform the Board whether or not the offer is accepted, within forty-eight (48) hours of the receipt of such offer.

- c. The Board shall allow ten (10) days from an acceptance of an offer under Article C.5.6.b for the teacher to commence teaching duties, provided that, where the teacher is required to give a longer period of notice to another employer, the period shall be extended to two (2) weeks plus reasonable travel. The Board may grant an extended period prior to commencement of teaching duties.
- d. A teacher's right to re-engagement under this clause is lost:
  - i. if the teacher elects to receive severance pay under Article C.5.5;
  - ii. if the teacher refuses to accept a second position offered except as affected by Article C.5.4.d;
  - iii. if the teacher accepts a continuing appointment in another school district, or
  - iv. if a period of two (2) years elapses from the date of termination under this article and the teacher has not been re-engaged.
- e. A teacher on the re-engagement list is responsible for keeping the office of the Superintendent of Schools informed of changes in name, address, telephone number and qualifications.
- f. Upon temporary re-engagement, a teacher shall retain his/her former recall status even though the recall assignment may be for a specified term and/or for an amount of employment different from the recall status. This permits the Board to employ teachers on the recall list in temporary assignments without jeopardizing the teacher's right to recall otherwise contained in this clause.

When a teacher on the recall list accepts a temporary assignment, the period of recall under C.5.6.d will be extended by the length of the temporary assignment.

- g. A teacher re-engaged under the terms of this clause assumes the seniority accrued prior to termination.

When a teacher on the recall list voluntarily accepts a temporary vacancy at a lesser FTE than the teacher's FTE at the time of layoff (the current position) the teacher may make application respecting other vacancies which are of greater FTE than the current position. If the Employer concludes a requested reassignment creates a conflict of scheduling, the Employer shall advise the Union and the parties shall meet on an expedited basis to discuss the matter with a view to reaching a resolution satisfactory to the Union and the Board. In the event a satisfactory resolution cannot be reached, the matter shall be referred to the expedited dispute resolution process described in Appendix C - Spring Staffing, and resolved accordingly.

**7. Re-Engagement List**

The Board shall maintain a re-engagement list. Copies of that list will be sent to each person on the list and the Union once during the fall term and once again during the spring term each year.

**8. Sick Leave**

A teacher re-engaged pursuant to this clause shall be entitled to all sick leave credit accumulated at the date of termination.

**9. Benefits**

A teacher who retains rights of re-engagement pursuant to Article C.5.4 shall be entitled, if otherwise eligible, to maintain participation in all benefits provided in the contract. Payment of its share of such benefits will be made by the Board for the first two (2) months and thereafter shall be employee paid subject to carrier limitations.

**ARTICLE C.20 TEACHER APPOINTMENT STATUS**

1. All teachers appointed by the Board to the teaching staff of the district shall be appointed on a continuing contract of employment except for:
  - a. Temporary appointments made:

  - a. the teacher and the PRDTU shall be given at least 72 hours notice of the meeting.
  - b. at least 48 hours before the meeting called under Article C.21.5, both parties shall exchange all documents expected to be considered at the meeting. Should new, relevant information become available to either party up to the time of the meeting, it shall be immediately forwarded to the other party which shall have the option of delaying the meeting for as much as an additional 48 hours.

8. Any disciplinary action is subject to the Resolution of Differences procedure; but dismissal grievances may be referred directly to arbitration.
9. Provided the conduct of a teacher following the decision to discipline does not give rise to the need for consideration of further discipline, the initial grounds for discipline and related information shall be the material relied upon during the arbitration process.
10. These matters shall be considered personnel matters and as such there shall be no release of details to the press or public other than that a suspension or dismissal has occurred, that an investigation is underway and what the result of an investigation has been. Any details beyond these basic facts shall only be given after consultation with the Union.

#### **ARTICLE C.22      DISMISSAL FOR TEACHING PERFORMANCE**

At least one of these reports shall be written by a Superintendent of Schools or a District level Administrative Officer.

#### P.R.D.T.U. AND S.D. #52

#### Re: Spring Staffing

#### General:

1. The terms of this Letter of Understanding override any applicable provisions of the Collective Agreement in the event of a conflict between this Letter of Understanding and the Collective Agreement
2. For the purposes of this Letter of Understanding, when a position on the teaching staff of the District becomes available, except between April 15 and June 30, the terms of Article C.5.6. apply. Note: Staffing will commence on April 15 in each year.
3. This Letter of Understanding between the parties includes the agreement that the Employer is authorized and will provide the Union with the names of all applicants to postings who are members of the Union.
4. The parties agree to inform each other of all appeals.

