Where the grievance is initiated as a result of a suspension or dismissal, the grievance will commence at Step 2.

Either the Board or the Union may submit a policy grievance at Step 3 of the grievance procedure.

Commencing at Step 2 all grievances and replies shall be in writing.

All grievances, disciplinary, and/or investigation meetings will be held during normal hours of work and shall be at no loss of pay to the grievor(s) or the Union representative in attendance as outlined below:

- One (1) Union representative shall attend any Step 2 grievance meetings called by the Board.

In addition, the Board will pay for one (1) Union representative to attend arbitration/mediation hearings up to the number of hours identified in Article 10.1.

Step 1:

An employee who has any concern is expected to raise it initially with their supervisor and, if still unsatisfied after such discussion, shall, with a Shop Steward, take it up as a grievance with the employee's supervisor within ten (10) working days of the date the employee(s) or the Union first became aware of the incident giving rise to the grievance.

If within five (5) working days the grievance is not settled to the satisfaction of the employee or the Union, the Union may submit the written grievance to the Secretary Treasurer of the Board.

Step 2:

The Secretary Treasurer of the Board or designate shall respond within five (5) working days of receipt of the written grievance with their decision.

If the grievance is not settled to the satisfaction of the Union, the Union may submit the grievance to the Joint Grievance Committee within five (5) working days of the decision being received.

Step 3:

The Joint Grievance Committee, consisting of up to three (3) Union representatives and up to three (3) Board representatives, supplemented from time to time by a resource person as required, shall meet within ten (10) working days of the request for a meeting. 6.2.1 Arbitration Procedure

The parties shall appoint a single arbitrator that will be determined based on mutual agreement of the parties.

6.2.2 Authority of Arbitrator

The decision of the Arbitrator with respect to the dispute shall be final and binding upon the parties, but in no event shall the Arbitrator have the power to alter, modify, or amend any part of this Agreement in any respect.

6.2.3 Payment of Expenses

The compensation and expenses of the Arbitrator shall be borne equally by the Union and the Board.

6.2.4 Expedited Arbitration

The parties shall determine, by mutual agreement, those grievances suitable for expedited arbitration. Those grievances agreed to be suitable for expedited arbitration shall be scheduled within one (1) month. The location of the hearings is to be agreed by the parties.

All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations. (Brown and Beattie may be cited rather than tabling full arbitrations.) Documents to be tabled at the arbitration shall be exchanged at least five (5) working days prior to the arbitration.

Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance. Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated herein.

The decision of the arbitrator shall be completed and mailed to the parties within ten (10) working days of the hearing. The decision shall include a brief written explanation of the basis for the conclusion.

The parties shall equally share the costs of the fees and expenses of the arbitrator.

The expedited arbitrator, who shall act as sole arbitrator, shall be selected by mutual agreement of the parties.

The expedited arbitrator shall have the same powers and authority as an arbitrator established under the B.C. Labour Relations Code. The decision of the arbitrator shall be final and binding on the parties. It is understood that the parties shall not appeal the decision. All decisions of the arbitrator are to be limited in application to that particular dispute and are without prejudice. These decisions shall have no precedential value and shall not be referred to by either party in any subsequent proceeding.

All settlement of proposed expedited arbitration cases made prior to the hearing shall be without prejudice and shall not be referred to by either party in any subsequent proceeding.

If the arbitrator or the parties mutually conclude at the hearing that the issues indicate a complexity or significance not previously apparent so as to require further consideration by the parties, the case shall be referred back to the parties for reconsideration and the regular arbitration process.

6.3 Extension of Time Limits

Wherever a stipulated time is mentioned herein, the said time may be extended by mutual consent of the parties in writing. For the purpose of this article, "working days" shall exclude Saturdays, Sundays and statutory holidays.

6.4 Presence of Union Representation

An employee shall have the right to have Union representation present at any discussion with supervisory personnel that the employee believes might be the basis of disciplinary action. When a supervisor, manager or Principal/Vice-Principal interviews an employee and the interview may result in discipline, the Board representative will advise the employee of such possibility at the commencement of the interview. The Union **President, or designate**, shall be notified in advance of any disciplinary meetings including the nature of the issue.

The employer shall notify the Union President, or designate, the name of an employee who is under investigation, prior to investigation meetings involving Human Resources.

ARTICLE 7 - SENIORITY

7.1 Definition

Seniority is defined as the length of service in the bargaining unit and shall be applied on a bargaining unit-wide basis. Seniority shall be applied in determining preference or priority for promotions, transfers, demotions, layoffs, recall, permanent reduction of the workforce, and as set out in other provisions of this Agreement.

7.2 Time Duration and Casual

7.2.1 Employees on time duration assignments, according to Article 1.3, are entitled to seniority from their first day of hire provided there has been no break in service or lay-off and the employee successfully completes the probationary period. School breaks, when work is not available, will not be considered a break in service.

7.2.2 For the purpose of applying for posted vacancies, time duration employees shall commence earning seniority when they have passed their probationary period. After successfully completing their probationary period, seniority shall be backdated to the date of hire.

7.2.3 For the purpose of applying for postings, casual employees shall be given seniority after completing ninety (90) working days provided that there has been no break in service. Upon completion of ninety (90) working days, seniority shall be backdated to date of hire.

7.2.4 For purposes of this section, a break of service is non-availability for a period greater than two (2) consecutive weeks per annum.

7.3 Temporary Assignments

Employees temporarily assigned to positions outside the scope of the Collective Agreement in accordance with Article 15.3 shall continue to accrue seniority without interruption. They shall continue to pay union dues and shall be represented by the Union. Such employees shall return to their former positions at the end of the temporary assignment.

