

### ***Distribution of this Bulletin***

*Please ensure this bulletin is circulated to all administrative staff in both the district office and schools who must rely on the collective agreement in the performance of their duties.*

## **Distribution of BCTF Foundation Skills Assessment Pamphlets**

It has come to BCPSEA's attention that some districts have received a request from their teachers' local union to distribute the BCTF Foundation Skills Assessment (FSA) pamphlets to parents from their school district email account.

**Distribution of union materials via district email is not recommended by BCPSEA** and is not in accordance with the current protocol agreement between BCPSEA and the BC Teachers' Federation (BCTF).

**BCPSEA recommends that all districts continue to follow the Protocol Agreement** (attached for ease of reference).

The BCTF 2021 FSA pamphlets have been reviewed (see [@issue No. 2020-12](#) dated December, 2020) and are available on the [BCPSEA website](#).
