WHEREAS it is the responsibility of all parties to this Agreement to work for the effective and efficient operation of the schools in the School District, all in accordance with the School Act, recognizing meanwhile the parties responsibilities and obligations each to the other as hereinafter set forth;

AND WHEREAS, it is the desire of both parties to this Agreement to maintain a harmonious relationship between the Board and the employees;

AND WHEREAS, the Union shares with the Board a desire to provide this District with efficient service through the medium of the members' labours;

AND WHEREAS, to reach these objectives, both parties recognize the mutual value of joint discussion and negotiation in all matters pertaining to the well-being, morale and security of those employees included in the bargaining unit; for the purpose of implementing the spirit and intent of the foregoing, and without surrendering the right of the Board to determine policy, it is agreed that changes in policy possibly affecting the employees' security or the Union's sphere of bargaining authority will be discussed and negotiated with the Union prior to implementation so that the Union's representatives will, having been advised of such contemplated change, be afforded the opportunity to consult with the Board's representatives in the advisability and practical application of such contemplated change;

ARTICLE 5 DEFINITION OF EMPLOYEES

Section 1 Definitions

a) Regular Employees

- i) Regular employees are those working three (3) hours per day for five days per week or fifteen (15) hours or more per week, who have satisfactorily completed twenty-six (26) weeks of continuous employment as a probationary, temporary, or substitute employee. Regular employees shall be entitled to benefits incorporated in this agreement in proportion to their time worked.
- ii) For the purposes of clarification "continuous employment" shall include and not be interrupted by Christmas and Spring Breaks, provided the assignment starts before and ends after the break.
- iii) It is understood that a non-regular employee must be working in a single temporary assignment for a fifty-two (52) week period in order to qualify for benefits incorporated in this agreement, to include and not be interrupted by Christmas and Spring Breaks, as described above. It is further understood that a single assignment may include minor changes in job duties or multiple work locations or assignments where the ongoing assignment is as a result of the continuous absence of a single regular employee.
- iv) A regular employee, whose hours of work are reduced by the Board to three (3) hours per day for five (5) days a week or fifteen (15) hours per week or less, shall continue to be considered a regular employee as defined in this section for purposes of entitlement to benefits incorporated in this Agreement.
- v) A regular employee whose hours of work are reduced by the Board to three (3) hours per day for five (5) days a week or fifteen (15) hours per week or less, shall have the option to continue as a contributor to the Municipal Superannuation Plan. This option shall be exercised in writing and may not be changed.

b) Casual part-time employees are those employees engaged to perform specific tasks not involving in excess of three (3) hours per day for five (5) days per week or fifteen (15) hours per week, and who are paid at an hourly rate of pay for the position held. Such employees are not entitled to claim welfare benefits incorporated in this Agreement.

c) Temporary employees are engaged for specific projects or to cover the prolonged absence of a regular employee for a period not exceeding two (2) months except by mutual consent of both parties to this Agreement. Such employees are not entitled to claim welfare benefits included in this Agreement, subject however, to subsection (a).

- d) Substitutes are employees who are not normally employed on a regular basis and who are called in to substitute for staff members as required. They may be employed as relief staff in higher rated categories as might from time to time be required. However, should it be anticipated that such relief will be required for prolonged periods (i.e. in excess of one (1) week's duration), replacement shall be drawn from the regular staff, selected when feasible on a seniority basis. Substitute employees may replace any regular staff so temporarily transferred.
- e) Notwithstanding the provisions of subsection (c) above, persons may be employed on grounds work for the period April to October inclusive as temporary employees.
- f) Temporary employees defined in subsection (c), (d), and (e) above will not be entitled to benefits enjoyed by the Union, but the provisions of Article 21 (Promotions, Demotions, Re-classifications and Layoffs) shall be applicable.
- g) Probationary employees are those employees hired to fill a position on the regular staff who are serving a period of not more than six (6) months in order to determine suitability for continued employment.

An employee who works a minimum of five (5) uninterrupted weeks in a vacant position and is the successful applicant when that position is posted and commences in that assignment without interruption shall have that time worked credited toward completion of the probationary period.

Section 2 Confirmation

When an employee is appointed to the regular staff, the date of commencement of the probationary period shall be the anniversary date for the purpose of calculating service for any benefits in this Agreement. However, when such an employee has prior temporary employment with the Board, the employee's anniversary date will be ante-dated to allow for those days of temporary employment falling within the twelve (12) month period immediately preceding the date of commencement of probation.

Section 3 Temporary Position

To avoid confusion and conflict, a temporary position, as opposed to a temporary employee, is defined as follows:

- a) A temporary position is one created to fill a specific work requirement which is anticipated to be of limited duration. Such a position may be filled by either a temporary employee, a casual part-time employee, or a regular employee, dependent upon the requirements of the position. Prior to establishing and filling such a position, it will be discussed with the

Union to mutually establish the anticipated duration, the best manner of filling such a position and the consequences of it being filled by a regular employee.

