The Standing JJEC shall:

1. Maintain the integrity of the job evaluation program.
2. Recommend changes to point banding, pay grades, the job evaluation plan, its procedures or methods, as may be deemed necessary from time to time, to the parties. However, any change must be negotiated by the parties.
3. The Board will establish the levels of knowledge and experience that it requires for, and are reasonably related to the duties and responsibilities that it requires for class specifications. Any disputes will be dealt with by the grievance procedure. The committee shall evaluate jobs as outlined in Section E below.

D. Job Analysis Procedures and Ratings for New and/or Changed Jobs

The following general procedure shall be used to rate jobs:

1. Step 1

A Job Analysis Questionnaire shall be completed by the incumbent(s) and the supervisor. The completed questionnaire shall be submitted to the JJEC along with the copy of the current class specification. The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job. After the questionnaire is completed, the Committee may also use information obtained from interviews with the incumbent(s) and/or supervisor and if required visit the job site.

Step 2

The Committee shall make any necessary revisions to class specifications based on the information gathered. Interviews may be held with incumbent(s) and/or their supervisor. The Committee shall then submit the revised class specification to the incumbent(s) and the supervisor for their mutual agreement. Amendments may be made to the class specification, as deemed necessary by the Committee, from the response of the incumbent(s) and the supervisor. When agreed upon, the class specification shall be signed by the incumbent(s) and the supervisor to signify their mutual agreement.

Step 3

The job shall now be rated, based on the agreed-upon class specification, in accordance with the Job Evaluation Plan. The Committee shall also use information obtained from the

completed questionnaire, interviews with the incumbent(s) and/or supervisor and, if required, visits to the job site. The plan evaluates the skill, effort, responsibility, and working conditions involved in the job. To minimize errors of personal judgment, each of these factors is subdivided into subfactors which provide a standard against which each job is rated to determine its relative worth.

Step 4

When the Committee has completed the rating of all jobs, it will provide the Executive Director of Human Resources/designate and the Union President/designate with a copy of the class specification and Advice of Rating for review and signature.

2. Job Ratings serve to:
 - i. Group jobs having relatively equivalent point values (this is commonly referred to as banding);
 - ii. Provide the basis upon which wage rate relationships between jobs are established;
 - iii. Measure changes in job content;
 - iv. Assign classifications into their proper pay grade in the salary schedule.
3. In the application of the Job Evaluation Plan, the following general rules shall apply:
 - i. It is the content of the job, and not the performance of the incumbent(s), that is being rated;
 - ii. Jobs are evaluated without regard to existing wage rates;
 - iii. Jobs are placed at the appropriate degree level in each subfactor by comparing the specific requirements of the job to the subfactor definition, and the description of each degree level;
 - iv. The job analysis and rating of each job shall be relative to and consistent with the class specifications and ratings of all other jobs rated under the plan;
 - v. No interpolation of subfactor degrees (i.e. mid-points) is permitted.

E. Maintaining the Job Evaluation Program

1. Either the incumbent(s) or the Director of Human Resources may request reconsideration of the class specification and/or the job rating by completing and submitting a Job Evaluation Reconsideration Form stating the reason(s) for disagreeing with the class specification and/or the rating of the job. Any such request shall be submitted within sixty (60) calendar days of receipt of the Advice of Rating. Both the incumbent(s) and the Director of Human Resources using the Review Decision Form shall be permitted to make a presentation to the committee. The JJEC shall consider the request and make a decision which shall be considered final and binding upon the parties and all employees affected. The Committee shall inform both the incumbent(s) and the Director of Human Resources of its decision.

2. The committee is responsible for maintaining accurate job descriptions and job ratings on an ongoing basis. All jobs should be periodically reviewed to ensure the integrity of the program.
3.
 - i. Whenever the Director of Human Resources authorizes changes to the duties and responsibilities of a job, the Director of Human Resources may request a job evaluation review by completing and submitting a Job Evaluation Reconsideration form.
 - ii. Whenever the incumbent(s)/union feel the duties and responsibilities of a job have been changed or that the class specification does not reflect the duties and responsibilities of the job, the incumbent(s)/union may request a job evaluation review by completing and submitting a Job Evaluation Reconsideration Form.
 - iii. After a job evaluation review has been completed, no further review will be conducted for a period of 12 months unless there is a change in the duties and responsibilities.
4. Upon receipt of a completed Job Evaluation Reconsideration Form, the committee shall proceed to gather accurate, up-to-date information on the job. The gathering of information may involve requesting the incumbent(s) and supervisor to complete an up-to-date job analysis questionnaire, interviewing of incumbents, supervisors, the Director of Human Resources and/or visits to the job site. Based on this information, the committee shall update the class specification, as necessary;
5. Where the class specification has been changed, the Committee shall meet to rate each subfactor of the job, and to establish a new rating for the job and advise the incumbent(s) and Director of Human Resources of its decision. The rating of the job shall determine the pay grade for the job;
6. If the job is rated at a pay grade higher than the existing pay grade, the incumbent's rate of pay shall be adjusted retroactive to the date the Job Evaluation Reconsideration form was submitted.
7. Whenever the incumbent(s)/union request a job evaluation review or whenever the periodic job review determines the job is rated at a paygrade lower than the existing paygrade, the incumbent's rate shall be red circled and shall continue at the old rate until surpassed by the new rate for the classification. However, if the Employer downgrades the duties and responsibilities of a classification as per 4.2 E.3.i. above, resulting in the classification being rated at a paygrade lower than the existing paygrade, the incumbent shall receive 50% of all further negotiated wage increases until the current rate paid the incumbent and the rate established as a result of the job review, meet. Any new incumbent to the job shall receive the rate as established by the evaluation process.

F. When the Employer wishes to establish a new job, the following procedures shall apply

1. The Employer shall prepare a draft class specification for the job;
2. The Standing JJEC shall meet and establish a temporary pay rate for the job, based on the draft class specification;
3. The job shall be posted and any person appointed to the job shall be paid the temporary pay rate;
4. After six (6) months from the appointment of an incumbent to the job, the incumbent(s) and the supervisor shall complete a Job Analysis Questionnaire which shall be submitted, along with updated job information to the JJEC. The Committee shall revise the class specification and rate the job according to the procedure set out in this Article 4.2.
5. If the job is rated at a paygrade higher than the temporary pay rate, the incumbent's rate of pay shall be adjusted retroactive to the date of their appointment to the job.
6. If the job is rated at a paygrade lower than a temporary pay rate, the incumbent's rate of pay will be adjusted to the lower rate at the beginning of the next pay period following notification by the committee.

