HISTORY RETAINED FROM THE BRIDGING AGREEMENT:

On December 6, 1996, School District No. 55 (Burns Lake) and School District No. 56 (Nechako) were amalgamated into School District No. 91 (Nechako Lakes). In 1998, CUPE became the bargaining representative for all support staff previously covered by CUPE, Local 3757 and CUPE, Local 4177 (formerly IUOE, Local 882-B). From this consolidation, a Bridging Agreement was negotiated between School District No. 91 (Nechako Lakes) and the Canadian Union of Public Employees which came into effect January 31, 1999. In November, 1999, the parties met again to negotiate an inaugural contract.

The four (4) clauses below, from the Bridging Agreement, are being retained for continuity.

1. Sick Leave:

DETAILED INFORMATION ON SICK LEAVE PAYOUTS HAS BEEN ARCHIVED BY THE BOARD AND THE UNION FOR FUTURE REFERENCE.

- a) For employees who were employed in former School District No. 55 (Burns Lake) prior to February 1, 1987 and who have frozen sick leave credits, will be entitled to carry these frozen sick leave credits over to the new School District No. 91 (Nechako Lakes). The entire provisions of Clause 10.02 of the collective agreement covering former School District No. 55 (Burns Lake) employees shall continue to apply to these employees.
- b) Effective October 1, 1999, these employees will be credited with an amount of sick leave credits which will be equivalent to the amount of sick leave credits each employee would have earned (under the collective agreement of former School District No. 56) between February 1, 1987 and September 30, 1999 minus the amount of sick leave credits each employee would have utilized between February 1, 1987 and September 30, 1999. This number of credits shall be recorded.

The employees may utilize these sick leave credits under the collective agreement of former School District No. 56 (Nechako); however, these sick leave credits will not be eligible or apply to the sick leave pay-out stipulated in Article 8, Section 1, part g, h and (i) of former School District No. 56 (Nechako) collective agreement.

- c) Effective October 1, 1999, employees of former School District No. 55 (Burns Lake) will fall under the sick leave provisions of the collective agreement of former School District No. 56 (Nechako) and any sick leave credits earned after this date, remaining and which meet the requirements of Article 8, Section 1, parts g, h and i of the collective agreement of

former School District No. 56 (Nechako) shall be eligible for the pay-out under this clause.

- d) When sick leave usage requires the deduction of sick leave credits, the sick leave credits will first be deducted from the accrual transferred and calculated on October 1, 1999 until such time as the balance of the transfer is reduced to zero; thereafter, deductions shall be from the accrual earned after September 30, 1999.

2. Vacation Leave

DETAILED INFORMATION ON VACATION LEAVE PAYOUTS HAS BEEN ARCHIVED BY THE BOARD AND THE UNION FOR FUTURE REFERENCE.

Vacation leave entitlement contained in clause 8.01 and 8.02 of the collective agreement covering employees of former School District No. 55 (Burns Lake) shall continue to be in effect until September 30, 1999. Effective October 1, 1999, these employees shall then fall under the vacation leave provisions of the collective agreement covering employees of former School District No. 56 (Nechako). These employees shall maintain the level of vacation leave or percentage that they are entitled to effective September 30, 1999 under the collective agreement covering employees of former School District No. 55 (Burns Lake); however, they will only move to a higher increment level of entitlement as dictated by the collective agreement of former School District No. 56 (Nechako).

3. Wages and Red-Circling

DETAILED INFORMATION ON RED-CIRCLING PAYOUTS HAS BEEN ARCHIVED BY THE BOARD AND THE UNION FOR FUTURE REFERENCE

- a) The parties acknowledge that there is a difference in wage rates between that of former School District No. 55 (Burns Lake) and former School District No. 56 (Nechako). In recognition that some of the classifications of former School District No. 55 (Burns Lake) have a higher wage schedule rate, the parties have agreed to red circle the applicable wage schedule rates under the following conditions:
- b) Employees from former School District No. 55 (Burns Lake) who have a wage rate higher than that of the same classification of employees from former School District No. 56 (Nechako) shall maintain their present rate of pay contained in their wage schedule. These employees shall not be eligible to receive any future wage increases in School District No. 91 (Nechako Lakes) until the wage rate of the same classification of employees from former School District No. 56 (Nechako) has reached their level;

-
- c) if an employee, who is red circled posts into another classification, the employee shall lose their red circling protection and the applicable wage rate of School District No. 56 (Nechako) shall apply;
 - d) if an employee who is red circled posts into the same classification in the geographical area of former School District No. 56 (Nechako), the employee shall lose their red circling protection and the applicable wage rate of School District No. 56 (Nechako) shall apply;
 - e) if an employee who is red circled posts into the same classification in the geographical area of former School District No. 55 (Burns Lake), that employee shall continue to have the red circling protection of wages;
 - f) if an employee who is red circled, due to a defined layoff, decides to bump, the following shall apply:
 - (a) If the bump is lateral (same classification), then the employee shall continue to have the red circling protection apply, regardless of which geographical area the employee bumps into;
 - (b) If the bump is into a different classification, regardless of geographical location, the employee shall receive the red circling protection of that classification;
 - g) The wage rates utilized for the purpose of red circling shall be the wage rates in effect for employees of former School District No. 55 (Burns Lake) on January 31, 1999. The attached list of employees, classifications and rates of pay shall be signed off by the parties and become Schedule "B" of this Memorandum of Agreement. Schedule "B" shall be used for the application of this clause. It is understood that the year 1 pay equity allowance has been incorporated into the hourly base rates of employees of former School District No. 55 (Burns Lake). Future pay equity amounts shall not apply as they shall be applied to the base rates contained in the collective agreement covering employees of former School District No. 56 (Nechako).
 - h) For the purpose of this clause, the definition of classification contained in Appendix "A", "B" and "C" of the collective agreement of former School District No. 56 (Nechako) shall apply.

