SECTION A – THE COLLECTIVE BARGAINING RELATIONSHIP

ARTICLE A.1 TERM, CONTINUATION AND RENEGOTIATION

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement that was in effect between the two parties for the period July 1, 2011 to June 30, 2013 including any amendments agreed to by the parties during that period.

- 1.1 Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2013 to June 30, 2019. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.
- 1.2 In the event that a new Collective Agreement is not in place by June 30, 2019 the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.
- 1.3 All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.
- 1.4
 - a. If employees are added to the bargaining unit established under section 5 of the Public Education Labour Relations Act during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.
 - b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.
 - c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.
- 1.5
 - a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.
 - b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.
 - c.
 - i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See Letter of Understanding No. 1).
 - ii. The parties may agree to another designation which is consistent with the Public Education Labour Relations Act.

ARTICLE A.2 RECOGNITION OF THE UNION

- 2.1 The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to PELRA and subject to the provisions of this Collective Agreement.
- 2.2 Pursuant to PELRA, the employer in each district recognizes the local [Mount Arrowsmith Teachers' Association] in that district [School District #69 (Qualicum)] as the teachers' union for the negotiation in that district of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in that district subject to PELRA and the Provincial Matters Agreement.

SECTION A

- 2.3 The BCTF recognizes BCPSEA as the accredited bargaining agent for every School Board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the School Boards and to bind the School Boards by collective agreement in accordance with Section 2 of Schedule 2 of PELRA.

Local Provisions

- 2.4 Any position that is included in the bargaining unit as defined in Article A.2.1 may not be excluded without the agreement of the parties.
- 2.5 When a decision has been made regarding the creation or deletion of administrative officer positions, the Board shall notify the Association.
- 2.6 The Board shall notify the Association of all new bargaining unit positions offered in the district and submit to the local Association offices a written job description of the position(s).
- a. Newly created positions which fall within the bargaining unit as covered in Article A.2.1, shall be included in the bargaining unit unless the position is excluded by mutual agreement of the parties.

ARTICLE A.3 MEMBERSHIP REQUIREMENT

- 3.1 All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers' Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.
- 3.2 Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

ARTICLE A.4 LOCAL AND BCTF DUES DEDUCTION

- 4.1 The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.
- 4.2 At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties.
- 4.3 The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.
- 4.4 The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer.

SECTION A

- 4.5 The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

ARTICLE A.5 COMMITTEE MEMBERSHIP

- 5.1 Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.
- 5.2 In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee, and the local shall appoint the representatives. The local will consider the mandate of the committee when appointing the representatives. If the employer wishes to discuss the appointment of a representative, the superintendent, or designate, and the president or designate of the local may meet and discuss the matter.
- 5.3 Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher teaching on call costs shall be borne by the employer.
- 5.4 When a teacher teaching on call is appointed to a committee referred to in Article A.5.1 and A.5.2 above, and the committee meets during normal instructional hours, the teacher teaching on call shall be paid pursuant to the provisions in each district respecting Teacher Teaching on Call Pay and Benefits. A teacher teaching on call attending a "half day" meeting shall receive a half day's pay. If the meeting extends past a "half day," the teacher teaching on call shall receive a full day's pay.

ARTICLE A.6 GRIEVANCE PROCEDURE

6.1 Preamble

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

Steps in Grievance Procedure

6.2 Step One

- a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.
- b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

6.3 Step Two

- a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.
- b. The grievance shall be presented in writing giving the general nature of the grievance.

6.4 Step Three

- a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.

If both parties agree and the language of the previous Local Agreement stipulates:

- i. the number of representatives of each party at Step Three shall be three; and/or
 - ii. at least one of the employer representatives shall be a trustee.
- b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

6.5 Omitting Steps

- a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.
- b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

6.6 Referral to Arbitration: Local Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a "local matters grievance," as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a "local matters grievance." The parties shall agree upon an arbitrator within ten (10) working days of such notice.

6.7 Referral to Arbitration: Provincial Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a "provincial matters grievance," as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a "provincial matters grievance." The parties shall agree upon an arbitrator within ten (10) working days of such notice.
- c. Review Meeting:
 - i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a provincial matters grievance that has been referred to arbitration.
 - ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.
 - iii. Each party shall determine who shall attend the meeting on its behalf.