G. Existing classifications shall not be eliminated or changed without prior agreement with the Union.

H. Settlement of Disagreements

1. In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the Job Evaluation Program, the Committee shall request, within ten (10) working days, that each party designate an advisor to meet with the Committee. The two (2) advisors shall meet with the Committee and attempt to assist in reaching a decision.
2. If, after meeting with the two (2) advisors appointed pursuant to Article 4.2 H.1. the Committee remains unable to agree upon the matter in dispute, the Committee shall advise, in writing, the Union and the Employer of this fact, within fifteen (15) working days.
3. Either party may, by written notice to the other party, refer the dispute to a mutually agreed Arbitrator, who will hear the matter within thirty (30) days of referral.
4. The Arbitration Hearing will be an informal process where the Director of Human Resources or their designate and the Local 561 President or their designate have the right to present evidence and argument concerning the matter in dispute. The Arbitrator shall have the authority to require the parties to present additional information and to require other person(s) to present evidence as deemed necessary.

5. The Arbitrator shall decide the matter upon which the JJEC has been unable to agree and their decision shall be final and binding on the JJEC, the Employer, the Union and all affected employees. The Arbitrator shall be bound by these Terms of Reference and the Job Evaluation Plan and shall not have the power to modify or amend any of their provisions. The jurisdiction of the Arbitrator shall be limited to the matter in dispute, as submitted by the parties.
6. The Arbitrator's fees and expenses shall be borne equally between the parties.
7. The time limits contained in this Article 4.2 H may be extended by mutual agreement of the parties.

With Administrator/exempt staff supervisor approval, an employee may combine their meal period and one (1) rest period.

While rest and meal periods will be scheduled in accordance with the above, if an emergent or unforeseen situation arises for a day which necessitates a change to the break schedule, the employer will schedule the meal/rest break at any time during that working day.

Employees receiving the percentage of earnings will not be allowed to carry these days over to the following year.

B. Leaves of absence may affect seniority as per Article 6.3 (Leave of Absence) except that in the case of pregnancy, paternity, or adoption leave without pay, seniority credit shall be granted for a period of up to twenty-four (24) weeks.

C. Casual employees will accumulate seniority within the casual employee ranks. This seniority will only be used when comparing one (1) casual employee to another casual employee applying for a position with the Board. The seniority will not be used in assigning work to casual employees. Casual employees shall have the right to apply for regular full time and regular part time positions as shown below. A casual employee who is successful in getting a permanent position shall have their accumulated seniority credited retroactively once the employee has passed a probationary period in a permanent position.

1. Casual employees shall gain bidding rights upon completion of ninety (90) shifts.

2. Noon Hour Assistants and Cashiers shall be required to work ninety (90) shifts as a Noon Hour Assistant or Cashier to gain bidding rights for other Noon Hour Assistant and Cashier positions and three hundred and sixty (360) shifts to gain bidding rights for other positions.
 3. A Noon Hour Assistant or Cashier who works casual hours in other classifications must work ninety (90) shifts as a casual employee in those other classifications or three hundred and sixty (360) shifts as a Noon Hour Assistant or Cashier to gain bidding rights.
 4. Upon attaining bidding rights, casual employees, Noon Hour Assistants and Cashiers shall be able to use their seniority in applying for posted positions.
 5. Casual employees who have not attained bidding rights may apply for posted positions and will be considered as outside applicants.
- D. The Board will maintain a record showing the date upon which each employee's service commenced and terminated.
- E. Any employee may request information from the Board relative to their own seniority. On request, the National Representative or President of the Union will be supplied with a copy of such record and/or with the necessary information relative to the seniority and rates of pay of any employee or group of employees covered by this Agreement.
- F.
1. A Seniority list indicating seniority as at the final pay period of the previous year will be issued to each work location and to the Union by March 01 of each year. This shall be deemed to be correct for that year unless a written objection is filed in the Human Resources Department from an employee or the Union by April 01 of that year.
 2. A Seniority appeals committee comprised of two members from CUPE and two members from management shall review each appeal and issue a unanimous decision. If a unanimous decision is not achieved, the employee may file a grievance.
 3. Seniority appeals are limited to the calculation of seniority for the year of the seniority list only and no changes will be made for previous years.
 4. The seniority appeals committee may consider changes to previous years' seniority upon the specific request of the Union.
- G. Seniority shall be calculated and reported as total accumulated hours (a tie will be decided by date of hire) as outlined below except that for purpose of:
1. Article 6.1 Vacation – hours shall be converted to years of seniority annually as at the final pay period of the year. For purpose of this section, a year of seniority is 1820 or more hours as calculated below.

2. Article 6.14 Benefits Upon Leaving Service of the Board – years of seniority shall be calculated using the previous year’s vacation seniority plus the hours up to the employee’s last day of employment as calculated below.

i. All regular hours worked: specifically –

- a. Regular hours
- b. Casual hours (seniority credited as a casual employee will be accumulative and credited retroactively once the employee has passed a probationary period in a permanent position)
- c. Part time hours
- d. "Special funding hours"
- e. Continuing appointment school term employees working additional hours, e.g. during July or August on a casual time or draw time basis.
- f. Vacation hours

ii. While on WorkSafeBC leave.

iii. While on Deferred Salary Leave for the ratio worked, e.g. a ten-month employee would not receive credit for weeks or months not normally worked.

iv. While on E.I. Sick Leave, EI Compassionate Care Leave, Sick Leave Trust/Sick Leave Benefit Plan and LTD.

v. While on leave of absence with pay.

vi. While on approved Leave of Absence without pay.

vii. While on maternity leave per (6.3) Employment Standards Act.

viii. The above shall apply to casual employees for the duration of posted temporary positions and assigned backfills.

H. Return to Bargaining Unit from Secondment

An employee who is seconded to an exempt staff position outside of the bargaining unit will not gain seniority while in the secondment. The seniority they have accrued prior to the secondment will be frozen and will be reactivated when the employee returns to the bargaining unit.

7.4 Orientation and Familiarization

There shall be up to a three-day orientation and familiarization period for a new employee and for employees who transfer or post to a new school, location, or job function. Adequate time shall be allowed to the employee who supervises the orientation and familiarization period in order that they will not be required to take time from their own or new position to complete the process.

7.5 Promotions, Demotions and Transfers

- A.** In making promotions, demotions, or transfers, the required knowledge, ability and skills for the positions shall be the primary consideration. Where an employee applies for promotion, demotion or transfer and has the knowledge to fill the vacancy, the employee shall be given the opportunity to prove ability and skills in the position, provided that:
1. The employee has not been employed in a position with the Board where they have demonstrated this ability and skills for such a position, and
 2. The employee has seniority over all other applicants.
 3. Where two or more applicants are capable of fulfilling the duties of the position, seniority shall be the determining factor provided always that current service employees shall be given preference over any other type of applicants.
 4. For class specifications with the title Supervisor or Leadhand, the employer will interview and test the four (4) most senior applicants possessing qualifications for the posted position. Selection for the position will then be based on knowledge, ability and skills.

