AND WHEREAS the parties recognize the inefficiency of having an employee travel from one community to the other within a seven and one-half (7 ½) hour working day;

NOW, THEREFORE, the parties agree as follows:

1.1 The Employer may, after advising the Union and in consultation with an individual employee, create an extended day shift for that employee provided that the average hours worked over the period (not to exceed six (6) weeks) is no more than thirty-seven and one-half (37 ½) hours per week.

1.2 Employees who may have difficulty accommodating a temporary re-assignment are invited to discuss their situation with their supervisor. In the event that an accommodation cannot be agreed upon, the parties will meet to discuss the circumstances that restrict the employee from being re-assigned.

2. The parties agree that the Employer may change the scheduled extended day(s) from time to time so long as the result complies with the general intent of the schedule.

3.1 The overtime provisions will not apply to the regular scheduled hours extending beyond seven and one-half (7 ½) hours in any day of the schedule or to any hours exceeding thirty-seven and one-half (37 ½) hours in any week of the schedule provided that the total hours over the period are no more than thirty seven and one-half (37 ½) hours per week.

3.2 Any hours worked in excess of the scheduled hours in any day shall be paid overtime pursuant to Article 15(a) and Article 16(a).
4. Any regular scheduled day that is a statutory holiday under Article 17 will be deemed to be a seven and one-half (7 ½) hour day (or the normal work day of the individual) and any extended work day scheduled for that day will be rescheduled to another day during that week.

5. In the event that a sick day (or part day) is taken on the extended day then the sick leave bank will be reduced by the total hours scheduled for that day (or the hours off on sick leave) and no time will be reduced for illness on a paid day off.

6. Other leaves required on an extended work day or a paid day off will be treated as one day leave.

7. This agreement will terminate on June 30, 2014.

8. The parties acknowledge that the Employer will agree, for the purposes of this letter only, that the employee will be allowed traveling time from the Princeton/Merritt shop to the Merritt/Princeton shop and return during work hours.

RE: JOB EVALUATION COMMITTEE MAINTENANCE
PROCEDURES

All newly created or revised jobs shall be referred to the Job Evaluation Committee for review and rating. The Maintenance Procedure will be used to maintain the Job Evaluation Plan in the following instances:

1. Job Evaluation Committee

   1.1 The parties shall appoint two (2) members to the Job Evaluation Committee.

   1.2 The terms of reference of the Committee shall be as set out in this Letter of Understanding.

   1.3 The Committee shall meet as required to carry out its tasks. Evaluations of positions under Section 2 – Evaluations and Section 3 – Appeal Procedures shall be completed as soon as possible after submission under sections 2.1.2, 2.2.1 or 3.1.1 as the case may be.

2. Evaluations

   2.1 Creating of a new position

      2.1.1 It is the responsibility of the Employer to prepare a job description whenever a new job is created.

      2.1.2 The job description shall be referred to the Committee which will determine the appropriate rating and advise the Employer.

      2.1.3 The Employer shall provide the incumbent of the new position with a copy of the job description and rating upon appointment.

      2.1.4 If the Committee is unable to establish a rating for a newly created job prior to posting of the position, the Employer may proceed with implementation using an interim rating.
RE: JOB EVALUATION COMMITTEE MAINTENANCE PROCEDURES cont’d.

2.2 Changes to existing positions

Job descriptions shall not be construed as prohibiting the Employer from requiring incumbents to perform comparable or transient duties within the area of knowledge and skills required by the job description. However, if such additional assignments become a continuing responsibility, or they become recognized as part of the job requirement and they are of sufficient importance to potentially influence the job rating, the following procedures apply:

2.2.1 The Employer shall complete a Request for Review Form, forwarding copies to the Committee for review as soon as possible. If the Employer does not deem it necessary to ask for a review, then the employee can request a review through the appeal procedure.

2.2.2 The Committee shall review and confirm or revise the evaluation ensuring the adequacy of the job description and/or application of the evaluation manual.

2.2.3 Copies of the Advice of Decision Form shall be forwarded to the Employer who shall discuss the result with the employee.

2.2.4 If either the employee, the Union or the Employer does not agree, the decision may be challenged through the appeal procedures as outlined.

2.2.5 When a job description and evaluation is changed by the foregoing process, it shall be implemented retroactively to the date when the Request for Review Form was completed.

2.2.6 Any employee under 2.2 affected by a downward adjustment shall continue at their existing rate of pay including all negotiated increases so long as he/she remains in his/her specific position which received the downward adjustment.

Any downward adjustment under 2.1 shall be implemented immediately after the notification of the results of the evaluation under section 2.