- b) A regular employee who posts into a temporary position shall return to their regular position at the end of the temporary assignment, if the temporary assignment:
 - i) is in a different classification from their regular position; or
 - ii) is a different shift from their regular position; or
 - iii) pays more than the regular position during the course of the assignment.

At the end of a temporary assignment which does not meet one of the above criteria, the employee shall be deemed to be a regular unassigned employee in their former classification with no loss of pay or benefits.

Section 4 Assignment of Substitutes

The Board agrees that in assigning substitute work it will make every effort to use a single employee in each continuous assignment, and that ongoing, long-term vacancies will not be filled by assigning a series of substitute employees.

ARTICLE 6 REMUNERATION

Section 1 Salary Scale

The schedule of salaries attached to this Agreement shall form a part thereof, and shall prevail and govern during the term of this Agreement. (Schedule "A" - Salary Schedule).

Section 2 Pay Periods

The Board agrees to maintain a two-weekly pay period during the life of this Agreement.

Section 3 Work Week

The work week is deemed to commence at midnight Saturday.

ARTICLE 7 CLERICAL STAFF HOURS OF WORK & OVERTIME

Section 1 35 Hour Week

- a) The hours of work for clerical staff shall be Monday to Friday inclusive, between the hours of 7:00 a.m. and 5:00 p.m., with the exception of the Call Board Operator and employees in the Continuing Education Division.

Regular hours of work shall be seven (7) consecutive hours per day, exclusive of one hour for lunch, or one-half hour for lunch at the employee's request and with the approval of the Supervisor, and thirty-five (35) hours per week, always provided that all school offices, the Maintenance Shop and the School Board Administration Offices are adequately staffed from 8:30 a.m. to 4:30 p.m. during the school year.

Section 2 Overtime

Hours worked in excess of seven (7) in a twenty-four (24) hour period commencing with the start of such shift shall be deemed to be overtime. The first four (4) hours overtime in any week shall be paid at the rate of time and one-half (1 1/2) and all subsequent overtime in that week at the rate of double time. Double time will be paid to all except casual part-time employees for all call-outs on Saturdays, Sundays or holidays exclusive of normal holiday pay the employee is entitled to under Article 18 (Statutory Holidays). PROMOTIONS, DEMOTIONS, RE-CLASSIFICATIONS & LAYOFFS

Section 1 Definitions

- a) Promotion shall be defined as the movement of an employee to a position involving increased responsibilities and duties, or to a position with increased hours of work, or to a position with a higher rate of pay.
- b) Demotion shall be defined as the movement of an employee to a position involving reduced responsibilities and duties, where there is a reduction in the hours of work or where there is a reduction in the rate of pay. Demotions shall not be used as a disciplinary measure.
- c) Transfer shall be defined as a lateral movement of an employee from one position to another which involves similar responsibilities and duties or is within the same classification and with the same number of hours of work.
- d) Layoff shall be defined as a reduction in the work force, or a reduction in the regular hours of work as defined in this Agreement.
- e) In the event adjustments in staffing resulting from the application of Board Regulations are required, every effort shall be made to ensure that an employee's hours are maintained through reassignment. However, if an employee's hours cannot be maintained, the affected employee shall be deemed to have been laid off.

If, as the result of a school closure, employees cannot be placed in similar positions, then those employees shall be deemed to be laid off.
- f) For the purpose of promotion, transfer, layoff, recall and termination of service, if two or more employees have the same seniority date, then the dates of the employees' letters of appointment to the regular staff, may be used for the purpose of breaking any deadlock.

Section 2 Bulletins

- a) Where vacancies are created through promotions, resignations, retirements or dismissals and when new positions are created, notice thereof will be posted electronically and in the Administration Offices, Maintenance Shop, and staff rooms (or equivalent) of each school. A copy of every bulletin will be forwarded to the Secretary of the Union within seven (7) days. The closing date of bulletins will be a minimum of seven (7) calendar days after posting, with the exception of bulletins closing during the summer months, which will be posted for a minimum of fourteen (14) calendar days.

It is agreed and understood that an increase of two (2) days or more in a part-time position constitutes a major change and creates a new position. An increase of less than two (2) days is a minor change and does not constitute a new position. A copy of each bulletin will be mailed to each laid off employee whose name is on the recall list.

- b) Such posting and notice shall contain the following information: Nature of position, required ability, hours of work, location, anticipated commencement date and wage rate or salary range.
- c) The Secretary of the Union and the appropriate Shop Steward are to be advised of the name(s) of the successful applicant(s) within fifteen (15) working days following the closing date for receipt of applications.
- d) All unsuccessful applicants may protest in writing to the Human Resources Department within seven (7) working days of being notified the position was filled.