#### Spring Staffing Process:

5. Spring Staffing will occur based on this Letter of Understanding.
6. The Employer will provide to the Union seniority lists updated to March 15 by April 1 of each year.
7. Subject to qualifications, teachers will be identified as surplus in lowest to highest seniority order.
8. The restriction of Article E.20.3 will be waived during the Spring Staffing period as defined in this Letter of Understanding.

### **Surplus Teachers:**

9. The Board will, after meaningful consultation with the Union, determine three (3) or more jobs, (depending on availability), held by persons with the most junior seniority relative to the surplus teacher, subject to qualifications, and the Board will provide a list of the jobs in writing to the surplus teachers. The surplus teacher will, within not more than two (2) working days from receipt of the list, assign a priority to each of the jobs listed and provide a copy to the Employer. The Board shall then offer the jobs to the surplus teacher in the order of priority chosen by the teacher, unless a job has been filled by a surplus teacher possessing greater seniority. In that event the Board shall offer the job assigned the next highest priority by the teacher. The surplus teacher must at that time accept one of the jobs identified. Surplus teachers may not elect to be laid off.

### **Teacher on Recall/Teachers Converting to Continuing Status:**

10. The recall/re-engagement rights of teachers on the recall list shall continue to be governed by the Collective Agreement, except as set out herein.

12. Teachers on the recall/re-engagement list (as per 11(b) above), and teachers who have converted to continuing status during the school year, shall participate in the Spring Staffing as follows. The board will, after meaningful consultation with the Union, determine up to three (3) jobs (depending on availability) held by persons with the most junior seniority relative to the teacher on the recall/re-engagement list or converted teacher, subject to qualifications, and the Board will provide a list of the jobs in writing to the teacher. The teacher will, within not more than two (2) working days from receipt of the list, assign a priority to each of the jobs listed and provide a copy to the Employer. The Board shall then offer the jobs to the teacher in the order of priority chosen by the teacher, unless a job has been filled by a teacher possessing greater seniority. In that

event the board shall offer the job assigned the next highest priority by the teacher. The teacher must at that time accept one of the jobs identified, if any.

**Postings:**

13. During Spring Staffing and during the month of September postings will be two (2) working days in duration unless otherwise mutually agreed. During the balance of the year all vacancies will be posted for a period of four (4) working days.

**Notice of Termination:**

14. For teachers who, as a result of the processes in #9 and #12 above, have received notice of lay-off, the Board will, after meaningful consultation with the Union, determine up to three (3) jobs depending on availability held by persons with the most junior seniority relative to the teacher, subject to qualifications, and the Board will provide a list of the jobs in writing to the teacher. The teacher will, within not more than two (2) working days from receipt of the list, assign a priority to each of the jobs listed and provide a copy to the employer. The Board shall then offer the jobs to the teacher in the order of priority chosen by the teacher, unless a job has been filled by a teacher possessing greater seniority. In that event the Board shall offer the job assigned the next highest priority by the teacher. The teacher must at that time accept one of the jobs identified, if any.

**Qualifications:**

15. For the purposes of this Letter of Understanding, Article C.5.3 shall apply.

**Expedited Process:**

16. Any dispute arising from the Spring Staffing process and related matters shall be heard and decided as follows:
  - (a) If and when a dispute arises, the parties shall first use their best efforts to reach a mutually satisfactory resolution of the dispute within three (3) working days from when the dispute is identified.
  - (b) Failing resolution as provided in paragraph (a), either party may submit the dispute for resolution to the first available of (or as mutually agreed) Judi Korbin or Chris Sullivan (the “Troubleshooter”) on an urgent and expedited basis as follows:

NB: By mutual agreement, or on the recommendation of the named Troubleshooters, additional Troubleshooters may be added.

- (c) The Troubleshooter will arrange to convene a telephone conference call with a representative(s) of the Employer and a representative(s) of the Union as quickly as possible.
- (d) Prior to the telephone conference call, the parties may provide the Troubleshooter with copies of any documents they consider to be relevant and helpful to resolving the dispute.
- (e) After hearing from the parties, the Troubleshooter will determine the procedure for final resolution of the dispute on an urgent and expedited basis. These procedures may include, but are not limited to:

- (g) It is the intention of the parties that at least an oral decision will normally be made by the Troubleshooter within five (5) working days of the hearing.
- (h) The Troubleshooter shall retain jurisdiction with respect to any issues arising out of the implementation of an award issued by him/her.
- (i) A decision or award under this expedited process is without prejudice or precedent unless otherwise recommended by one of the Troubleshooters and mutually agreed by the parties.
- (j) Issues of principle or policy may be referred by either party to the regular grievance procedure. If referred to arbitration the matter shall be heard by Judi

Korbin, Chris Sullivan or such other arbitrator as may be added to the Troubleshooter list. Such referral shall not prevent the filing of specific disputes under the expedited process herein or delay the processing of them.