7.4 Seniority List

The Board shall maintain seniority lists showing the date upon which each employee's service commenced. The sequence of seniority for employees with identical dates of hire shall be determined by the date and time of the application for employment. Up-to-date lists shall be sent to the Union on or about March 31, July 15 and December 31 each year, with one additional copy of the lists sent if required.

7.5 Loss of Seniority

An employee shall not lose seniority rights if they are absent from work because of sickness, accident, layoff, or leave of absence approved by the Board.

An employee shall only lose their seniority in the event that:

- (a) They are discharged for proper cause and are not reinstated.
- (b) They resign, but they shall not lose their seniority in the event that they are rehired or reinstated within thirty (30) days of their resignation.
- (c) They are absent from work in excess of three (3) working days without sufficient cause or without notifying the Board, unless such notice was not reasonably possible.
- (d) They fail to return to work within seven (7) calendar days following a layoff and after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Board informed of their current address.
- (e) They are laid off for a period longer than one (1) year.
- (f) They are promoted to a continuing exempt position.

ARTICLE 8 - PROMOTIONS AND STAFF CHANGES

8.1 Job Postings

- 8.1.1 When a vacancy occurs or a new position is created, Human Resources shall notify the Union in writing and post notice of the position on the District's website for a minimum of seven (7) calendar days. It is agreed between the parties that, should the necessity arise, the vacancy or new position may be filled on a temporary basis for a period not exceeding thirty (30) working days; however, due to unusual circumstances this period may be extended by mutual consent.

It is recognized that during the months of July and August all staff vacancies shall continue to be posted on the District web site.

- 8.1.2 When hours are increased, the additional hours shall be offered to the part-time employees in that classification within the school/department in descending order of seniority. Failing acceptance, the additional hours shall be posted.

8.1.3 Vacancies exceeding thirty (30) working days shall be posted in accordance with Article 8.1.1.

8.1.4 Lateral transfer is defined as posting to a time duration position of the same classification and rate of pay as the position currently occupied by the employee. Lateral transfers will only be permitted if the transfer is to a position of six (6) months or longer in duration or where the transfer would result in more than a fifty percent (50%) increase in the employee's hours of work. Upon completion of the time duration posting the employee will return to their regular position.

For the purpose of this article "rate of pay" shall be defined as the wage received by the employee the day after the posting closing date and shall take into consideration any shift differential being received by the employee. If the addition or elimination of a shift differential results in a different "rate of pay", the transfer is not considered "lateral".

8.1.5 School term time duration positions posted to fill temporary vacancies as a result of employees on medical leave, maternity/adoption/parental leave or on extended leave, shall be posted to cover the period of absence until the end of the school year or the return of the incumbent, whichever is sooner. Twelve (12) month time duration positions to fill temporary vacancies will be posted for the entire duration of the leave. Should the employee decide to return to work early from one of the above noted leaves and notifies the Board in writing two (2) weeks prior to their revised return to work date, such employee will return to their former position.

8.2 Posting Notice

Posting notices shall contain the following information: nature and location of position; qualifications; required knowledge and education; skills; shift; wage or salary rate or range, with reference, where applicable, to the Job Description.

8.3 Appointments

In making promotions and transfers, the required knowledge, ability and skills for the position as outlined within the Job Description shall be the primary consideration, and where two or more employees are qualified to fill the position, seniority shall be the determining factor. Both parties recognize the principle of promotion within the service of the Board and that job opportunity shall increase in proportion to length of service.

8.4 Union Notification

The Secretary-Treasurer of the Board or designate shall notify the Union in writing within ten (10) working days, when an employee is hired, promoted, demoted, transferred, laid off, recalled, has resigned, reprimanded, suspended, terminated, has had a legal name change, deceased or has had their status changed for any other reason.

The Board shall provide the Union and all worksites with a list of all successful posted applicants on a monthly basis.

All employees, including time duration employees, shall serve a probationary period of sixty (60) working days during their first assignment to a posted position of sixty (60) working days or more and during this period shall be subject to dismissal on one day's notice.

Provided it has consulted with the Union, the Board may extend a probationary period for a further period not to exceed forty-five (45) working days. The Union and the employee shall be advised of the cause of the extension.

8.6 Disciplinary Action

If the Board deems it necessary, the Board will conduct an inquiry process into the disciplinary issues in a fair and reasonable manner.

If, as a result of disciplinary action, an adverse report is placed in an employee's Personnel file, the employee shall receive a copy of such report and shall acknowledge the receipt of this report in writing. The Union will be copied on any adverse reports.

Before any action is taken by the Board, the employee shall be given forty eight (48) hours' notice of any disciplinary meeting and advised of their right to representation as per Article 6.4.

Upon completion of an investigation, any disciplinary action to be taken by the Board shall be communicated in writing to the employee and the Union and shall contain the reason(s) for the decision. The employee's written reply, if any, shall become part of the employee's record.

If the Union and the employee(s) affected disagree with the decision of the Board, the dispute may be referred to Article 6 Grievance Procedure. Where an investigation has been concluded and no discipline is to be implemented all related material shall be removed from the employee's Personnel file other than resulting Letters of Direction/Expectation.

Any record of reprimand or warning shall be destroyed after eighteen (18) working months.

8.7 Access to Personnel File

The employee has the right to request access to and review their personnel file. No items may be removed from the file at the time of viewing; however, the employee may request copies of items in the file.