Section 3 Secondary Seniority

Casual employees shall accumulate seniority within the casual employee ranks. This seniority will only be used when comparing one (1) casual employee to another casual employee when applying for a position within the Board and, with effect from date of award for shift assignment. Casual employees shall have the right to apply for posted regular and temporary positions. A casual employee who is successful in obtaining a permanent position shall have their accumulated seniority credited retroactively once the employee has passed a probationary period in a permanent position.

- a) Effective June 13, 2001 casual employees shall gain bidding rights upon completion of sixty (60) shifts in any six month period. For the initial implementation of this clause, the total number of shifts worked since December 1, 2000 will be used. Effective the date of ratification of the 2019-2022 Collective Agreement, it is understood that secondary seniority shall not be interrupted by the Summer Break.
- b) Upon attaining bidding rights, casual employees shall be able to use their seniority in applying for posted positions. Such seniority may be used after regular employees have been considered and before non-senior and outside applicants. Seniority will be the determining factor between relatively equal applicants for the purpose of this clause only.
- c) Casual employees who have not attained bidding rights may apply for posted positions and will be considered as outside applicants.

- d) Casual employees who have attained secondary seniority/bidding rights shall be called for casual assignments for which they are qualified in order of their secondary seniority.
- e) Secondary seniority shall be lost in the event the employee:
 - Fails to respond to eight (8) call-ins or call-outs within a twelve (12) month period.
 - The employee is terminated and not reinstated.
 - The employee terminates employment with the Board.
- f) It is understood that an employee who is unavailable for assignment shall notify the Board in advance in writing except in cases of emergency. Failure to do so will result in the employee being charged with a single refusal.
- g) A list showing the secondary seniority of each casual employee by the number of shifts completed will be sent to the Union and posted as at June 22, 2001. This list will be used for job posting and shift assignment until the next update.
- h) An up-to-date list showing the number of shifts completed for each employee shall be sent to the Union and posted at each worksite in October and April of each year. This list will be used for job posting and shift assignment until the next update.

A casual employee who has acquired secondary seniority and is unavailable for work by virtue of a WorkSafeBC compensable injury in the employ of the school district shall have any shifts missed due to that injury/claim credited towards their shift count accumulation.

- i) The six month period for acquiring secondary seniority shall be extended for the duration of the injury for a casual employee who has not acquired secondary seniority and who is unavailable for work by virtue of a WorkSafeBC compensable injury in the employ of the school district. Any credited shifts shall be retained toward the calculation of secondary seniority.

Section 4 Definition of Seniority

Seniority is defined as the length of service in the bargaining unit.

Section 5 Calculation of Seniority

- a) When an employee is appointed to the regular staff, the date of commencement of the probationary period shall be the employee's seniority date, adjusted as necessary in accordance with the following conditions:

- i) A casual employee who has attained secondary seniority and is successful in obtaining a permanent position shall have their accumulated seniority credited retroactively once the employee has passed a probationary period in a permanent position.
 - ii) Period(s) of service prior to temporary layoff (as defined in Article 21, Section 11 (Recall Procedure)) will be allowed.
 - iii) Service is to be interpreted as full time employment.
 - iv) Overtime will not count as service for seniority.
 - v) When an employee is absent on an extended period of unpaid sick leave, the first twelve (12) months of the period will count towards seniority, but any absence over twelve (12) months will not be counted.
 - vi) When an employee is absent on an accepted LTD or WorkSafeBC (WCB) claim, up to twenty-four (24) months of the period of absence will count towards seniority, but any absence over twenty-four (24) months will not be counted.
 - vii) When an employee is absent on an extended period of leave of absence without pay other than unpaid sick leave, the first six (6) months of the period will count towards seniority, but any absence over six (6) months will not be counted.
- b) Contract work will not count as service for seniority.
- c) Employees who resign their positions shall lose all seniority on termination.
- d) This method of computing service with the Board shall be used only for seniority purposes. It is not to be used for the purpose of calculating benefits contained in the Agreement.
- e) Employees who work in the bargaining unit and accept or are promoted to positions excluded from the Union's certificate of bargaining authority and employees who have held during their employment with the Board, no other than excluded positions, who may return or obtain a position within the jurisdiction of the bargaining unit, shall have their total years of seniority with the Board applied only to benefits which are determined by seniority/length of service.
- For the purpose of promotion, transfer, layoff and recall, only that seniority accrued while working in the Union certificate of bargaining authority shall be applicable.
- f) A seniority list will be issued within 30 days of March 31st each year and shall be deemed to be correct for that year unless an objection is

received from any employee concerned within thirty (30) days after the said list has been issued.

