 - (c) to encourage efficiency in operation;
 - (d) to promote the morale, well-being, and security of all the Employees in the bargaining unit of the Union;
 - (e) to recognize that the principle of equal pay for equal work shall apply, regardless of sex;
 - (f) to acknowledge that the implementation of the Agreement shall in no case operate to lower the wages and conditions paid to any Employee;
 - (g) to recognize that wherever the singular or masculine is used in this Agreement, it shall be considered as if the plural or feminine has been used where the context of the party, or parties, hereto so require;
 - (h) to acknowledge that during the life of this Agreement, or while either party is under notice, or while negotiations for a further agreement are in progress, there shall be no strikes, slowdowns or stoppages of work on the part of the Employees, nor any lock-out on the part of the Board.
- 1.2 The Board recognizes the benefit to be derived from a work environment free from harassment where the conduct and/or language of all employees of the Board meets the acceptable social standard of the workplace. Both parties agree to promote an environment free from personal or sexual harassment. For the purpose of this clause, 'harassment' means any improper behaviour that is directed at and offensive to any person and which the alleged offender knew or ought reasonably to have known would be unwelcome.
- 1.3 It is desirable that methods of bargaining and all matters pertaining to the working conditions of the Employees be drawn up in this Agreement.

- 1.4 Wherever in the Agreement a gender specific term is used, it is understood that the reference shall include the alternative where the context so requires.

- 2.2 PROBATIONARY EMPLOYEE shall mean an Employee serving a 5-month probation period of continuous employment. Previous periods of service with the Board in a similar position within the 12-month period immediately preceding the probationary appointment shall qualify towards completion of the probation period
- 2.3 STUDENT EMPLOYEE shall mean an Employee who is attending or returning to an educational institution and who is engaged temporarily on a day-to-day basis to augment the regular staff or is engaged to work on a short-term project during the period May 1 to August 31. - (a) A Union-Management Committee meeting will be held quarterly at a mutually agreeable time and will normally include shop stewards from each department.
 - (b) In addition, the Union-Management Committee will meet monthly at a mutually agreeable time. Both parties agree that normally no more than four representatives from each party shall be present at these meetings.
 - (c) The topic of contracting out will be a structured part of every Union-Management Committee monthly and quarterly meeting. A discussion will take place about anticipated and completed contract work.
 - (d) The Union-Management Committee will establish its own procedures for determining the cost of completing the work in-house and through contracting out. In addition to determining the cost of the work, the Union-Management Committee will consider matters such as: job quality, timeliness, and equipment costs.
 - (e) Where the Union-Management Committee finds that the cost of work is more efficient to be done in-house, due consideration will be given to hiring additional CUPE members. If no qualified member is on the recall list the union will, upon recommendation of the Committee, waive the external posting procedure.
 - (f) Minutes of meetings will be recorded and distributed as required.
- 5.7 UNION POSITIONS: It is agreed that any Employee who is elected or selected for a full-time position with the Union or any Body with which the Union is affiliated, shall be granted leave of absence without pay and without loss of seniority by the Board for a period of up to one year and may be renewed each year on request during his term of office.

Employees will receive copies of all written materials that are of a negative or adverse nature that will be entered into the employee's personnel file.

ARTICLE 6 - SENIORITY

- 6.1 For determining promotions and transfers, seniority is defined as length of service in the bargaining unit and shall be applied on a bargaining unit basis. For purposes of layoff and recall, seniority is defined as length of service in the department. Seniority is maintained but not added to during Board approved unpaid leaves exceeding ten working days. Seniority is maintained but not added to during layoffs of less than one year.
- 6.2 Probationary Employees shall not be granted seniority until they have successfully completed their probationary period, at which time their seniority will be made retroactive to date of hire.
- 6.3 Student Employees shall not be granted seniority.
- 6.4 The Board shall maintain a Seniority List showing the date upon which each employee's service commenced, listing both bargaining unit and departmental standings. A copy of the Seniority List shall be posted on all bulletin boards and sent to the Union and shall be kept up-to-date by the Employer quarterly.

- 6.5 In instances where accumulated seniority is equivalent, the application date of the most recent position hired for will be used as the determining factor. This will be done at the time seniority is gained, immediately following the probation period.
- 6.6 If an Employee is transferred to a Supervisory position or any other position not covered by this Agreement, he shall retain his seniority for a period of one year, provided he keeps up his union dues. This period may be extended by agreement between the Employee, the Board and the Union.
- 6.7 If an Employee is absent from work because of sickness or accident, he shall retain and accumulate seniority rights.
- 6.8 An Employee will not lose his seniority except in the event of:
- (a) discharge for just cause;
 - (b) resignation or retirement;
 - (c) lay-off for a period of one year without recall;
 - (d) repeated absence from work without notification to the Board, unless such notice was not reasonably possible. For the purposes of this section, each day shall be considered a separate absence.
 - (e) failure to return to work on recall from lay-off after notice as outlined in Clause 7.07.
 - (f) election to withdraw sick leave under Clause 7.05 and Clause 13.02.
 - (g) election to terminate and receive severance pay in accordance with Clause 7.06 covering severance pay.
- 6.9 In the event the Board shall merge, amalgamate or combine any of its operations or functions with another School District, the Board agrees to the retention of seniority rights for all its Employees within the new District, insofar as is legally possible.