3. Appeal Procedures

3.1 The appeal procedure may be used by incumbents or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

Steps in the Appeal Procedure are as follows:
RE: JOB EVALUATION COMMITTEE MAINTENANCE PROCEDURES cont’d.

3.1.1 Where there is a concern that the job description is inadequate or the rating is incorrect, it shall be appealed to the Committee, who may discuss the matter with the incumbent and the Employer. Such an appeal shall be referred within thirty (30) days of notification of the results of the evaluation under section 2.

3.1.2 If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.

3.1.3 If the Committee does not agree that a discrepancy exists, the Committee will so advise the parties.

3.1.4 If the parties involved do not accept the Committee’s decision, they may pursue the matter through the arbitration process.

3.1.5 When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in 2.2.5.

4. Arbitration Procedures

4.1 When agreement cannot be reached in the Committee on matters involving the accuracy of job descriptions and evaluations and/or the interpretation and application of the job evaluation rating manual, the matter shall be referred to a mutually-agreed upon mediator.

4.2 Where mediation is unsuccessful, the matter may be referred to arbitration.

4.3 The selection and subsequent appointment of an arbitrator shall be by mutual agreement between the Union and Employer. Should there not be agreement, the Arbitration article shall apply.

5. General Maintenance Procedures

The Committee shall:

5.1 Review and recommend revisions to the evaluation manual, forms and procedures as deemed necessary.

5.2 Every three years or otherwise, as deemed necessary, review the rating of a sampling of jobs by the Committee for the purpose of ensuring that relativity is being maintained.

RE: EDUCATION ASSISTANTS (EA)

The parties hereby agree that:

1. The position of EA shall be added to Schedule A of the CUPE Collective Agreement, under
Category 4.

2. Except for relief employees, EAs will be regular employees, subject to all provisions and
entitled to all rights and benefits in the Collective Agreement except as modified by this
Letter of Understanding.

3. 3.1 In the event that an EAs position is eliminated or the EAs assigned hours in a
regular position is reduced by five (5) hours or more per week, the Employer:

3.1.1 may create a new EA position for the balance of that school year into which
the employee shall be placed after consultation with the union so long as the
position is reasonable considering the geography and affected employee’s
qualification and experience. The position shall be of equal or greater hours
at an equal or greater pay rate.

3.1.2 may lay off the EA with the least seniority within the same geographical area
and offer this position to the EA who is about to lose their position or hours.
The Employer must guarantee the original EA equivalent hours [less the
five (5) hour reduction] and pay rate. The laid off junior employee would
have bumping rights.

3.2 Should the student(s) to whom the EA is assigned move to another school within the
district, the employee shall be given the option of moving with the student.

3.3 Any affected employee shall have the option of accepting layoff for the remainder of
the school year and/or be placed on the casual list if they do not wish to accept the
positions offered.
3.4 When an employee's position is eliminated or reduced by at least five (5) hours per week, the employee shall be given 15 days' written notice of layoff or reduction of hours. When the layoff or reduction occurs prior to the completion of the 15-day written notice, temporary work will be assigned to the employee.

3.5 An EA position must be for a minimum of 17 1/2 hours per week to be eligible for benefits under Article 25, Benefits.

3.6 An employee who is laid off shall be entitled to maintain benefits in accordance with Article 10(c), inclusive of the summer vacation.

3.7 At the end of that school year any position created under paragraph 3.1 and continuing into the next school year shall be posted and any employee affected by this letter, who has not already done so, shall be able to exercise their bumping rights.

3.8 The designated geographical areas shall be:

3.8.1 the area formerly known as the Princeton School District

3.8.2 the area formerly known as the Merritt School District

4. Postings after the fifteenth day of October of each school year will be filled on a temporary basis until the end of that school year. EAs who have a regular position are not eligible to post into these positions. If these postings are determined to be ongoing positions for the subsequent school year they will be posted and filled in the usual manner.

5. Layoffs

5.1 Laid off EAs shall be placed on the call-out list in order of seniority.

5.2 For vacant positions which exist in September, EAs shall be recalled in the order of their seniority provided they are competent and qualified to do the work.

5.3 EAs shall be informed when laid off in June as to when they can report to the School Board Office to receive notice of the process for their recall.

5.4 Except for Article 10(c) this Article shall not apply to the annual summer layoff of school term (nominal ten-month) employees.

6. Notwithstanding the absence of the student to whom the employee is assigned, the employee shall report for work and shall perform such duties as are assigned by the Employer where the student's absence is five (5) school days or less.
7. When the student to whom the employee is assigned is absent for more than five (5) school days, the employee shall be offered such temporary EA work if it is available in accordance with qualifications and seniority.