In the event that two (2) or more of the candidates interviewed are relatively equal in terms of knowledge, ability and skills, the employer will select the most senior applicants.

The Union will be present for the interview process. In the event none of the four (4) most senior internal candidates possess the required knowledge, ability and skills, then the next four (4) most senior applicants possessing qualifications will be considered. This process will continue in increments of four (4) or less until a candidate has been selected or all internal applicants have been deemed to not have the knowledge, ability or skill.

Only once the internal process has been exhausted, can the Board consider or advertise for outside applicants.

The successful applicant will be given a sixty (60) working day trial period.

- B.** In the event of layoffs, the employee with the least seniority shall be the first laid off.
- C.** It is further understood and agreed that the employees concerned retain the right to appeal under the grievance procedure contained in this Agreement.
- D.** If a regular employee is promoted or transferred or demoted to a classification for which the Union is the certified bargaining authority, then the promoted employee shall be considered an employee "on trial" for a period of thirty (30) working days exclusive of holidays, leaves of absence and illness.
- E.** In the event an employee who is promoted, demoted or transferred (to a different classification) proves unsatisfactory or is dissatisfied during the aforementioned period, they shall be returned to their former position or to a position of equal status if the former position no longer exists, without loss of seniority or salary and any other employee promoted or transferred because of the rearrangement of positions shall, if necessary, be returned to their

former position without loss of seniority or salary. Application for transfer, as outlined in paragraph H, shall not apply to employees returned to a position of "equal status".

- F. Any employee promoted or transferred or demoted into a different classification may be required to stay in the position for a period of fifteen (15) working days, notwithstanding that they may have expressed dissatisfaction with the position. If the employee returns to their original position or leaves the employ of the Board within the above-mentioned "on trial" period, the posting file will be reopened once. If this reopening does not produce a successful candidate, the position will be reposted.
- G. If a regular employee transfers within the same classification and if the employee is dissatisfied with the new position(s) they may revert to their former position within five (5) working days. If the employee chooses to revert back, the posting file will be reopened once. If this reopening does not produce a successful candidate, the position will be reposted.

H. Current Language:

Where an employee requests and receives a permanent transfer from one place of work to another, such employee shall not be eligible to apply for another permanent transfer for a period of twelve (12) months following the effective date of transfer. Employees who wish to revert back as outlined in E and G above shall not be entitled to do so if they have exercised this option during the previous twenty-four (24) months. However, it is understood and agreed that the Board may at its discretion initiate transfers during the aforementioned periods. This provision shall not prohibit an employee making an application for promotion.

H. Effective June 30, 2023, delete article 7.5.H and replace with:

Where an employee had previously accepted or accepts a permanent position, such employee shall only be eligible to apply for permanent transfer after a period of twelve (12) months following the effective date of the position or during the spring staffing process for positions for the following school year. Employees who wish to revert back as outlined in E and G above shall not be entitled to do so if they have exercised this option during the previous twenty-four (24) months. However, it is understood and agreed that the Board may at its discretion initiate transfers during the aforementioned periods. This provision shall not prohibit an employee making an application for promotion.

- I. Education Assistants shall only be eligible to apply for a transfer, into another Education Assistant position during the spring staffing process for positions for the following school year, unless the position is a promotion.

An E.A. may choose to apply for a permanent transfer to a position outside of the E.A. classification. If this occurs, the employee may subsequently apply for an E.A. position only during the spring staffing process for positions for the following school year. However, it is understood and agreed that the Board may, at its discretion, initiate E.A. transfers at any time or when requested by the Union in exceptional circumstances.

7.6 Termination of Service

A. Termination of Service

The Board will give employees who have completed their probation period with less than one (1) year of service, two (2) calendar weeks' notice, or two (2) calendar weeks' pay in lieu of notice when an employee's services are no longer required.

The Board will give employees, with more than one (1) year of service, one (1) month's notice or one (1) month's pay in lieu of notice, when an employee's services are no longer required.

Wherever possible, an employee will give the Board two (2) calendar weeks' notice of termination of employment.

B. Dismissal

Employees, for proper cause, may be dismissed without notice and at the time of such dismissal shall be entitled to all earned, accumulated and statutory benefits. Any employee dismissed with or without notice and/or benefits shall retain the right to the established grievance procedure outlined in this Agreement.

Where an employee has been dismissed with or without notice, and has submitted an appeal in accordance with the provisions of the grievance procedure contained in this Agreement and as a direct result is subsequently reinstated, they shall be reimbursed with full pay for the period between dismissal and reinstatement.

Where an employee is dismissed for proper cause, the Board shall advise the employee, at the time of dismissal in writing, of the reason for dismissal.

Where an employee is dismissed for proper cause they shall not be eligible for payment of service recognition.

- C. The parties agree that casual employees who are terminated have access to the grievance procedure.
- D. It is recognized that the district faces a proportionately stiffer test in proving "proper cause" for termination based on an increasing amount of seniority. The Board faces a lesser test for employees with no bidding rights than for probationary employees. Likewise, the Board faces a lesser test for probationary employees than for regular employees who have completed the probationary period.

7.7 Personnel Files

A. Personnel Files

Employees may review the contents of their personnel file. The following arrangements shall apply:

1. Data entered into the file subsequent to the date of employment may be viewed.
2. Viewing will be by prior appointment.

3. The employee must make an appointment at a time other than their regular working hours.
4. The file may be viewed not more often than twice per year.
5. The viewing will be done in the presence of the Director of Human Resources or designate.
6. The employee must produce adequate identification to the Director of Human Resources or designate.
7. No items may be removed from the file but the employee may request copies of items in the file.

B. Adverse Report

1. The Board shall notify the employee and the Union in writing of any major expression of dissatisfaction concerning their work within ten (10) working days of the event of the complaint. The employee's reply to such a complaint, or accusation shall become part of their record. Any adverse report or complaint shall be signed by the complainant before it is discussed with the employee or entered into their personnel file and if not signed shall be deemed invalid and inadmissible for any purpose.

A complaint from a student shall be deemed to be a signed complaint, as per this article, provided it is signed by the school Principal, or when the Principal is away for more than ten (10) working days, the Vice Principal.

2. Verbal or written adverse reports will be removed from an employee's file after eighteen (18) months of being actively at work.

