Seniority accrued to temporary employees shall be recognized for the purposes of applying for regular positions and for the purpose of shift assignments on the call out list in Appendix B.

Seniority shall operate on a bargaining-unit-wide basis within the school district.

(a) Employee's Attainment of Seniority and Regular Status

Employees appointed to their first regular position, will attain regular employee status upon successful completion of sixty-five (65) of the employee's working shifts or, six (6) calendar months, whichever comes sooner, from the date of commencing work in the regular position.

(b) Temporary Employees' Attainment of Seniority

Temporary employees will attain seniority in one of the following two ways, whichever comes first:

- i) Temporary employees shall be placed on the seniority list when they have completed one hundred (100) working shifts. The date of commencing work for seniority purposes shall be one hundred (100)

- (b) In the event of a layoff of Education Assistant within a school, the reduction shall be of the least senior employee.
- (c) Temporary employees without seniority shall not be entitled to bumping and recall rights.

13.02 Union Seniority

In order that the operations of the Union shall not become disorganized when lay-offs are made, members of the Local Executive Board and up to three (3) Stewards shall be the last persons laid off during the term of office, subject to job requirements. This does not preclude a member of Local Executive Board from being bumped by a more senior employee.

13.03 The Board shall discuss with the Union any proposed lay-off prior to notifying the affected employee or employees.

13.04 Should the Board require forced layoff of employees, the Board agrees to discuss with the Union when these layoffs should occur.

13.05 The parties agree that temporary employees shall be laid off before regular employees.

13.06 The Board shall notify employees who are to be laid off ten (10) working days prior to the effective date of the lay-off. If the employee has not had the opportunity to work the days as provided in the Article, they shall be paid for the days for which work was not made available.

13.07 Should the Board require a reduction of hours in a specific job that would result in a twelve percent (12%) or more reduction in hours from within the term of the current Collective Agreement, the incumbent employee has the following options:

- a) accept the reduction and remain in the position.

- b) have the right to exercise their seniority to bump as per Clauses 13.12 and 13.13.

13.08 An employee accepting layoff rather than exercising any bumping rights shall be placed, at their request, at the top of the call-out list before temporary employees and in order of seniority.

13.09 Benefits Continuation

The Board agrees to pay its portion of premiums for all employee benefit plans for employees laid off for a period of less than four (4) calendar months. In the event of a longer layoff, employees so affected shall have the right to continue receiving coverage through direct payments where allowable.

13.10 Annual Seasonal Layoff

Except as described in 13.09 above, this Article shall not apply to the annual seasonal layoff of ten (10) month employees. This Clause does not apply if the position in question is reduced in regular hours in accordance with Article 13.07. Employees who are on the annual seasonal layoffs shall be placed, at their request, at the top of the call-out list before temporary employees and in order of seniority.

The Groundsperson position has an annual seasonal layoff that takes place in the winter months.

13.11 Grievances

Grievances concerning layoffs and recalls shall be initiated at Step 3 of the grievance procedure.

Section 2 - Bumping Procedures

13.12 Subject to Clause 1.07, regular employees, when layoff occurs, shall have the right to bump, bargaining-unit-wide, any one (1) employee with less seniority, providing they can meet the qualifications. Temporary employees with seniority, when layoff occurs, shall have the right to bump, bargaining-unit-wide, only temporary employees with less seniority, provided they can meet the qualifications.

13.13 Any bumping rights must be exercised within seven (7) working days of receiving notice of lay-off.

The laid off employee shall also receive forty percent (40%) of their unused accumulated sick leave as part of the severance package.

- 13.17 Laid off employees accepting the severance package shall lose all seniority.