8.7.1 Viewing will be by prior appointment.

8.7.2 The file normally may be viewed not more than four (4) times per calendar year, but may be viewed at any time an employee files a grievance.

8.7.3 The viewing will be done in the presence of an official from the Human Resources Department. If so requested, a Union Representative may be present at no cost to the Board.

8.7.4 The employee must produce adequate identification to the designated official.

8.7.5 The employee may challenge the validity of any item contained in their Personnel file in writing and this shall become part of the file.

8.7.6 All items contained in an employee's file shall be dated.

8.7.7 The Board agrees that there will be only one Personnel file maintained for each employee.

- 8.7.8 The Union and the Board agree that the Board will maintain a confidential health file for each employee, separate from the contents of, but within the Personnel file. Information contained in the health file will be treated as confidential Personnel File information.

8.8 General Transfers

Where the Board and the Union agree in writing, an employee(s) may be transferred in situations where there is mutual benefit to the employee(s) and the school(s) involved.

ARTICLE 9 - LAYOFF AND RECALL

9.1 Definition

- 9.1.1 A layoff shall be defined as a reduction in the workforce or a reduction/increase in the hours of work of an employee. However, every effort shall be made to ensure, as near as possible, that an employee's hours are maintained.

The incumbent employee has the option to:

- (a) Accept the reduction/increase and remain in the position, or
- (b) Receive notice of layoff and exercise seniority rights as per Article 9.4/9.5 - Bumping Process, or Article 9.6 - Recall, or Article 9.9 - Severance Pay Due to Layoff.

- 9.1.2 A reduction of a twelve (12) month position to a ten (10) month position or the change of a position from a ten (10) to a twelve (12) month position shall be deemed a layoff.

- 9.1.3 In cases where employees are engaged in more than one position, each position shall be treated separately subject to Article 9.1.1 above. Should layoff notice be issued, such employees may only exercise bumping rights where the bump will not affect the employee's position(s) that are not affected by layoff.

9.2 Notice

The Board will keep the Union informed of anticipated layoffs and provide all available information as to positions affected and timing of layoff. Employees who are to be laid off shall be notified ten (10) working days prior to the effective day of layoff or shall be awarded pay in lieu thereof unless a greater period of notice is required by legislation.

For school term employees, layoff notices shall not be served during the regular school closure periods in normal circumstances. Should unforeseen circumstances arise and notice be served such that the notice period would occur during a normal school closure period, the employee will be entitled to payment in lieu of the required notice period at their regular rate of pay as if notice had been served during scheduled work periods.

If the school term employee is unsuccessful in obtaining a position through the bumping procedure by the first working day in September, the Board will then pay the specified percentage in lieu of notice.

9.3 Role of Seniority

Both parties recognize that job security shall increase in proportion to seniority. An employee, upon notice of layoff, may exercise their right to bump on a seniority basis. This right shall include the right to bump up.

9.4 Bumping Process

- 9.4.1 The Union and the Board each will appoint two (2) members who shall serve as representatives on an ad hoc committee for consultation purposes during the bumping process. The Union will be provided with notice of all layoffs and relevant seniority lists prior to the bumping procedure taking place.
- 9.4.2 An employee who has been served with layoff notice or who is to be bumped shall inform the Board in writing within five (5) working days of their intentions. After five (5) working days any change in the employee's intentions shall not be recognized.
- 9.4.3 Where an employee elects to exercise their bumping rights, the Board will investigate as to choices available; however, prior to implementation and reassignment of a position, the Board will consult with the Union and the employee.
- 9.4.4 The selection of available positions for the purpose of bumping shall be as per Article 8.3 of this Collective Agreement.
- 9.4.5 Recognizing the provisions of Article 8.3 and Article 9.3, of this Collective Agreement, both parties agree that during the bumping process an attempt can be made to select available positions in the inverse order of seniority.

9.5 Bumping Process - Instructional Support Employees

The bumping process for Instructional Support group employees shall be set out as follows:

- (a) For the Instructional Support employee group during the school year, employees who receive layoff notice shall:
 - (1) Be offered in seniority order, provided they have the required qualifications, vacancies within the Instructional Support group provided the vacancy has equal or greater hours and equal or greater wage rate. An employee may choose a vacancy of less hours or less wage rate, if the employee so desires. Employees in this sub-clause have full rights to participate in the "Year End Shuffle" if they so choose.
 - (2) If there are no vacancies, the employee will be placed on the casual list and benefits will be maintained for two (2) months. Employees in this sub-clause have full rights to participate in the "Year End Shuffle" if they so choose; or
 - (3) Exercise their option to bump out of the Instructional Support group per Article 9.4.5.
- (b) For the Instructional Support employee group, the "Year End Shuffle" shall be defined as the layoff of instructional support staff and the resulting potential movement of staff. The ad hoc committee referred to in Article 9.4.1 will meet in May of each year to discuss the process, exchange information, prepare for the "Year End Shuffle" and will endeavor to minimize disruption resulting from the bumping procedure.

A "window" shall be determined by the Board in consultation with the Union and will take into consideration the number of layoffs, the number of vacancies, hours of each position, any specialized position requirements and seniority.

Instructional support employees who have been laid off as per Article 9.1.1 shall meet as a group at a scheduled instructional support bump meeting. Employees participating in the "Year End Shuffle" shall be reimbursed for mileage costs and time spent attending the bump meeting.