4. Discretionary Days

The following one time offer shall be made to all regular employees of the entire bargaining unit who are on staff on January 31, 1999.

DETAILED INFORMATION ON DISCRETIONARY DAYS (SCHEDULE “D”) HAS BEEN ARCHIVED BY THE BOARD AND THE UNION FOR FUTURE REFERENCE.

- a) Each regular employee of the bargaining unit shall choose whether or not to have Clause 9.09 - Discretionary Leave (see below) of the collective agreement which covered employees of former School District No. 55 (Burns Lake) apply to **them**.
- b) Should a regular employee who is in the bargaining unit on January 31, 1999 choose this option, the employee shall have Clause 9.09 (Discretionary Leave) of the collective agreement which covered employees of former School District No. 55 (Burns Lake) apply on the following condition:
- c) For regular employees of former School District No. 56 (Nechako), this entitlement would take effect October 1, 1999 and the first years discretionary leave entitlement would be pro-rated (date of service and October 1, 1999). Employees of former School District No. 55 (Burns Lake) would have this entitlement continue uninterrupted.
- d) Article VIII, Section 1(g) of the collective agreement covering employees of former School District No. 56 (Nechako) shall not apply to these employees, i.e., upon retirement, these employees under no circumstances would be entitled to receive a percentum of their unused accumulated sick leave.
- e) No later than October 1, 1999, the Union shall provide the Board with a list of employees in the bargaining unit who have chosen the option of “discretionary days” as described in Clause 12 of this Memorandum of Agreement. This list of employees shall be signed off by the parties and shall become Schedule “D” of this Memorandum of Agreement.
- f) It is understood that this decision is irrevocable. Once an employee has chosen the option of “discretionary days” and has given up their right to any sick leave payout of unused accumulated sick leave, the decision of the named employees on Schedule “D” is final and irrevocable.

It is agreed by the parties, that Clause 4, Discretionary Days is intended to form part of all succeeding collective agreements, so long as any of the named employees on Schedule “D” are employed by School District No. 91 (Nechako Lakes).

Dear Irene Holden and Vince Ready:

Re: Industrial Inquiry Commission concerning settlement Collective Agreement
Between British Columbia Public School Employers’ Association
(and Member School Districts) and School District Support Staff Trade Unions
(IIC #2)

I am writing concerning IIC #2 and your recommendations for settlement dated May 30, 2000 (the “Report”) and provided to the parties and government. Some of these issues were also referenced in the Commission’s letter of May 31, 2000 to CUPE representative Gary Johnson.

I understand that you intend to use those recommendations for the basis of your binding decision in accordance with your powers under the Public Education Support Staff Collective Bargaining Assistance Act (the “Act”).

I note, as well, that you make reference to certain items which the government has agreed to fund. I wish to affirm, for all parties to the collective agreement or to the documents deemed to be a collective agreement under the Act, that the government commits to fund as follows:

1. The monies committed by government and recommended by IIC #2 for the Four Hour Minimum Work Day Fund (\$5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002, as described in the IIC #2 Report.

.../2

- Page 2 -

2. Should the \$5 million in the fund identified in paragraph #1 above not be entirely expended for purposes related to the Four Hour Minimum Work Day Fund, any surplus will be transferred to the employment security fund on a yearly basis. That fund is identified in paragraph #3 below. This arrangement is also recommended by IIC #2 and described in the Report.
3. The monies committed by government and recommended by IIC #2 for employment security (3.5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002 to the Support Staff Job Security Fund as described in the IIC #2 Report.
4. The monies committed by government and recommended by IIC #2 to fund the LTD plan (\$11.8 million, annually) on January 1, 2002, January 1, 2003 and each January 1, thereafter, to the Joint Benefits Trust fund mentioned in the IIC #2 Report and the Accords.

The government also agrees that it would be appropriate for IIC #2 to retain jurisdiction regarding implementation of these items over the course of the collective agreement.

