AGREEMENT BETWEEN:
THE BOARD OF EDUCATION OF
SCHOOL DISTRICT NO. 83 (NORTH OKANAGAN SHUSWAP)
(hereinafter called the "Employer")
and
THE CANADIAN UNION OF PUBLIC EMPLOYEES
LOCAL 523
(hereinafter called the "Union")

ARTICLE 1 PREAMBLE

WHEREAS it is the desire of both parties to this Agreement:

- 1) To promote the harmonious relations and settle conditions of employment between the Employer and the Union;
- 2) To recognize the mutual value of joint discussion and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, etc.;
- 3) To encourage efficiency in operation;
- 4) To promote the morale, well-being and security of all the employees in the bargaining unit of the Union;

AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an agreement;

NOW, THEREFORE, the parties agree as follows:

ARTICLE 2 RECOGNITION AND NEGOTIATIONS

A) Recognition of Union

The Employer or anyone authorized to act on its behalf recognizes the Union as the sole collective bargaining agency for its employees classified and covered by this Agreement and hereby consents and agrees to negotiate with the Union or anyone authorized to act on behalf of the Union, in any and all matters affecting the relationship between the parties to this Agreement, looking forward to a peaceful and amicable settlement to any differences that may arise between them.

B) Negotiations Committee

The Employer agrees to the appointment of a Negotiations Committee consisting of four (4) appointees of the Employer and four (4) appointees of the Union.

In the event that the Employer boards join together to negotiate this Agreement or a substitute thereof, a Negotiations Committee shall be appointed consisting of (a) The Chair and Vice-Chair of the Council, or their designate, and one Employer appointee from each board and (b) the President and Secretary-Treasurer of the Canadian Union of Public Employees, Local 523, plus one appointee from each school district as Union appointees. Each party shall notify the other party, in writing, of its appointees and any subsequent changes thereof under Section (b) of this Article.

C) Additional Representatives

Each party to this Agreement shall have the right to have the assistance of a representative when dealing or negotiating with the other party.

D) Meeting of the Negotiations Committee

In the event of either party wishing to call a meeting of the Negotiations Committee, the meeting shall be held at a time and place fixed by mutual agreement, however, such meeting must be held not later than six (6) calendar days after the request has been given.

E) Time Off for Meetings

Any representative of the Union on this Negotiations Committee, who is in the employ of the Employer, shall have the privilege of attending meetings of the Committee held within working hours without loss of remuneration provided the supervisor has prior notice.

F) Collective Agreement

The collective agreement will be made available electronically to all employees.

G) No Other Agreement

No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representative which may conflict with the terms of this Collective Agreement, without the consent of the Union.

H) Student Mentorship

The Union supports the mentoring of students through leadership and employment skills training and experience. To this end the Union will not oppose student participation in employment duties that may overlap with CUPE positions so long as students are provided with mentoring in the form of instruction and direct supervision. No CUPE member shall be required to perform such mentoring duties should they not feel comfortable doing so.

ARTICLE 3 RIGHTS OF EMPLOYER

The Union recognizes the rights of the Employer to operate and manage the schools in accordance with its commitments and responsibilities, and to make and alter from time to time rules and regulations to be observed by employees; such rules and regulations shall not be contrary to any provisions of this Agreement.

The Employer shall always have the right to hire, assign, discipline and discharge employees for proper cause, and such right shall not be exercised in a manner inconsistent with the provisions of this Agreement.

Job descriptions shall not be eliminated without prior written notification to the Union.

ARTICLE 4 DISCRIMINATION AND HARASSMENT

A) Discrimination

The Employer, its employees and agents agree that there shall be no discrimination, interference, restriction or coercion exercised or practised with respect to any employee in the matter of hiring, wage rates, training, upgrading, promotion, transfer, layoff, discipline, discharge or otherwise by reason of race, creed, colour, national origin, political or religious affiliation, sex or marital status, sexual orientation or other grounds protected by the *BC Human Rights Code*, nor by reason of membership in a labour union, and the employees shall at all times and in like manner act in good faith toward the Employer.

This does not apply with respect to a refusal, limitation, specification or preference based on a bona fide occupational requirement.

B) Sexual Harassment

- i) The Union and the Employer recognize the right of employees to work in an environment free from sexual harassment. Therefore, the Union and the Employer agree to cooperate in resolving any complaints of sexual harassment which may arise in the work place.
- ii) An employee may initiate a grievance under this clause at any step of the grievance procedure. Grievances under this clause will be handled with all possible confidentiality and dispatch.

C) General Harassment

- i) The Employer and the Union recognize the right of employees to work in an environment free from all harassment and agree to cooperate in attempting to resolve, in a confidential manner, any complaints of harassment which may arise in the workplace.
- ii) An employee may initiate a grievance under this clause at any step of the grievance procedure. Grievances under this clause will be handled with all possible confidentiality and dispatch.

ARTICLE 5 UNION SECURITY

Every employee who is now or hereafter becomes a member of the Union shall maintain membership in the Union as a condition of employment and every new employee whose employment commences hereafter shall within thirty (30) days after the commencement of employment, apply for and maintain membership in the Union as a condition of employment.