The "Year End Shuffle" process shall proceed as follows:

- (1) All vacancies identified for the following September will be posted and filled according to Article 8. Any vacancies not filled will be added to the "window" and provided as part of the options available at the "Year End Shuffle" bump meeting.
- (2) After the positions in Article 9.5(b)(1) above have been filled, employees who receive layoff notice and still remain subject to layoff, shall pursue options as follows:
 - a) Be offered vacancies and/or bumping opportunities, in seniority order provided they have the required qualifications.

Available options in the "window" will include vacancies and/or positions that have equal or greater hours and equal or greater wage rate. An employee may choose a vacancy or a position of less hours or less wage rate if the employee so desires. If both a position and vacancy of equal hours is available at an employee's desired location then the employee will be offered the vacancy.

- b) Exercise their option to bump out of the Instructional Support group per Article 9.4.4.

9.6 Recall

For a period of one (1) year after time of layoff, employees shall be advised of any vacancy which may occur and shall be given the opportunity for re-employment pursuant to Article 8.1 and 8.3.

Employees who are unwilling or have been unable to obtain a position during the one (1) year of layoff shall be terminated.

Employees who have been recalled on a temporary basis, shall have their layoff period of one (1) year extended by the period of time they have been temporarily employed.

New employees will only be hired after those employees who have been laid off are given first opportunity to post into vacancies, provided however, that provisions of Article 8.3 are met in terms of appointment to vacant positions.

9.7 Benefits

During periods of layoff the Board will continue to provide medical and dental coverage for up to twelve (12) months after time of layoff if the employee requests in writing such a continuation of coverage and pays the full premium.

9.8 Normal School Closure

It is not the intent of these layoff and recall procedures that regular school term employees are allowed to bump other employees during normal school closure periods.

9.9 Severance Pay Due to Layoff

A regular employee who is laid off from the service of the Board in accordance with Article 9, may elect to receive severance pay at any time during the first sixty (60) calendar days from the effective date of layoff.

Upon the acceptance of severance pay all rights of the employee under the Collective Agreement are terminated.

The amount of severance pay shall be as follows:

- 9.9.1 Employees with less than one (1) year of continuous full time equivalent service - 0%.
- 9.9.2 Employees with over one (1) year of continuous full time equivalent service and up to two (2) years will receive 0.8% of annual salary for each year, prorated for partial service years based on completed months of service.
- 9.9.3 For each additional completed year after two (2) years of continuous full time equivalent service up to five (5) years will receive 1.6% of annual salary for each year, prorated for partial service years based on completed months of service.
- 9.9.4 For each additional completed year after five (5) years of continuous full time equivalent service will receive 3.2% of annual salary for each year, prorated for partial service years based on completed months of service.

The maximum amount of severance pay shall not exceed the equivalent of six (6) months of annual salary.

Annual salary shall be defined as wages earned and regular hours assigned at time of layoff based upon fifty-two (52) weeks per year for twelve (12) month employees and forty-four (44) weeks per year for school term employees.

Full time equivalent shall be defined as fifty-two (52) weeks per year, forty (40) hours per week for maintenance and custodial staff and thirty-five (35) hours per week for administrative and instructional support employees.

Please refer to Appendix C for sample calculations.

In order to meet operational needs, the Board may create custodial positions with a schedule other than twelve (12) months to augment regular full-time staff. This language is not intended to reduce or replace any twelve (12) month custodial positions through the creation of new positions.

District Custodians posted out of Maintenance will be assigned to a home school and will be provided with the same rights as other custodians posted to that school. From time to time, at the request of the Manager, they may be required to provide custodial services to sites other than their home school.

The parties agree that where a school requires one or more custodians, each full-time equivalent position shall be posted as an eight (8) hour position. For example, if a school is allocated 1.5 FTE custodians, one shall be an eight (8) hour position.

worked on such day off. Any overtime worked on such a day shall be paid at the applicable overtime rate.

Casual employees shall receive double the regular wage for time worked during the thirty-two (32) hour period the employee would otherwise be entitled to have free from work.

10.4.8 Every employee shall have the option to take time off equivalent to the appropriate overtime rate in lieu of overtime payment. This accumulated overtime must be used at a mutually convenient time, subject to the work at hand, and shall be requested by the employee in writing. Overtime, accumulated but not used by June 30th, shall be paid out in cash by July 31st.

10.4.9 In the event an employee is requested to participate in an overnight activity, that employee shall be entitled to one (1) day off with pay for each overnight worked. It is expected that time will be taken off when students are not in session.

10.5 Call Out

Call-out shall be defined as any situation when an employee is called to work outside of their regular hours of work without twelve (12) hours' notice. This call must be made by an excluded supervisor however, in cases of emergency, as per Article 1.7, or when an excluded supervisor is not available to make a call, bargaining unit employees may call-out employees.

Not less than two (2) hours at said overtime rates shall be paid when an employee is called to work after regular working hours or on Saturdays, Sundays or statutory holidays.

Any employee called in to work on a statutory holiday shall receive double time for all hours worked in addition to their regular rate of pay.

10.7 Temporary Change of Shift

Forty-eight (48) hours' notice shall be given before a temporary change of shift or a change in the hours of a shift. If said forty-eight (48) hours' notice has not been given, overtime rates will be paid during the first forty-eight (48) hours of the new shift for the hours worked which were not included in the work hours of the previous schedule. The above noted forty-eight (48) hours' notice does not apply to casual or part-time employees on casual call-out lists.

Failure to provide at least ten (10) hours rest between shifts which are being changed shall result in payment of overtime at established rates for any hours worked during such normal rest period. If a temporary change of shift is made to accommodate custodian(s) attendance at activities scheduled on non-instructional days or to perform regular custodial activities on non-instructional days, payment of overtime will be required only if there is less than eight (8) hours rest between shifts. If a temporary change of shift or a change in the hours of a shift is made to accommodate an employee, the above noted overtime rates or rest period will not apply.