6.8 Arbitration (Conduct of)

- a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.
- b. The arbitrator shall determine the procedure in accordance with relevant legislation and shall give full opportunity to both parties to present evidence and make representations. The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.
- c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.
- d. Authority of the Arbitrator:
 - i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
 - ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
 - iii. The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.
- e. The decision of the arbitrator shall be final and binding.
- f. Each party shall pay one half of the fees and expenses of the arbitrator.

6.9 General

- a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.
- b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.
- c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.
- d. No employee shall suffer any form of discipline, discrimination or intimidation by the employer as a result of having filed a grievance or having taken part in any proceedings under this article.
- e.
 - i. Any employee whose attendance is required at any grievance meeting pursuant to this article, shall be released without loss of pay when such meeting is held during instructional hours. If a teacher teaching on call is required, such costs shall be borne by the employer.
 - ii. Any employee whose attendance is required at an arbitration hearing shall be released without loss of pay when attendance is required during instructional hours; and

SECTION A

- iii. Unless the previous Local Agreement specifically provides otherwise, the party that requires an employee to attend an arbitration hearing shall bear the costs for any teacher teaching on call that may be required.

ARTICLE A.7 EXPEDITED ARBITRATION

7.1 Scope

By mutual agreement, the parties may refer a grievance to the following expedited arbitration process.*

7.2 Process

- a. The grievance shall be referred to one of the following arbitrators:
 - i. Mark Brown
 - ii. Irene Holden
 - iii. Chris Sullivan
 - iv. Elaine Doyle
 - v. Judi Korbin
 - vi. John Hall
- b. The parties may agree to an alternate arbitrator in a specific case and may add to or delete from the list of arbitrators by mutual agreement.
- c. Within three (3) days of the referral, the arbitrator shall convene a case management call to determine the process for resolving the dispute. The case management process shall include a time frame for the exchange of particulars and documents, a timeframe for written submissions if directed by the arbitrator, an agreed statement of facts, or any other process considered by the arbitrator to be effective in ensuring an expeditious resolution to the dispute. The parties will endeavour to exchange information as stipulated in the case management process within seven (7) days.
- d. If an oral hearing is scheduled by the arbitrator it shall be held within fourteen (14) days of the referral to the arbitrator. The hearing shall be concluded within one (1) day.
- e. The written submissions shall not exceed ten (10) pages in length.
- f. As the process is intended to be informal and non-legal, neither party will be represented by outside legal counsel.
- g. The parties will use a limited number of authorities.
- h. The arbitrator will issue a decision within five (5) days of the conclusion of the arbitration or submission process.
- i. Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution.
- j. All decisions of the arbitrator are final and binding and are to be limited in application to the particular grievance and are without prejudice. They shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter.
- k. Neither party shall appeal or to seek to review a decision of the arbitrator.
- l. The arbitrator retains jurisdiction with respect to any issues arising from their decision.
- m. Except as set out herein, the arbitrator under this process shall have the powers and jurisdiction of an arbitrator prescribed in the Labour Relations Code of British Columbia.

SECTION A

- n. The parties shall equally share the costs of the fees and expenses of the arbitrator.
- o. Representatives of BCPSEA and BCTF will meet yearly to review the expedited arbitration process.

ARTICLE A.8 LEAVE FOR PROVINCIAL CONTRACT NEGOTIATIONS

- 8.1 The employer shall grant a leave of absence without pay to an employee designated by the BCTF for the purpose of preparing for, participating in or conducting negotiations as a member of the provincial bargaining team of the BCTF.
- 8.2 To facilitate the administration of this clause, when leave without pay is granted, the employer shall maintain salary and benefits for the employee and the BCTF shall reimburse the employer for the salary costs.
- 8.3 Any other leaves of absence granted for provincial bargaining activities shall be granted on the basis that the salary and benefits of the employees continue and the BCTF shall reimburse the employer for the salary costs of any teacher employed to replace a teacher granted leave.
- 8.4 Any leaves of absence granted for local bargaining activities shall be granted in accordance with the Previous Local Agreement.

ARTICLE A.9 LEGISLATIVE CHANGE

- 9.1 In this article, "legislation" means any new or amended statute, regulation, Minister's Order, or Order in Council which arises during the term of the Collective Agreement or subsequent bridging period.
- 9.2
 - a. Should legislation render any part of the Collective Agreement null and void, or substantially alter the operation or effect of any of its provisions, the remainder of the provisions of the Collective Agreement shall remain in full force and effect.
 - b. In that event, the parties shall meet forthwith to negotiate in good faith modifications to the Collective Agreement which shall achieve, to the full extent legally possible, its original intent.
- 9.3 If, within thirty (30) days of either party's request for such meeting, the parties cannot agree on such modifications, or cannot agree that the Collective Agreement has been affected by legislation, either party may refer the matter(s) in dispute to arbitration pursuant to Article A.6 (Grievance Procedure).
- 9.4 The arbitrator's authority shall be limited to deciding whether this article applies and, if so, adding to, deleting from or otherwise amending, to the full extent legally possible, the article(s) directly affected by legislation.