ARTICLE 14 – JOB POSTINGS

Section 1 – Postings

- 14.01 When a vacancy occurs or a new position is created, the Board shall notify the Union and will inform all employees via email and post the notice of the position on all bulletin boards for a minimum of seven (7) working days so that all members shall know about a vacancy or new position.
- (a) No outside advertising for any vacancy shall take place until the applications of regular and temporary employees have been fully processed or by mutual agreement. Vacancies if they are to be filled, or new positions, shall be posted within ten (10) days of the vacancy or creation, copies of the posting shall be emailed to regular and temporary employees who are not at work and therefore unable to see the posting.
 - (b) Temporary vacancies of thirty (30) shifts or more shall be posted as temporary vacancies. When postings indicate the end date of the temporary assignment, the two (2) weeks' notice will not be required. Vacancies of less than thirty (30) shifts need not be posted and shall be filled in accordance with Appendix "B" Call-out Procedures for Unposted Work.
 - (c) In all cases of regular or temporary postings, regular employees who have the required skills shall be given preference over temporary employees.
 - (d) Employees in temporary positions will be required to complete their temporary position before being eligible for an appointment to a subsequent temporary position unless the subsequent position will be of a higher rate of pay, a longer duration or if the hours in the new position exceed one (1) hour per day of the hours presently being worked. The Employer may require that the temporary employee wait to start the new position until a logical break in the school year provided the employee does not lose pay or hours. It is understood that temporary postings will have a start and end date on the posting. All employees may apply for a regular position at any time.
 - (e) It is agreed that Education Assistants shall remain in the position they hold in September for the duration of the school year. Leaves will be filled as they arrive and if two (2) or more positions are available at any time, the most senior employee on the list will be given the choice of positions.

If the leave request is less than five (5) days then it shall be filled the next day between the call out hours. If two (2) or more positions are available at any time, the most senior employee on the list will be given the choice of positions.

11. Positions that are known to be or anticipated to be thirty (30) shifts or more will be posted as required by the Collective Agreement.

If the vacancy is known to be beyond five (5) shifts or extends beyond five (5) shifts, a new call-out will be initiated and it will be filled in order of seniority from the call-out list. Once an employee starts a position they must remain in that position until the return of the incumbent or the position is posted.

12. Should there be an occasion where a regular employee has had a request for leave approved for a specific day or days; and prior to the leave (forty-eight (48) hours or more), the regular employee has cause to be away from work for all days proceeding the initial leave request for an unspecified period of time, due to illness or injury, then the initial leave request will be cancelled and a new call-out will be made for the entire period.
13. Employees are entitled to overtime at the rate of time and one-half upon completion of the called-out shift. This does not preclude the Board from offering the employee an extension of hours to the called-out shift up to full time at straight time rate of pay. Any time over eight (8) hours of work shall be considered overtime and paid at time and one half.
14. For most situations call-outs will occur from 7:30 am to 9:30 am except in urgent and emergent situations.
15. This procedure may only be amended through mutual agreement in writing and documented in a Letter of Understanding.

RE: Temporary Rate Setting Process for New and Revised Jobs

Whereas the parties have attempted to locate historical records to confirm the original job evaluation methodology to convert job evaluation points to pay, and no such records have been located,

Therefore, the parties agree that until such time as the provincial job evaluation project is completed, including a methodology to convert job evaluation points to pay, the parties will use the following methodology to determine pay rates for positions in the school district.

The parties agree that:

1. The joint job evaluation ratings for all of the jobs in the school district will be used to establish and maintain a gender-neutral job hierarchy in the school district.
2. All new and revised jobs shall be rated by the joint job evaluation committee in accordance with the LOU for Joint Job Evaluation Maintenance Procedures.
3. The results of this rating shall be shared with the Superintendent and the President of the Union.
4. The District will conduct a survey of school districts in the Okanagan and Kootenay area to determine a regional median rate of pay for the new or revised position, wherever possible. The methods and data used and collected through the survey will be shared with the Union.
5. The District and Union will meet to review the job evaluation rating information along with the regional median rate of pay.
6. The District and Union will set a rate of pay by mutual agreement for the new or revised position. The term of this LOU will be until the earlier of the conclusion of the provincial job evaluation project or the end of the 2022-2025 collective agreement.