Sincerely,

Paul Ramsey
Minister of Finance and
Corporate Relations

APPEND IX “ D” – CHARTER OR SPECIAL TRIPS

1. (a) Drivers on charter or special trips of less than fifty (50) kilometers (one way) will be paid at the prescribed hourly rate. Upon arrival at the destination point, the driver shall automatically be placed on standby for the first (1st) hour and receive **their** full hourly rate of pay. Thereafter, if the driver is not required to remain on standby, but must return to duty at a later specified time the period of time between one (1) hour after arrival or the termination of the standby period to the time of the driver's return to duty shall be paid at the rate of one-half (1/2) the full hourly rate.
 - (b) The drivers for trips of less than fifty (50) kilometers (one way) will be selected from the part-time staff by seniority. (This will afford the part-time staff an opportunity to accumulate hours to equal eight (8) hours in any working day.)
 - (c) Should the special trip of less than fifty (50) kilometers (one way) create an overtime situation, the spare-board drivers should be given the opportunity to take the trip. (This will allow the spare-board drivers to accumulate hours and keep them earning funds and interested in staying in their position.)
 - (d) In the event all available part-time drivers and spare-board drivers have been canvassed and no driver is found, and the trip is going to create an overtime situation if taken by another part-time driver, the part-time driver with the most seniority would take the trip and receive time and one-half for hours worked over eight (8) hours. (Special trips of less than fifty (50) kilometers (one way) would include trips to outlying schools, or short field trips in the driver's area.)
2. (a) Drivers on charter or special trips over fifty (50) kilometers (one way) will be paid at a composite kilometer rate for actual driving time. These trips will be offered by seniority to the available part-time driver should the trip be slated to fit within their regular working day and a total of eight (8) hours. If the trip is going to create overtime then the spare-board drivers should be afforded the opportunity to bid on the trip. If the trip requires a part-time driver to book off part of their regular run and their shortened run hours and special trip hours still do not exceed eight (8) hours, the trip should be afforded to the part-time driver with seniority. This will allow part-time drivers to take trips to neighboring communities if the trip fits within an eight (8) hour day. Should no part-time driver and no spare-board driver be available to take the special trip during an eight (8) hour period the trip shall be afforded to the part-time driver with the most seniority. The pay for stand-by hours would be the same as item 1(a).

- (b) Any driver who wishes to bid on a charter or special trip over fifty (50) kilometers (one way) must book off their regular run or a portion thereof where it will interfere with the charter or special trips, as agreed to by Management.
 - (c) The regular run or portion thereof would then be filled by a spare-board casual driver.
3. (a) Upon arrival at the destination point, the driver shall be informed of whether **they are** to be placed on standby and the duration of the standby period. During any period of standby, the bus driver shall be paid at the full hourly rate for all hours or a portion thereof while on standby.
4. Drivers on charter or special trips exceeding one (1) day shall be guaranteed not less than their normal daily rate of pay while on assignment. Excluding the day of departure and the day of return no driver shall receive less than eight (8) hours pay per day while on charter or special trips.
5. Where it is necessary for a driver to drive for more than eight (8) hours, **they** will not drive for more than twelve (12) hours without taking an eight (8) hour rest period, without pay.
6. (a) Drivers will be provided with a per diem of \$35 and upon receipt of a statement will be reimbursed to a maximum of eighty dollars (\$80) for lodging expenses for each twenty-four (24) hour period.
 - (b) For partial days, meal allowance as follows:

Breakfast	\$ 7.50 maximum
Lunch	\$10.00 maximum
Dinner	\$17.50 maximum
7. The composite mileage rate for drivers on charter or special trips over fifty (50) kilometers one way shall be paid **thirty-one cents (\$0.31)** per kilometer to be reviewed at the end of one year for adjustments.
8. When due to driving conditions, claims at **thirty-one cents (\$0.31)** per kilometer result in a driver earning less than the hourly rate, the hourly rate shall apply.
9. Drivers who are required to park buses at their residences shall receive an allowance of fifteen dollars (\$15.00) per month for the months of November through February to compensate them for electricity used for plug-ins.

4. the student apprentice will be covered by **WorkSafe BC** at all times while in the work place;

-
5. the student apprentice will not earn seniority while participating in the **YWTP** as this is not a Union position;

 7. the **YWTP** is intended to be in effect for the duration of the student apprentice's high school career, but that after graduation from school, the student may, upon agreement of both the Board and the Union and after appropriate posting, continue as a certified apprentice in accordance with Provincial Apprenticeship Guidelines and employer requirements.

Bus Drivers' Hours of Work

BETWEEN:

THE BOARD OF SCHOOL TRUSTEES
SCHOOL DISTRICT NO. 91 (NECHAKO LAKES)
(hereinafter called the "Board")

AND:

THE CANADIAN UNION OF PUBLIC EMPLOYEES
(LOCAL 4177)
(hereinafter called the "Union")

WHEREAS, due to special circumstances, the Board would like to clarify specific conditions regarding hours of work for bus drivers, the parties agree as follows:

1. Appendix D, Paragraph 1(a) - *charter or special trips* applies to trips of less than fifty (50) kilometers (one way) where the driver is not able to return to **their** home base immediately upon dropping off passengers. If the driver is able to return to **their** home base after dropping off passengers, that driver is not considered to be on standby and waiting time does not apply.

Examples of Non-Application:

- If a Fort St. James bus driver transports students from Fort St. James to Murray Ridge Ski Hill at 9:00 a.m. and returns at 2:00 p.m. to transport the students back to the appropriate school, the driver does not get paid waiting time as **they were** not required to stay at Murray Ridge Ski Hill.
- If a Fraser Lake bus driver transports students from Fraser Lake to the Stellako River at 10:00 a.m. and returns at 1:00 p.m. to transport the students back to the appropriate school, the driver does not get paid waiting time as **they were** not required to stay at the river.
- If a Vanderhoof bus driver transports students from Sinkut View Elementary School to Evelyn Dickson Elementary School for a play day at 9:30 a.m. and returns at 1:30 p.m. to transport the students back to Sinkut View, the driver does

not get paid waiting time as **they were** not required to stay at the school.