The calculation of 18 months will not include periods of absence from work.

3. Discipline involving a suspension will be removed from an employee's file after twenty-four (24) months of being actively at work.

The calculation of 24 months will not include periods of absence from work.

7.8 Layoff and Recall

A. Definition

1. A layoff shall be defined as a reduction in the work force, or any reduction of hours for any employee except as outlined in Article 7.9, Declining Enrolment - Work Reduction. Any twelve (12) month position reduced to a ten (10) month position is considered to be a layoff. No other form of layoff shall be made until there is consultation with the Union.
2. It is not the intent of these layoff and recall procedures that full and/or part time school term employees be allowed to bump other employees during the normal school closure

periods.

3. Role of Seniority - Both parties recognize that job security shall increase in proportion to length of service.

B. Layoff Procedure

1. The employer shall notify incumbents when positions are subject to layoff.
2. An employee with the least seniority shall be the first laid off.
3. Thereafter employees may exercise their rights to bump on a seniority basis.
4. An employee about to be laid off may bump any employee with less seniority, providing the employee exercising the right is capable, pursuant to Article 7.5, to perform the work of the less senior employee. The right to bump shall include the right to bump up.
5. Employees who receive notification that they are subject to layoff are deemed to have applied on all unawarded postings (for which they are qualified) when the District offers them layoff and bumping options. This applies to Education Assistants as long as the start date of the position is in the following school year.
6. When an employee intends to bump into a lead hand position, and they have not previously held a lead hand position, they will be required to compete with the incumbent by completing any required test(s) and interview(s).
7. Incumbents at risk of being 'bumped out' of a lead hand position will be required to compete for the position as noted in 7.8 B.6. Incumbents will only be required to test and interview once in any given six month period, however may exercise their right to compete again within that period in order to respond to any subsequent challengers.
8. If a position is eliminated by the Board, and subsequently reinstated within a period of sixty (60) calendar days from the date of the notice of layoff, the employee who previously held that position shall be given the opportunity to return to that position. Any resulting vacancy shall be subject to the posting provisions.

C. Recall Procedure

1. Employees shall be recalled in the order of their seniority.
2. It is the responsibility of each employee to maintain a current telephone number and mailing address with the employer at all times. The employer will contact, personally, the employee to be recalled by telephone, registered letter or courier to the mailing address last provided by the employee.
3. Failure to report to work upon recall within 72 hours on receipt of notice shall mean that such employee has no further right.
4. Exceptions can be made where an employee is unable to report to work due to circumstances beyond their control.

5. Employees who are laid off shall remain on the recall list for a period of one (1) year from the date of layoff. The recall period shall be extended for periods of employment by the number of shifts a laid off employee works in casual assignments.
6. Employees who are laid off and subsequently attain a temporary posting shall at the end of the term of the temporary position be deemed to be on a new lay off and the one (1) year period of recall shall begin again.
7. In the event of layoffs not exceeding the period of one (1) year, the Board agrees that it will offer employment to employees affected by such layoffs prior to engaging any new employees for similar work.
8. When a former employee is subsequently re-employed on permanent staff within one (1) year, they shall be credited with previous service for the purpose of determining length of service in connection with vacations and other benefits based on length of service.
9. Posting procedures as outlined in Article 2.3 of this agreement will continue to apply, however, bumping procedures under this clause will prevail in the event of a layoff.
10. Employees who are on the recall list shall be deemed to have applied for all posted positions within their sphere of work and shall be deemed to be recalled when they are the senior applicant for a position which has the same or greater hours than their former position, is the same shift (afternoon or days) and is in the same classification.
11. At the time of lay off, any remaining vacation time will be offered to be paid out to the employee. If not paid out at the time of lay off, any remaining vacation time may only be accessed at such time as the employee is recalled into a continuing position that is eligible for vacation.

D. Advance Notice of Layoff

1. Unless legislation is more favourable to the employees, the employer shall notify employees who are to be laid off, as per Article 7.6 A. of this agreement, prior to the effective date of layoff.

Note: Employment Standards Act provides for an additional week's notice for each subsequent completed year of employment (after 4 years' service) up to a maximum of 8 weeks' notice.

2. If the employee has not had the opportunity to work the days as provided in this article, they shall be paid for the days for which work was not made available.
3. Normal school closures (summer break, spring break, winter break) shall not be counted for the purpose of layoff notice for ten-month employees only. The aforementioned periods are considered as part of the notification period for twelve-month employees.
4. When the Board designates that schools are closed for pupils due to inclement weather in accordance with Ministry guidelines, layoff notice for those employees covered by Article 5.1 H.1., 5.1 I., 5.1 J. is not applicable.

E. Benefits on Layoff

An employee who retains rights of recall shall be entitled, if otherwise eligible, to maintain participation in the medical services plan, extended health plan and dental plan. Payment of the full cost of such benefits will be made by the Board for the first two (2) months and thereafter by the employee for as long as the employee retains recall rights.

F. Grievance on Layoffs and Recalls

Grievances concerning layoffs and recalls shall be initiated at the stage of the Board Committee.

7.9 Declining/Increasing Enrolment

A. Declining Enrolment – Work Reduction

If it is necessary to reduce the hours of work as a result of declining enrollment, employees whose hours are reduced by ten (10) hours or more per pay period, during any given fiscal year (July 1 to June 30), shall be considered to have suffered a layoff as per the terms of this agreement.

Note: (For benefit provisions, full time employees reverting to part time employment as a result of declining enrollment please refer to Article 6.16)

B. Increased Enrolment

1. It is recognized by the parties that from time to time it is necessary to increase the hours of work of some employees due to increased enrollment.
2. The Board agrees to post all positions which have an increase of more than ten (10) hours per pay period. The Board shall also post all positions which have an increase of hours where the increased hours would create a full time position or would make that position eligible for benefits.

7.10 Severance

A. Severance Pay

1. An employee who is laid off with less than one (1) year of seniority shall receive no severance pay.
2. An employee with 1 to 2 years seniority shall receive .8% of annual salary.
3. An employee with 2 years to 5 years seniority shall receive 1.6% of annual salary for each year of seniority.
4. An employee with an excess of 5 years seniority shall receive 3.2% of annual salary for each year of seniority up to a maximum of 6 months' salary.

B. Calculation of Severance

1. Salary on which severance pay is calculated shall be based on the employee's rate of pay on the last day worked multiplied by the number of hours the employee would normally work.
2. An employee who is laid off as a result of declining enrollment shall receive severance pay as outlined.
3. The employee may elect to receive severance at any time during the first twenty (20) working days after being notified that a bump has been approved or the employee has notified the employer that the employee will go on the recall list, whichever is the earlier.