ARTICLE 6 UNION DUES - DEDUCTIONS

The Employer agrees to deduct from the pay of each employee employed by the Employer any monthly dues or assessments levied, in accordance with the Union By-Laws and owing to the Union. Deductions shall be made from the payroll of each month and shall be forwarded to the Secretary-Treasurer of the Union not later than the 10th day of the month following, accompanied by a list of all employees from whose wages the deductions have been made.

A statement of the total gross earnings of the bargaining unit on which the dues have been assessed shall be included.

ARTICLE 7 EMPLOYEE ORIENTATION

The Employer agrees to acquaint all new employees with the fact that an Agreement between the parties is in effect and with the conditions of employment set out in Articles 5 and 6 dealing with Union Security and Union Dues.

Effective July 1, 2020 the Employer will offer an orientation meeting to all new employees, up to three (3) times per school year as required. The four (4) hour minimum callout as per Article 16 (c) will not apply. A Union representative will be invited to these meetings and will be given an opportunity to speak to their members. The Union representative and the new employee will be paid for this orientation session.

All employment forms, including Union membership card, beneficiary form and Union contact information, will be provided to and completed by the employee at the time of hire. The employee will also be provided the electronic link to the Collective Agreement.

ARTICLE 8 DISTRICT LABOUR MANAGEMENT COMMITTEE

A) Committee Structure

The parties shall appoint a District Labour Management Committee composed of not more than four (4) members of management and four (4) members of the Union with the understanding that additional knowledgeable and appropriate people may attend to speak on specific issues. The committee chair will alternate between the Employer and the Union.

B) Meeting of the Committee

On the request of either party, the parties shall meet at least once every two (2) months until this Agreement is terminated for the purpose of discussing issues relating to the workplace that affect the parties or any employee bound by this Agreement. Participants will be paid straight time wages for attendance at meetings.

C) Purpose of the Committee

The purpose of the Committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

ARTICLE 9 DEFINITION OF EMPLOYEES

A) Regular Employees

Regular employees are those employees who have been assigned to a regular position and who have completed probation in accordance with Article 10(b). This includes full and part-time employees.

B) Temporary Employees

Temporary employees are those employees who replace regular employees on leave or who are hired for specific projects.

C) Payment In Lieu

The following groups of employees shall receive seventy-five cents (75¢) per hour in lieu of sick leave (Article 21), paid leaves of absence (Article 23), benefits (Article 30) and clothing allowance (Article 31(f)):

- i) regular employees on layoff who are called for temporary work under Article 11(f), on expiration of the two (2) month period under Article 11(g);
- ii) temporary employees with seniority;
- iii) probationary employees without seniority from the 109th day of work in the preceding twelve (12) months.

The payment shall not be made when an employee relieves in a position regularly scheduled less than half time unless the employee works half or more of the normal weekly hours.

ARTICLE 10 SENIORITY

A) Definition

Seniority is length of service with the Employer and, except as provided for in Articles 10(b) and 10(c) with respect to temporary employment, shall date from the original date of commencing work.

The Employer shall maintain a seniority list showing the commencement date of each employee's seniority. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in April and November of each year. The Employer shall be notified within thirty (30) days of any errors. The determination of seniority shall be in accordance with the earning system in effect at the time of the alleged error. The determination of seniority shall be in accordance with the earning system in effect at the time of the alleged error. Seniority shall operate on a bargaining-unit-wide basis within the school district.

A random process mutually agreed upon by the Employer and the Union shall be used for determining seniority tie breakers.

B) Regular Employees' Attainment of Seniority

Newly hired employees or temporary employees appointed to regular positions shall be on probation for sixty-five (65) of the employee's working days or six (6) calendar months, whichever comes sooner from the date of commencing work in the regular position. During the probationary period employees shall be entitled to all rights and privileges of this Agreement unless otherwise provided, except with respect to discharge. The standard of discharge for newly hired employees or temporary employees without seniority shall be lack of general suitability for continued employment during the probationary period. Temporary employees with seniority who prove unsuitable in the probationary period shall be returned to their former position without loss of seniority or former hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority or former hourly wage rate.

On completion of probation, newly hired regular employees and temporary employees without seniority shall have their seniority be effective from the original date of commencing work and any days actually worked as a temporary employee within the preceding twelve (12) months shall also be counted as time accumulated for seniority purposes. The date of commencing work where temporary work is to be counted shall be determined by adding the number of working days equal to those actually worked by the employee to the date of commencing work as a regular employee.

C) Temporary Employees' Attainment of Seniority

Temporary employees shall be placed on the seniority list when they have completed one hundred nine (109) days in the preceding twelve (12) months. Prior to attaining seniority, the standard for discharge is lack of general suitability for continued employment.

The date of commencing work for seniority purposes shall be twenty-one (21) weeks and four (4) calendar days prior to the day on which the employee became eligible for inclusion on the seniority list.

D) Seniority During Absence

If an employee is absent from work because of sickness, accident, layoffs, or leave of absence approved by the Employer, seniority rights shall not be lost. It shall be the responsibility of the employee to keep the Employer informed in writing of their current contact information.