Section 6 Seniority

In making promotions, demotions, transfers and layoffs, the required knowledge, ability and skills for the position shall be the primary consideration.

When two (2) or more applicants are capable of fulfilling the duties of the position, seniority or years of continuous service with the Board shall be the determining factor. In all instances, present qualified employees shall be given preference.

Selection shall be made at the discretion of the School Board but employees retain the right to appeal under the grievance procedure contained in this Agreement.

Section 7 Application of Section 6 above

- a) In the matter of promotions, the employee must be an applicant for the vacant position and must furnish with the application satisfactory evidence of qualifications for the position.
- b) In cases of promotion or demotion requiring different qualifications or certification, the employer shall give consideration to employees who do not possess the required formal qualifications, but are preparing for qualifications prior to filling a vacancy. Such employees will be given an opportunity to qualify within a reasonable length of time, as mutually agreed between the parties to the Agreement, and to revert to their former positions if the required qualifications are not met within such time.
Extensions may be considered due to extenuating circumstances and agreement of the Parties.

Section 8 Job Security

- a) Both parties recognize that job security shall increase in proportion to length of service. In the event of a layoff, the Board shall notify incumbent employees and the Union when their position shall be subject to layoff. Employees so notified can then exercise their seniority rights to bump other employees with less seniority. An employee about to be laid off may bump any employee with less seniority, provided the employee exercising the right is qualified, in accordance with Article 21, Section 6 (Seniority), to perform the duties of the position held by the less senior employee.

A laid off employee retaining recall rights shall be called in order of seniority for casual/substitute work provided the employee is qualified in

accordance with Article 21, Section 6 (Seniority). Accordingly, at the time of layoff, an employee shall indicate in writing those areas in which the employee is qualified and wishes to be considered for casual/substitute work. An employee may change those areas in which they wish to be considered for casual/substitute work in the event that they are qualified.

- b) It is not the intent of these layoff and recall procedures that regular 10 month employees are allowed to bump other employees during normal school closures.
- c) The bumping procedure shall be undertaken in such a way that an orderly process is ensured.
- d) It is mutually agreed that the movement of employees under this procedure shall be accomplished without reference to the posting procedure contained in Article 21, Section 2. However, normal vacancies that may occur due to attrition or job creation shall be posted.
- e) If, as the result of a layoff, an employee wishes to exercise seniority to move to a position which the employee has not previously held and served the required probationary or trial period, the employee shall furnish proof of qualifications acceptable to the Board as provided under Section 7 a) of this Article and shall be required to serve a three (3) month trial period as provided under Section 12 a) of this Article.
- f) Grievances concerning layoffs and recall shall be initiated at Step 2 of the Grievance Procedure.
- g) Volunteers will not be scheduled to perform work normally carried out by regular union staff. Other employee groups will not perform work normally carried out by regular union staff. The use of volunteers shall not result in:
 - i) layoff of employees as defined in Article 21, Section 1 d);
 - ii) failure to recall laid-off employees who retain recall rights;
 - iii) failure to call a substitute or casual employee for an assignment.

Section 9 Contracting Out

Contracting out shall not result in the layoff or reduction in hours of regular employees or the failure to recall available laid off employees retaining recall rights who possess the required knowledge, ability and skills necessary to perform the work.

In order to ensure the employment security of members of the bargaining unit, the Board agrees that it will not expand the contracting out of services or

work currently performed by members of the bargaining unit, unless mutually agreed to by the parties.

Further, the Board will endeavour to assign new, as yet unforeseen, work into the bargaining unit.

If after discussions the Union still objects and the Board decides to implement the proposed change or to contract out the new work, it shall provide the Union with written reasons. The Union shall have the right to seek a resolve through S.54 of the BC Labour Relations Code.

The Board will take all reasonable steps to ensure that participating contractors pay wages in accordance with current wages in the District in accordance with the School Act.

At any time up to sixty (60) days following the date of layoff, a laid off regular employee shall elect in writing either to receive severance pay or to be placed on a recall list for a period of up to one (1) year from the date of layoff. An employee who elects to receive severance pay shall forfeit all seniority rights and rights of recall.

For the purpose of this section, the following shall apply:

- Service shall be defined as the length of an employee's service in years and completed months, dating from the employee's seniority date to the date of layoff.
- Annual salary on which severance pay is based shall be based on the employee's number of scheduled work and paid days, prorated for part-

Section 11 Recall Procedure

- a) In the event of a layoff not exceeding a period of one year, the Board agrees to recall, after the completion of the posting procedure contained in Article 21, Section 2, employees affected by such layoffs in order of their seniority provided they have suitable qualifications. New employees shall not be hired until those laid off have been given an opportunity of recall.

