Recruitment and Retention Support Committee

Memo To: School Districts and Teacher Locals

From: Jacquie Griffiths and Susan Lambert

Date: September 11, 2008

Subject: PERRSC (Recruitment and Retention Incentives) Reconsideration Process

Over the course of the summer, several school districts raised concerns with the Committee as to schools that were not deemed eligible for the recruitment and retention allowance. While the Committee has committed virtually all of the available funding, it is hoping to address as many of these unique and anomalous situations as possible. This process is narrow in scope and is not intended to be a re-application.

Guidelines:

1. Limited to those districts who had originally submitted an application; no new applications will be accepted; and
2. Consideration is limited to where a district/local feels the committee:
 - a. Erred in its application of the criteria; or
 - b. Based its decision on erroneous information.
3. Presentations in person are limited to 20 minutes
4. Presentations for situations meeting the above criteria can be made to the Committee on **September 25, 2008** at the BCTF offices in Vancouver. Alternatively, the parties can make a written submission – to be submitted no later than **September 24, 2008**.

For those districts and locals who are interested in making a presentation, we ask that you advise either George Popp ([gpopp@bctf.ca](mailto:gpoppp@bctf.ca)) or Stephanie Tassin (stephaniet@bcpsea.bc.ca) as soon as possible.