E) Loss of Seniority

An employee shall lose seniority in the event the employee:

- i) is discharged for proper cause and is not reinstated;
- ii) resigns;
- iii) is absent from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible;
- iv) is laid off and does not accept offered work for a minimum of four (4) shifts per year;
- v) is not on approved leave and does not accept offered work for a minimum of twenty (20) shifts per year.

F) Relinquish Regular Position

An employee holding a regular position may elect to relinquish their regular position and maintain their seniority. They shall be placed on the temporary employee list and be offered temporary assignments according to normal procedures. This option shall not be available to permit employees to work with another employer. Employees shall declare their intention to exercise this option by May 1st in each calendar year to take effect July 1st for the subsequent school year. In such an event the employee shall have no recall rights. The employee may use their seniority and qualifications to bid on vacancies that subsequently arise.

G) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without their consent. If an employee is transferred to a position outside of the bargaining unit, seniority acquired at the date of leaving the unit shall be retained for two (2) years, but no further accumulation shall occur. Should the employee return within two (2) years, this will not result in any layoff, bumping or reduction of hours of any employee(s).

H) Retention of Seniority Rights

In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another Employer, the Employer agrees to the retention of seniority rights for all employees coming within the new bargaining unit of the successor Employer.

ARTICLE 11 LAYOFF, BUMPING AND RECALL

A) General

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, reduction of hours, bumping and recall, the governing principle shall be seniority, except as otherwise provided.

Temporary employees not on the seniority list shall not be entitled to bumping and recall rights.

B) Procedure

The Employer shall determine which positions are to be terminated or reduced in hours. Where positions are interchangeable and not tied to geographic location, the positions occupied by the most junior employee shall be terminated or reduced.

C) Notice

In the event of reduction in the workforce, the Employer shall serve written notice on those employees who will be laid off or have their hours of work reduced, as follows:

- i) Regular employees - not later than thirty (30) calendar days prior to the effective date of layoff or reduction of hours.
- ii) Regular employees on layoff who accept temporary work and temporary employees on the seniority list - not later than seven (7) calendar days prior to the effective date of layoff.

Such notice shall advise the employee of their right to bump and shall contain a copy of the seniority list.

D) Bumping

An employee whose position is subject to layoff or reduction of hours shall be entitled to bump a junior employee provided the employee is qualified to perform the duties of the position occupied by the junior employee. If the junior employee holds more than one position, the senior employee may bump one or more of the positions held by the junior employee provided that the senior employee is qualified to perform the duties of the position(s). The displaced employee has the right to bump one junior employee provided that the employee is qualified to perform the duties of the position(s). If an employee is in the process of preparing for the required qualifications at the time of notice of layoff or bumping, the employee shall be allowed to bump provided the qualifications are achieved before the scheduled date of assuming the position. The laid off employee, whether part-time or full-time, may bump either a part-time or full-time employee. Where a temporary position occupied by a regular employee is terminated, the employee shall revert to their previous position.

The employee shall exercise bumping rights by informing the Employer of choice(s) within seven (7) calendar days of receiving notice under (c) above. Where an employee declines to exercise their right to bump, the right shall be forfeited for that layoff or reduction.

Where an employee exercises the right to bump and subsequently is unable to perform adequately the duties of the position, the employee shall have the right to bump only the most junior employee whose position the employee is qualified to fill.

E) Recall

- i) Employees who are laid off or bumped shall be recalled to their former position when it becomes vacant. "Former position" shall mean the last regular position previously held.
- ii) Where the former incumbent on layoff is not the senior person on layoff, the most senior laid-off employee shall be recalled to the position subject to recall.
- iii) Where hours are increased to their former level or higher and the previous incumbent exercised the right to bump, that employee shall have the right to recall. Where the former incumbent declines recall, the present incumbent will be maintained in the position with increased hours.
- iv) Where a position becomes vacant and the former incumbent is no longer available or declines the recall, the vacancy shall be posted in accordance with Article 12. Vacant positions which were not affected by layoff or bumping shall be posted in the normal manner.
- v) Subject to Article 10(e), recall rights shall be maintained by an employee for a period of two (2) years.
- vi) Recall rights will be lost when:
 - a) The recall period expires, or
 - b) An employee loses their seniority according to Article 10(e), or
 - c) An employee posts into a regular position, or
 - d) An employee declines recall to their former position.
- vii) Temporary vacancies will not be subject to recall.

F) Temporary Work

Employees who are laid off shall inform the Employer in writing of the nature and location of unposted temporary work to which they wish to be called. Employees shall be called to such work in seniority order so that no qualified employee is involuntarily without work while a more junior employee is working.

Employees whose temporary work ceases shall have the right to displace another employee whose temporary work will continue for a further two (2) weeks or more.

G) Continuation of Benefits

The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off, provided employees continue to contribute their portion of the premiums.

On expiration of the two (2) month period under Article 11(g), a regular employee on layoff may opt at the time of initial layoff to continue on the regular benefit plans provided the plan permits. In such case the employee shall be responsible for payment in advance of both shares of the premium costs for six (6) months at a time which can be done by postdated cheque(s),

H) Annual Summer Layoff

Except for (g) above, this Article shall not apply to the annual summer layoff of school term (nominal ten (10) month) employees. The availability of summer work for such employees in each school district shall be determined by the local parties in accordance with local past practice.

