**Subject: PERRSC (Recruitment and Retention Incentives) Decisions Re Eligibility**

Good afternoon,

After many meetings, the PERRSC is happy to announce that it has reviewed the applications and made a final determination as to which districts/schools are eligible for the Remote Recruitment and Retention Allowance.

As part of the process, the parties worked with mediator Irene Holden to reach agreement on issues related to implementation and interpretation of the Letter of Understanding. Please see the attached decision for an understanding of the implementation issues, the complete list of eligible schools, and the criteria used for selection.