- If a Burns Lake bus driver transports students from L.D.S.S. to the Omineca Ski Trails at 9:00 a.m. and returns at 2:00 p.m. to transport the students back to school, the driver only claims two (2) hours for the two (2) way trip [one (1) hour each way]. If the driver is required to stay at the trails because the teacher/supervisor wants some form of emergency transportation available, then the driver claims the time spent at the trails as full-time. The school will be billed for all the time (driving and waiting), at full rate.

Example of Application:

- Bus drivers from any of the four (4) locations (Vanderhoof, Burns Lake, Fraser Lake, or Fort St. James) who transport students from a school to a location within fifty (50) kilometers (one way) and who are required to remain at the site for a period of time will be on standby. If the driver is then released from standby and asked to return at a specific time but distance and time do not permit driving back to the home base and returning, the driver will be paid waiting time.
2. There will be a minimum time payment of two (2) hours for drivers on *charter or special trips* of less than fifty (50) kilometers.

i.e: a trip from one school to another school and return, or a trip from a school to the arena and return

If the trip takes fifteen (15) minutes each way the driver will be paid the minimum of two (2) hours. If the *charter or special trip* does not include a return trip; there will only be a payment of one (1) hour for the one way trip.

i.e: the school utilizes the bus to travel to the arena but walks back to the school

Forest Fire Season & School District Drivers

Purpose

The purpose of this letter of understanding is to provide clarification for payment to CUPE bus drivers for the work that results when the **Ministry of Forests, Land and Natural Resources (MFLNR)** utilizes our vehicles during forest fire seasons.

School District Involvement

1. SD91 will provide bus drivers to assist the **MFLNR** during forest fire fighting season.
2. SD91 will top-up the bus driver’s wages to their regular rate of pay for time spent driving, as per the Collective Agreement
3. SD91 will pay the drivers one-half (1/2) of their regular rate of pay during waiting time, as per the Collective Agreement.
4. Depending on the fire’s location, it may be necessary for the drivers to spend the night at a forest fire camp. In this event, the driver’s waiting time will stop once the bus has arrived at camp.
5. There is no provision for Over-Time wages.
6. If the bus driver’s regular schedule is interrupted, then a junior driver will back-fill their route.
7. Drivers will be selected using a sign-up sheet (located in the bus garage) and then through seniority.
8. Drivers who are interested in working during the fire season will sign a sheet as designated by the Manager of Transportation.

The Parties will work collaboratively to support local districts and unions to comply with all WorkSafe BC requirements.

Information relating to refusing unsafe work, and workers' rights and responsibilities, and employer responsibilities, as provided by WorkSafeBC is attached to this PFA for information purposes.

The Parties will establish a Joint Health and Safety Taskforce of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. Each Party will consider the appointment of subject matter experts in occupational health and safety, and special education.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

The work of this joint taskforce will be completed by January 1, 2020 and will include:

- Developing a joint communication to school districts and local unions on the obligation to report and investigate incidents including incidents of workplace violence.
- Reviewing and developing a Joint Health and Safety Evaluation Tool for the K-12 sector to ensure compliance with WorkSafe BC regulations.
- Identifying and developing appropriate training. The union agrees to cover any other costs incurred for the union member.

Copies of completed evaluations shall be provided to local presidents and employers as outlined on the evaluation tool.

The parties agree to commence the work of this taskforce upon approval of the Provincial Framework Agreement by both parties prior to the commencement of this PFA. Costs associated with this committee will be provided from existing SSEAC funds. These funds will be reimbursed with the funds provided under Section 9 Committee Funding.

6. Support Staff Education Committee (SSEC)

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a. Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b. Developing and delivering education opportunities to enhance service delivery to students;
- c. Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;

7. Job Evaluation (JE) Committee

The Parties will continue and conclude the work of the provincial job evaluation steering committee (the JE Committee) during the term of this Framework Agreement. The objectives of the JE Committee for phase two are as follows:

- Review the results of the phase one pilot and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.

- Expand the pilot to an additional ten (10) districts including at least two (2) non-CUPE locals to confirm the validity of the tool and the benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

It is recognized that the work of the committee is potentially lengthy and onerous. To accomplish the objectives expeditiously the Parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) on a fulltime basis if necessary to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined below is appropriate.

The committee, together with consultant(s) if required, will develop a method to convert points into pay bands. The confirmed method must be supported by current compensation best practices.

The disbursement of available JE funds shall commence by January 2, 2020 or as mutually agreed.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time has been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time.

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

8. Provincial Labour Management Committee (PLMC)

The Parties agree to establish a PLMC to discuss and problem solve issues of mutual provincial interest. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

The PLMC shall not discuss specific grievances or have the power to bind either Party to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either Party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the agreement and agree to include Workplace Health and Safety as a standing agenda item.

9. Committee Funding

There will be a total of \$100,000 of annual funding allocated for the purposes of the Support Staff Education Committee and the Provincial Labour Management Committee. There will be a one-time \$50,000 allocation for the purposes of the Joint Health and Safety Taskforce.

10. Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE)

The Parties commit to a Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE) with the following objectives:

11. Early Care and Learning Plan

Re: Public Sector General Wage Increases

1. If a public sector employer as defined in s. 1 of the Public Sector Employers Act enters into a collective agreement with an effective date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. Refusing unsafe work

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer.

As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed. This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must [contact WorkSafeBC](http://www.worksafebc.com). A prevention officer will then investigate and take steps to find a workable solution.

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights.