ARTICLE 7 - LAY-OFF AND RE-CALL PROCEDURE

- 7.1 The following procedures are intended to give the maximum security to Employees according to their seniority in each Board. If layoffs are anticipated out of seniority, the Board shall first meet with the Union committee to attempt to determine the application of the following seniority rules.

- 7.2 LAY-OFF: In the event of lay-offs, the Employee with the least seniority shall be the first to be laid off and the last to be re-hired in each Department. No new Employees will be hired until laid off personnel on the Seniority List have had an opportunity to apply for available work for which they have the required knowledge, skills and ability. In the event of a lay-off, an Employee may not displace a Regular Employee of any other Department. A laid off Employee, however, or a Regular Employee who is about to be laid off, shall be offered a position in any Department that is being filled by a Probationary Employee, provided that the Regular Employee has the required knowledge, skills and abilities to fill such position. Employees who are laid off shall have the job postings mailed to them.
- 7.3 NOTICE OF LAY-OFF: The Board will give Regular Employees who are to be released by the Board for other than gross misconduct notice in the following manner:
- (a) Fourteen (14) calendar days' notice, or ten (10) days' pay in lieu of notice where the employee has completed a period of employment of at least 6 consecutive months, or in accordance with the Employment Standards Act, whichever is greater.
 - (b) After the completion of a period of employment of three (3) consecutive years, one (1) additional weeks' notice, and for each subsequent completed year of employment, an additional week's notice up to a maximum of eight (8) weeks' notice.
- 7.4 TEMPORARY ASSIGNMENTS: The notice of layoff in Clause 7.03 shall be waived when laid-off regular employees are recalled to work for a temporary period of less than twenty (20) continuous days of work. The agreement is subject to:
- (a) the Union's prior agreement to the recall(s), but such agreement shall not be unreasonably withheld.
 - (b) the Board paying the full cost of the recalled employee's benefits for the month in which he returns to work.
 - (c) the exclusion of laid-off employees from the provisions of Clause 7.09 - Failure to Report on Recall.

Such periods of temporary employment shall not alter the employee's original date of lay-off.

- 7.5 UNION NOTIFICATION OF TERMINATION OF EMPLOYMENT: In the case of Regular Employees, written notice of termination will be given by the Board to both the Union and the Employee concerned. If the Employee affected wishes, the Board will provide the Employee with a letter giving the reason for the termination.

- 7.6 PAYMENT AT LAY-OFF: An Employee will receive on the day of lay-off all monies due him, including holiday pay if he so requests. Those Employees eligible for payment under Clause 13.02 may choose to withdraw the value of their sick leave accumulation at their option within a three (3) month period.
- 7.7 SEVERANCE PAY: In the event of an indefinite layoff, an employee will have ninety (90) calendar days to choose whether to remain on layoff status as per Article 7 or to choose termination and receive severance pay as follows, which is prorated for regular employees:

 - (f) After 72 consecutive months of service 30 days' pay
 - (g) After 84 consecutive months of service 35 days' pay
 - (h) After 96 consecutive months of service 40 days' pay

For the purposes of this article, a days' pay is equivalent to 1/5 of the normal weekly earnings (exclusive of overtime allowances) of the employee.

If the Human Resources Department is not advised of the employee's choice in writing within the ninety-day (90) period calendar, the employee will automatically continue on layoff status in accordance with Article 7.

- 7.8 RECALL: Wherever possible Employees at the time of lay-off will be notified of the date of recall. In the case of Employees who are laid off for an indefinite period and recalled to work, the Board will give the Employee at least two (2) weeks' notice of recall by certified mail addressed to the last known address of the Employee. It shall be the responsibility of the Employee to keep the Board notified of his current address.
- 7.9 FAILURE TO REPORT ON RECALL: Except in the case of illness or other extenuating circumstances, failure to return to work at the time specified will be regarded as voluntary termination of employment.

ARTICLE 8 – JOB POSTINGS

- 8.1 A job posting shall precede any new hiring or status changes of any Employee in the bargaining unit for all work in excess of twenty (20) working days. In order that all members will know about available positions and be able to make written application, the closing date for applications will be no less than five (5) working days from the date of the electronic

posting. Such notices shall contain the following information: nature and location of the position, required knowledge and education, ability and skills, date of commencement of job, and hourly rate. No advertisement for additional Employees shall be made until after such posting has been initiated. Notification of the successful applicant will be sent to the Senior Shop Steward within five (5) working days of the hiring. Postings will be cancelled if not filled within thirty (30) calendar days.

- 8.2 The senior Employee having the qualifications necessary for the position shall be appointed.
- 8.3 Conditional on satisfactory service, the trial period shall become permanent after the period of sixty (60) calendar days. In the event the successful applicant proves unsatisfactory, or the position proves unsatisfactory to the applicant, during the aforementioned trial period, he shall return to his former position without loss of the seniority and salary of his former position, and any other Employee promoted or transferred because of the rearrangement of positions shall also be returned to his former position without loss of seniority and salary of his former position.

PROVINCIAL FRAMEWORK AGREEMENT ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.

4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;

- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- i) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- j) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- k) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- l) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- m) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- n) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

19. Provincial Framework Bargaining 2025

The Parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents Council to facilitate the next round of provincial bargaining. \$250,000 will be allocated as of July 1, 2023.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.
