

Recruitment and Retention Support Committee

Memo To: School Districts and Teacher Locals

From: Jacquie Griffiths and Susan Lambert

Date: March 7, 2008

Subject: PERRSC (Recruitment and Retention Incentives)

The Committee had originally intended that final decisions concerning entitlement to the recruitment and retention financial incentives could be made in early March and that this information would be conveyed to those districts/locals who made submissions.

The Committee is seeking further clarification as to eligibility regarding Letter of Understanding No. 12 before proceeding to this final phase. Once this clarification is obtained, a further review of the submissions received may be required.

In the result, the Committee now expects that final decisions will be made in early April. School districts and local associations will be notified as soon as the Committee has completed its work.

Thank you for your patience and understanding.