Your rights

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The right to refuse unsafe work without getting punished or fired

Your responsibilities

As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:

- Be alert to hazards. Report them immediately to your supervisor or employer.
- Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with joint occupational health and safety committees, worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related.
- Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

For information

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational health and safety program.
- Train your employees to do their work safely and provide proper supervision.
- Provide supervisors with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate first aid equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly inspect your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
- Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
- Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
- Ensure workers under your supervision have the appropriate personal protective equipment, which is being used properly, regularly inspected, and maintained.

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

(For Job Descriptions, Classifications and Changes of Classifications)

between

SCHOOL DISTRICT NO. 91 (NECHAKO LAKES)

And

THE CANADIAN UNION OF PUBLIC EMPLOYEES,
LOCAL 4177

THE JOINT JOB EVALUATION COMMITTEE (JJEC)

ARTICLE 1

- 1.1. There will be a Joint Job Evaluation Committee (JJEC) which shall have equal representation and participation from the parties, consisting of two (2) representatives from the Employer and two (2) representatives from the local Union. The purpose of the Committee will be to maintain the established Gender-Neutral Job Evaluation Plan.
- 1.2. The Employer and the Union shall each designate one of its representatives to act as Co-chairperson.
- 1.3. Each party may appoint alternate representatives to serve as replacements for absent members or to assist the Committee in its work, from time to time. The names of alternate representatives shall be submitted to the Committee.
- 1.4. CUPE, Local 4177 Committee members and any alternates appointed by CUPE, Local 4177 shall be granted leave of absence with pay and without loss of seniority for periods of time spent working on the Committee. These members shall continue to have all rights and privileges of the collective agreement including access to the grievance procedure, promotional opportunities and salary increments to which the employee would normally be entitled, including any increase that may occur as a result of an evaluation of their present position. The Employer shall invoice the Union for the cost of wages and benefits and the Union shall be responsible for any expenses incurred by its members.
- 1.5. Routine business decisions of the Committee shall be made by a simple majority. Job rating decisions shall require unanimous decision of the full Committee and shall be final and binding on the parties, subject to the reconsideration procedure set out in Article II. Alternate members shall have the right to vote only when replacing a regular Committee member who is absent.
- 1.6. The Committee shall meet as necessary at a mutually agreed upon time and place. Each member shall receive notice and the agenda for the meeting at least forty-eight (48) hours before the meeting. Either party may call a meeting by giving written notice and this meeting shall take place within seven (7) working days of the delivery of the notice to the other party.
- 1.7. Either party to the Maintenance Agreement may engage advisors to assist its representatives on the JJEC. Any such advisor shall be entitled to voice but not to vote and shall not be considered to be a member of the Committee.

MAINTAINING THE JOB EVALUATION PROGRAM

ARTICLE 2

- 2.1. The Gender-Neutral Job Evaluation Plan will be used when reviewing and evaluating all existing or new jobs. It is important to maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the pay equity program. In order to maintain the program, the Union and the Board agree to adopt the following process:
 - 2.1.1. The Joint Job Evaluation Committee will divide all jobs into groups and will address approximately twenty percent (20%) of the jobs covered by the Plan in each subsequent year.
 - 2.1.2. Employees in the group of jobs subject to review in a given year will be surveyed to determine if any changes have occurred to their jobs since the job description was last revised.
 - 2.1.3. The results of the survey will be reviewed by the Joint Job Evaluation Committee and if substantial change has occurred to a position, the job description will be updated and re-evaluated in accordance with the established Gender-Neutral Job Evaluation procedure.
- 2.2. Whenever the employer changes the duties and responsibilities of a job or the incumbent(s)/Union feel that the duties and responsibilities of a job have been changed, or that the job description does not reflect the duties and responsibilities of the job, the following procedures shall be followed:
 - 2.2.1. The incumbent(s)/Union or the supervisor/employer may request a job evaluation review by completing and submitting a *Job Evaluation Reconsideration Form* {Addendum to Appendix “B” (i)}, a completed Job Analysis Questionnaire and revisions to the job description. The applicant must show which of the above three criteria pertain to the application for consideration.
 - 2.2.1.1. A maximum of three (3) job descriptions to be under review at any one time. This number can be increased by mutual agreement.
 - 2.2.1.2. Reviews will be initiated within thirty (30) days of the written request.
 - 2.2.2. Upon receipt of a completed *Job Evaluation Reconsideration Form*, the Committee shall proceed to gather accurate, up-to-date information on

the job. The gathering of information shall involve requesting the incumbent(s) and supervisor to complete an up-to-date *Job Analysis Questionnaire*. Where further information is required, interviews shall be held with incumbents and/or supervisors and/or visits to the job site. Based on this information, the employer shall update the job description, as necessary;