8. EAs shall have input into relevant courses to attend. The decision as to the courses shall be made by the School District after discussions between the District and the two EAs. The EAs on this Committee shall be chosen by the EAs.

9. EAs will be allowed to work or participate in Professional Development on one of the non-instructional days each school year, such date to be determined by the Employer in consultation with the Union.

10. This letter shall also apply to Child Care Workers.

StrongStart Coordinator

1. The Employer created the positions of StrongStart Coordinators responsible for delivery of the StrongStart Program and identified the requisite qualifications, fitness and ability consistent with the program objectives and direction of the Ministry of Education.

2. The Employer has agreed to the inclusion of the StrongStart Coordinator positions within the bargaining unit represented by the Union. It extends recognition without prejudice to the stand it may take in the creation of the new positions, other than StrongStart Coordinators, in the future.

3. The Union has agreed to the terms of this Letter of Understanding to recognize the distinct character of the pre-school StrongStart Program.

4. With the inclusion of the current and future StrongStart Coordinator positions under the collective agreement, the Employer has set the qualifications, fitness and ability in the attached Schedule 1. The Union acknowledges the Employer’s right to set the qualifications, fitness and ability and agrees that the qualifications established in Schedule 1 are fair and equitable. It is understood that any future variation of the qualifications, fitness and ability by the Employer will be subject to challenge if the Union does not believe the variation is a proper exercise of management and contractual rights under the collective agreement.

5. In recognition of the character of the StrongStart Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 10(d), the following shall apply to StrongStart Coordinators:

*The employer reserves the right to deny an employee to bump into a StrongStart Coordinator position if this would create a negative impact on the StrongStart Program.*
6. The times of the year at which the StrongStart Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the StrongStart Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 18 of the collective agreement, the following shall apply to StrongStart Coordinators:

   StrongStart Coordinators will take their annual vacation during Christmas and Spring Break or otherwise when the program is not operating.

7. The daily operation of the StrongStart Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 15(c) and 15(d) the hours of work provisions of the collective agreement. The parties agree to the following paragraphs:

   **Minimum Hours**

   The parties agree that, having regard to the unique nature of the position of StrongStart Coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the StrongStart Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.

   **Break Periods**

   The parties agree that the paid rest period contemplated by Article 15(d) shall be taken during times that will not interfere with the operation of the StrongStart Centre.

8. The Employer reserves the right to offer the StrongStart Coordinators additional professional development opportunities if required to support the attainment of programming objectives.

9. Issues arising during the term of the LOU are to be brought to the attention of the parties with a view to finding a productive resolve as soon as possible. Future extensions of this LOU will need to address cost management of the StrongStart Centres within the Ministry funding allotment.

These funds will be allocated to School Districts in accordance with the following principles as per established SSEAC procedures:

a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. i) If permitted by legislation and regulation, a one-time allocation of $2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

Change the date of the annual funding payment of $19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with $19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of $300,000 on January 2, 2015.

b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local
approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of $50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of $250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of $1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of $900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of $200,000 to the K-12 Presidents’ Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the Employment Standards Act, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.
The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

Definitions

1. In this Letter of Agreement:

“Collective agreement year” means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

“Forecast GDP” means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

“Fiscal year” means the fiscal year of the government as defined in the Financial Administration Act [1996 S.B.C.] c. 138 as ‘the period from April 1 in one year to March 31 in the next year’;

“Calendar year” Is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

“GDP” or “Gross Domestic Product” for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.
The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.

3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.

4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.

6. The timing in each calendar year will be as follows:

   (i) February Budget – Forecast GDP for the upcoming calendar year;
   (ii) November of the following calendar year – Real GDP published for the previous calendar year;
   (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
   (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

7. For greater clarity and as an example only:

   For collective agreement year 3 (2016/17):

   (i) February 2015 – Forecast GDP for calendar 2015;
   (ii) November 2016 – Real GDP published for calendar 2015;
   (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
   (iv) Direction from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
   (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.
Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

AND

K-12 PRESIDENTS COUNCIL

Re: Exploration of a Greater Standardization of Benefits Plans

The parties agree to move to an optional standardized provincial extended health benefits plan (standardized plan) which would include the majority of support staff members. To further such change the parties agree to form a working committee with the goal of achieving agreement on a standardized extended health benefits plan.

Terms of Reference:

8. Any residual unused funds from the implementation of this standardized plan will be allocated to the job evaluation fund.