I) Resignation After Layoff

Upon being laid off an employee shall have thirty (30) days in which to opt for recall rights under Article 11(e) or to resign. Upon resignation the employee shall be paid one (1) week's pay for each complete year of service up to a maximum of twenty (20) weeks' pay. This option shall only be available to an employee who has been a regular employee for at least one (1) year and who has exhausted bumping rights under Article 11(d).

ARTICLE 12 POSTINGS AND STAFF CHANGES

A) Job Posting

When a vacancy occurs the Employer shall notify the Union and post notice of the position on the District website and in the Employer's office, shops and on all Union designated bulletin boards for a minimum of five (5) working days in order that all regular employees will know about the position and be able to make written or electronic application therefor. Such notice shall contain the following information: location of work site (where identified), nature of position, required knowledge and education, ability and skills, shift and wage and salary rate or range.

No advertisement for additional employees shall be made until after such posting has been completed. By agreement with the Union this requirement may be waived for an individual posting. This agreement will not be unreasonably withheld.

If a position is to have an increase in regular hours to become full time then the Employer must post the position.

- B) Posting of Temporary Vacancies and Positions of a Temporary Nature**
- i) In the event of a temporary vacancy in excess of eight (8) weeks that the Employer wishes to fill or in the event of the Employer establishing a position of a temporary nature that will exist for more than eight (8) weeks, that vacancy (position #1) will be posted in the normal manner.
 - ii) Should a regular employee be the successful applicant for position #1, that employee's job (position #2) shall be posted temporarily. Should a regular employee be the successful applicant for position #2, that employee's job (position #3) shall not be posted. Position #3 shall be available to employees with the required qualifications, fitness and ability on layoff first, then to such temporary employees with seniority.
 - iii) If the posted temporary position again becomes vacant within thirty (30) days of the successful applicant commencing work, the next most senior person with the required qualifications, fitness and ability that had originally bid on the temporary position will be awarded the vacancy. In the event there is no other applicant with the required qualifications, fitness and ability who had originally bid on the position then the Employer may fill without posting.
 - iv) At the end of the temporary position, unless the former position has been eliminated or reduced in hours, the regular employees shall return to their former positions. There are no bumping rights at the end of temporary postings.
 - v) Employees in temporary positions will be required to complete their temporary positions before being eligible for an appointment to a subsequent temporary position. All employees may apply for a regular position at any time.
- C) Method of Making Appointments**
- i) **Method of Making Appointments**
Both parties recognize that job opportunity should increase in proportion to length of service. Therefore, in making staff changes, appointment shall be made of the applicant having the greatest seniority, and having the required qualifications, fitness and ability.
 - ii) **Trial Period**
The successful applicant shall be placed on trial for a period of sixty-five (65) of the employee's working days. In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, or so chooses, they shall be returned to their former position without loss of seniority or hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and hourly wage rate.

D) Union Notification

The Union shall be notified in writing within a reasonable time of all resignations, appointments, hirings, layoffs, rehiring and terminations of employment.

E) Disabled Employees' Preference

- 2.2.8) Any employee affected by downward adjustment shall be red-circled as of the date in 2.2.6 above.

3) Appeal Procedures

- 3.1) The appeal procedure may be used by incumbents, the Union, or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

Steps in the Appeal Procedure are as follows:

- 3.1.1) When there is a concern that the job description is inadequate or the rating is incorrect, it shall be referred to the Committee, who may discuss the matter with the incumbent(s) and the Employer. Concerns should be referred to the Committee as soon as possible after they become apparent.
- 3.1.2) If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.

- 3.1.3) If the Committee does not agree that a discrepancy exists, the Committee will so advise the parties.
- 3.1.4) If the parties involved do not accept the Committee's decision, the Union or Employer may pursue the matter through the arbitration process.
- 3.1.5) When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in 2.2.6.

School districts and local unions agree to cooperate in implementing the operational practices/parameters to facilitate the achievement of the staffing process contemplated by this element of the Accord. This includes identifying ways to address emergent circumstances occurring after September 30th. In return, school districts will commit that regular (continuing) support staff employees in positions as at September 30th will not be declared surplus (laid off) to the districts for that school year.

There shall be no reduction of normal compensation for employees covered by this provision prior to the end of the school year unless the employee declines reasonable alternate work, accepts layoff or bumps.