- 2.2.3. Where it has been determined by the JJEC that the job description has changed, the job shall be rated by the JJEC, using the Gender-Neutral Job Evaluation procedure. A new rating for the job shall be established. The incumbent(s) and supervisor shall be advised of the Committee's decision per the *Advice of Rating Form* {Addendum to Appendix "B" (ii)}. The rating of the job shall determine the pay rate for the job;
 - 2.2.4. If the job is rated at a pay grade higher than the existing pay grade, the incumbent's rate of pay shall be adjusted retroactive to the date the *Job Evaluation Reconsideration Form* was submitted. The incumbent(s) shall retain the same place on any increment grid;
 - 2.2.5. If the job is rated at a pay grade lower than the existing pay grade, all incumbents of such job shall be identified as "Red-Circled" and shall continue to receive all negotiated increases and shall continue to progress (increment) through the salary range to the job rate of **their** previous pay grade;
 - 2.2.6. No incumbent will have their wages reduced following the re-evaluation of their job and the establishment of a new wage structure;
 - 2.2.7. All economic adjustments negotiated from time to time shall be calculated upon the higher of the revised or previously existing job rate.
- 2.3. Whenever the employer wishes to establish a new job, the following procedures shall apply:
- 2.3.1. The employer shall prepare a draft job description for the job;
 - 2.3.2. The JJEC shall meet and establish a temporary pay grade for the job, based on the draft job description;
 - 2.3.3. The job shall be posted and any person appointed to the job shall be paid the temporary pay grade;
 - 2.3.4. After six (6) months from the appointment of an incumbent to the job, the incumbent(s) and the supervisor shall complete a *Job Analysis*

Questionnaire which shall be submitted, along with an updated job description to the JJEC. The employer shall develop a final job description and rate the job according to the Gender-Neutral Job Evaluation Plan. The rate of pay increases shall be paid to each incumbent effective the date of **their** appointment to the job. In the event that the pay rate of the job decreases as the result of this six (6) month re-examination of the job, the reduced rate of pay will be paid at the beginning of the next pay period following completion of any appeal processes and the notification to the incumbent and the Union by the Board.

- 2.4. Either the incumbent(s) or the supervisor may request reconsideration of the job rating by completing and submitting a *Job Evaluation Reconsideration Form*, stating the reason(s) for disagreeing with the job description and/or the rating of the job. Any such request shall be submitted within sixty (60) days of receipt of the *Advice of Rating Form*. Both the incumbent(s) and the supervisor shall be permitted to make a presentation to the Committee. The JJEC shall consider the request and make a decision, which shall be considered final and binding upon the parties and all employees affected. The Committee shall inform both the incumbent(s) and the supervisor of its decision using the *Job Evaluation Review Decision Form* {Addendum to Appendix “B” (iii)}.
- 2.5. After a job evaluation review has been completed for an existing job, there shall be no further review for a period of twelve (12) months.

DISPUTE RESOLUTION

ARTICLE 3

- 3.1. Parties may consider alternatives in dispute resolution to arbitration. In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the job evaluation program, the Co-chairpersons of the Committee shall request, within ten (10) working days, that each party designate an advisor to meet with the Committee. The two (2) advisors shall meet with the Committee and attempt to assist in reaching a decision.
- 3.2. If, after meeting with the two (2) advisors appointed pursuant to Article 3.1, the Committee remains unable to agree upon the matter in dispute, the Co-chairpersons shall advise, in writing, the union and the employer of this fact, within fifteen (15) days.
- 3.3. Either party may, by written notice to the other party, refer the dispute to a single arbitrator who shall be selected by agreement of the parties. If the parties are

unable to agree, either party may request the Minister of Labour to appoint an arbitrator.

- 3.4. The arbitrator shall decide the matter upon which the JJEC has been unable to agree and **their** decision shall be final and binding on the JJEC, the Employer, the Union, and all affected employees. The arbitrator shall be bound by this Maintenance Agreement and the Gender-Neutral Job Evaluation Plan and shall not have the power to notify or amend any of their provisions. The jurisdiction of the arbitrator shall be limited to the matter in dispute, as submitted by the parties.
- 3.5. The Employer and Union shall be the parties to the arbitration hearing and shall have the right to present evidence and argument concerning the matter in dispute. The arbitrator shall have the powers of an arbitrator appointed pursuant to the Collective Agreement and, in addition, shall have the authority to require the parties to present additional information and to require other person(s) to present evidence, as deemed necessary by the arbitrator.
- 3.6. The arbitrator's fees and expenses shall be borne equally between the parties.
- 3.7. The time limits contained in this article may be extended by mutual agreement of the parties.

LETTER OF UNDERSTANDING #11
“APPRENTICESHIP PROGRAM”

BETWEEN: THE BOARD OF SCHOOL TRUSTEES
SCHOOL DISTRICT #91 (NECHAKOLAKES)

(hereinafter called the "Board")

AND: CANADIAN UNION OF PUBLICEMPLOYEES
LOCAL 4177

(hereinafter called the "Union")

Re: Apprenticeship Program

1.0 Purpose

1.1 It is understood the *Apprenticeship Program* is an evolving education program. A person entering into an apprenticeship is entering at “tri-partnership” involving the APPRENTICE, the Board of Education of School District No. 91 (Nechako Lakes) (EMPLOYER) and CUPE 4177 (UNION). Efforts will be made by all parties to ensure the apprenticeship program remains a viable educational entity.

1.2 The EMPLOYER and the UNION agree to co-operate in the establishment of an apprenticeship program with the purpose of:

- i) Providing on-the-job training for employees as apprentices in trades in which there are expected to be vacancies or new positions created by the end of the apprenticeship training period.
- ii) Providing current employees of the district an opportunity to upgrade their skills to become journeypersons.
- iii) Providing the Employer with qualified employees while at the same time protecting the rights and prerogatives of Union members.

2.0 Apprenticeship General Provisions

2.1 An Apprenticeship Committee comprising of up to two UNION and two EMPLOYER representatives will be established to develop the policies and procedures of the Apprenticeship Program.