C. Severance/Recall

1. An employee is not eligible for severance in the event of an increase in hours (for the employee) or, where because of a formula, the employee's position is changed and the value of the job increases and the employee fails to apply for the position as posted or refuses to accept the new increased hours.
2. An employee whose employment is terminated or who is laid off may, instead of receiving severance pay, elect to have their name placed on a recall list for a period of up to (one) 1 year.
3. An employee who has received severance pay and who is subsequently rehired by the Board, shall retain any payment made but the calculation for future years of service shall commence with the date of rehiring.
4. An employee who accepts severance pay shall have no further right to re-employment or recall to employment.
5. The employee retains the right of refusing a job outside their normal sphere of work without losing the right to severance pay.
6. The employee shall be placed on the recall list and if, after one (1) year on the recall list, work within the sphere is not available, the employee shall be paid severance.
7. The employee must accept a job within their normal sphere of work by either exercising their bumping right or returning from the recall list. If an employee does not accept an available job within their normal sphere of work then they will not be considered eligible for either severance pay or the recall list.
8. Normal sphere of work shall be considered as clerical, trades, caretakers, cafeteria employees, etc.

9. Should an employee accept a position either from the recall list or by exercising their right to bump and not prove satisfactory, the employee must either accept severance or place their name on the recall list. If the employee proves unsatisfactory on the second position selected from the recall list, the employee must either accept severance or return to the recall list on the understanding that the employee must accept the next position for which the employee is qualified, regardless of classification or hours. If the employee proves unsatisfactory in that third opportunity the employee will be terminated without severance.
10. It is not the intent of the above clauses that regular 10-month employees will be entitled to receive severance pay as a result of normal school closures.
11. Severance pay will not apply to casual employees employed for a temporary period.

7.11 Employer Shall Not Discriminate

The Employer agrees that there shall be no discrimination exercised or practiced with respect to any employee in the matter of hiring, wages, training, up-grading, promotion, transfer, lay-off, recall, discipline, classification, or discharge by reason of indigenous identity, age, race, colour, ancestry, place of origin, religion, political affiliation or activity, sexual orientation, sex, marital or parental status, family relationship, place of residence, physical or mental disability, gender expression, gender identity nor by reason of their membership or activity in the Union. It is agreed that none of the foregoing shall hinder the employer's right to discipline, suspend or discharge an employee for just cause.

7.12 Communicable Disease Protection

To protect against the contraction or to effect a cure of communicable diseases, the Board will pay, upon recommendation of the Public Health or its Medical Officer, any costs not met by an employee's own medical insurance coverage for injections, or medication in lieu of injection, for an employee working in an environment where communicable diseases have been shown to exist.

It was agreed that protocols and procedures will be referred to the Superintendent's committee to develop a district statement for all employees.

7.13 Duty to Accommodate and Modified Work

- A. In circumstances where an employee may be unable to perform the regular duties of their position due to mental or physical disability, the employer, the union and the affected employee shall meet to discuss, gather and consider available evidence regarding the existence and nature of a disability. Such meetings are not required in the following circumstances:
 - i. The accommodation request is pertaining to a temporary reduction in hours or a temporary modification in duties.
 - ii. The accommodation request is pertaining only to modified or supplementary

equipment.

Once the above mentioned meetings have taken place a full summary will be submitted to the Union within two (2) working days.

The employer and the union acknowledge that accommodation is a three (3) party process and agree to work together in considering all relevant factors such as issues of undue hardship. Affected employees shall be required to participate fully in this process.

- B. In circumstances where a meeting is required per 7.13.A, the District shall contact the Union president or designate to arrange a meeting. While such a meeting shall occur prior to an accommodation/modified work plan being finalized (if required), nothing in this article shall prohibit the District from offering, and an employee accepting, modified duties/hours, on a temporary basis, prior to said meeting occurring. If temporary modified duties/hours are accepted, a meeting with the union will occur within three (3) working days of the employee accepting modified duties/hours.
- C. The parties agree to establish a joint Duty to Accommodate/modified work committee with up to three employer representatives and up to three union representatives. This committee will meet monthly with the purpose of reviewing entrance to, participation in and exit from the Duty to Accommodate/Modified work program.

ARTICLE 8: TECHNOLOGICAL CHANGE

8.1 Technological Change

A. Definition

"Technological Change" means:

- 1. The introduction by an employer of a change in their work, undertaking, or business, OR a change in their equipment or material from that equipment or material previously used by the employer in their work, undertaking or business; OR,
- 2. A change in the manner in which an employer carries on their work, undertaking or business related to the introduction of that equipment or material.

B. Special Joint Committee

- 1. Both parties recognize that the introduction of computer-based systems can be to the mutual advantage by improving systems, efficiency, and developing better working conditions.
- 2. This committee shall consist of three (3) representatives from the Union (Local) and three (3) representatives from the employer.
- 3. The committee shall meet on a regular basis or at the request of the Union or employer to consider, monitor, and analyze:
 - Developments;
 - Changes in working methods and the effects on jobs; and,
 - Any proposed introduction or extension of computer-based systems.

This information shall include the employer's long-term plans for the introduction of new technology.

- C. During the term of this Agreement any dispute arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Board introduces, or intends to introduce, a technological change that:

1. Affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
 2. Will affect the manner in which an employer carries on their work, undertaking or business related to the introduction of that equipment or material, then either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an arbitration board constituted under the grievance procedure of this Agreement, by-passing all other steps in the grievance procedure.
- D. The arbitration board shall decide whether or not the employer has introduced, or intends to introduce, a technological change, and upon deciding that the employer has or intends to introduce a technological change, the arbitration board:
1. Shall inform the Minister of Labour of its finding; and
 2. May then or later make any one (1) or more of the following orders:
 - i. That the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - ii. That the Board will not proceed with the technological change for such period, not exceeding ninety (90) days, as the arbitration board considers appropriate;
 - iii. That the Board reinstate any employee displaced by reason of the technological change;
 - iv. That the Board pay to that employee such compensation in respect of their displacement as the arbitration board considers reasonable;
 - v. That the matter be referred to the Labour Relations Board and upon such reference being made, the provisions of Section 77 of the Labour Code of British Columbia shall apply.