- (k) Except as set out herein an arbitrator under this agreement shall have the powers and jurisdiction of an arbitrator prescribed in the *Labour Relations Code* of British Columbia.
- (l) This process is without prejudice or precedent in any other district or with regard to the provincial parties.

**Re: Agreed Understanding of the Term Teacher Teaching on Call**

For the purposes of this collective agreement, the term Teacher Teaching on Call (TTOC) has the same meaning as Teacher on Call/Employee on Call (TOC/EOC) as found in the 2006-2011 Collective Agreement/Working Documents and is not intended to create any enhanced benefits.

The parties will set up a housekeeping committee to identify the terms in the collective agreement/working documents that will be replaced by Teacher Teaching on Call (TTOC).

### **Re: Article C.2. – Porting of Seniority – Separate Seniority Lists**

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
  - Both K – 12 and adult education seniority are contained on a single list in both districts.
  - Normal rules of porting apply.
  - No more than 1 year of seniority can be credited and ported for any single school year.
  - Maximum of 10 years can be ported.
  
2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
  - Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
  - Both lists remain separate when porting.
  - Up to 10 years of K – 12 and up to 10 years of adult education can be ported to the corresponding lists.
  - Although the seniority is ported from both areas, the seniority is only activated and can be used in the area in which the teacher attained the continuing appointment. The seniority remains dormant and cannot be used in the other area unless/until the employee subsequently attains a continuing appointment in that area.
  - For example, teacher A in District A currently has 8 years of K – 12 seniority and 6 years of adult education seniority. Teacher A secures a K – 12 continuing appointment in District B. Teacher A can port 8 years of K – 12 seniority and 6 years of adult education seniority to District B. However, only the 8 years of K – 12 seniority will be activated while the 6 years of adult education seniority will remain dormant. Should teacher A achieve a continuing appointment in adult education in District B in the future, the 6 years of adult education seniority shall be activated at that time.

3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
  - A combined total of up to 10 years of seniority can be ported.
  - No more than 1 year of seniority can be credited for any single school year.
4. Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
  - Up to 10 years of seniority could be ported to the seniority list to which the continuing appointment was received.
  - No seniority could be ported to the other seniority list.
  - For example, teacher A in District A currently has 14 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 10 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

### **Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave – Simultaneously Holding Part-Time Appointments in Two Different Districts**

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1 of the provincial collective agreement with respect to the situation where a teacher simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e., currently holds a part-time continuing appointment in one (1) district and then subsequently obtains a second part-time continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either resigns/terminates his/her employment from the porting district or receives a full leave of absence from the porting district.
2. The requirement for the teacher to initiate the sick leave verification process (90 days from the initial date of hire) and the seniority verification process (within 90 days of a teacher's appointment to a continuing contract) and forward the necessary verification forms to the previous school district shall be held in abeyance pending either the date of the employee's resignation/termination of employment from the porting district or the employee receiving a full leave of absence from the porting district.
3. Should a teacher port seniority under this Letter of Understanding, there will be a period of time when the employee will be accruing seniority in both districts. For this period of time (the period of time that the teacher simultaneously holds part-time continuing appointments in both districts up until the time the teacher ports), for the purpose of porting, the teacher will be limited to a maximum of 1 years seniority for each year.
4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this letter of understanding, the rules and application described in the Irene Holden award of June 7, 2007 concerning porting while on full-time leave shall then apply.
5. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed and considered at labour management.

The following examples are intended to provide further clarification:

### Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the employee has resigned or terminated their employment in district A. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

### Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for her full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee's leave of absence is effective. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

**Re: Article C.2 – Porting of Seniority – Laid off Teachers who are Currently on the Recall List**

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial collective agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

1. Laid off teacher holding recall rights in one school district may port up to ten (10) years of seniority to a second school district when they secure a continuing appointment in that second school district.
2. Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in his/her previous district.
3. If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.
4. If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.
5. The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.
6. Consistent with Irene Holden's previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.

