1. A modified workweek schedule shall apply on a voluntary basis to employees who hold 12 month positions, while maintaining Article 10.11 of the Collective Agreement.
2. Ten (10) consecutive hours worked, exclusive of a one-half (1/2) hour lunch break, shall constitute a shift.
3. Four (4) consecutive days worked followed by three (3) consecutive days off shall constitute a week.
4. Overtime will be paid for hours worked beyond ten (10) hours per day or forty (40) hours per week, at rates provided in accordance with the overtime provisions in 11.05 (a) of the Collective Agreement.
5. All benefit entitlements expressed in days in the collective agreement (eg. vacation, sick leave and general holidays) are understood to be the hours equivalent to a standard working day (8 hours), and will be scheduled and used in hours, based on the actual length of the work day (10

hours) during the trial period, with the exception of general holidays.

Regular full-time employees scheduled to work on a general holiday will be paid in accordance with the provision of Article 11.05(a) of the Collective Agreement for the actual hours worked.

6. In the event that an employee's election not to participate or to discontinue participation in the pilot program creates operational difficulties in assigning that individual to alternate work at a comparable level, the parties will meet to attempt to resolve the issue.
7. Upon expiration, on June 30, 2015, the Letter of Understanding will be null and void and cease to have any effect in the absence of express mutual agreement between the parties in writing to extend its effect.
8. Either party may terminate the provisions of this Letter of Understanding as a whole or by a functional area as outlined above by providing two weeks (10 working days) written notice to the other party. To be implemented as soon as possible thereafter.
9. Where this Letter of Understanding is silent or there is a dispute about its application, the parties will meet to attempt to resolve the dispute. Failing resolution, the terms of the Collective agreement will apply.
10. Eligibility
All non-exempt twelve (12) month employees with the understanding that:

A compressed workweek is not appropriate for all positions or in all settings

A compressed workweek during the probationary period is not advisable because of the need to clarify job

responsibilities, establish relationships with co-workers and clients, and assess suitability for continued employment

Employees who have problems with punctuality, attendance, and/or performance, or who require close supervision, may not be good candidates

11. Procedures

Determining if Compressed Workweek Schedules are Appropriate

- a) A compressed workweek schedule should not negatively affect the workload or productivity of coworkers either by shifting difficult tasks or creating delays and additional steps in the work flow. The supervisor/department head should ensure that other employees in the same unit/department understand how and why compressed workweek schedules function.
- b) In the event that more employees request compressed workweek schedule arrangements than a unit/department can reasonably manage, the supervisor/department head shall respond to requests that are consistent with these guidelines in ways that are equitable to all employees and in the best interest of the department. Among the measures that might be adopted are rotating turns between employees and staggering schedules.

Managing Compressed Workweek Schedules

- a) The employee should initiate a request for a compressed workweek by submitting a proposal to her/his supervisor.
- b) If the employee and supervisor agree to a compressed workweek arrangement, the employee and supervisor shall determine the type of compressed workweek schedule and the approved flex day.
- c) Agreements shall be time-specific with a date set for review and reconsideration.

- d) The employee shall work the hours agreed upon and obtain approval from the supervisor in advance of working alternate hours or working any overtime.
- e) The supervisor shall maintain open communication, ensure that the employees' hours of work do not fall below the normal workweek hours and discuss with the employee any concerns as they arise.
- f) A copy of the agreed upon alternate 4/10 shall be maintained in the employees' personnel file, with copies to the employee and the supervisor.
- g) Compressed workweek arrangements shall be initiated on a trial basis and may be discontinued at any time at the request of either the employee or supervisor. The department reserves the right to suspend the arrangement in the event of unanticipated circumstances regarding employee performance or operational needs.

h) Holidays – Occurring on an Employee's Regularly Scheduled Work Day

When a paid holiday falls on an employee's regularly scheduled workday, the employee will be paid eight (8) hours (or the prorated amount if less than full time) holiday pay. No additional day will be given. If the regularly scheduled workday is greater than eight (8) hours, the employee may:

- Elect to use either vacation or compensatory time earned to make up for the time in excess of the eight (8) hours that the employee was scheduled to work; or
- Elect to forego compensation for the difference; or
- If the supervisor approves, an employee may work additional hours during the same workweek as the holiday, in lieu of using accrued leave

i) Holidays – Occurring on an Employee's Regular Scheduled Flex Day

When a paid holiday falls on an employee's regularly scheduled day off, the employee will be paid eight (8)

hours (or the prorated amount if less than full time holiday pay AND be given an alternate eight (8) hours day off during the same workweek as the holiday. If the alternate scheduled workday is greater than eight (8) hours, the employee may:

