4. To promote the morale, well-being and security of all the employees in the bargaining unit of the Union.

AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an agreement.

NOW, THEREFORE, the parties agree as follows:
ARTICLE 1 – UNION RECOGNITION

1.01 Exclusive Representative

The Board recognizes the Union as the exclusive representative for the purposes of conducting collective bargaining regarding rates of pay, hours of work, and all other working conditions of the employees of the Board, as long as the Union retains its right to conduct collective bargaining on behalf of such employees, under provisions of the Labour Relations Code as certified by the Labour Relations Board, and excepting those having authority to hire or discharge employees and those employed in a confidential capacity as defined by the Labour Relations Board of British Columbia.

1.02 Managerial or Confidential Employees

Such rules and regulations or amendments will be communicated in writing to the Union.

2.02 Hiring/Discipline/Demotion/Discharge

The Board shall always have the undisputed right to hire employees, and subject to this Agreement, the right to discipline, demote and discharge employees for just cause.

3.02 Temporary Employee

Temporary employees are employees who have completed sixty (60) shifts continuous or broken employment within a twelve (12) month period.

Temporary employees will not be employed on a continuous basis for more than twelve (12) months unless mutually agreed between the Board and the Union. Once an employee becomes temporary they will be shown as such on the seniority list.

A temporary employee's seniority shall commence on the first day of work in the sixty (60) shifts qualifying period.

Temporary employees qualify for thirteen point four percent (13.4%) payment of their gross pay to compensate for Statutory Holidays (4.4%), vacations (6%), benefit premiums and paid leaves of absence (3%).

It is understood by the parties that seniority dates and vacation entitlement dates for regular employees will in most cases be different.

ARTICLE 10 - OVERTIME

As compensation for overtime worked, as hereinafter defined, employees covered by this Agreement shall be paid at the rate of time and one-half (1 ½) for the first two (2) hours of overtime worked on a normal working day and double time (2x) thereafter. Hours of overtime on consecutive days of rest shall accumulate and be paid at the rate of time and one-half (1 ½) for the first four (4) hours and double time (2x) thereafter.

10.02 Overtime Defined

Wheresoever in this Article, and elsewhere in this Agreement that the phrase "overtime worked" shall appear, it shall refer to and include all work performed before or after and as an extension of the regular hours comprising a shift as set out in this Agreement, and shall be paid at the aforesaid overtime rates.

10.03 Call-Out

A call-out occurs when an employee is brought out to work at a time other than their regularly scheduled shift or extension thereof. In an emergent situation, a call-out can occur if an employee is on an employer approved leave.

When a call-out occurs, an employee shall be paid a minimum of four (4) hours work at the base rate, or for the number of hours actually worked at the appropriate overtime rate, whichever is greater. The parties agree that an employee is entitled to be paid only one (1) call-out per four (4) hour period.

</tbody>
</table>

10.06 Part-Time Employees

A part-time employee working less than the regular working hours per day or week shall be paid at overtime rates for hours worked beyond the individual employee’s regular or normal working hours.

This does not preclude the Board from offering an employee holding a regular posted position of less than full-time the opportunity to work more hours than their posting on an occasional basis up to full-time at straight time rate of pay. Employees who are being offered the opportunity to work additional hours as opposed to being required to work additional hours will be advised prior to the work commencing.

The intent of this clause is to enable the Board to offer regular part-time employees extra work to bring them up to full-time hours before extra hours are assigned to temporary or casual employees as per the call-out procedure. The parties agree that additional hours will only be assigned if this does not result in inefficiencies in the operation of the School District.

This clause does not apply to Education Assistants, who, when requested to participate in either curricular or extra-curricular activities (with their student(s) in attendance) will be paid at straight time for seven (7) hours and bank any additional hours at straight time to a maximum of an additional seven (7) hours per day.

(b) The employee must indicate on each time card whether they wish to bank overtime in accordance with this clause, otherwise overtime will automatically be paid.

(c) Such leave shall be taken at the Board's discretion. Any banked overtime not used during the school year will be paid out on the last pay period in June.

(d) Accumulation of overtime shall be in hours for that employee's regular assigned shift.

10.08 Emergent Situations

An employee has the right to refuse overtime except in emergencies as determined by the Board, and the Board agrees that there shall be no intimidation or discrimination against any employee by reason of their refusal to work overtime.

10.09 Notice of Shift Change

If an employee is not given twenty-four (24) hours’ notice of change of shift they must be paid at overtime rates for all hours worked on that first shift.

10.10 Exceptions

Notwithstanding any other clauses in this Article, any overtime hours for meetings within the regular hours of the classification will be paid at straight time.

Overtime is not applicable to bus drivers on extra-curricular trips, except in case of a bus break down, an emergency, or adverse road conditions that result in a minimum of four (4) additional hours service in which case overtime will be paid for those additional hours.

The parties agree that in the event the above results in an additional overnight stay the provisions of Appendix “A” – “A” Trips apply.
ARTICLE 11 - STATUTORY HOLIDAYS

If the employer pays, or is obligated to pay to an employee an amount of salary from sick leave credits, then the employer shall have the right to be subrogated to the rights, powers, privileges, and remedies of the employee to whom the payment is made in any claim or cause of action the employee may have for compensation for lost income against other parties to the extent of the amount paid or obligated to be paid by the employer to the employee.