- i) remaining in the position on the new schedule, or
- ii) applying seniority to transfer to a comparable position at the same pay grade at the employee's existing working schedule.

If a comparable position is not available the transfer may be delayed for up to twelve months. At this time an employee whose position is being changed from a twelve (12) month schedule to a ten (10) month schedule shall have the option of accepting the ten (10) month schedule or to be treated as having been laid off. Where the incumbent chooses alternative ii) the position shall be posted in accordance with Article 21, Section 2 (Bulletins).

Pay Equity / Gender Neutral Job Evaluation Maintenance Agreement
July 13, 1999*

PAY EQUITY/GENDER NEUTRAL JOB EVALUATION MAINTENANCE AGREEMENT

It is agreed between the parties that it is desirable that there should be a standard procedure for a PAY EQUITY/GENDER NEUTRAL JOB EVALUATION MAINTENANCE AGREEMENT for positions and classes covered by the Collective Agreement between the parties.

The 1999 approved Job Descriptions, Ratings, Job Evaluation Plan, the Job Evaluation Questionnaire, the Pay Equity Implementation Agreement and the Collective Agreement are the guiding documents of this Pay Equity/Gender Neutral Job Evaluation Maintenance Agreement and shall be the basis for all future procedures.

a) Joint Job Evaluation Committee

The Pay Equity/Gender Neutral Job Evaluation Agreement shall be administered by a Joint Job Evaluation Committee (J.J.E.C.) which shall consist of two committee members and one alternate representing the Board and two committee members and one alternate representing the Union. The committee shall be gender balanced and reflect as wide a variety of classifications as possible.

The Board shall arrange leaves of absence for the committee members to do the J.J.E.C.'s work and shall pay all costs associated with the J.J.E.C.'s work. The Board will supply necessary clerical support so the J.J.E.C. may do its work in a timely manner.

b) Joint Job Evaluation Committee (J.J.E.C.) Responsibilities

- i) Review new positions established by the Board.
- ii) Review existing positions or classifications as requested by the employee, Union or the Board.
- iii) Modify the job descriptions of existing positions or classifications as requested by the employee, Union or the Board.
- iv) Review appeals of positions or classifications as requested by the employee, Union or the Board.

c) Joint Job Evaluation Committee Decisions

All J.J.E.C. decisions shall be by consensus of the committee. Where the committee cannot reach consensus the matter shall be referred to

the parties for discussion. If unresolved at that stage the matter may be taken to arbitration pursuant to this agreement.

d) Establishment of New Positions and Classifications

Whenever the Board needs to establish a new position, the following procedures shall apply:

- i) The Board shall prepare a draft Job Description for the position.
- ii) The J.J.E.C. shall meet and based on the draft job description and preliminary rating of the position establish a temporary pay rate.
- iii) The position(s) shall be posted and any person appointed to the position shall be paid the temporary pay rate. The Union shall be notified that the posting has been filled.
- iv) After six (6) months from the appointment of an incumbent to the position, the incumbent(s) and the supervisor shall complete a Job Evaluation Questionnaire, which shall be submitted, along with an updated Job Description, to the J.J.E.C.
- v) The J.J.E.C. shall review the Job Description and rate the position accordingly. The rating of the position shall determine the pay rate for the position. The J.J.E.C. shall notify the incumbent, Board and Union of any changes to the Job Description and the rating.
- vi) The calculated pay rate shall be paid to each incumbent effective the date of their appointment to the position.
- vii) In the event that the pay rate is lower as the result of the six month re-examination of the job, the incumbent's current pay rate will be reduced to the new pay rate at the beginning of the next pay period following completion of any Appeal Review or Arbitration. The J.J.E.C. shall notify the employee, Board and Union.

e) Job Evaluation Reviews for Female Dominated Positions

Whenever the Board changes the duties and responsibilities of a position or the incumbent(s)/Union feel that the duties and responsibilities of a position have been changed, or that the Job Description does not reflect the duties and responsibilities of the position, the following procedures shall be followed:

- i) The incumbent(s)/Union or the Board/supervisor may request a Job Evaluation Review by completing and submitting a Job Evaluation Review Request Form. The date that the completed Job Evaluation Review Request Form is received by the J.J.E.C. is the date that any retroactivity shall be implemented. The J.J.E.C. shall provide the Job Evaluation Questionnaire to the incumbent(s) so that their portion of the Questionnaire can be completed and returned to the J.J.E.C. within thirty (30) calendar days. If this time limit is not met, it will be assumed that the

employee(s) no longer want the review and the request for review is terminated. When the Questionnaire has been returned to the J.J.E.C., it shall then be sent to the supervisor for the completion of the Questionnaire and shall be returned within thirty (30) calendar days to the J.J.E.C.