ARTICLE 9: APPRENTICESHIP PROGRAM

- A. This clause shall apply to apprentices who enter into a contract with the Board under the provisions of the Apprenticeship and Trades' Qualification Act.
- B. Every apprentice shall be bound by all the provisions of the Collective Agreement between the Board and the Union prevailing from time to time.
- C. This clause and the contracts of apprenticeship entered into pursuant to this Agreement shall be governed by the provisions of the Apprenticeship and Trades' Qualification Act except for the wage rate which shall be as follows:
 - ◆ Year 1 – 80%,
 - ◆ Year 2 – 85%
 - ◆ Year 3 – 90%
 - ◆ Year 4 and subsequent years – 95% of the applicable trade rate.
- D. An apprentice shall be paid the difference between the regular rate of pay and the sum of any board, lodging, transportation or other allowances granted by the Ministry of Labour and/or Canada Manpower while attending full time courses requiring five or more hours of instruction per day set by a training authority established under the Apprenticeship and Trades' Qualification Act during each year of apprenticeship. This payment shall be made for only one (1) course of apprenticeship completion and certification. No payment shall be made to an apprentice for repetition of a course occasioned by their failure to pass an examination.
- E. Where an apprentice is absent from work by reason of sickness or injury, the Board shall extend the term of such apprentice's contract but such extension shall not exceed six (6) months in duration without the approval of the Superintendent of Schools or their designate. Should there be no extension(s) the apprentice's contract shall be terminated and the employee placed on recall.
- F. Any apprentice failing an examination conducted under the direction of the Director of Apprenticeship and Industrial Training shall be permitted to repeat the examination once only at the next available examination period. Should the second examination be failed, the apprentice's contract shall be terminated and the employee placed on recall.
- G. Apprentices who have achieved eighty-five percent (85%) of the required hours for completion of their apprenticeship may apply for and hold a regular position to transfer to on completion of their apprenticeship. If required, the regular position shall be backfilled in accordance with Article 2.4.

The Employer and the employee will meet 3 months before the completion of their apprenticeship and if there are no vacant positions in the trade in which they applied, the employer will within 15 days provide the required information so the employee is able to apply for other positions.

- H. Every apprentice who has obtained a certificate of proficiency or a certificate of apprenticeship in their designated trade under the Act for whom no trades' position is immediately open in the School District shall, if the Board deems work is available, be retained on staff for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in their contract of apprenticeship; and after the expiration of the said six (6) months period, the Board shall have no obligation to continue their employment. If no positions are available the apprentice shall have the opportunity of bidding on another position with the Board at the rate of pay for that position. If no position is available through the job posting, the apprentice shall be placed on the recall list for the apprentice's trade and for their former sphere of work. If the apprentice obtains another position and a trades position is subsequently posted, the employee shall be eligible to apply.
- I. All vacancies for apprentice positions shall be posted in accordance with the provisions of the Collective Agreement and all employees shall have the opportunity to bid on the apprenticeship position with the Board.
- J. The Board will ensure that the apprentices will be given the necessary on-the-job practical training.
- K. Entrance to any apprenticeship will be subject to the applicant meeting the standards required for acceptance by the Apprenticeship and Industrial Training Branch.
- L. Where an apprentice incurs delay in taking one (1) of the tests due to unavailability of an examination or rescheduling of an examination, the delay shall not prejudice their right to wage increments provided for in this Agreement.
- M. The first sixty (60) working days of the term of apprenticeship shall be a probationary period. Should the employee prove unsatisfactory during the probation period, they shall be returned to their former position and any other employee promoted or transferred because of the rearrangement of positions shall be returned to their former position. The apprentice may request to be returned to the former position within the first twenty (20) working days of the probationary period.
- N. The Apprenticeship Agreement shall be prepared before the end of the probationary period and shall be signed by the apprentice (and, if a minor, their parent or guardian).
- O. Each applicant for an apprenticeship (and, if a minor, their parent or guardian), shall be given an opportunity to read these standards before signing the Apprenticeship Agreement.

LETTER OF UNDERSTANDING ON POSTING AND BUMPING PROCEDURES

**BETWEEN:
SCHOOL DISTRICT NO. 43 (COQUITLAM)
AND:
CUPE LOCAL #561**

The parties will enter into a Letter of Understanding that reads as follows:

- A.** The parties agree that the introduction of location into the posting provisions of the collective agreement results in anomalies with respect to posting and bumping which affect the positions of Education Assistants (EA) and Youth Workers. The parties agree to apply the posting and bumping provisions in recognition of the following factors:
- 1.** There may be a necessity with respect to certain Education Assistant or Youth Workers positions to require, in either the posting or selection process, that applicants be selected on the basis of gender to reflect needs unique to the position. Examples include positions where the students in the program include a preponderance of abused females who require a female role model to make the program effective. A further example is where the student or students involved in the program require physical assistance with respect to personal needs that can best be accommodated by an employee of the same sex as the student or students.
 - 2.** A reality of the Education Assistance and Youth Worker programs is that circumstances may arise requiring the granting of additional hours to employees in part-time positions during the school year where posting the position would disrupt the program by reason of disrupting established relationships that are expected to endure to the end of the school term. In that context the Union agrees that additional hours may be granted to part-time employees in those classifications during the school year on a temporary basis without posting. If the requirement continues beyond the school year, the position involving the increased hours will be posted.
 - 3.** The parties acknowledge that the same potential for disruption exists where the hours in a particular position in the Education Assistant or Youth Worker classifications are reduced or eliminated, thus triggering a right in the employee to bump into other positions and perhaps disrupt relationships. The Union agrees in those circumstances that the Employer can make up the hours at another location on a temporary basis for the duration of the school year. In the event the employee is not able to obtain a satisfactory position at the end of the school year, bumping rights will be implemented.
 - 4.** The parties recognize that circumstances may arise where a student receiving one-on-one assistance transfers to another location, or circumstances may require the movement of a special needs program to a new location. The employee assigned to that student or program may move with the student or program to the new location. However, if this movement would result in a vacancy, the employee may opt to remain at the original

location. Should there be a circumstance that makes it inappropriate for the employee to move to the new location, and the hours are not required at the original location, the employee may be assigned as a relief Education Assistant at the same number of appointed hours on a temporary basis for the duration of the school year. It is expected that the employee would then post to another position of equal or greater hours as quickly as possible, but if this has not occurred by end of the school year, then the employee would exercise bumping rights. The employee may also be granted immediate bumping rights where bumping would not disrupt the learning relationship between the student(s) and the employee to be bumped.

5. The parties acknowledge that where gender is an issue with respect to a position, employees seeking to bump into that position will meet the gender requirement.

B. In addition to the anomalies arising specifically with respect to Education Assistants and Youth Workers, the parties acknowledge that other anomalies may arise with respect to classifications generally which may require adaptation of the posting and bumping provisions. In particular:

1. Where an employee's hours are assigned to more than one (1) location, the parties agree that with the consent of the employee the hours can be adjusted within the total appointed hours of the employee or consolidated at those locations; however, full time day shift caretaker positions will be posted.
2. Where hours assigned to an employee are reduced or eliminated at a location, those hours, with the consent of the employee, may be made up at another location for the duration of the school year. In the event the employee concerned does not obtain another position through posting, or if the original hours are not restored, the employee's right to bump will be implemented.