RE: Supervisors and Crossing Guards

The parties agree as follows:

Supervisors and Crossing Guards

- 1) That the terms and conditions of the present CUPE contract apply to the above except as hereinafter amended:
- 2)
 - a) Seniority for regular Supervisors and Crossing Guards is applied on a Supervisor/Crossing Guards classification only basis. Seniority shall be accumulated in hours and be effective from the date of employment and/or September 1, 1989, whichever last occurred and maintained as a separate list.
 - b) Temporary Supervisors and/or Crossing Guards shall not accumulate seniority and shall not be entitled to special consideration by right of seniority.
 - c) Employees shall be entitled to use their seniority for the following purpose only:
 - call to work within the Supervisor/Crossing Guard classification;
 - d) Seniority accumulated as a Supervisor and/or a Crossing Guard shall not be considered in job postings for other job classifications within the bargaining unit although any such employee who applies shall be given the same consideration as other non-seniority-rated applicants.
 - e) When a Supervisor or Crossing Guard is the successful applicant to a regular position, their seniority within the Supervisor/Crossing Guard classification shall be converted and back dated to a calendar date upon successful completion of the probationary period based on the following formula: 80 hours worked = 1 month seniority.
- 3) Regular employees who are successful applicants for the position of Supervisor/Crossing Guard shall be subject to the terms and conditions as listed in this Letter of Understanding if the employer permits employees to hold more than one job.
- 4) It is recognized that teachers and administrative officers may also provide supervision pursuant to the School Act. This Letter of Understanding is not applicable to teachers.

5) Employees shall not be paid overtime as a result of work performed by them as Supervisors or Crossing Guards.

RE: Education Assistants

In the event an education assistant (which term is used in its generic sense) is about to lose their position or to lose hours during the school year, the Board:

- 1) May create a new education assistant position for the balance of that school year into which the employee shall be placed after consultation with, and agreement of, the union, so long as the position is reasonable considering the geography and affected employee's qualification and experience. The position shall be of equal or greater hours at an equal or greater pay rate.
- 2) May lay off the education assistant with the least seniority within the same geographical area and offer this position to the education assistant who is about to lose their position or hours. The Board must guarantee the original education assistant equivalent hours and pay rate. The laid off junior employee would have bumping rights.
- 3) At the end of that school year any position created under paragraph 1 and continuing into the next school year shall be posted and any employee affected by this letter, who has not already done so, shall be able to exercise their bumping rights.
- 4) Any affected employee shall have the option of accepting layoff for the remainder of the school year and/or be placed on the casual list if they do not wish to accept the positions offered.
- 5) The designated geographical areas shall be determined by agreement of the Local and the school district.

RE: StrongStart Coordinator

- 1) In recognition of the character of the StrongStart Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 11(d), the following shall apply to StrongStart Coordinators:

The employer reserves the right to deny an employee to bump into a StrongStart Coordinator position if this would create a negative impact on the StrongStart Program.

- 2) The times of the year at which the StrongStart Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the StrongStart Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 20 of the collective agreement, the following shall apply to StrongStart Coordinators:

StrongStart Coordinators

StrongStart Coordinators will take their annual vacation during Christmas and Spring Break or otherwise when the program is not operating.

- 3) The daily operation of the StrongStart Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 16(c) and 16(d) the hours of work provisions of the collective agreement. The parties agree to the following paragraphs:

Minimum Hours

The parties agree that, having regard to the unique nature of the position of StrongStart Coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the StrongStart Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.

Break Periods

The parties agree that the paid rest period contemplated by Article 16(d) shall be taken during times that will not interfere with the operation of the StrongStart Centre.

4) School District No. 83 – Early Learning Educator

The Union and the Employer agree that terms of this Letter of Understanding also apply to the position titled “Early Learning Educator” in School District No. 83 in the same manner as they apply to the StrongStart Coordinator positions.

5) The Union and the Employer agree that this Letter of Understanding will continue until such time as the Union and the Employer agree to terminate or amend the Letter of Understanding.

RE: Secondary School Apprenticeship Program (SSAP)

The Parties support the goals and mandate of the Secondary School Apprenticeship Program. The program assists secondary school students in gaining valuable work experience and trades training.

Secondary School Apprenticeship is:

- A combination of the Apprenticeship Training system and the K-12 Education System leading to graduation and apprenticeship
- Practical skill development through workplace-based training

Secondary School Apprenticeship offers:

- Formalized dual credit toward graduation and apprenticeship hours
- Access to the Apprenticeship Training Systems while in school
- A Provincially accredited and seamless program
- Opportunities for those students who have the aptitude, motivation, and academic ability to get started on their career paths
- Links to the world of work
- Increased relevance and practical application of the secondary school curriculum

The following guiding principles shall govern the placement of SSAP students within the School District and various components:

- 1) No position in the bargaining unit shall be lost, nor shall any employee in the bargaining unit be laid off or have their hours reduced as a result of the placement of a SSAP student with the School District.
- 2) No employee in the bargaining unit shall be displaced as a result of the placement of a SSAP student with the School District.
- 3) The SSA program is four hundred eighty (480) hours of apprenticeship training; the student placement shall not exceed four hundred eighty (480) hours.
- 4) A graduated student shall not commence the SSA program.

- 5) The SSAP student shall not be a member of the Bargaining unit. The provisions of the Collective Agreement, including Union membership and dues or seniority, shall not apply to students registered as SSAP students with the School District.
- 6) While coordination of the SSAP remains the responsibility of District educational staff and management, the placement of SSAP students must be by mutual agreement of the selected Journey-Person, Union and Employer.
- 7) Upon the start of the Placement, the student will be given an orientation by a Union representative as to the role of the Union in the workplace.
- 8) The rate of pay for SSAP students shall be fifty percent (50%) of the Journeyman trades rate.
- 9) Funding for the implementation of the SSAP and the placement of students shall come from education program sources.
- 10) This letter may be cancelled by either party on thirty (30) days' written notice.