- ii) Upon receipt of a completed Job Evaluation Questionnaire, the J.J.E.C. shall proceed to review the position. Where further information is required, interviews shall be held with employee(s) and/or supervisors and/or visits to the work site. Based on all information, the J.J.E.C. shall update the Job Description as necessary. The J.J.E.C. shall normally have thirty (30) working days to complete a Job Evaluation Review after receipt of the completed Job Evaluation Questionnaire.
- iii) Where the Job Description has been changed, the J.J.E.C. shall meet to rate each sub-factor, and to establish a new Rating for the position and advise the incumbent(s), the Board and the Union of its decision.
- iv) The rating of the position shall determine the pay rate for the position. If there is less than fifteen (15) point change in the revised rating for the position, the pay rate will remain as in the Collective Agreement.
- v) If there is a fifteen (15) point or greater change in the revised rating for a position, the pay rate shall be determined by the following formula:
- vi) Adjust the Collective Agreement pay rate for the position by an amount equal to the point change multiplied by the cents per hour (3 cents) adjustment resulting from the original calculation of the male regression line.
- vii) In no circumstances may an inequity identified in the initial pay equity review be re-established.
- viii) When the review is complete, the J.J.E.C. shall provide the Board, the Union and the incumbent(s) a copy of the Job Description, Rating and/or new pay rate. Both parties should respond with their acceptance within thirty (30) working days. No response to the J.J.E.C. within thirty (30) working days, from the Board or the Union shall indicate acceptance of the J.J.E.C.'s review results.
- ix) If the Board or Union are not able to agree on the Job Description, Rating or Pay rate, the matter shall be referred to an Appeal Review.

f) Job Evaluation Review for Male Dominated Positions

Whenever the Board changes the duties and responsibilities of a position or the incumbent(s)/Union feel that the duties and

responsibilities of a position have been changed, or that the Job Description does not reflect the duties and responsibilities of the position, the following procedures shall be followed:

The incumbent(s)/Union or the Board/supervisor may request a Job Evaluation Review by completing and submitting a Job Evaluation Review Request Form to the J.J.E.C. The date that the completed Job Evaluation Review Request Form is received by the J.J.E.C. is the date that any retroactivity shall be implemented. The J.J.E.C. shall provide the Job Evaluation Questionnaire to the incumbent(s) so that their portion of the Questionnaire can be completed and returned to the J.J.E.C. within thirty (30) calendar days. If this time limit is not met, it will be assumed that the employee(s) no longer want the review and the request for review is terminated. When the Questionnaire has been returned to the J.J.E.C., it shall then be sent to the supervisor for the completion of the Questionnaire and shall be returned within thirty (30) calendar days to the J.J.E.C.

Upon receipt of a completed Job Evaluation Questionnaire, the J.J.E.C. shall proceed to review the position. Where further information is required, interviews shall be held with employee(s) and/or supervisors and/or visits to the work site. Based on all information, the J.J.E.C. shall update the Job Description as necessary. The J.J.E.C. shall normally have thirty (30) working days to complete a Job Evaluation Review after receipt of the completed Job Evaluation Questionnaire.

Where the Job Description has been changed, the J.J.E.C. shall meet to rate each sub-factor, and to establish a new Rating for the position and advise the incumbent(s), the Board and the Union of its decision.

When the review is complete, the J.J.E.C. shall provide the Board, the Union and the incumbent(s) a copy of the Job Description and the rating. Both parties will then meet to negotiate a rate of pay consistent with the pay plan adopted by the parties and considering the PSEC principle that after the initial pay equity review is complete the parties must maintain the principles of pay equity as outlined in the 1995 Pay Equity Policy - Principle and Guideline documents.

The rating of the position shall determine the pay rate for the position. If there is less than fifteen (15) point change in the revised rating for the position, the pay rate will remain unchanged.

If there is a fifteen (15) point or greater change in the revised rating for a position, the J.J.E.C. will recommend a pay rate for the position that

considers the principles of Pay Equity as outlined in the 1995 Pay Equity Policy D Principles and the formula that follows:

Adjust the Collective Agreement pay rate for the position by an amount equal to the point change multiplied by the cents per hour (3 cents) adjustment resulting from the original calculation of the male regression line.

In no circumstances may an inequity identified in the initial pay equity review be re-established.

When the review is complete, the J.J.E.C. shall provide the Board, the Union and the incumbent(s) a copy of the Job Description, Rating and/or new pay rate. Both parties should respond with their acceptance within thirty (30) working days. No response to the J.J.E.C. within thirty (30) working days, from the Board or the Union shall indicate acceptance of the J.J.E.C.'s review results.