RE: Joint Job Evaluation Maintenance Procedures

Whereas:

- a) the district and the union have commenced the work of the Joint Job Evaluation Committee, and
- b) the district and the union recognize the commitment from BCPSEA and the K-12 Support Staff Unions to establish a Provincial Job Evaluation Plan, which may include a regional or local approach, as part of the Provincial Framework Agreement

the parties have agreed to an interim LOU outlining joint job evaluation maintenance procedures until such a time that a provincial, regional, or local Job Evaluation Plan is finalized between BCPSEA and K-12 Support Staff Unions.

Nothing in this Letter of Understanding shall be construed as altering existing rights and/or obligations of either party under the collective agreement, except as specifically provided herein:

1. Joint Job Evaluation Committee

In accordance with Article 6.11 of the Collective Agreement, the Joint Job Evaluation Committee is made up of a maximum of two (2) representatives from the Employer and maximum of two (2) representatives of the Union. Each party may have one (1) alternate.

- 1.1 The terms of reference of the Committee shall be as set out in this Letter of Understanding.
- 1.2 A Committee member will be excused from rating his or her own job, the position of a direct subordinate, or any employee where the rating of that job may place them in a conflict of interest.

- 1.3 The Committee shall meet as required to carry out its tasks. Evaluation of positions under section 2 Evaluations and section 3 Appeal Procedures shall be completed within six months of submissions under sections 2 or 3.
- 1.4 Meetings may be called by either party to be held at a time and place mutually agreed upon.
- 1.5 Committee members shall not suffer a loss of pay for attendance at such meetings and a maximum of twelve (12) hours per year shall be available for allocation to employees who attend on their own time.

2. Evaluations

2.1 New Jobs

All newly created jobs shall be referred to the Joint Job Evaluation Committee for review and rating.

- a. It is the responsibility of the Employer to prepare a job description whenever a new job is created.
- b. The job description shall be referred to the Committee to use in establishing the appropriate rating for the position.
- c. If the Committee is unable to establish a rating for a newly created job prior to posting of the position, the Employer may proceed with implementation using an interim rating.
- d. The Employer shall provide the incumbent of the new position with a copy of the job description and rating upon appointment.
- e. After six (6) months from the appointment of an incumbent to the position, the incumbent(s) and the supervisor shall complete a Job Evaluation Questionnaire, which shall be submitted to the Committee who will then meet to review and rate the position.
- f. The Committee will advise the Employer, the Union and the employee of the rating. If either the employee, the Union or the Employer does not agree, the decision may be challenged through the appeal procedures as outlined under Section 3 — Appeal Procedures.
- g. If the job classification rating of the Committee at the six (6) month review results in a higher pay rate than the interim rate set by the Employer, such increase in pay rate shall be paid retroactively to each incumbent effective the date of appointment to the job. If the job classification rating of the Committee at the six (6) month review results in a lower pay rate than the interim rate set by the Employer, such decrease in pay rate shall be effective for each incumbent as of the date of the meeting of the Committee.

2.2 Revised Jobs

Job descriptions shall not be construed as prohibiting the Employer from requiring incumbents to perform comparable or transient duties within the area of knowledge and skills required by the job description. However, if such additional assignments become a continuing responsibility, or they become recognized as part of the job requirement and they are of sufficient importance to potentially influence the job rating, the following procedures apply:

- a. Whenever the Employer substantially changes the duties and responsibilities of a job classification, or the employees/Union feel that the duties and responsibilities of a job classification have been substantially changed, or that the job description does not reflect the duties and responsibilities of the job classification, the Joint Job Evaluation Committee shall perform a review of the job classification description, provided that at least twelve (12) months have past since the position was last reviewed.
- b. The Employer or incumbent or the Union shall complete a Request for Review Form, forwarding copies to the Committee for review as soon as possible.
- c. The Committee shall review and confirm or revise the rating ensuring the adequacy of the job description and/or application of the Job Evaluation Plan. Adjustments to pay rates arrived at through the joint job evaluation process shall apply to all incumbents of the same job.
- d. Copies of the Advice of Decision form shall be forwarded to the employee(s), Employer and the Union.
- e. If either the employee, the Union or the Employer does not agree, the decision may be challenged through the appeal procedures as outlined under Section 3 — Appeal Procedures.
- f. When a job description and evaluation is changed by the foregoing process, it shall be implemented retroactively to the date when the Request for Review form was submitted to the Committee.
- g. Any employee affected by downward adjustment shall be red-circled as of the date in **2.2.fg** above and as per Article 6.12 of the collective agreement "Revised Jobs".

3. Appeal Procedures

3.1 The appeal procedure may be used by incumbents, the Union or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

3.2 Steps in the Appeal Procedure are as follows:

- a. When there is a concern that the job description is inadequate or the rating is incorrect, it shall be referred to the Joint Job Evaluation Committee, who may discuss the matter with the incumbent, the Union

and the Employer. Concerns should be referred to the Committee as soon as possible after they become apparent and no later than 30 calendar days after a rating decision is made by the Committee.

- b. If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.
- c. If the Committee does not agree that a discrepancy exists, the Committee will advise the parties.
- d. If the parties involved do not accept the Committee's decision, they may pursue the matter through the arbitration process as outlined under Section 4 — Arbitration Procedures.
- e. When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in **2.2.fe**.

4. Arbitration Procedures

4.1 When agreement cannot be reached by the Committee on matters involving the accuracy of job descriptions, evaluations, appeals and/or the interpretation and application of the job evaluation program, the Committee shall advise the employer and the union within 15 working days and the parties will attempt to resolve the difference.

4.2 If there is no resolution within a further 15 working days, the matter may be referred to a mutually agreed upon mediator.

4.3 Where mediation is unsuccessful, the matter may be referred to arbitration in accordance with Articles 6.16 — 6.19 of the Collective Agreement.

5. General Maintenance Procedures

5.1 The Committee shall review and recommend revisions to the evaluation maintenance forms and procedures as deemed necessary.

5.2 All job classifications shall be reviewed at least once every five (5) years for the purpose of ensuring that relativity is being maintained.

5.3 Timelines may be extended if mutually agreed by both parties.

- B. Childcare was not a type of work the Employer was authorized to perform, nor did the parties contemplate, at the time the collective agreement was established, and
- C. The programs offered by the Nakusp Early Learning & Child Care Centre have unique attributes that do not mirror the K-12 work environment, and
- D. The licensing for these programs set specific requirements for staffing ratios and staff qualifications and may create jobs that are not currently in the CUPE bargaining unit, including, but not limited to:
 - a. Early Childhood Educator (ECE)
 - b. Infant Toddler Educator (ITE)
 - c. Responsible Adult (RA)

THEREFOR, the parties wish to record their agreement regarding the terms and conditions of employment of the employees employed to deliver these programs, and other matters arising from the initiative.

The Parties Agree as Follows

This Letter of Understanding has been reached on a without prejudice and precedent basis, and will not be referred to in any other context or proceeding other than for the purposes of enforcing its terms. This agreement is without prejudice to the ability of the Employer to permit current or future third-party licensees to use board property for the purpose of providing ECE or childcare services and this would not be a violation of Article 1.10 Work of the Bargaining Unit or 1.11 Contracting out.
2. The Employer (Board of Education School District No. 10) recognizes the Union as the accredited bargaining agent for the employees employed in programs offered and operated by the Nakusp Early Learning & Child Care Centre, who are not excluded employees. The above provision on contracting out shall not apply to the employees of the District working in the Nakusp Early Learning & Childcare Centre.
3. The parties shall meet to resolve any dispute arising out of the interpretation or application of this letter of understanding. Failing resolution, the parties may access the Grievance Procedure in accordance with the Collective Agreement.