The regular shift changes for custodial employees from afternoon shift to day shift at the commencement of school breaks and from day shift to afternoon shift at the termination of school breaks will not require the above noted notification nor will overtime rates apply.

The provisions of this clause shall not apply in the event of emergencies beyond control of the Board.

The word "temporary" shall be defined as a period not to exceed ninety (90) calendar days in any calendar year and is limited to Article 10.7. This period may be extended by mutual consent.

- The employee requires the approval of the Principal, Supervisor or Manager to work and bank additional hours. Banked additional hours and the approval of such shall be recorded on the employee timesheet.
- The employee may "bank" up to a maximum of eight (8) hours' time to be taken either on Non Instructional Days (NID) with the approval of the Principal/Supervisor/Manager or on a day mutually agreed to by the Principal/Supervisor/Manager and the employee.
- Banked time for 10-month employees will be used during the school year in which it is earned. Employees working a 10-month school term and "banking" time during the months of May and June must ensure that a NID remains or they have mutual agreement with the Principal/Supervisor/Manager to take the "banked" time off prior to the end of the school year.

If an employee is normally scheduled to work less than seven (7) or eight (8) hours on a twelve (12) month basis or where a school is operated on a 12-month calendar (i.e. Kanaka Creek Elementary) either on a single-track system or more than one track system, employees will ensure that their "bank" is empty on June 30th of each year or the end date of the school year for the program, whichever is later.

When the employee takes such "banked" time either on a NID or at a mutually agreed time the employee must note on the timesheet that they are deducting "banked" time.

The purpose of the committee is to ensure employee input is reflected in the District's training initiatives.

The cost for Union participation at these meetings shall be shared between the parties on the basis of a seventy-five percent (75%) cost to the Board and twenty-five percent (25%) cost to the Union.

ARTICLE 12 - ANNUAL VACATIONS

12.1 Vacation Year

The vacation year is defined as July 1st to June 30th. Vacation days accrued during this time period are to be used in the following vacation year.

12.2 Entitlement and Length of Vacation Period

12.2.1 The following language applies to employees who became regular employees on June 1, 1995 or later:

- (a) For the purposes of this Article only, the calendar year of service and the vacation entitlement calculation shall be based on their personal anniversary date.

- (b) The vacation entitlement shall be calculated effective with the ending of the last complete pay period in the vacation year.

12.2.2 The following language applies to employees who were regular employees on May 31, 1995:

During their first calendar year of service, employees shall accrue one (1) working day for each completed month of employment or major fraction thereof, to a maximum of ten (10) working days. Employees shall receive an annual vacation equivalent to the accrued working days at the employee's regular rate of pay or four percent (4%) of the employee's previous year's annual gross earnings, whichever is greater.

After completion of two, three, four, five, and six continuous calendar years of service, employees shall receive an annual vacation of fifteen (15) working days at their regular rate of pay or six percent (6%) of their previous year's annual gross earnings, whichever is greater.

After completion of seven, eight, nine, ten, eleven, twelve and thirteen continuous calendar years of service, employees shall receive an annual vacation of twenty (20) working days at their regular rate of pay or eight percent (8%) of their previous year's annual gross earnings, whichever is greater.

Vacation entitlement for employees who change the number of hours of work during the course of the year shall be calculated on a pro rata basis.

Vacation must be taken in no less than one-half (1/2) day increments.

Vacation entitlement must be taken in full each year.

For 12-month employees, where the percentage calculation of vacation is greater than the value of the days' entitlement, the difference shall be added to the payment of regular earnings by July 31 of each year, subject to employees scheduling and taking their full vacation entitlement. Only in circumstances where less than one-half (1/2) day vacation is the total

amount remaining in an employee's accrued vacation bank, will such accrual be permitted to be taken as vacation time or paid out by June 30.

12.4 Change of Vacation

Where an employee has made arrangements for an annual vacation which has been approved by their supervisor and subsequently such employee is required by their supervisor, due to emergent conditions, to change such vacation period, then the employee shall be granted one (1) additional week of vacation with pay in addition to their regular entitlement and with reimbursement of all costs incurred due to such change.

- (c) The employee is exhibiting a pattern of absences during a calendar year (i.e. off ill every second Tuesday or off ill just before or just after a statutory holiday on a number of occasions).

13.7.2 Such certificate shall include an indication of the nature of the illness and an indication of when the certified medical practitioner expects that the employee will be able to return to work on a regular and consistent basis. If an employee requests accommodations to the duties and/or worksite, the medical limitations must also be outlined in the certificate. If any costs for producing such certificate have been incurred, they shall be reimbursed upon receipt of invoice.

13.7.3 Where such certificate is not produced when requested, no sick pay shall be provided.

Such requests for Union leave of absence will not be unduly withheld, however the Union recognizes the right of the Board to limit such leaves subject to operational and/or emergency requirements.

In the event the incumbent is not required to replace the Union representative, the individual will be reassigned.

18.4.1 Employees working in any dirty or dangerous conditions shall be supplied with all the necessary tools, safety equipment, and protective clothing when needed. Such protective clothing shall be limited to complete wet weather gear for those required to regularly work outside, on an extended daily basis, ear protection devices for power equipment operators, rubber and cotton gloves, gumboots and coveralls as necessary.