- 10.1 Upon written request to the Superintendent or designate from the Ministry of Education, an employee who is appointed or elected to the BC Teachers' Council or appointed to the Disciplinary or Professional Conduct Board shall be entitled to a leave of absence with pay and shall be deemed to be in the full employ of the board as defined in Article G.6.1.b.
- 10.2 Upon written request to the superintendent or designate from the Ministry of Education, a teacher teaching on call who is appointed or elected to the BC Teachers' Council or appointed to the Disciplinary and Professional Conduct Board shall be considered on leave and shall be deemed to be in the full employ of the Board as defined in Article A.10.1 above. Teachers teaching on call shall be paid in accordance with the collective agreement.

Note: The parties will develop a schedule of articles that are replaced by this article.

 - iii. Where the loss of the right of recall occurs in which case the teacher's employment shall be deemed to have been terminated. (The teacher's layoff in such circumstances shall be confirmed in writing.)
 - f. Continuing teachers on the recall list may be appointed to temporary assignments without jeopardizing their right to recall otherwise contained in this Article.

LETTER OF UNDERSTANDING No. 6

BETWEEN BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION AND BRITISH COLUMBIA TEACHERS' FEDERATION

Re: Article C.2. – Porting of Seniority – Separate Seniority Lists

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
 - Both K – 12 and adult education seniority are contained on a single list in both districts.
 - Normal rules of porting apply.
 - No more than 1 year of seniority can be credited and ported for any single school year.
 - Maximum of 10 years can be ported.
2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
 - Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
 - Both lists remain separate when porting.
 - Up to 10 years of K – 12 and up to 10 years of adult education can be ported to the corresponding lists.
 - Although the seniority is ported from both areas, the seniority is only activated and can be used in the area in which the teacher attained the continuing appointment. The seniority remains dormant and cannot be used in the other area unless/until the employee subsequently attains a continuing appointment in that area.
 - For example, teacher A in District A currently has 8 years of K – 12 seniority and 6 years of adult education seniority. Teacher A secures a K – 12 continuing appointment in District B. Teacher A can port 8 years of K – 12 seniority and 6 years of adult education seniority to District B. However, only the 8 years of K – 12 seniority will be activated while the 6 years of adult education seniority will remain dormant. Should teacher A achieve a continuing appointment in adult education in District B in the future, the 6 years of adult education seniority shall be activated at that time.
3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
 - A combined total of up to 10 years of seniority can be ported.
 - No more than 1 year of seniority can be credited for any single school year.
4. Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
 - Up to 10 years of seniority could be ported to the seniority list to which the continuing appointment was received.
 - No seniority could be ported to the other seniority list.
 - For example, teacher A in District A currently has 14 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 10 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave – Simultaneously Holding Part-Time Appointments in Two Different Districts

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1 of the provincial collective agreement with respect to the situation where a teacher simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e., currently holds a part-time continuing appointment in one (1) district and then subsequently obtains a second part-time continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either resigns/terminates his/her employment from the porting district or receives a full leave of absence from the porting district.
2. The requirement for the teacher to initiate the sick leave verification process (90 days from the initial date of hire) and the seniority verification process (within 90 days of a teacher's appointment to a continuing contract) and forward the necessary verification forms to the previous school district shall be held in abeyance pending either the date of the employee's resignation/termination of employment from the porting district or the employee receiving a full leave of absence from the porting district.
3. Should a teacher port seniority under this Letter of Understanding, there will be a period of time when the employee will be accruing seniority in both districts. For this period of time (the period of time that the teacher simultaneously holds part-time continuing appointments in both districts up until the time the teacher ports) , for the purpose of porting , the teacher will be limited to a maximum of 1 years seniority for each year.
4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this letter of understanding, the rules and application described in the Irene Holden award of June 7, 2007 concerning porting while on full-time leave shall then apply.
5. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed and considered at labour management.

