

BCPSEA Proposal E. \_3\_\_

Date: Feb 7, 2019 Time: 10:53am

## **Bargaining 2019: Proposal Exchange Process**

The parties agree that provincial proposals will be exchanged in the following manner:

1. Each party will table a list of all bargaining proposal topics by <date> and speak to the list at a general level.
2. One party will table each of their proposals, continuing until they have completed their list. The other party will then do the same.
3. Once both parties have completed presentation of their entire package, the parties agree there will be no proposals made on new topics. (Note: this does not restrict tabling counter-proposals).
4. Questions of clarification may be asked at the time of presentation.
5. Parties will reserve in-depth discussion on tabled items until both parties have presented their entire package.
6. Either party may table a proposal to address a provincial matter estoppel before <date>.