18.4.2 The Board shall once every second calendar year pay up to a maximum of two hundred dollars (\$200.00) toward the purchase of safety footwear for those employees who are either required by the Regulations of the Workers' Compensation Act or by the Board to wear safety footwear. For full-time regular employees in the Maintenance and Grounds Departments the Board shall, once every eighteen (18) months, pay up to a maximum of two hundred dollars (\$200.00) towards the purchase of safety footwear. Employees will receive such payment upon providing the Board proof of purchase of the footwear.

18.4.3 The Board shall once every calendar year pay up to a maximum of eighty dollars (\$80.00) towards the purchase of durable work pants for employees in trades, grounds and the maintenance custodian position. Employees will receive such payment upon providing the Board proof of purchase of the work pants.

18.5 Pay for Injured Employees

An employee who is injured during working hours and is required to leave for treatment or is sent home for such injury shall receive payment for the remainder of the day at their regular rate of pay without deduction from sick leave, unless a doctor or nurse states that the employee is fit for further work on that day.

18.6 Transportation for Accident Victims

Transportation to the nearest physician or hospital for employees requiring medical care as a result of an accident shall be at the expense of the Board.

18.7 Vision Care

Where an employee is required to operate a computer monitor or work with welding equipment, the following will apply:

The Board will pay for a preliminary eye examination by an optometrist or ophthalmologist for employees at the time the employee is assigned to perform work involving monitoring of a full display computer screen or welding equipment. Annual retesting of eyes shall also be carried out at the employee's request. The Board will pay for these eye examinations if the cost is not covered in an insurance plan.

The original examination shall be provided without loss of time; subsequent examinations shall be on the employee's time.

ARTICLE 19 - HUMAN RIGHTS

19.1 Sexual and Personal Harassment

The Board and the Union recognize the right of every employee to work in an environment free from sexual and personal harassment, **as defined in Article 1.8.**

19.1.1 The complainant, if comfortable with an informal approach, may choose to speak or correspond directly with the alleged harasser to express their feelings about the situation. If that is not the chosen approach, the complainant may instead approach their supervisor, Union representative, or Human Resources Department to discuss potential means of resolving the complaint. If the matter is resolved to the complainant's satisfaction the matter is deemed to be resolved.

If the matter is not resolved to the complainant's satisfaction, the matter is to be dealt with under Article 19.1.2.

19.1.2 A formal investigation may be commenced following non-resolution of an alleged complaint under Article 19.1.1.

19.1.3 Given the sensitivity of such situations and the desire to handle these in a confidential manner, complaints shall be referred to the Superintendent or designate. At any meeting with the Superintendent or designate in this regard, the complainant may be accompanied by a member of the Union and/or the Union's National Representative. At any meeting with the Superintendent or designate in this regard, the alleged aggressor may be accompanied by a member of the Union and/or the Union's National Representative.

19.1.4 The Employer shall investigate the complaint in a timely manner. Where an **external investigator will be appointed, they must be experienced and qualified in investigating sexual and personal harassment. The investigator shall be selected by mutual agreement in a timely manner.**

19.1.5 In the event that the issue remains unresolved after review by the Superintendent or designate, the employee may refer the matter to the Joint Grievance Committee, Step 3 of the Grievance Procedure.

19.1.6 No employee shall be subject to reprisal or discipline or threat of reprisal or discipline as a result of filing a legitimate complaint of sexual or personal harassment. It is recognized that false or malicious complaints may damage the reputation of, or be unjust to other employees and therefore, disciplinary action may apply in cases where false or malicious complaints are made.

19.2 No Discrimination

19.2.1 There will be no discrimination, as defined in Article 1.9, exercised or practiced with respect to any person covered by this agreement in the matters of hiring, wages, training, up-grading, promotion, transfer, lay-off, recall, classification, or participation in the lawful activities of the Union.

19.2.2 A bona fide occupational requirement shall not be considered discrimination.

19.2.3 None of the foregoing shall hinder the Board's right to discipline, suspend or discharge for just cause.

19.3 Duty to Accommodate

19.3.1 Principle

The Board recognizes the need to have an effective duty to accommodate process and will abide by the Human Rights Code.

19.3.2 In circumstances where an employee may be unable to perform the regular duties of their position due to a disability, the Employer and the Union, together with the affected employee, shall meet to discuss and to consider the available evidence regarding the existence and nature of the disability and, if necessary, options with respect to the accommodation of the employee. The affected employee shall participate and cooperate fully in this process and follow through with implementation plans.

19.3.3 The parties shall share with each other all information relevant to the accommodation of the affected employee, including medical information pertaining to the employee's disability, and information regarding the requirements/duties of the employee's position.

19.3.4 If the employee cannot be accommodated in their current position, the Employer agrees to look at alternatives to provide an appropriate accommodation to the affected employee.

19.3.5 It is understood and agreed that the Employer will not be required to agree to an accommodation which would impose undue hardship on the Employer.

19.3.6 All accommodations will be reviewed annually or as necessary based on objective medical evidence.

ARTICLE 20 - JOB SECURITY

20.1 Contracting Out

In order to provide job security for the members of the bargaining unit, the Board agrees that it shall not contract out work where it results in a layoff, reduction in hours or failure to recall an employee who has the seniority and required knowledge, ability and skills necessary to perform the work.

20.2 Technological Change

Technological change is defined to mean the introduction and utilization of methods of operation which have not previously been used.

The Board recognizes that it has a responsibility to its employees before the introduction of any technological changes or methods of operation which may adversely affect the continued employment of regular employees, conditions of employment, wage rates or work load. In this respect the Board shall notify the Union at least ninety (90) days before the introduction of the technological change.