The following examples are intended to provide further clarification:

Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the

employee has resigned or terminated their employment in district A. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for her full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee's leave of absence is effective. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority – Laid off Teachers who are Currently on the Recall List

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial collective agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

1. Laid off teacher holding recall rights in one school district may port up to ten (10) years of seniority to a second school district when they secure a continuing appointment in that second school district.
2. Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in his/her previous district.
3. If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.
4. If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.
5. The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.
6. Consistent with Irene Holden's previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.
7. This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district "A" has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. This teacher after working 1 year in district "B" accepts recall to a continuing appointment in district "A". Only 3 years of seniority would be ported back to district "A" and for record keeping purposes, the teacher's seniority record in district "B" would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district "A" has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. After working 2 years in school district "B" this teacher's recall rights in school district "A" are lost. No further seniority can be ported from district "A" to district "B" and for record keeping purposes, the teacher's seniority record in district "A" would be zero for all purposes.

Re: Economic Stability Dividend

Definitions

1. In this Letter of Agreement:

"Collective agreement year" means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

"Economic Forecast Council" means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

"Forecast GDP" means the average forecast for British Columbia's real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

"Fiscal year" means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as 'the period from April 1 in one year to March 31 in the next year';

"Calendar year" is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

"GDP" or "Gross Domestic Product" for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

"GWI" or "General Wage Increase" means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

"Real GDP" means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada's Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as "Real Gross Domestic Product at Market Prices" currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC's real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.

4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
 - (i) February Budget – Forecast GDP for the upcoming calendar year;
 - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
 - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
 - (iv) Advice from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.
7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

- (i) February 2015 – Forecast GDP for calendar 2015;
- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.

Re: Article C.4 TTOC Employment – Transitional Issues

Prior to Article C.4 coming into effect on September 19, 2014 there were three (3) possible situations in previous local collective agreements with respect to recognizing TTOC experience towards increments:

1. There was no applicable language in the previous local collective agreement, i.e., TTOC experience was not recognized nor had any effect towards an increment.
2. The previous local collective agreement language recorded but only recognized TTOC experienced once a continuing appointment was obtained in the same district.
3. The previous local collective agreement recognized TTOC experience earned in the district for increment purposes.

The purpose of this letter of understanding is to address these three (3) situations when transitioning from the previous local collective agreement language concerning TTOC experience that would have previously applied prior to Article C.4 coming into effect on September 19, 2014.

1. No Applicable TTOC Experience Language

As there was no previous recognition of TTOC experience for increment purposes under the previous local collective agreement, there are no transitional issues.

2. TTOC experience recognized when continuing appointment is obtained

There are some districts that have previous local collective agreement language which only recognizes TTOC experience earned in the district once the employee obtains a continuing appointment.

As a result, there will be some employees who have worked as a TTOC, but had not obtained a continuing appointment in that district prior to Article C.4 coming into effect (September 19, 2014).

For these districts/locals with this specific previous local agreement language, the parties have agreed to the following transitional process:

1. Record for each employee their TTOC experience amount under their previous local agreement as of September 18, 2014.
2. Effective September 19, 2014, Article C.4 would apply for TTOC experience accrued from that date onward.
3. If in the future, the employee attains a continuing appointment in this same district, the recorded amount of TTOC experience in clause 1 above would then be applied to the previous local collective agreements increment language for continuing employees as it would have previously occurred prior to Article C.4 coming into existence.

For example:

- Recorded amount for John Smith is 240 day of TTOC experience on September 18, 2014.
- John Smith obtains a continuing appointment on September 2, 2015.
- On September 2, 2015, 240 days of TTOC experience would then be applied to the previous local collective agreements increment language for continuing employees as it would have previously occurred prior to Article C.4 coming into existence.

3. Prior to Article C.4 coming into Effect the Previous Local Collective Agreement Recognized TTOC Experience Earned

In this situation, on September 19, 2014, any days of TTOC experience remaining on September 18, 2014 under the previous local collective agreement language would be transferred to the TTOC experience provision of Article C.4 which took effect on September 19, 2014.

Re: Article C.4 TTOC Employment – TTOC Experience Credit Transfer within a District

The purpose of this letter of understanding is to address situations within a single district where a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC.

Teachers described above accrue experience for the purpose of increment advances under two (2) separate collective agreement provisions (silos), i.e., within a district, the employee triggers increments under Article C.4 for TTOC experience accrued and may also trigger increments under the applicable previous local agreement increment language for temporary/continuing experience accrued.