RE: Assignment of Extra-Curricular Work in Transportation - HR Guideline 3.8

As described in Human Resources Guideline 3.8 regarding Assignment of Extra-Curricular Work in Transportation, we are agreeing to the following process to assign extra-curricular work when it becomes available. This agreement may be cancelled by either party with at least thirty (30) days' notice being provided ideally to coincide with the end of a school year. Both parties recognize that this process occurs outside of the provisions of the collective agreement.

GUIDELINE:

- 1) All regular bus drivers shall have the option of working an accumulated forty (40) hour work week, (provided work is available). "Accumulated forty (40) hour work week" means the drivers can work up to forty (40) hours at straight time. This option does not require the employer to offer trips that would put the driver into overtime. If a driver works over forty (40) hours, then normal overtime rates would apply.
- 2) Extra-curricular work will be offered in a cost effective (least cost for the school) and operationally efficient manner for the transportation dispatch office with reference to seniority by geographical area and subject to Item 3 and Extended Trips.
- 3) Once per pay period, a regular driver may abandon all or part of his/her regular scheduled runs to allow him/her to accept an extra-curricular trip.
- 4) A driver who accepts extra-curricular trips outside of his/her regular route area or residence must use his/her own vehicle to get to the assigned bus.
- 5) Where practical, a driver will normally be given up to one (1) hour to accept or decline an extra-curricular trip. If a driver rejects extra work three (3) times they will no longer be offered extra work the rest of the school year, except in unusual circumstances, and the driver requests in writing to be reinstated to the list. If the extra-curricular trip is offered less than forty-eight (48) hours in advance, this will not be applied to the three (3) time denial rule.
- 6) Any remaining extra-curricular trips will be assigned to qualified drivers on the spare list based on seniority.

EXTENDED TRIPS:

Trips exceeding twenty-four (24) hours will be offered on a District seniority basis. Once a driver accepts an extended extra-curricular trip that driver's name will be moved to the bottom of the extended trip list for that school year.

PROCESS:

- 1) Extra-curricular trips will be assigned as received in the Transportation Department office and will be scheduled for no longer than three (3) weeks in advance.
- 2) Once a driver has accepted a trip, he/she may not exchange the assignment for another trip that may be received by the Transportation Department office at a later date.
- 3) The Transportation Manager or designate will normally assign all runs based on this process, however, where necessary, the Manager may assign trips as deemed operationally practical or expedient to a qualified driver who is a member of the Transportation department and in a manner consistent with the above guidelines.
- 4) If, under these guidelines, the Manager makes an error in assignment, the Employer shall not be liable for any compensation. The Manager will, upon being notified, allow the affected employee to replace a less senior employee where operationally practical.

We are pleased that we are able to reach a common understanding on this issue.

To resolve the issues raised in union grievance #2011-10-11B (policy), the District is proposing the following process to assign extra work and confirm the method of payment for snow shoveling. This agreement may be cancelled by either party with at least thirty (30) days' notice being provided.

The following have been mutually agreed to by the parties:

- 1) **Assignment** of snow removal duties:
 - a) Snow removal duties shall be available to all employees on a voluntary basis. Employees will be required to sign onto a list indicating they are willing to perform the duties.
 - b) Snow removal duties will be assigned geographically in order of seniority.
 - c) Employees working more than four (4) hours may be assigned snow removal duties of less than the four (4) hour minimum.
- 2) **Method of Payment** for snow removal duties:
 - a) All full time employees shall receive overtime in accordance with Article 17e.
 - b) Employees working less than full time hours shall be paid straight time until they achieve the normal daily hours at which time overtime rates shall apply in accordance with Article 17a.
 - c) Employees who work less than four (4) hours (i.e. Noon hour supervisors), if assigned snow removal duties must be provided a minimum of four (4) hours work on that day.
 - d) All causal employees shall receive the four (4) hour minimum in accordance with Article 16c. Work other than snow shoveling may be assigned to make up the required hours.

3) **Dispatcher:**

- The School District recognizes that trades may have personal tools which are left at the workplace (normally the Works Complex);

- In the case of theft, no loss will be covered unless, upon discovery, it is reported to the Police by the tradesperson, and that a Police report is created and the Employer is provided with the case number;

Ministry of Finance and Corporation Relations Ref. No. 116240

Dear Irene Holden and Vince Ready:

Re: Industrial Inquiry Commission concerning settlement Collective Agreement
Between British Columbia Public School Employers' Association
(and Member School Districts) and School District Support Staff Trade Unions
(IIC #2)

I am writing concerning IIC #2 and your recommendations for settlement dated May 30, 2000 (the "Report") and provided to the parties and government. Some of these issues were also referenced in the Commission's letter of May 31, 2000 to CUPE representative Gary Johnson.

I understand that you intend to use these recommendations for the basis of your binding decision in accordance with your powers under the Public Education Support Staff Collective Bargaining Assistance Act (the "Act").