-
- 2.2 It is recognized that some unforeseen problems may arise in respect to this first *Apprenticeship Program*. Therefore, it is agreed that such problems shall be discussed by the Apprenticeship Committee with a view to the settlement of the problems to the mutual satisfaction of both parties.
- 2.3 The apprenticeship process will be governed first by the provincial and national governing bodies and applicable agencies. The APPRENTICE shall be employed in accordance with the provisions of the Industry Training and Authority Act and the Labour Relations Code, and the parties hereto agree to observe all applicable provisions of said Acts.
- 2.4 The APPRENTICE shall be bound by all provisions of the collective agreement except where altered by this agreement.
- 2.5 This *Apprenticeship Program* shall cover all trade areas of the EMPLOYER, such as electrician, carpentry, plumber/gasfitter, painter and commercial transport vehicle mechanic.
- 3.0 Selection Criteria and Qualifications
- 3.1 In order to be considered an applicant must:
- 1st Meet the requirements as outlined in SD91's Job Description, and
 - 2nd Meet the requirements as outlined on the ITA trade's profile, and
 - 3rd Pass an entry level apprenticeship aptitude test administered by the EMPLOYER with a threshold score of 70%, and
 - 4th Meet the requirements of the educational institution where coursework will be taken (ie. Math and Physics 12), and
- 3.2 Every journeyman taking on an APPRENTICE shall be required to have a B.C. trades qualification (TQ) certificate of proficiency and a certificate of apprenticeship or its equivalent in their designated trade as required by the Act.
- 3.3 Before work can commence, the EMPLOYER and APPRENTICE must apply and register as the sponsor employer and apprentice respectively with the Industry Training Authority (ITA).
- 4.0 Post and Fill and Seniority

-
- 4.1 Apprenticeships will be posted and filled in accordance with the job posting language contained in the current Collective Agreement between the parties.
- 4.2 It is agreed no apprentices would be hired to work for the EMPLOYER in a trade in which there are laid off tradespersons either still employed in other classifications with the EMPLOYER or still on layoff with recall rights as specified.
- 5.0 Retention
- 5.1 An APPRENTICE will not necessarily be guaranteed a position when they have obtained a certificate of apprentice or journeyman certification in their designated trade.
- 5.2 In the event the APPRENTICE violates the Return of Service Agreement by leaving before the completion of the Agreement, the APPRENTICE will have to pay back **the proportionate cost of tuition borne by the Employer.**
- 6.0 Apprenticeship Agreement
- 6.1 Apprenticeship agreements shall be prepared before the end of the probationary/trial period and shall be signed by the PARTIES. Each applicant for an apprenticeship shall be given an opportunity to read this Apprenticeship Program document before signing the Apprenticeship Agreement.
- 6.2 Where an APPRENTICE is absent from work for more than 20 consecutive working days in any year, the EMPLOYER can extend the term of such apprentice's agreement for the duration of the sickness, injury, or leave of absence. Any wage increments normally due will be delayed accordingly, and the UNION advised in writing.
- 6.3 If an APPRENTICE violates any of the terms and conditions of the Apprenticeship Agreement, the EMPLOYER reserves the right to suspend or terminate the apprentice agreement. The employee would then be considered laid-off and afforded the rights as set out in the Collective Agreement.
- 7.0 Return of Service Agreement
- 7.1 The PARTIES of this *Apprenticeship Program* agree a **consistent** Return of Service Agreement **commensurate/pro-rated with the length of the apprenticeship** shall be agreed to prior to the employee starting their apprenticeship **with the Employer. (i.e. an employee who had partially completed their apprenticeship with another employer would pay back the proportionate amount of the time spent in the program with the District)**

8.0 Supervision

- 8.1 There can be no more than 1 apprentice for each journey person.
- 8.2 The EMPLOYER will ensure that the APPRENTICE be given the necessary on-the-job practical training.
- 8.3 The APPRENTICE shall perform work under the direction of a journeyperson.
- 8.4 Journeypersons will participate in providing feedback to the appropriate supervisor on the progress of the APPRENTICE.

9.0 Course Work and Costs

- 9.1 A leave of absence, without pay, will be approved by the EMPLOYER for all classroom time required by the APPRENTICE. The APPRENTICE will seek employment insurance benefits while attending school and the EMPLOYER will arrange for the continuation of all benefits while attending school.
- 9.2 Receipts and documentation for coursework, housing/travel and education related expenses must be provided to the EMPLOYER before any agreed upon reimbursements are issued.
- 9.3 While the APPRENTICE is in school, the EMPLOYER shall supplement the APPRENTICE's Employment Insurance with a \$2,000 annual allowance.
- 9.4 With the exception of the incentives/reimbursement outlined in existing collective agreement provisions, the APPRENTICE will be responsible **for covering** all remaining costs associated with their education.
- 9.7 In cases of failure on the part of the APPRENTICE to fulfill **their** obligations in respect to school attendance, the EMPLOYER shall have the authority to suspend or revoke the Apprenticeship Agreement, and will notify the UNION of the violation. The employee would then be considered laid-off and afforded the rights as set out in the Collective Agreement.

LETTER OF UNDERSTANDING #13
“BUMPING – BUS DRIVERS”

BETWEEN: THE BOARD OF SCHOOL TRUSTEES
SCHOOL DISTRICT #91 (NECHAKOLAKES)

(hereinafter called the “Board”)

AND: CANADIAN UNION OF PUBLICEMPLOYEES
LOCAL 4177

(hereinafter called the “Union”)

Re: Bumping – Bus Drivers

Subject to ratification by both parties, the Parties to this Letter of Understanding agree that the following provision will be implemented, effective June 26, 2012.