The Board further recognizes that regular employees so affected will be given all available opportunities commensurate with seniority and abilities to acquire the necessary knowledge and skills required for retention of their employment.

Notwithstanding the foregoing, it is agreed between the parties that any regular employee who is displaced as a result of technological change or method of operation, will be given an opportunity to fill vacancies related to their skills and qualifications according to seniority.

20.3 Amalgamation or Merger

In the event that the Labour Relations Board determines that there has been a successorship where the School District has been involved in an amalgamation or a merger with any other body or in the event that the School District or a part of the District is amalgamated or merged with any other body, the School District will undertake to encourage the new district, entity and/or region to implement the provisions of the current Collective Agreement, unless the terms of any agreement which the merging district, new entity and /or region has are superior to the working conditions in the current Collective Agreement. In such case the School District will endeavour to have the conditions of the merging agreement apply.

The School District will also make every effort to have employee's seniority rights and service credits relating to vacation and sick leave protected at the time that the merger occurs.

20.4 Employee Workloads

If an employee's hours of work are reduced or their duties are increased due to layoff or if jobs are lost through attrition, the supervisor and the employee shall meet to review priorities and frequencies of duties. If the supervisor and the employee are unable to resolve the revised workload, the employee shall have the right to a Union representative with knowledge of the job in question to assist in a subsequent meeting with the supervisor. The supervisor will also be permitted to use an advisor.

ARTICLE 21

21.1 Crossing of Legal Picket Lines

No employee covered by this Agreement, except in emergency conditions, will be required to enter any building, property or business where a picket line is in evidence, when such picket line is established under the Statutes of the Province of British Columbia or the Statutes of the Dominion of Canada. Failure to cross such a picket line by the members of this Union shall not be considered a violation of this Agreement, nor shall it be grounds for disciplinary action.

21.2 Administering Medication to Students

The District recognizes that the parent is the primary care giver to their child and is responsible to administer or supervise the self administration of medication. It is recognized that there may be situations where it is necessary that medication must be administered during school hours and where a parent is not available. Therefore, with explicit written direction and authority from the parent, the principal or their designate will implement the necessary medical intervention to ensure reasonable safety and well-being of the students.

21.3 Vehicle Vandalism Protection

The Board shall reimburse employees, who in the course of rendering official School District services suffer a loss arising from theft, fire or malicious damage to their vehicle while parked on School District property or while rendering service off-site as defined below. All reasonable precautions must be taken by an employee to safeguard their property-- lock it up, put it away, take it home, cover it, etc., where common sense prevails.

It is further agreed, that where eligible, reimbursement will be issued up to a maximum of three hundred dollars (\$300). When the Vehicle Vandalism Protection fund reaches a balance of five hundred dollars (\$500.00) at any given time, the fund shall be replenished by equal contributions of two hundred and fifty dollars (\$250.00) from the Board and from CUPE, Local 703.

Definitions:

"Malicious damage" means intentional damage to the vehicle and does not include accidents. Regarding malicious damage, certain acts, as examples, will not be eligible for reimbursement:

- Damage to a vehicle due to individual playing baseball or other sporting activities near the vehicle.
- Persons throwing objects at each other and accidentally damaging an employee's vehicle.

"Loss by Fire" means a maliciously started fire. This does not include fires started by acts of God, electrical and/or mechanical problems of the property resulting in a fire.

"School District property" refers to all property owned by School District No. 42 up to and including an additional fifty (50) feet adjacent to and immediately surrounding all such above referred to property.

"Rendering services" means performing those functions as assigned to an employee in accordance with the Collective Agreement. The above services for a day will commence when an employee enters School District property and shall end for that day when the employee leaves School District property.

In instances where duties are performed away from School District property (i.e. field trips, day trips, sporting events, transporting of students) "rendering services" will commence when the employee first picks up the student(s) and/or enters the vehicle relating to the activity and ends when the last student(s) is dropped off and/or the employee leaves the vehicle relating to the activity.

Application for Vehicle Vandalism Protection Reimbursement:

A damage/loss report must be filed containing all the following pertinent information and documentation:

- Employee's name and address
- School where assigned
- Description of property damaged/lost
- Place and time of damage/loss
- Means of securing reimbursement through personal insurance, insurance or personal coverage of the vandal(s), including proof of deductible payment
- A copy of the report filed with the local RCMP detachment

Committee:

1. The Vehicle Vandalism Protection Committee is made up of two (2) individuals -- one (1) CUPE, Local 703 representative and one (1) School Board representative.
2. If the committee cannot make a decision concerning a claim from this fund, the claim in dispute will be forwarded to the grievance procedure for resolution.

21.4 Work at Home

Prior to an employee being asked to work at home on a regular basis, the parties will meet to discuss the terms and working conditions.

21.5 Service Improvement Allocations and Local Table Allocations

21.5.1 Service Improvement Allocations

Commencing in the 2020/21 school year, the Board and the Union mutually agreed to apply the Service Improvement Allocation (SIA) funds, as identified in the Provincial Framework Agreement, for service enhancements that **benefit** students. **Effective July 1, 2022**, enhancements include extending scheduled working hours for instructional support and clerical staff, and compensating qualified Education Assistants for their specialized skills (e.g. sign language, deafblind intervention, total communication facilitation, etc.) utilized to support students.

The District is under no obligation to expend more than the Service Improvement Allocation of \$190,938 per year.

