

Bargaining Proposal—2019

Proposal Number: U10

Date: February 12, 2019 Time: 1:32pm

Provincial Proposal Exchange Process:

1. Each party will table a list of all bargaining proposal topics **on February 19, 2019** and speak to the list at a general level.
2. The parties will determine a schedule for presenting complete packages of proposals through the agenda setting process.
- 3.1. Once both parties have completed presentation of their entire package, the parties agree there will be no proposals made on new topics.
- 3.2. This does not restrict tabling counter-proposals **or proposals to respond to Notices to End Practice (estoppel)**.

In the event the parties agree to a re-designation of the split of issues, a timeline will be established by the parties in order to table any new proposals that may result from these changes.

- 3.3. **Proposals to respond to Notices to End Practice (estoppel) will be tabled by May 31st, 2019.**
4. Questions of clarification may be asked at the time of **the** presentations.
5. Parties will reserve **negotiation** on tabled items until both parties have presented their entire package.
