Applying the Order: Foundation Skills Assessment

BCPSEA and the BC Teachers' Federation (BCTF) attended a meeting at the Labour Relations Board (LRB) today, Saturday, February 7, 2009. The purpose of the meeting was to attempt to resolve issues that have arisen with the implementation of the February 2 LRB Order regarding administration of the Foundation Skills Assessment (FSA).

Attached please find a joint BCPSEA-BCTF communication, as well as a letter from the LRB with respect to the timeline for a conference call under the expedited resolution process; which has been shortened from 12 hours to 6 hours.

Nothing in this joint communication is intended to take away from the LRB decision and Order of the Court. It is simply intended as clarification.

Questions

Please contact your district labour relations liaison if you have any questions or are experiencing continuing challenges in your district regarding FSA.