21.5.2 Local Table Allocations

Effective the date of ratification of the 2022-2025 Collective Agreement, the Board and the Union mutually agree to apply a portion of the Local Table Allocation to address existing chronic labour market challenges, extend work hours, and provide training and skills enhancement opportunities.

The Employee Development Committee, referenced in Article 10.10.1, will establish the terms of reference to access any training funded by Local Table Allocations.

The District is under no obligation to expend more than what was allocated to the School District for the 2022-2025 Local Table Allocation of \$318,686 as of July 1, 2022, an additional \$62,860 for \$381,546 as of July 1, 2023, and an additional \$112,520 for \$494,066 as of July 1, 2024.

The use of Local Table Allocation funds is based on estimated costs. Any funds available as a result of changes in initial cost estimates shall be utilized subject to the parties' agreement. In the event that the parties cannot reach agreement on how the money is utilized, it shall be moved to the training fund.

21.6 Lunch Hour Supervision

- 21.6.1 Lunch Hour Supervisors shall be entitled to twelve percent (12%) in lieu of benefits.**
- 21.6.2 The work schedule shall typically be restricted to a daily, one (1) hour period at the assigned school inclusive of the lunch break plus any agreed upon time immediately prior to or after the lunch break, but shall not be more than two (2) hours per day.**
- 21.6.3 It is recognized that employees identified under the School Act may also provide lunch hour supervision pursuant to the School Act.**
- 21.6.4 Seniority for Lunch Hour Supervisors is applied on a classification only basis and shall be the date of hire, which will be maintained as a separate list. Employees shall be entitled to use their seniority for dispatch within the Lunch Hour Supervision classification and for posting to Lunch Hour Supervisor classification vacancies.**

When applying to postings for other job classifications, any time worked as a Lunch Hour Supervisor will be prorated and back-dated from the posting closing date to a calendar date based on eighty-six (86) hours worked being equal to one (1) month of seniority to place them in seniority order on the applicant list. When a Lunch Hour Supervisor is the successful applicant to a different CUPE classification, and upon meeting the criteria for bargaining unit-wide seniority at article 7.2, the prorated seniority date calculated will become the official seniority date.

Lunch Hour Supervisors will be given hiring preference over outside applicants when qualified.

- 21.6.5 Subject to the above, aside from those holding continuing Lunch Hour Supervision positions in combination with another classification, the following Articles shall not apply to Lunch Hour Supervisors:**

ECE/STRONG START FACILITATOR

The terms set out below represent the agreement between the parties who are signatories to the Letter of Understanding with respect to including the position of ECE/Strong Start Facilitator into the bargaining unit represented by the Union.

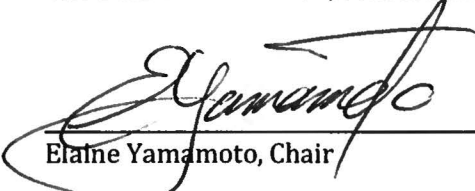

1. The Employer has created the position of ECE/Strong Start Facilitator responsible for delivery of the Strong Start program consistent with the program objectives and direction of the Ministry of Education.
2. The incumbents' seniority dates shall be the date they start employment with the employer. Since more than one (1) employee will have the same seniority date, seniority has been determined to fall in the following order:
 - i. Lori Anderson
 - ii. Erica Hopgood
 - iii. Debbie Hocevar
 - iv. Tracey Robinson
 - v. Carmela Bassetto
 - vi. Kathy Wallace
 - vii. Beth Asham
 - viii. Kathleen Aalten
 - ix. Claire McAleese
3. The Union and the Employer acknowledge that the daily operation of the Strong Start program does not mirror the K-12 education programs or the school day. The Union and the Employer have agreed to recognize this in the application and administration of the Letter of Understanding – 20 Hour Minimum Work Week. It is understood that the School District will not be required to keep a casual list of replacement employees and may therefore have to temporarily close a centre if the required staff are not available.
4. The Union and the Employer agree that the Strong Start Centre will be open for up to five (5) days per week, inclusive of Saturday and Sunday. The parties agree that having regard to the unique nature of the role of the ECE/Strong Start Facilitator and the needs of the program, there is a requirement for flexibility in scheduling the hours of work from Monday to Sunday, with the ECE/Strong Start Facilitator taking two (2) consecutive days off. This flexibility may include the ECE/Strong Start Facilitator working split shifts. A minimum of forty-eight (48) hours' notice will be given before a split shift is scheduled. The hours of work shall be scheduled between 8:00 a.m. and 9:00 p.m. Monday to Friday, and between 8:00 a.m. and 4:30 p.m. on Saturday and Sunday. This flexibility in scheduling the hours of work will require the employee(s) to be available for work on Saturday and Sunday. The parties agree that any applicable breaks as contemplated by Article 10.6 – Break Periods in the Collective Agreement shall be taken during the times that will not interfere with the operation of the Strong Start Centre.
5. The Strong Start program is linked to the School Calendar. It is agreed that as a ten (10) month program, requests for leave of absence by the ECE/Strong Start Facilitator will not normally be permitted as it is expected that there will be no interruption with the delivery of the program.

However, it is understood that a leave of absence without pay may be approved under extenuating circumstances.

APPENDIX E

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

E & O E

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or

- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work- related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;

- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;

- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020. -

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

18. Education Assistant Credential Standardization

Should the Ministry of Education initiate discussions regarding standardized credentials for Education Assistants, the provincial parties will each send a letter to request participation in the process.

19. Provincial Framework Bargaining 2025

The Parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents Council to facilitate the next round of provincial bargaining. \$250,000 will be allocated as of July 1, 2023.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.