It is understood that this provision is intended to specifically address the layoff and bumping practices for bus drivers.

Article 7 sec. 4 (a) Bumping

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, an employee shall be laid-off in the reverse order of **their** bargaining-unit-wide seniority in the work location where the layoff is required. An employee about to be laid-off or bumped may only bump the most junior employee in the same classification and/or similar hours (two (2) hours + or – of affected position) for which **they are** qualified, in **their** choice of location. If any employee is unable to bump in the same classification, **they** may choose to bump outside of **their** classification providing the employee exercising **their** right is qualified to perform the work of the employee with less seniority.

Sec. 4 (b) Bumping – Bus Drivers

Where operational requirements necessitate the layoff of a senior driver due to the elimination or reduction of a specific bus route held by a senior driver, the driver receiving the layoff shall have the option to bump any junior driver in the location where the layoff occurs.

Should the laid off driver choose to bump into another location and/or classification, the terms of Article 7 Section 4 (a) shall apply.

LETTER OF UNDERSTANDING #14
“STRONG START FACILITATOR”

BETWEEN: THE BOARD OF EDUCATION OF
SCHOOL DISTRICT #91 (NECHAKO LAKES)

(hereinafter called the “Board”)

AND: CANADIAN UNION OF PUBLICEMPLOYEES
LOCAL 4177

(hereinafter called the “Union”)

Re: Strong Start Facilitator

1. The Employer created the positions of Strong Start Facilitators responsible for delivery of the Strong Start Program and identified the requisite qualifications, fitness and ability consistent with the program objectives and direction of the Ministry of Education.
2. The Employer has agreed to the inclusion of the Strong Start Facilitator positions within the bargaining unit represented by the Union. The Union has agreed to the terms of this Letter of Understanding to recognize the distinct character of the pre-school Strong Start Program. In extending this voluntary recognition, the Employer does not concede it was obligated to post and fill the initial positions under the collective agreement. It extends recognition without prejudice to the stand it may take in the creation of new positions, other than Strong Start Facilitators, in the future.
3. With the inclusion of the current and future Strong Start Facilitator positions under the collective agreement, the Employer has set the qualifications, fitness and ability in the attached Schedule 1. The Union acknowledges the Employer’s right to set the qualifications, fitness and ability and agrees that the qualifications established in Schedule 1 are fair and equitable. It is understood that any future variation of the qualifications, fitness and ability by the Employer will be subject to challenge if the Union does not believe the variation is a proper exercise of management and contractual rights under the collective agreement.
4. The Employer and the Union acknowledge these newly-created and included positions under the collective agreement will be subject to review under the Joint Job Evaluation Committee. Any retroactivity under the review will be effective the start date of each employee currently employed as a facilitator for the district.

-
5. The parties agree that the incumbent Strong Start Facilitators shall be recognized as regular employees of the School Districts within the CUPE Local 4177 bargaining unit. The Employer agrees the Strong Start Facilitator position will be put before the Joint Job Evaluation Committee for formal rating and ranking of the position. The incumbents' seniority dates shall be the date each started employment with School District No. 91.
 6. In the event that the Strong Start Program or the related funding is discontinued, layoff notice will coincide with the end of available funding or the layoff notice period outlined in Article 7, whichever period is shorter.
 7. In recognition of the character of the Strong Start Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 7, the following shall apply to Strong Start Facilitators:

The employer reserves the right to deny an employee to bump into a Strong Start Facilitator position if this would create a negative impact on the Strong Start Program.

8. The times of the year at which the Strong Start Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the Strong Start Facilitator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 12 of the collective agreement, the following shall apply to Strong Start Facilitators:

Strong Start Facilitators will take their annual vacation during Christmas and Spring Break or otherwise when the program is not negatively affected, with the sole discretion and approval of the Early Learning Contact or designate.

9. The daily operation of the Strong Start Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Article 4, the hours of work provisions of the collective agreement. The Parties agree to the following paragraphs:

Minimum Hours

The parties agree that, having regard to the unique nature of the position of Strong Start Facilitator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of

the Strong Start Centre, the four-hour minimum shift shall be interpreted as average four hours work daily over the course of each two week pay period.

Break Periods

The parties agree that the paid rest period contemplated by Article 4 shall be taken during times that will not interfere with the operation of the Strong Start Centre.

Hours of Work

In recognition of the unique and challenging requirements of the Strong Start Facilitator's duties, it is agreed the normal work day shall fall between 8 am and 5 pm.

10. The Union and the Employer agree that all grievances related to the Strong Start Program are resolved as a result of the agreement set out in this Letter of Understanding.
11. The Union and the Employer agree that this Letter of Understanding will continue until such time as the Union and the Employer agree to terminate or amend the Letter of Understanding.

Dear Ms. Avison:

As part of the framework discussions between the K-12 Support Staff Unions and BCPSEA, the parties have agreed that it is desirable to facilitate a transition from the term "Teacher's Assistant" to "Education Assistant".

The parties agree that "Education Assistant" more accurately describes the nature of the work in the current context and into the future. We respectfully request that consideration be given to the possibility that a similar change could be made to applicable legislation and regulations.