Where an employee is involved in an accident, other than an accident covered by the Workers’ Compensation Act as referred to above, and as a result is paid sick leave during absence from work, any sick leave compensation recovered from an insurer or court award shall be repaid by the employee to the Board. RE: Article 9.06 Clarification of Blanket Insurance Coverage

This Letter of Understanding is intended to provide clarity to Article 9.06 of the Collective Agreement relating to the use of personal vehicles while on School Board business.

When an employee is posting into a job where they will be driving their personal vehicle for School Board business the following will explain how employees are covered under the blanket insurance program in Article 9.06:

1. It is the Employer’s responsibility to determine and collect the necessary documentation from employees who are required to use their personal vehicles for School Board business. This includes a copy of the employee’s driver licence, driver’s abstract and a copy of their vehicle insurance.

2. It is the responsibility of the employee to ensure they have the proper registration and insurance for their vehicle’s intended use. The Employer will reimburse the employee the difference between “business use coverage” over and above “to and from work” coverage on submission of appropriate receipts.

3. In the event of an accident, the employee’s insurance is the primary coverage. School District No.20 (Kootenay Columbia) will reimburse the insurance deductible upon submission of appropriate receipts.

4. School District No.20 (Kootenay Columbia) will reimburse the employee the lesser of actual vehicle damage repair costs or the cost of any deductible.

5. The School District is covered under School Protection Program (SPP) insurance and provides Excess Automobile Liability through the SPP Liability Agreement. This coverage is extended to those employees who are in the performance of their...
authorized duties. This coverage is in excess of the primary automobile liability insurance limit carried by the vehicle owner.

6. Employees are covered through SPP and the Special Excess Third Party Liability Policy from ICBC that will bridge the gap that may exist between the owner's (employee) automobile liability and the claim.

7. If it is determined that increased premiums are the result of a work related accident, which has been covered by the blanket insurance program in Article 9.06, the employer will reimburse the employee the difference between their pre-accident premiums and their increased premium.

8. Employees will be reimbursed mileage when using their personal vehicle for school board business. It is the responsibility of the employee to complete the appropriate documents and submit these for mileage claims.

9. Where an employee is required to transport a student, it is the Employer's responsibility to provide all necessary child restraints and equipment legally required for the safe transport of the student.

10. Employees will not be covered under this blanket insurance program in the following circumstances:

   (a) If the vehicle is used for a purpose other than what it is insured for under the primary insurance. For example, if the vehicle is insured for pleasure use and it is being used for business, the employee does not qualify for coverage. It is up to employees to ensure they have the appropriate insurance purchased.

   (b) If the vehicle is being operated in violation of any motor vehicle regulation or section of the criminal code, the employee does not qualify for the excess coverage. This includes driving under the influence, racing, misdeclaration of primary operator, misdeclaration of use, misdeclaimation of territory (where vehicle is primarily used).

month employees

This letter of understanding amends Article 12 of the Collective Agreement for the duration
of its term.

1. Vacation Selection Committee

   The Union and the Employer will create a vacation selection committee consisting of
two (2) Union representatives and two (2) Employer representatives.

2. Employee Classification

   This letter of understanding applies to all regular ten (10), ten and one-half (10.5)
and eleven (11) month employees with a five (5) or six (6) week vacation
entitlement as per Article 12.03. For the purposes of this letter of understanding,
entitlement will be based on the amounts in the vacation accrual report at the end of
pay period four (4). Employees will participate in the vacation selection process
according to their classification within the district.

3. Participation

   Each year the employees identified in paragraph 2 must notify the Employer, in
writing, by the last Friday prior to Spring Break whether they plan to participate in
the annual vacation selection process. If they choose not to participate, they will be
paid out any unused vacation accrual on the last pay period in June in the applicable
year. No vacation requests will be considered outside of this process.
Once an employee chooses to participate in the annual vacation selection process, they can either (a) schedule all of their vacation entitlement, or (b) schedule some of their vacation entitlement and have the remainder paid out on the last pay period in June of the applicable year.

4. **Vacation Selection**

Vacation selection will take place in the month of April prior to the following school year. The Employer will determine the date of the annual vacation selection process and communicate that to employees at least thirty (30) days in advance. At that time, employees will be provided the calendar options available for selection.

5. **Vacation Entitlement Notification**

Vacation selection is for the current entitlement, as per paragraph 2. Entitlement notices will be sent at least thirty (30) days before the scheduled vacation selection date. Within one week of receipt of their notice, employees shall advise the employer of any disagreements.

6. **Proxy forms**

Attendance is voluntary during vacation selection. Those who choose not to attend may submit a proxy form. Proxy forms, with selection choices, are to be used in the event that an employee is unable to attend on the vacation selection date. Proxy forms should be completed and submitted at least one calendar week in advance of the vacation selection date. Employees who do not submit a proxy form will not be eligible to access vacation time outside of the winter and spring break period.

Employees who do not attend and do not provide a proxy form will be paid out their vacation entitlement on the last pay period in June per Article 12.06.

7. **Selection Process**

Employees, in order of seniority, within their current classification will first choose one (1) block which is no less than two (2) consecutive days and no more than five (5) consecutive days vacation entitlement in accordance with Article 12 and their entitlement report as per paragraph 2.

This process continues, in order of seniority, until all requests are considered. Any unused vacation will be paid out on the last pay period in June as per Article 12.06.
8. Changes

Once vacations are selected and approved, employees will take them accordingly. Changes will only be considered as per Article 7.06 and/or Article 12.10.
