NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

The Board reserves the sole right to hire and place employees, subject only to the reservations as contained in this Agreement.

A person who is hired to fill a specific work requirement, which is anticipated to be of limited duration. However, temporary employees with twelve (12) months continuous service shall be considered as regular employees. Continuous service shall not be deemed broken when a temporary employee takes a court leave to serve on a jury.

After eight months of continuous service in a temporary assignment, temporary employees can request up to two (2) days of unpaid leave. Requests of this nature will be approved by the Employer based on operational needs and will not constitute a break in continuous service. The approved unpaid days will be taken on a day(s) the temporary employee is scheduled to work.

The Employer may extend a temporary assignment up to eighteen (18) months subject to mutual agreement between the Employer and CUPE in which case the conversion shall transpire at eighteen (18) months.

The Director of Labour Relations or designate shall respond in writing within fifteen (15) working days of the meeting.

Step III

c) If the matter is not resolved at Step II the Grievance shall be referred to Arbitration within a further ten (10) work days in accordance with Article 13.

a) Referral to Arbitration

Should a grievance not be resolved in accordance with Article 12 above, then the matter shall be referred to Arbitration by either the Union or the Employer. b) Decisions of the Arbitrator

1. The decision of the Arbitrator shall be final and binding upon the Board, the Union and the employee(s) concerned.

2. Should the Arbitrator find that an employee has been suspended or terminated for other than just and reasonable cause, the Arbitrator may direct the School Board to reinstate the employee and pay to the employee a sum equal to the wages or salary lost by such suspension or termination, or such lesser sum as in the opinion of the Board of Arbitration is fair and reasonable.

c) Amending of Time Limits

Wherever a stipulated time limit is mentioned in this Agreement, the said time limit may be extended by mutual consent of both parties.

d) Expenses of the Board

Each party shall be responsible for the fees and expenses of their appointees and one-half (½) of the fees and expenses of the Chairperson.

ARTICLE 14 - DISCHARGE, SUSPENSION AND DISCIPLINE

14.01 Right to Have Steward Present

An employee shall have the right to have a steward present at any discussion with supervisory personnel where a supervisor intends to interview an employee for disciplinary purposes. The Supervisor shall notify the employee, in advance, of the purpose of the interview in order that the employee may contact a steward to be present at the interview.

14.02 Suspension and Dismissal

Management staff shall have the right to summarily suspend without notice, for just and reasonable cause, within the departments under their respective jurisdictions.

The Superintendent/CEO or delegate shall have the right to summarily dismiss without notice, for just and reasonable cause.

14.03 Warnings

Except in cases of just and reasonable cause at least one (1) warning will be given before dismissal action is taken.

Prior to the imposition of discipline or discharge, an employee is entitled to be notified in writing of the reasons for considering such action, unless the employee is a danger to anyone. Employees so dismissed or suspended shall have recourse to the grievance procedure and, unless otherwise decided under the grievance procedure, suspension will mean loss of pay for the time or the duration of the suspension.

14.04 Crossing of Picket Lines

Employees shall not be required to cross any picket line legally established and maintained under the statutes of British Columbia. The Union agrees to seriously attempt to get permits from the picketing Union to allow School Board employees to carry out normal functions.

14.05 Hot Cargo

Members of the Canadian Union of Public Employees, Local 606, employed by School District No. 68 (Nanaimo-Ladysmith) shall not be required to handle products of firms undergoing a legal strike in the Province of British Columbia. Products already purchased and on hand prior to the commencement of such a strike shall not be considered "hot."

ARTICLE 15 - SENIORITY

15.01 Definition of Seniority

Seniority is defined as the length of service in the bargaining unit as a regular or probationary employee and shall be applied on a bargaining-unit-wide basis. Seniority shall be applied in determining preference or priority for promotions, transfers, layoffs and recall, subject to the terms and conditions as set out in this Agreement.

15.02 Temporary Seniority

Re: Education Assistant Staffing Process

For the purpose of eliminating the disruption to Students caused by layoffs or postings of Education Assistant assignments, the Board will transfer Education Assistants, who otherwise would be laid off, to an assignment with equivalent hours, rate of pay, and the maintenance of benefits where applicable. The ultimate authority and responsibility for Education Assistant staffing remains with the Human Resources Department and the Department of Learning Services. The term Student Learning Services includes Education Assistant II, Education Assistant III, Education Assistant IV and District Education Assistant.

This agreement will not preclude Education Assistants bumping bargaining unit-wide outside the auspices of Department of Learning Services.

Employees hired into this department will be required to meet the Board's hiring criteria.