- Elect to use either vacation or compensatory time earned to make up for the time in excess of the eight (8) hours that the employee was scheduled to work; or
- Elect to forego compensation for the difference; or
- Under supervisor approval, an employee may work additional hours during the same designated workweek as the holiday, in lieu of using accrued leave.

j) Vacation & Sick Leave – Partial Day Absences:

Partial day absences that occur as a result of vacation or illness will require charging the number of hours (to the nearest ½ hour) the employee was absent.

k) Vacations and Sick Leave – Absences of at Least One Full Day, but Less Than One Full Week:

Full day absences that occur as a result of vacation or illness will require charging the number of hours the employee was normally scheduled to work on the specified day (eg. an employee is scheduled to work ten (10) hours and is absent due to a vacation or illness, must have ten (10) hours of vacation or sick time deducted from his/her leave accruals).

l) Jury Duty – Occurring on an Employee's Regularly scheduled Workday:

Jury duty shall be paid for the number of hours in the day that the employee was actually on jury duty, but no more than the number of hours in the employee's regularly scheduled workday. If jury duty continues for an extended period (longer than one week), the employee will revert back to a standard workweek.

m) Jury Duty – Occurring on an Employee’s Regularly Scheduled Flex Day:

Jury duty shall not be paid for time spent during an employee’s regularly scheduled flex day, since the employee is not scheduled to work on that day.

All other Articles of the Collective Agreement shall apply and continue to be in effect.

4. Benefits Standardization

The Parties agree to pursue a voluntary standardized extended health plan to be implemented during the term of the collective agreement in accordance with the terms laid out in Appendix C.

5. The Support Staff Education and Adjustment Committee (SSEAC)

The Parties agree to renew their commitment to the Support Staff Education and Adjustment Committee (SSEAC). The Parties remain committed to the exploration of the following:

- a) a focus on best practices to integrate skill development for support staff employees with district goals and student needs
- b) a study of the potential for regionalization of wages
- c) an exploration of the potential for a standardized extended health and dental benefit plan
- d) recommendations to address issues associated with hours of work and service delivery
- e) a review of practices in districts having modified school calendars and the resulting impact on support staff
- f) skills enhancement for support staff

There will be a total of \$100,000 of annual funding allocated for the purposes set out above commencing July 1, 2015. The parties agree that work plans to address the above and any resulting recommendations will require mutual agreement.

6. Education Assistants Committee

- a) The Parties agree to continue the Education Assistants Committee charged with the responsibility of investigating and making recommendations regarding possibilities for the creation of whole Education Assistant jobs, and for the deployment of Education Assistant staff in accordance with recognized best practices.

- f) The Parties agree that the Committee will complete its work and report its findings to the Parties.

7. Learning Improvement Fund – Support Staff

The funds stipulated in Item 1 of the LOA – Learning Improvement Fund: Support Staff Priorities (Appendix D) are the greater of \$10 million or 20% of the LIF commencing on July 1, 2015. These funds will be allocated to School Districts in accordance with the following principles as per established SSEAC procedures:

- a) Additional hours will be allocated to EA positions of more than 10 and less than 35 hours where required to provide support for the learning needs of students in alignment with district objectives and the Learning Improvement Fund Statute and Regulation. This does not preclude the creation of new full time or part time EA positions.
- b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.
- c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.
- d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA's in circumstances of changing enrollment throughout the school year.
- e) Support staff local unions and Boards of Education will formulate a plan for the above funds. Plans for full time jobs for EA's are to be accompanied by job descriptions as per existing SSEAC procedures in accordance with the Collective Agreements.
- f) SSEAC will receive the jointly agreed plans from school districts and locals.
- g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
- h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.

- i) If permitted by legislation and regulation, a one-time allocation of \$2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. PEBT

- a) Date adjustment for the annual funding of the PEBT LTD plan:

Change the date of the annual funding payment of \$19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with \$19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of \$300,000 on January 2, 2015.

- b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

9. Shared Services

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job

evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of \$50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of \$250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of \$1,000,000 in one-time funding.

In addition to the one-time allocations, ongoing annual funds of \$900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of \$200,000 to the K-12 Presidents' Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions.

For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC's real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend

- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.