I note, as well, that you make reference to certain items which the government has agreed to fund. I wish to affirm, for all parties to the collective agreement or to the documents deemed to be a collective agreement under the Act, that the government commits to fund as follows:

- 1) The monies committed by government and recommended by IIC #2 for the Four Hour Minimum Work Day Fund (\$5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002, as described in the IIC #2 Report.
- 2) Should the \$5 million in the fund identified in paragraph #1 above not be entirely expended for purposes related to the Four Hour Minimum Work Day Fund, any surplus will be transferred to the employment security fund on a yearly basis. That fund is identified in paragraph #3 below. This arrangement is also recommended by IIC #2 and described in the Report.
- 3) The monies committed by government and recommended by IIC #2 for employment security (\$3.5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002 to the Support Staff Job Security Fund as described in the IIC #2 Report.
- 4) The monies committed by government and recommended by IIC #2 to fund the LTD plan (\$11.8 million, annually) on January 1, 2002, January 1, 2003 and each January 1, thereafter, to the Joint Benefits Trust fund mentioned in the IIC #2 Report and the Accords.

The government also agrees that it would be appropriate for IIC #2 to retain jurisdiction regarding implementation of these items over the course of the collective agreement.

Sincerely,

Memorandum: To All Member School Districts and Support Staff Unions

RE: Settlers Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K-12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

This Memorandum initially formed part of the Letter of Understanding entered into between BC Public School Employers' Association and School Boards and Signatories to this LOU and Support Staff Unions who are Signatories to this LOU. The LOU was signed on December 14, 2011.

Information relating to refusing unsafe work, and workers' rights and responsibilities, and employer responsibilities, as provided by WorkSafeBC is attached to this PFA for information purposes.

The Parties will establish a Joint Health and Safety Taskforce of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. Each Party will consider the appointment of subject matter experts in occupational health and safety, and special education.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

The work of this joint taskforce will be completed by January 1, 2020 and will include:

- Developing a joint communication to school districts and local unions on the obligation to report and investigate incidents including incidents of workplace violence.
- Reviewing and developing a Joint Health and Safety Evaluation Tool for the K-12 sector to ensure compliance with WorkSafe BC regulations.
- Identifying and developing appropriate training. This may include use of the evaluation tool, non-violent crisis intervention, ABA, incident reporting and investigations, and employee rights and responsibilities under WorkSafe BC regulations including the right to refuse unsafe work. Training implementation will fall under the mandate of the SSEC.

Utilizing the developed Health and Safety Evaluation Tool for K-12 sector, a joint evaluation shall be performed by a union member appointed by the local union and a representative appointed by the employer. This evaluation shall be on paid time (up to a maximum of three and a half (3.5) hours) and to be completed by March 31, 2021. The union agrees to cover any other costs incurred for the union member.

Copies of completed evaluations shall be provided to local presidents and employers as outlined on the evaluation tool.

The parties agree to commence the work of this taskforce upon approval of the Provincial Framework Agreement by both parties prior to the commencement of this PFA. Costs associated with this committee will be provided from existing SSEAC funds. These funds will be reimbursed with the funds provided under Section 9 Committee Funding.

6) Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, Including non-violent crisis intervention;
- d) Skills enhancement for support staff

- e) EA curriculum module development and delivery
- f) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations

Terms of Reference:

The SSEC shall develop, not later than December 31, 2019, terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Parties

Funding:

There will be a total of \$1 million of annual funding allocated for the purposes set out above commencing July 1, 2019 for the term of this agreement.

7) Job Evaluation (JE) Committee

The Parties will continue and conclude the work of the provincial job evaluation steering committee (the JE Committee) during the term of this Framework Agreement. The objectives of the JE Committee for phase two are as follows:

- Review the results of the phase one pilot and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Expand the pilot to an additional ten (10) districts including at least two (2) non-CUPE locals to confirm the validity of the tool and the benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

It is recognized that the work of the committee is potentially lengthy and onerous. To accomplish the objectives expeditiously the Parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) on a fulltime basis if necessary to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined below is appropriate.

The committee, together with consultant(s) if required, will develop a method to convert points into pay bands. The confirmed method must be supported by current compensation best practices.

The disbursement of available JE funds shall commence by January 2, 2020 or as mutually agreed.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time has been disbursed. The committee will follow compensation best practices to avoid problems such as inversion

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

8) Provincial Labour Management Committee (PLMC)

The Parties agree to establish a PLMC to discuss and problem solve issues of mutual provincial interest. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work related skills and to promote workplace productivity.

The PLMC shall not discuss specific grievances or have the power to bind either Party to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either Party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the agreement and agree to include Workplace Health and Safety as a standing agenda item.

9) Committee Funding

There will be a total of \$100,000 of annual funding allocated for the purposes of the Support Staff Education Committee and the Provincial Labour Management Committee. There will be a one-time \$50,000 allocation for the purposes of the Joint Health and Safety Taskforce.

10) Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE)

The Parties commit to a Support Staff Initiative for Recruitment & Retention Enhancement (SSIRRE) with the following objectives:

- a) Gathering data of existing support staff recruitment and retention challenges and projected demand in the sector
- b) Gathering data of existing offerings for applicable post-secondary programs, vocational programs and identify potential gaps in program offerings to meet projected demands

- c) Partnering with post-secondary schools and vocational training providers to promote support staff positions in school districts
- d) Marketing the support staff opportunities within the sector (e.g. Make a Future)
- e) Targeted support for hard to fill positions

The representatives of the PLMC will mutually select a consultant to perform the work of the initiative. The consultant will report to the PLMC on key milestones and as otherwise requested. During the term of the agreement \$300,000 will be allocated for the purposes set out above.

11) Early Care and Learning Plan

In support of the Province's Early Care and Learning (EGL) Plan, the parties will pursue collaborative opportunities for the K-12 sector to support effective transitions for care and learning from the early years to kindergarten e.g. before and after school care.

12) Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

13) Employee Family Assistance Program (EFAP) services and the PEFT

The Parties request that the PEST Board undertake a review to assess the administering of all support staff Employee Family Assistance Program (EFAP) plans.

14) Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

- c) Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEFT.

16) Employee Support Grant (ESG)

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

17) Adoption of Provincial Framework Agreement (PFA)

The rights and obligation of the local parties under this Provincial Framework Agreement (PFA) are of no force or effect unless the collective agreement has been ratified by both parties no later than November 30th, 2019 (the change is initialed by Warren Williams (K-12 Presidents' Council) and Leanne Bowes, BCPSEA).

18) Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

Re: Public Sector General Wage Increases

- 1) If a public sector employer as defined in s.1 of the Public Sector Employers Act enters into a collective agreement with an effective date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. This Letter of Agreement is not triggered by any general wage increase awarded as a result of binding interest arbitration.
- 2) A general wage increase and its magnitude in any agreement is as defined by the PSEC Secretariat and reported by the Secretariat to the Minister of Finance.
- 3) For certainty, a general wage increase is one that applies to all members of a bargaining unit and does not include wage comparability adjustments, targeted lower wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
- 4) This Letter of Agreement will be effective during the term of the 2019-2022 Provincial Framework Agreement

APPENDIX "B"

Provincial Framework Agreement 2019 WorkSafe BC – Refusing unsafe work

This information is provided for reference only and is current as of the date of drafting. Please visit www.worksafebc.com for current information.

Refusing unsafe work

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer.

As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed.

This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must contact WorkSafeBC. A prevention officer will then investigate and take steps to find a workable solution.

Note: WorkSafeBC establishes a range of employer and employee rights and responsibilities. Please visit www.worksafebc.com for current information.

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights.

Your rights

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The right to refuse unsafe work without getting punished or fired

Your responsibilities

As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:

- Be alert to hazards. Report them immediately to your supervisor or employer.
- Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with joint occupational health and safety committees, worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related.
- Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational health and safety program.
- Train your employees to do their work safely and provide proper supervision.
- Provide supervisors with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate first aid equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly inspect your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
- Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
- Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
- Ensure workers under your supervision have the appropriate personal protective equipment, which is being used properly, regularly inspected, and maintained.

APPENDIX "C"

Part 1 - Service Improvement Fund

The Employer and Union agree that, commencing July 1, 2020, the eighty-one thousand, six hundred thirty-seven dollars and fifteen cents (\$81,637.15) prorated amount of funding, provided for in the 2019 – 2022 Provincial Framework Agreement will be used to establish a Service Improvement Fund (SIA) for all CUPE employees in the District. The Employer and Union also agree that professional learning is beneficial to both parties and should be encouraged. Professional learning supports the development of professional competence and enhances the ability of employees to provide high quality service in their position in the District.

The SIA funds will be used to augment existing opportunities as follows:

- 1) Professional Learning Fund, Appendix C Part 2. Allocation equals seventy thousand four hundred eighty-seven dollars (\$70,487.00) per year.
- 2) Add an Employee Orientation, Article 7. Allocation equals one thousand eight hundred dollars (\$1,800.00) per year.
- 3) Add a Dirty Pay premium, Article 24 (e). Allocation equals one hundred seventy-six dollars (\$176.00) per year.
- 4) Add Casual Custodial eligibility to Mileage, Article 24 (d). Allocation equals four thousand eight hundred seventy-two dollars (\$4,872.00) per year.

Any remaining funds available at the conclusion of the year will be rolled over to the following year. The Employer is under no obligation to expend more than eight-one thousand six hundred thirty-seven dollars and fifteen cents (\$81, 637.15) for the subsequent year, (plus any rolled over funds from previous years) provided for by the Provincial Framework Agreement.

Part 2 - Service Improvement Fund

The Employer and Union agree that professional learning is beneficial to both parties and should be encouraged. Professional learning supports the development of professional competence and enhances the ability of employees to provide high quality service in their position in the District.

The parties have allocated seventy thousand four hundred eighty-seven dollars (\$70,487.00) per year from the Service Improvement Fund towards providing access to professional learning opportunities on professional development days during the school year, and/or to provide access to specific training agreed upon by the parties. These opportunities will enhance the ability of employees to provide high quality service in their position in the District. Such funds will be administered by the Labour Management Committee.