Terms and Conditions of Employment

4. Unless specifically identified in this LOU, the provisions of the collective agreement between the Employer and the Union will apply to the employment of the employees working in the Nakusp Early Learning & Child Care Centre.
5. There may be the potential for extra temporary hours worked during break periods to staff "camps", subject to enrollment. The extra temporary hours will be administered in accordance with Appendix B — Call-Out Procedures for Unposted Work.
8. Article 5.03 Minimum Work Year, will not apply to the employees of the Centre given that operations are funded and otherwise impacted by registrations which can change throughout the year.

These qualifications and duties are consistent with the Child Care Licensing Regulation and the BC Child Care Sector Occupational Competencies of the Ministry of Education and Childcare. Any future variation of the qualifications, fitness and ability by the Board will be subject to the provisions of the collective agreement. Notwithstanding any other provision in the collective agreement, applicants for positions within the Nakusp Early Learning & Childcare Centre must have the qualifications for their position as of the first day of their assignment.

Wages

10. Pending evaluation under the job evaluation program set out in Article 6 of the Collective Agreement, or other agreement between the Employer and the Union, the positions working in the Nakusp Early Learning and Child Care Centre programs will be entered into the Wage Schedule "A" and paid interim rates as follows:
 - a. Early Childhood Educator - \$26.55
 - b. Infant Toddler Educator - \$27.60
 - c. Responsible Adult - \$24.53
11. - 12.1n situations where a student or student(s) in before and/or after school care or camps requires an Education Assistant, the Education Assistant wage rate will be paid as per the Collective Agreement.

Hours of Work

13. The daily operation of the Nakusp Early Learning Child Care Centre does not mirror the regular school day. The Union and Employer have agreed to recognize this in the application and administration of the hours of work provisions of the collective agreement in Article 5. The Centre may operate between the hours of 7:00 a.m. and 6:00 p.m.
14. The parties agree that employees working in the Centre may work up to 8 hours/day, not including an unpaid lunch hour of up to one hour, at straight time rates without requiring overtime. 15. Before and after school positions will be exempt from the four-hour minimum in Article 5.06 and may be posted as a split shift.

Reassignment

16. If there are days when child attendance at the Centre is below expected levels or other events require a temporary closure of a program or programs, the Manager may reassign staff to other programs in the Centre, subject to qualifications and licencing requirements. Qualified staff may also be assigned to support the Strong Start program, Seamless Day program or school-based re-assignments within the community subject to their qualifications if required. Such reassignment will be at no loss of pay or hours.

Vacation

17. Employees working on a ten-month schedule will take their annual vacation during Christmas and Spring Break or otherwise when programs are not in session and as per Article 9 - Vacations.
18. Employees working on a twelve-month schedule will take their annual vacation during the scheduled shut down period or as authorized by their manager.

Employee Movement/Bumping

19. It is agreed that employees working in a program at the Centre shall remain in the position they hold until a suitable and qualified replacement is found.
20. Priority for postings shall be given to existing qualified school district

employees prior to the consideration of applications from outside applicants as per Article 14 — Job Postings.

21. In recognition of the character of the ECE positions, and the need to maintain continuity of service, the Union and Employer have agreed that in addition to the terms contained within Article 13, the following shall apply to ECE's:

The employer reserves the right to deny an employee the right to bump into an Early Childhood Educator position if this would negatively impact the delivery of services at the Nakusp Childcare Centre.

LOU Review

22. The parties agree to meet to review this LOU by December 31, 2023, for any issues arising from this LOU and will make good faith efforts to resolve the same. Changes to the LOU will be by mutual agreement of the parties.

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

SIGNED ON BEHALF OF:

BOARD OF EDUCATION
SCHOOL DISTRICT NO. 10
(ARROW LAKES)

CANADIAN UNION OF PUBLIC EMPLOYEES,
LOCAL 2450

Date:

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;

- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of

training related to the 2021 Workplace Violence Prevention Toolkit;

- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job

descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.

- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.