(a) Transfer Process

In determining transfers, the special needs of students, school-based requirements, and employee preferences will be given equal consideration. The Human Resources Department and Director responsible for the Department of Learning Services, in consultation with the school-based Administrator and Education Assistants, will determine placements in order of seniority. On the scheduled Spring staffing day, Education Assistants will be assigned to a school and/or a program and will be required to complete a probationary or trial period as per Article 16.02 of the Collective Agreement.

Any reduction of Education Assistant staff will occur prior to Spring staffing day. The Union will be notified by Human Resources of all Education Assistant assignment changes or vacancies.

If, as the result of this assignment process there are insufficient vacancies to place all Education Assistants, those with the least seniority will be laid off with the right to go on recall or bump outside the auspices of the Department of Learning Services.

Should concerns arise with the administration or application of this Letter of Understanding, the parties will meet expeditiously. If the matter cannot be resolved by the parties, written submissions will be made to an agreed-upon Umpire for a recommended resolve. If this is not acceptable, Article 12.03 c) (Step III) of the Collective Agreement will apply.

(b) Voluntary Transfer

Education Assistants will be provided the opportunity to notify the Human Resources Department of their desire to transfer, in writing, up to eighteen (18) working days prior to staffing day. Hours will not be guaranteed.

Employees outside the auspices of the Department of Learning Services deemed qualified for an Education Assistant assignment will have the opportunity to notify the Human Resources Department, in writing of their intent to transfer into an Education Assistant assignment up to eighteen (18) working days prior to staffing day.

(c) Procedures

- Implementation day is the first day of each school year
- An Education Assistant laid off during the school year will be reassigned for the balance of the school year only
- The reassignment process will begin two (2) weeks prior to July 1st
- Parents of students entering the system will be informed by the Administrators of the rationale of this agreement.

(d) As per Article 17.05 employees may refuse recall to a position with fewer hours.

(e) Education Assistants on layoff and recall shall be permitted to decline jobs at the Spring staffing day.

(f) Education Assistants who decline work at the Spring staff day will be required to accept recall to available positions based on seniority at the Fall staffing day provided the positions have equal or more hours.

(g) Education Assistants who refuse available positions with the same or more hours at the Fall staffing day will lose their seniority in accordance with 15.05(b)(4).

Re: Compressed Work Week Agreement

Management Committee and the Union endorsed in principle the continuation of the compressed work week although there are contractual language issues to be resolved related to a formula being agreed to for the conversion of days into hours. Although these issues will be resolved in negotiations, the opportunity should be available to Employees and Supervisors wishing to participate in a compressed work week.

The original principles that were put forth by the Joint Compressed Work Week Committee and endorsed by the Labour/Management Committee have proven to be sound throughout the Pilot Project. These principles must always be adhered to if a compressed work week schedule is to be adopted.

Compressed Work Week Principles

- Service levels should be maintained to students, public and within the School District;
- There should be no increased cost to the District or loss of benefits to participating employees;
- Safety and security should be maintained;
- Participation in the program should be voluntary and be agreed to by both employees and management and may be terminated by either party;
- A compressed work week for one group should not adversely impact another work group.

While a compressed work week is available only for full-time employees (thirty-five (35) or forty (40) hours a week) supervisors are encouraged to provide part-time employees with flexibility in scheduling hours, provided the principles can be satisfied. If employees and supervisors wish to participate in a compressed work week the following steps can be taken:

- a) Determine your proposed weekly/bi-weekly schedule or hours of work with your supervisor
- b) Submit a written request to Human Resources for processing
Request forwarded to Management Committee for approval
- c) Once approved, forward copies of the schedule to the Supervisor of the Payroll Department and the Director of Human Resources

d) Time sheets will reflect actual hours worked each day. A sick day, vacation day and a Statutory Holiday would appear as the hours normally worked on the flex schedule.

In accordance with Article 23.01 of the Collective Agreement sick days are accumulated at the rate of one and one-half (1.5) days per month of service:

40-hour week employees - 1.5 days = 12 hours per month accumulation

35-hour week employees - 1.5 days = 10.5 hours per month accumulation

Either party reserves the right to discontinue this program upon thirty (30) days notice.

Re: Calculation of Temporary Seniority

Clarification of Article 15.02(a) of the current Collective Agreement

Calculation of Temporary Seniority

For the purpose of applying for posted regular positions and for the purpose of shift assignment, temporary employees who have worked sixty (60) or more days will have a fixed temporary seniority date. This seniority date will be calculated by counting back from the date of implementation the number of working days equivalent to the employee's total accumulated days of service.

For employees who have worked less than sixty (60) days and for new employees, a fixed temporary seniority date will be established once they have worked sixty (60) days. This seniority date will be calculated by counting back the number of working days equivalent to the employee's total accumulated days of service.

- The accumulated sixty (60) days do not have to be continuous.
- Once the employee has successfully obtained a posted regular position or attained eight (8) months continuous temporary service, the Collective Agreement will apply.