If the Board or Union are not able to agree on the Job Description, Rating or Pay rate, the matter shall be referred to an Appeal Review.

g) Appeal Review

If the Board or the Union do not accept the results of the J.J.E.C. review, they may initiate an Appeal Review by filing an appeal letter with all pertinent information, to the J.J.E.C. within thirty (30) calendar days. The J.J.E.C. will then meet for an Appeal Review of the new information so provided and will respond within another thirty (30) calendar days. The J.J.E.C. may also invite the parties to the Appeal Review if necessary. Either party may attend the J.J.E.C. deliberations if they so desire.

Results of the Appeal Review shall be communicated by the J.J.E.C. to both parties. Should the Appeal Review results not be accepted by the Board or the Union, then the matter may be referred to Arbitration within thirty (30) calendar days of the J.J.E.C.'s Appeal Review Report.

h) Arbitration

The matter shall be referred to Joan Gordon or Rod Germaine as a single arbitrator for binding resolution. The arbitrator shall first of all attempt to settle the matter by mediation-arbitration. The arbitrator shall be provided with all relevant documentation. Either party may have advisors or counsel present at the mediation-arbitration.

If unable to do settle the matter the arbitrator shall proceed to hear the case and make a ruling.

The Arbitrator shall be bound by the Collective Agreement, Pay Equity Plan documents and this Agreement and shall not have the power to modify or amend any of their provisions. The jurisdiction of the Arbitrator shall be limited to the matter in dispute, as submitted by the parties.

The Board and the Union shall be the parties to the arbitration hearing and shall have the right to present evidence and argument concerning the matter in dispute. The Arbitrator shall have the powers of an arbitrator appointed pursuant to the Collective Agreement and, in addition, shall have the authority to require the parties to present additional information and to require other person(s) to present evidence, as deemed necessary by the arbitrator.

The Arbitrator's fees and expenses shall be borne equally between the parties.

i) Time Limits

The time limits contained in this agreement may be extended by mutual agreement of the parties.

j) Job Descriptions and Ratings

Once a Job Evaluation Review is complete and accepted by the Board and the Union, the revised Job Description(s) and Rating(s) shall be implemented by the parties and shall supersede the former or shall be added.

k) Pay Adjustments Resulting From Job Evaluation

In the event that a position or job description is changed and results in a new pay rate, that new pay rate shall be implemented to the date of retroactivity that has been previously established. The pay rate changes shall be implemented when the Review, the Appeal Review or the Mediation-Arbitration is final. In no circumstances will an employee's pay rate be reduced.

l) Changes to the Job Evaluation Plan

The Joint Job Evaluation Committee may request from time to time that the Job Evaluation Plan or Job Evaluation Questionnaire be modified. These documents may be modified at any time by mutual consent of the parties.

m) Term of Agreement

This Pay Equity/Gender Neutral Job Evaluation Maintenance Agreement shall remain in full force and effect unless either party gives written notice of its intention to amend or terminate this Agreement.

Notice shall be given at least sixty (60) days prior to the expiry of the collective agreement.

If such notice is given, this Pay Equity/Gender Neutral Job Evaluation Maintenance Agreement shall be terminated if there is no agreement to amend or to continue this agreement during bargaining for renewal/revision of the collective agreement.

LETTER OF UNDERSTANDING #1

Re: Applications from full-time employees for a reduction in hours

Requests for a temporary reduction in hours can be initiated by interested, full-time regular employees in writing to the Supervisor of Non-Teaching Personnel. Applications will be given consideration where the needs of the school and/or the department will continue to be met and alternative part-time positions are not readily available. Also, the viability of the proposal will be considered with respect to increased salary and benefit costs for the district.

If the Board's concerns are satisfied, the Supervisor of Non-Teaching Personnel will forward the request to the Union President for consideration.

All arrangements will reflect the Union's and the Board's desire to maintain and preserve full-time positions.

Approved job sharing arrangements will be consistent with the following conditions:

- 1) A letter of understanding between the Union and the Board will be made in each specific case.
- 2) Job sharing arrangements will not result in a permanent reduction in the total number of full-time positions in the District.
- 3) When a job sharing arrangement is agreed upon, a posting for the new temporary position will be issued.
- 4) Arrangements are to be considered temporary for the duration of the current school year or such other appropriate length of time not to exceed 12 months.
- 5) If the incumbent, full-time employee wishes the arrangement to be extended, a written application for extension must be made at least three months prior to the expiration date. The application for extension will be reviewed by the Union and the Board and can be renewed for a further period of up to 12 months or one school year only.
- 6) The work schedule for the shared position shall remain the same, as if the position were not shared (i.e. the two employees will not work simultaneous hours).
- 7) Employees party to these arrangements will be entitled to benefits subject to the provisions of the Collective Agreement.

