

LOU 8: Article C.2 — Porting of Seniority — Laid off Teachers Currently on the Recall List

❖ Overview

This letter of understanding establishes how to apply Article C.2.2 where a laid off teacher on recall with one district obtains a continuing appointment with a different district.

❖ Letter of Understanding No. 8 Re: Article C.2 – Porting of Seniority – Laid off Teachers Currently on the Recall List

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial collective agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

Laid off teacher holding recall rights in one school district may port up to ten (10) years of seniority to a second school district when they secure a continuing appointment in that second school district.

Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in his/her previous district.

If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.

If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.

The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.

Consistent with Irene Holden's previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.

This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district "A" has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. This teacher after working 1 year in district "B" accepts recall to a continuing appointment in district "A". Only 3 years of seniority would be ported back to district "A" and for record keeping purposes, the teacher's seniority record in district "B" would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district "A" has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. After working 2 years in school district "B" this teacher's recall rights in school district "A" are lost. No further seniority can be ported from district "A" to district "B" and for record keeping purposes, the teacher's seniority record in district "A" would be zero for all purposes.