C. The employer will notify the Union prior to making any adjustments as described in A and B above.

D. The parties recognize that the introduction of the concept of location may result in further anomalies of application which require addressing during the currency of the collective agreement. There is also the possibility of disputes with respect to the application of this Letter of Understanding. In that event, the parties agree:

1. If a dispute arises, the parties agree to meet and seek to resolve particular anomalies. Where no agreement can be reached, the parties agree to use an Arbitrator which is mutually agreed upon by both parties.
2. Any decision given in that process will be binding, but only until the expiration of the current collective agreement, at which time the parties will be free to address the issue in collective bargaining.
3. In resolving disputes, the parties agree to address and resolve them within the context of the principles implicit in this Letter of Understanding. In particular, disputes will be

addressed on the basis of ensuring that the seniority rights of employees are recognized and protected, but, recognizing also that the potential for disruption during the currency of a school year may justify a postponement, but not a prohibition, of the exercise of seniority rights.

- D.** This Letter of Understanding will be appended to and form part of the collective agreement, and, subject to collective bargaining, will run with the agreement.

Signed this _____ day of December, 1992.

LETTER OF UNDERSTANDING RE STAFFING AND WORKLOAD LEVELS

**BETWEEN:
SCHOOL DISTRICT NO. 43 (COQUITLAM)
AND:
CUPE LOCAL #561**

1. The following full time equivalent totals for Teacher Assistants, Clerical employees (Board Office, Maintenance, Winslow and School-based) as well as Custodians shall be the minimum staffing levels subject to paragraph (3) herein.

FTE Totals:

	Full Time Equivalent
Clerical/Teacher Assistants*	237.0
Caretakers	182.0

* Subject to reduction to 230.0 FTE based on attrition during the term of this Letter of Understanding.

2. The School District and the Union agree that it is the Employer's duty and right to assign work, to set schedules and to set cleaning levels. In assigning work, and in setting schedules and cleaning levels, the Employer shall do so in an equitable manner amongst those employees in the categories set out in paragraph (1) above. Upon receiving a complaint of an inappropriate or excessive workload assignment, the Union undertakes to fully investigate the matter and eliminate frivolous/unsubstantiated complaints. In the event that the Union files a complaint which questions the workload of specific employees, the parties will meet and attempt to resolve the dispute. If the parties cannot agree on a resolution, either party may then refer the matter to Robert Diebolt (or an alternate) for a binding decision. The parties confirm that Mr. Diebolt (or alternate) has the sole jurisdiction to decide if the specific workload is inappropriate or excessive.
3. It is understood and appreciated that paragraphs (1) and (2) are subject to a decline in student population and/or reductions in the School District's budget. Therefore, this Letter of Understanding may be reopened at any time after December 31, 1997 upon either party giving the other side thirty (30) days' written notice that it believes the full time equivalent levels are no longer valid and/or the workload arrangements must be reviewed. The parties will then have a further thirty (30) days to reach agreement on the means to address the change in circumstances. If they are unable to do so, Robert Diebolt (or alternate) will render a binding decision on the matter.
4. This Letter of Understanding will be appended to and form part of the collective agreement, and subject to collective bargaining, will run with the agreement.

LETTER OF UNDERSTANDING RE: CLARIFICATION ART 2.3 & 7.5 POSTINGS

Bargaining 2012 – 2014

The parties agree to add the following Letter of Understanding to the collective agreement:

**Letter of Understanding Between
C.U.P.E. Local 561
and
School District 43 Coquitlam**

RE: CLARIFICATION re ARTICLE 2.3 and 7.5 POSTING PROCEDURE

This Letter of Understanding is in accordance with the agreement reached between the parties on November 13, 2012. The parties agree that it is in the interests of our school community to fill vacancies with fully qualified candidates.

However, the parties acknowledge that there are times when fully qualified candidates are not available. This clarification is intended to provide guidance to employees, the employer and the union with regard to how vacancies will be filled when fully qualified applicants are not available.

STEP A INTERNAL POSTING

- 1.** The Employer will post vacancies according to Article 2.3 of the Collective Agreement
- 2.** All employees interested in a posting are encouraged to apply whether or not they meet all the requirements contained in the Knowledge and Skills in the class specification. This is the only time employees need to apply to express interest in the vacancy. Any employee applying for a posting different from their current class specification must provide information in their application as to how the employee meets each factor in the required knowledge and skills for the posting.
- 3.** If there are applicants who meet the requirements in the class specification, preference goes to candidates in the following order:
 - a.** Current permanent employees in seniority order;
 - b.** Casual employees with bidding rights in seniority order; and then
 - c.** Casual employees without bidding rights (considered to be external applicants).
- 4.** If there are no applicants who meet the requirements in the class specification, the employer may either
 - a.** post the vacancy externally as provided for in Step B, or
 - b.** select the internal applicant who most closely meets the requirements in the class specification. Only employees who have applied under Step A.2 will be considered. Where two applicants are relatively equal, seniority will be the deciding factor.
- 5.** Where the Employer has selected an internal candidate under Step A.4.b., the Employer will provide the Union President (or designate) with the rationale for the selection.

STEP B EXTERNAL POSTING(S)

1. Under A.4.a., the employer may hire any external applicant who meets all of the requirements in the class specification for the vacant position.
2. If no external applicants meet the requirements in the class specification for the vacant position, the employer may:
 - a. repost the vacancy externally; or
 - b. after an initial or subsequent external reposting, select the internal or external applicant who most closely meets the requirement in the class specification. Only employees who have applied under Step A.2 and external applicants identified by the employer will be considered. Where two applicants are relatively equal seniority will be the deciding factor.
3. Once the Employer chooses an applicant under Step B.3.b., the Employer will provide the Union President (or designate) with the rationale for the selection.

CONDITIONS FOR SUCCESSFUL CANDIDATES WHO ARE NOT FULLY QUALIFIED

1. Employee must obtain qualifications, other than experience requirements, as soon as possible but not later than one (1) year unless otherwise agreed to by the employer and the union.
2. If permanent status is obtained through this process, employee cannot use permanent status to apply for other positions until full qualifications are obtained.

Nothing in this Agreement will prevent the Union from filing a grievance relating to the Employer's selection process.

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the Parties at key milestones during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be discussed and resolved by the Parties at that time.