7. This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district “A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. This teacher after working 1 year in district “B” accepts recall to a continuing appointment in district “A”. Only 3 years of seniority would be ported back to district “A” and for record keeping purposes, the teacher’s seniority record in district “B” would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district ‘A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. After working 2 years in school district “B” this teacher’s recall rights in school district “A” are lost. No further seniority can be ported from district “A” to district “B” and for record keeping purposes, the teacher’s seniority record in district “A” would be zero for all purposes.

**Re: Economic Stability Dividend**

### *Definitions*

1. In this Letter of Agreement:

“Collective agreement year” means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

“Economic Forecast Council” means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

“Forecast GDP” means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

“Fiscal year” means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as ‘the period from April 1 in one year to March 31 in the next year’;

“Calendar year” Is a twelve (12) month period starting January 1<sup>st</sup> and ending December 31<sup>st</sup> of the same year based upon the Gregorian calendar.

“GDP” or “Gross Domestic Product” for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11<sup>th</sup>) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

*The Economic Stability Dividend*

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

*Annual Calculation and publication of the Economic Stability Dividend*

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
  - (i) February Budget – Forecast GDP for the upcoming calendar year;
  - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
  - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
  - (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.
7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

- (i) February 2015 – Forecast GDP for calendar 2015;
- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;

- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

*Availability of the Economic Stability Dividend*

- 8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

*Allowable Method of Payment of the Economic Stability Dividend*

- 9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.

For the purpose of melding the new provincial language C.4 with that of the previous local agreement language surrounding the issue of TTOC experience and increments, the parties agree that the following principles will be applied when melding the language:

#### **Re: Article C.4 TTOC Employment – Transitional Issues**

Prior to Article C.4 coming into effect on September 19, 2014 there were three (3) possible situations in previous local collective agreements with respect to recognizing TTOC experience towards increments:

1. There was no applicable language in the previous local collective agreement, i.e., TTOC experience was not recognized nor had any effect towards an increment.
2. The previous local collective agreement language recorded but only recognized TTOC experienced once a continuing appointment was obtained in the same district.
3. The previous local collective agreement recognized TTOC experience earned in the district for increment purposes.

The purpose of this letter of understanding is to address these three (3) situations when transitioning from the previous local collective agreement language concerning TTOC experience that would have previously applied prior to Article C.4 coming into effect on September 19, 2014.

#### **1. No Applicable TTOC Experience Language**

As there was no previous recognition of TTOC experience for increment purposes under the previous local collective agreement, there are no transitional issues.

#### **2. TTOC experience recognized when continuing appointment is obtained**

There are some districts that have previous local collective agreement language which only recognizes TTOC experience earned in the district once the employee obtains a continuing appointment.

As a result, there will be some employees who have worked as a TTOC, but had not obtained a continuing appointment in that district prior to Article C.4 coming into effect (September 19, 2014).

For these districts/locals with this specific previous local agreement language, the parties have agreed to the following transitional process:

1. Record for each employee their TTOC experience amount under their previous local agreement as of September 18, 2014.

2. Effective September 19, 2014, Article C.4 would apply for TTOC experience accrued from that date onward.
3. If in the future, the employee attains a continuing appointment in this same district, the recorded amount of TTOC experience in clause 1 above would then be applied to the previous local collective agreements increment language for continuing employees as it would have previously occurred prior to Article C.4 coming into existence.

For example:

- Recorded amount for John Smith is 240 day of TTOC experience on September 18, 2014.
- John Smith obtains a continuing appointment on September 2, 2015.
- On September 2, 2015, 240 days of TTOC experience would then be applied to the previous local collective agreements increment language for continuing employees as it would have previously occurred prior to Article C.4 coming into existence.

**3. Prior to Article C.4 coming into Effect the Previous Local Collective Agreement Recognized TTOC Experience Earned**

In this situation, on September 19, 2014, any days of TTOC experience remaining on September 18, 2014 under the previous local collective agreement language would be transferred to the TTOC experience provision of Article C.4 which took effect on September 19, 2014.

**Re: Article C.4 TTOC Employment – TTOC Experience Credit Transfer within a District**

The purpose of this letter of understanding is to address situations within a single district where a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC.

Teachers described above accrue experience for the purpose of increment advances under two (2) separate collective agreement provisions (silos), i.e., within a district, the employee triggers increments under Article C.4 for TTOC experience accrued and may also trigger increments under the applicable previous local agreement increment language for temporary/continuing experience accrued.