This agreement is subject to revisiting with sixty (60) days notification by either party.

Re: Seamless Day Pilot Project

WHEREAS

- A. The Employer has entered into an agreement with the Province of British Columbia contract # C22-7187 (the "Contract") and will participate in Government's Seamless Day Pilot Project (the "Pilot Project");
- B. Under the terms of the Contract, the Employer will employ Early Childhood Educators ("ECE's") to provide services in relation to the Pilot Project, in the following school and grade;
 - a Departure Bay Elementary School, Kindergarten.
- C. The parties wish to record their agreement regarding the terms and conditions of employment of the ECE's employed by the District to deliver the Pilot Project, and other matters arising from the Project.

The Parties Agree as Follows

- 1. This Letter of Understanding has been reached on a without prejudice and precedent basis and will not be referred to in any other context or proceeding other than for the purpose of enforcing its terms. This agreement is without prejudice to the ability of the Employer to permit current or future third-party licensees to use board property for the purpose of providing ECE or childcare services.
- 2. The Employer recognizes the Union as the accredited bargaining agent for ECE's employed by the Employer in connection with the Pilot Project.
- 3. This Letter of Understanding will expire at the conclusion of the Pilot Project, unless extended by the mutual written agreement of the Parties.

Early Childhood Educators

Terms and Conditions of Employment

4. Unless specifically identified in this LOU, the provisions of the collective agreement between the Employer and the Union will apply to the employment of the ECE's.
5. For the purpose of applying local collective agreement provisions, ECE's will be treated as ten (10) month school year employees who do not work on non-instructional days. In the event Districts elect a different model for providing services (e.g. continued service over holiday breaks or on non-instructional days), the District and local will modify or determine the application of local collective agreement provisions to facilitate these schedules.

Job Description and Qualifications

6. The Employer has identified the requisite qualifications and duties of the ECE's, in the attached Schedule 1. These qualifications and duties are consistent with the pilot program objectives and direction of the Ministry of Education. Any future variation of the qualifications, fitness and ability by the Board will be subject to the provisions of the collective agreement. Notwithstanding any other provision in the collective agreement, applicants for ECE positions must have the qualifications for their position as of the first day of their assignment.

Wages

7. Pending evaluation under the job evaluation program set out in Article 27.04 of the Collective Agreement, the ECE positions will be paid as follows:
\$28.98 Base Wage per hour ; Pay Level 12
8. The Union and Employer acknowledge this newly created ECE position under the collective agreement will be subject to review under the October 24, 1988 Memorandum of Understanding Job Evaluation. Any retroactivity under the Job Maintenance Plan will be effective the first day of the Pilot Project.

Hours of Work

9. The daily operation of the Project does not mirror the regular school day. The Union and Employer have agreed to recognize this in the application and administration of the hours of work provisions of the collective agreement Article 18. The pilot will operate between the hours of 7:00 a.m. and 6:00 p.m.
10. The parties agree that ECE's may work up to 8 hours/day at straight time rates without requiring overtime. Time worked will be pensionable and will count towards other benefit or perquisite entitlements which are based on straight time

hours.

11. The parties agree that the paid rest period contemplated by Article 18 shall be taken during times that will not interfere with the Pilot Project.

Vacation

12. ECE's will take their annual vacation during Christmas and Spring Break or otherwise when schools are not in session.

Employee Movement/Bumping

13. In recognition of the character of the ECE positions, and the need to maintain continuity of instruction, the Union and Employer have agreed that in addition to the terms contained within Article 17, the following shall apply to ECE's:

The employer reserves the right to deny an employee the right to bump into an Early Childhood Educator position if this would negatively impact the Pilot Project.

Use of Other Employees in Existing Classifications

14. While ECE's will be the main support staff participants in the Pilot Project, education assistants and/or other support staff classifications may also provide services in connection with the Pilot Project. These arrangements will vary from District to District. Where Districts contemplate using other bargaining unit employees to support the Pilot Project, provided that the employee assigned possesses the appropriate qualifications for the position at the time of assignment, any required collective agreement modifications will be discussed and negotiated at the local level and included in their LOU. The parties to this agreement have established the following guiding principles in this regard:
 - a. Services may be required for over the full day (7 a.m. – 6 p.m.). Hours of work, assignment of employees, post and fill, rest periods, and vacation language may need to be amended.
 - b. The parties agree that any support staff employee/classification of support staff employee participating or providing support to the Pilot Project (for their full shift or a portion of their shift that day) may work up to 8 hours/day at straight time rates without requiring overtime. Where permitted by the pension reporting rules, time worked will be pensionable and will count towards other benefit or perquisite entitlements which are based on straight time hours.

PROVINCIAL FRAMEWORK AGREEMENT ("FRAMEWORK")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.

2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.

4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.

5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.

- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.