The parties confirm that the \$900,000 of ongoing annual funds established under the 2014-2019 Provincial Framework Agreement will be used to implement the Job Evaluation Plan. An additional \$3 million of ongoing annual funds will commence on July 1, 2021.

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits. The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION

AND

K-12 PRESIDENTS COUNCIL

Re ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

"Collective agreement year" means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

"Economic Forecast Council" means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

"Forecast GDP" means the average forecast for British Columbia's real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

"Fiscal year" means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as 'the period from April 1 in one year to March 31 in the next year';

"Calendar year" is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

"GDP" or "Gross Domestic Product" for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

"GWI" or "General Wage Increase" means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

"Real GDP" means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada's Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as "Real Gross Domestic Product at Market Prices" currently in November of each year.

The Economic Stability Dividend

- 2.** The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC's real GDP.
- 3.** Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
- 4.** For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
 - (i) February Budget – Forecast GDP for the upcoming calendar year;
 - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
 - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
 - (iv) Advice from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.
7. For greater clarity and as an example only:
For collective agreement year 3 (2016/17):
 - (i) February 2015 – Forecast GDP for calendar 2015;
 - (ii) November 2016 – Real GDP published for calendar 2015;
 - (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
 - (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
 - (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. Employers must apply the Economic Stability Dividend as a percentage increase only on collective agreements wage rates and for no other purpose or form.

Re: Public Sector General Wage Increases

1. If a public sector employer as defined in s. 1 of the Public Sector Employers Act enters into a collective agreement with an effective date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (not compounded) general wage increase of more than 6%, the general wage increase in the 2019-2022 Provincial Framework Agreement will be adjusted on the third anniversary of the 2019-2022 Provincial Framework Agreement so the cumulative nominal (not compounded) general wage increases are equivalent. This Letter of Agreement is not triggered by any general wage increase awarded as a result of binding interest arbitration.
2. A general wage increase and its magnitude in any agreement is as defined by the PSEC Secretariat and reported by the Secretariat to the Minister of Finance.
3. For certainty, a general wage increase is one that applies to all members of a bargaining unit and does not include wage comparability adjustments, targeted lower wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
4. This Letter of Agreement will be effective during the term of the 2019-2022 Provincial Framework Agreement.

Refusing unsafe work

Workers have the right to refuse unsafe work. If you have reasonable cause to believe that performing a job or task puts you or someone else at risk, you must not perform the job or task. You must immediately notify your supervisor or employer, who will then take the appropriate steps to determine if the work is unsafe and remedy the situation.

As an employer, workers are your eyes and ears on the front line of workplace health and safety. When workers refuse work because they believe it's unsafe, consider it an opportunity to investigate and correct a situation that could have caused harm.

If a worker refuses work because it's unsafe, workplace procedures will allow the issue to be properly understood and corrected. As a worker, you have the right to refuse to perform a specific job or task you believe is unsafe without being disciplined by your employer. Your employer or supervisor may temporarily assign a new task to you, at no loss in pay.

Steps to follow when work might be unsafe:

1. Report the unsafe condition or procedure

As a worker, you must immediately report the unsafe condition to a supervisor or employer.

As a supervisor or employer, you must investigate the matter and fix it if possible. If you decide the worker's concern is not valid, report back to the worker.

2. If a worker still views work as unsafe after a supervisor or employer has said it is safe to perform a job or task

As a supervisor or employer, you must investigate the problem and ensure any unsafe condition is fixed. This investigation must take place in the presence of the worker and a worker representative of the joint health and safety committee or a worker chosen by the worker's trade union. If there is no safety committee or representing trade union at the workplace, the worker who first reported the unsafe condition can choose to have another worker present at the investigation.

3. If a worker still views work as unsafe, notify WorkSafeBC

If the matter is not resolved, the worker and the supervisor or employer must [contact WorkSafeBC](#). A prevention officer will then investigate and take steps to find a workable solution.

Note: WorkSafeBC establishes a range of employer and employee rights and responsibilities. Please visit www.worksafebc.com for current information.

Worker Rights and Responsibilities:

On a worksite, everyone has varying levels of responsibility for workplace health and safety. You should know and understand your responsibilities — and those of others. If you're a worker, you also have three key rights.

Your rights

- The right to know about hazards in the workplace
- The right to participate in health and safety activities in the workplace
- The [right to refuse unsafe work](#) without getting punished or fired

Your responsibilities

As a worker, you play an important role in making sure you — and your fellow workers — stay healthy and safe on the job. As a worker, you must:

- Be alert to hazards. Report them immediately to your supervisor or employer.
- Follow safe work procedures and act safely in the workplace at all times.
- Use the protective clothing, devices, and equipment provided. Be sure to wear them properly.
- Co-operate with [joint occupational health and safety committees](#), worker health and safety representatives, WorkSafeBC prevention officers, and anybody with health and safety duties.
- Get treatment quickly should an injury happen on the job and tell the health care provider that the injury is work-related.
- Follow the treatment advice of health care providers.
- Return to work safely after an injury by modifying your duties and not immediately starting with your full, regular responsibilities.
- Never work under the influence of alcohol, drugs or any other substance, or if you're overly tired.

Employer Responsibilities:

Whether a business is large or small, the law requires that it be a safe and healthy place to work. If you are an employer, it is your responsibility to ensure a healthy and safe workplace.

Your responsibilities

- Establish a valid occupational [health and safety program](#).
- [Train](#) your employees to do their work safely and provide proper supervision.
- Provide [supervisors](#) with the necessary support and training to carry out health and safety responsibilities.
- Ensure adequate [first aid](#) equipment, supplies, and trained attendants are on site to handle injuries.
- Regularly [inspect](#) your workplace to make sure everything is working properly.
- Fix problems reported by workers.
- Transport injured workers to the nearest location for medical treatment.
- Report all injuries to WorkSafeBC that required medical attention.
- Investigate incidents where workers are injured or equipment is damaged.
- Submit the necessary forms to WorkSafeBC.

Supervisor Responsibilities:

Supervisors play a key role with very specific health and safety responsibilities that need to be understood.

A supervisor is a person who instructs, directs, and controls workers in the performance of their duties. A supervisor can be any worker — management or staff — who meets this definition, whether or not he or she has the supervisor title. If someone in the workplace has a supervisor's responsibilities, that person is responsible for worker health and safety.

Your responsibilities

- Ensure the health and safety of all workers under your direct supervision.
- Know the WorkSafeBC requirements that apply to the work under your supervision and make sure those requirements are met.
- Ensure workers under your supervision are aware of all known hazards.
- Ensure workers under your supervision have the appropriate [personal protective equipment](#), which is being used properly, regularly inspected, and maintained.