In order to allow a TTOC the opportunity to transfer, within a district, their TTOC experience earned under Article C.4 (new provision effective September 19, 2014) towards that of the applicable previous local collective agreement increment language for continuing and/or temporary employees, the parties agree to the following:

1. This option can only be exercised where in a single district a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC in the same district.
2. This agreement only applies to TTOC experienced earned under Article C.4 since September 19, 2014 in that district.
3. This agreement only applies to a transfer within a district. This agreement is in no way applicable to a transfer of experience or recognition of experience between districts.
4. The transfer of experience credit can only be transferred one way; from that of TTOC experience earned under Article C.4 to that of the temporary/continuing previous local agreement increment provision, i.e., it cannot be transferred for any reason from that of temporary/continuing to that of a TTOC.
5. Transfers can only be made in whole months.
6. For the purpose of transfer, 17 FTE days of TTOC experience credit will equal/be converted to one month of experience credit.
7. Should the teacher choose the option to transfer, transfers must be for the entire amount of TTOC experience in their Art C.4 bank on the deadline date for notice, i.e., with the exception of any leftover days remaining (1 – 16 days) after the whole month conversion calculation is made, no partial transfer of TTOC experience are permitted. (See example below).

8. Once transferred, the previous local collective agreement increment provisions for temporary/continuing employees (including effective date of increment) will apply to the TTOC experience transferred.
9. Transfers can only occur and take effect twice a year (August 31 and December 31).
10. For a transfer to occur effective August 31<sup>st</sup>, written notice from the employee to transfer must be received by the district no later than June 30<sup>th</sup> of the preceding school year (see attached form A). This transfer would only include the TTOC experience accrued up until June 30<sup>th</sup> of the preceding school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4.
11. For a transfer to occur effective December 31<sup>st</sup>, written notice from the employee to transfer must be received by the district no later than November 15<sup>th</sup> of the school year (see attached form B). This transfer would only include the TTOC experience accrued up until November 15<sup>th</sup> of the school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4. (See attached form B)
12. This agreement takes effect on the signatory date of LOU 16(c) signed below.

Example:

1. On June 1, 2015, Teacher A provides written notice to the district that they would like to transfer their Article C.4 TTOC experience that they will have accrued up until June 30, 2015 (in terms of closest equivalent month) to their temporary/continuing previous local agreement increment experience bank.
2. On June 30, 2015, Teacher A has 70 TTOC days of experience accrued under Article C.4.
3. On August 31, 2015, 4 months of experience would be transferred to their experience bank under the applicable previous local collective agreement increment language for continuing and/or temporary employees and 2 days of TTOC experience would remain in their TTOC bank under Article C.4. (70 divided by 17 = 4 whole months, with 2 days remaining)
4. Effective August 31, 2015, the previous local collective agreement increment language for temporary/continuing employees would then apply to the 4 months of experience that was transferred.

## LETTER OF UNDERSTANDING NO. 17

### BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

### AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

### Re: Education Fund and Impact of the Court Cases

#### 1. Education Fund

The Education Fund is established as follows:

- Effective for the 2014–2015 school year: \$75 million
- Effective for the 2015–2016 school year: \$80 million
- Effective for the 2016–2017 school year: \$80 million
- Effective for the 2017–2018 school year: \$80 million
- Effective for the 2018–2019 school year: \$85 million

#### Local Consultations

Prior to the start of each school year (and upon ratification in 2014-15) the principal and/or vice-principal of each school in a district will meet with the local union staff representative(s) and either the school staff or the staff committee. The purpose of the meeting is to agree on recommendations to address working and learning needs. The money from the fund will be used for additional bargaining unit employees.

Each school will recommend a staffing allocation plan to the superintendent and the local union president.

#### District Allocation Plan

The superintendent and the local union president will meet and, after considering the school staffing recommendations, will allocate the Education Fund by mutual agreement. If the superintendent and the local president are unable to agree after making good faith effort to do so, the decision of the superintendent will be the allocation.

## **2. The Impact of the Court Cases Related to Class Size and Composition**

The above Education Fund is subject to the final appellate judgment on the appeal of the 2014 decision of Justice Griffin. If the final judgment affects the content of the collective agreement by fully or partially restoring the 2002 language, the parties will reopen the collective agreement on this issue and the parties will bargain from the restored language. The Education Fund provisions will continue in effect until there is agreement regarding implementation and/or changes to the restored language.

[*Note:* This LOU incorporates into the 2013-2019 Provincial Collective Agreement the terms of Section C of the September 17, 2014 Memorandum of Agreement originally signed by Peter Cameron for BCPSEA and Jim Iker for the BCTF.]