- 8) Joint applications from two or more employees for a single, full-time posted vacancy will not be accepted.
- 9) If there is a significant change in the school or department's needs in mid-year, the job sharing arrangement may need to be reconsidered.
- 10) If the incumbent full-time employee resigns or is reassigned during the tenure of a job sharing arrangement, the sharing arrangement will be canceled and the original full-time position will be posted.
- 11) Should the incumbent full-time employee need to discontinue the job sharing arrangement due to a significant change in their personal circumstances, the position will revert to full-time and the second incumbent will return to their original position.
- 12) When the term of the job sharing arrangement expires, both incumbents will revert to their original positions.

Re: Scheduling - SWIS Workers, Cultural Interpreters, Central Registration and International Student Programs

The parties to this Collective Agreement recognize the unique nature of the Settlement Workers in Schools (SWIS) program, Cultural interpreters, the international School Program and the role of Central Registration. The hours for these departments need to be flexible in order for the programs to effectively work for the public and the School District's customers.

Section 1 35 Hour Week

- a) The hours of work for SWIS workers, Cultural interpreters and clerical staff in ISP and Central Registration shall be Monday to Friday inclusive, between the hours of 7:00 am and 5:00 pm, however, with two (2) weeks notice, the hours may be adjusted to 9:00 pm to accommodate the requirements of the department. It is understood the shifts after 5:00 pm will only be used for unique circumstances and will not become a regularly scheduled shift.

Regular hours of work shall be seven (7) consecutive hours per day, exclusive of one (1) hour for lunch, or one-half (0.5) hour for lunch at the employee's request and with the approval of the Supervisor, and thirty-five (35) hours per week.

- b) With two (2) weeks notice, staff may be scheduled to work on the weekend and will be paid at straight time rates providing they do not work more than five (5) days in a week. It is understood work on the weekend will only be used for unique circumstances and will not become a regularly scheduled shift.

Section 2 Overtime

Hours worked in excess of seven (7) in a twenty-four (24) hour period commencing with the start of such shift shall be deemed to be overtime. However, where an employee of the above department works two separate shifts in a twenty-four (24) hour period, and there is a break of at least seven (7) hours between the shifts, the second shift will not be deemed to be overtime. The first four (4) hours overtime in any week shall be paid at the rate of time and one-half (1.5) and all subsequent overtime in that week at the rate of double time. Double time will be paid to all, except casual part-time employees for holidays, exclusive of normal holiday pay the employee is entitled to under Article 18 (Statutory Holidays). For the purpose of computing the overtime rate, the two-weekly salary shall be divided by seventy (70), being the number of working hours in a pay period. It is agreed that casual part-time, substitute or temporary employees will not be called upon to do work that would normally be done by regular employees, except in emergent circumstances.

Ratification

This MoA is subject to ratification by the Board of Education of School District No. 38 (Richmond School District), the British Columbia Public School Employers' Association, and the membership of Canadian Union of Public Employees, Local 716.

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

**Year
Amount
District Minimum**

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC) Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.

- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020.

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a

process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

17. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

18. Education Assistant Credential Standardization

Should the Ministry of Education initiate discussions regarding standardized credentials for Education Assistants, the provincial parties will each send a letter to request participation in the process.

19. Provincial Framework Bargaining 2025

The Parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding to the K-12 Presidents Council to facilitate the next round of provincial bargaining. \$250,000 will be allocated as of July 1, 2023.

20. Provincial Dispute resolution

The provincial parties may mutually agree to refer a dispute under Provincial Framework Agreement to final and binding arbitration.

21. Funding

Funding for the Provincial Framework Agreement will be included in operating grants to Boards of Education.

22. Employee Support Grant

The Parties agree to the principle that Support Staff union members who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout will be compensated in accordance with the letter of agreement in Appendix A.

23. Adoption of the Provincial Framework Agreement

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

1. The ESG will be available provided that:
 - a. A board and local union have a collective agreement which has been ratified by both parties no later than January 25, 2023 and,
 - b. There has been no successful strike vote by the BCTF or local support staff union prior to local union ratification.
2. Employees are expected to attend their worksite if there is no lawful BCTF picket line.
3. Employees who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout shall be compensated. This compensation shall be in accordance with the following:
 - a. In the event that employees are prevented from attending work due to a lawful picket line, employees will be paid for all scheduled hours that the employee would have otherwise worked but for the labour dispute. Their pay will be 75% of their base wage rate.
 - b. The residual 25% of the employees’ base wage rate will be placed in a district fund to provide professional development to support staff employees. Funds will be dispersed by the district following agreement between the district and the local union.
4. Within forty-five (45) days of the conclusion of the labour dispute between BCPSEA and the BCTF, boards will reimburse each employee for all scheduled

hours for which the employee has not otherwise been paid as a result of strike or lockout.

5. If the employee disputes a payment received from the board, the union may submit the dispute with particulars on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.
6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.