In order to allow a TTOC the opportunity to transfer, within a district, their TTOC experience earned under Article C.4 (new provision effective September 19, 2014) towards that of the applicable previous local collective agreement increment language for continuing and/or temporary employees, the parties agree to the following:

1. This option can only be exercised where in a single district a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC in the same district.
2. This agreement only applies to TTOC experienced earned under Article C.4 since September 19, 2014 in that district.
3. This agreement only applies to a transfer within a district. This agreement is in no way applicable to a transfer of experience or recognition of experience between districts.
4. The transfer of experience credit can only be transferred one way; from that of TTOC experience earned under Article C.4 to that of the temporary/continuing previous local agreement increment provision, i.e., it cannot be transferred for any reason from that of temporary/continuing to that of a TTOC.
5. Transfers can only be made in whole months.
6. For the purpose of transfer, 17 FTE days of TTOC experience credit will equal/be converted to one month of experience credit.
7. Should the teacher choose the option to transfer, transfers must be for the entire amount of TTOC experience in their Art C.4 bank on the deadline date for notice, i.e., with the exception of any leftover days remaining (1 – 16 days) after the whole month conversion calculation is made, no partial transfer of TTOC experience are permitted. (See example below).
8. Once transferred, the previous local collective agreement increment provisions for temporary/continuing employees (including effective date of increment) will apply to the TTOC experience transferred.
9. Transfers can only occur and take effect twice a year (August 31 and December 31).
10. For a transfer to occur effective August 31st, written notice from the employee to transfer must be received by the district no later than June 30th of the proceeding school year (see attached form A). This transfer would only include the TTOC experience accrued up until June 30th of the preceding school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4.

11. For a transfer to occur effective December 31st, written notice from the employee to transfer must be received by the district no later than November 15th of the school year (see attached form B). This transfer would only include the TTOC experience accrued up until November 15th of the school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4. (See attached form B)
12. This agreement takes effect on the signatory date of LOU 16(c) signed below.

Example:

1. On June 1, 2015, Teacher A provides written notice to the district that they would like to transfer their Article C.4 TTOC experience that they will have accrued up until June 30, 2015 (in terms of closest equivalent month) to their temporary/continuing previous local agreement increment experience bank.
2. On June 30, 2015, Teacher A has 70 TTOC days of experience accrued under Article C.4.
3. On August 31, 2015, 4 months of experience would be transferred to their experience bank under the applicable previous local collective agreement increment language for continuing and/or temporary employees and 2 days of TTOC experience would remain in their TTOC bank under Article C.4. (70 divided by 17 = 4 whole months, with 2 days remaining)
4. Effective August 31, 2015, the previous local collective agreement increment language for temporary/continuing employees would then apply to the 4 months of experience that was transferred.

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Education Fund and Impact of the Court Cases

1. Education Fund

The Education Fund is established as follows:

- Effective for the 2014–2015 school year: \$75 million
- Effective for the 2015–2016 school year: \$80 million
- Effective for the 2016–2017 school year: \$80 million
- Effective for the 2017–2018 school year: \$80 million
- Effective for the 2018–2019 school year: \$85 million

Local Consultations

Prior to the start of each school year (and upon ratification in 2014-15) the principal and/or vice-principal of each school in a district will meet with the local union staff representative(s) and either the school staff or the staff committee. The purpose of the meeting is to agree on recommendations to address working and learning needs. The money from the fund will be used for additional bargaining unit employees.

Each school will recommend a staffing allocation plan to the superintendent and the local union president.

District Allocation Plan

The superintendent and the local union president will meet and, after considering the school staffing recommendations, will allocate the Education Fund by mutual agreement. If the superintendent and the local president are unable to agree after making good faith effort to do so, the decision of the superintendent will be the allocation.

2. The Impact of the Court Cases Related to Class Size and Composition

The above Education Fund is subject to the final appellate judgment on the appeal of the 2014 decision of Justice Griffin. If the final judgment affects the content of the collective agreement by fully or partially restoring the 2002 language, the parties will reopen the collective agreement on this issue and the parties will bargain from the restored language. The Education Fund provisions will continue in effect until there is agreement regarding implementation and/or changes to the restored language.

[*Note:* This LOU incorporates into the 2013-2019 Provincial Collective Agreement the terms of Section C of the September 17, 2014 Memorandum of Agreement originally signed by Peter Cameron for BCPSEA and Jim Iker for the BCTF.]
