SCHEDULE “B”: HOURS OF WORK

The Employer and the Union agree that the appended schedule sets out the hours worked in each work location.

Provisions of Article 17(A) shall apply to hours worked outside of those set out in this schedule. Amendments to this schedule may only be made by mutual agreement of the parties to this Agreement.

- The P.M. Custodian position in secondary school that is posted as a 4:00pm – 12:00am shift shall be permitted to work 3:00pm to 11:00pm except when required to work 5:00pm to 1:00am.
- Bus Garage Hours – In the months of July and August, hours of work will be 7:00 am – 3:30pm with the assurance that one employee will work 7:30am – 4:00pm daily.

Schedule “B” will be updated September 1, December 15, and May 15. An electronic copy will be posted and available through the SD73 employee intranet site.

SCHEDULE “C”: ALLOCATION OF EXTRA BUS TRIPS

In Kamloops the period of time for the equitable allocation of extra bus trips is from September 1 to June 30. Regular bus drivers in posted positions in Kamloops who wish to drive extra trips shall indicate to the Bus Driver Dispatcher that they wish their name to be placed on the daytime (8:30 am to 3:00 pm) extra trip roster and/or the evening, weekend, and extra sports trip roster. Extra sports trips are defined as those extra sports trips that do not interfere with a regular driver’s route.

At the beginning of each school year all Bus Drivers shall be deemed to have zero accumulated hours. Henceforth, all extra day trips shall be allocated in a manner that will equalize as close as reasonably possible the accumulated hours on extra day trips of each bus driver who has placed their name on the daytime roster throughout each school year term.

In cases where a bus driver places their name on the daytime extra trip roster during the school year term, the Dispatcher shall, at that time, total the number of hours accumulated from the start of the school year term by all the drivers on the daytime roster and divide those hours by the number of drivers. Those hours shall be then allocated to the new driver the same as if they had been accrued by working extra trips.

Evening, weekend, and extra sports trips shall be dispatched on a rotating basis among those drivers whose names have been placed on the evening, weekend, and extra sports trip roster. Hours will be recorded on a separate roster from the extra day trip roster.

All trips which can commence and can be completed during school hours (8:30 am to 3:00 pm) without interfering with regular runs providing District buses and drivers are available will be driven by a CUPE member who has been pre-qualified by the Manager of Transportation.

All trips originating in Kamloops would be dispatched through the Dispatcher at the Kamloops Bus Garage who would ensure compliance to the above.

All extra trips originating in Clearwater will be offered to regular bus drivers by seniority on a rotational basis and those drivers choosing to take an extra trip shall forfeit their normal bus run(s) on the day(s) affected by the extra trip.

A complete record of all extra trips shall be kept by the Bus Driver Dispatcher who shall make it available to the Union twice a year.

On field trips when the bus is not required to be held over, the driver will be paid as follows:

A minimum of one hour driver pay for the delivery and return or the actual time required to complete the trip, whichever is the greater.

All drivers are to be paid for all time involved on a trip which returns within a 24 hour period and be provided with meals.

On all extra trips which take over four (4) hours, but under seven and one-half (7.5) hours, the driver shall be provided with a minimum of one meal. The maximum amount paid for a meal will be in accordance with Board Policy.

SCHEDULE “D”: LETTERS OF UNDERSTANDING

The following Letters of Understanding have been carried forward or added and will be in effect during the life of the current Collective Agreement.

A joint standing Job Evaluation Committee (JEC) shall have equal representation and participation from the parties, consisting of two representatives from the Employer and two representatives from the Union. Each party may appoint alternate representatives to serve as replacements for absent representatives or to assist the committee in its work, from time to time.

Decisions of the committee shall be made by a simple majority and shall be final and will be referred to the bargaining committees so that they may be incorporated into the negotiation of the overall salary costs for the bargaining unit. Increases will be retroactive to the date the Committee agreed to the additional points.

Either party may engage advisors to assist its representatives on the JEC. Any such advisor shall be entitled to voice opinions but not to vote and shall not be considered to be a member of the committee.

(B) Mandate of the Job Evaluation Committee

The JEC shall:

Maintain the integrity of the job evaluation program.

Use the established plan factors to review and rate updated and new job descriptions.

Recommend changes to the job evaluation plan, its procedures or methods as may be deemed necessary from time to time.

New Positions

Within 30 days job descriptions for any newly created positions shall be referred to the JEC to be rated using the same job evaluation manual and criteria as used for all other positions.

Request for Review

Management and/or the Union may request a review of a job rating when the responsibilities of the job have changed to such a point as to alter the job itself.

The committee shall meet and rate the job description within 30 days.

No job may be reviewed a second time within a twelve (12) month period.

(D) JEC Maintenance Program

It is the intention of the parties to review the rating of all job descriptions over a 4-year period commencing January 1, 1998.

Proposed maintenance adjustments should be referred to the bargaining committees so that they may be incorporated into the negotiation of the overall salary costs for the bargaining unit.

If the JEC cannot reach agreement on a rating, the matter shall be referred to a single arbitrator who shall be jointly selected by both parties. The power of the arbitrator shall be limited to the matters in dispute as submitted. The decision of the arbitrator shall be final and binding. Costs for arbitration shall be as stated in the Collective Agreement.

SUBJECT: JOB SHARING

A position may be shared by two (2) employees where it is deemed to be acceptable by the Employer.

Incumbent refers to the individual who secured a posted position as per Article 12. Partner refers to the individual who secured a shared portion of a position as outlined in this LOU.

Incumbents wishing to job share an assignment:

1. Shall make a written request to the worksite supervisor using the Job Share Application Form with a copy to the Employer and the Union describing the shared arrangement.
2. Where the request is approved by the Employer the shared portion of the position will be filled as per the Collective Agreement.
3. If the job sharing arrangement cannot continue because the incumbent leaves the position, the position shall be posted with its full hours.
4. The partner who posted into the shared portion of the position cannot assume the full hours on a permanent basis until the position is reposted.
5. The incumbent or partner in the position may end the job sharing arrangement by giving 30 days written notice to the Employer and the Union.
6. Partners who secure a job share position in June can bid on recall positions if their job share assignment is 20 hours per week or less, in accordance with Article 12(B).
7. If a job share ends due to the job share partner bidding into a different position at recall, the job share incumbent will be given 7 calendar days to assume the full hours of the assignment.
8. If a job share ends due to the partner vacating the assignment by providing 30 days' notice, the incumbent is to assume the full assignment at the end of the 30 days.
9. The vacated job share portion will be posted once at a subsequent recall or posting meeting. If unfilled during that recall or posting meeting, the incumbent assumes the full assignment for the remainder of the school year.
10. The incumbent holds the position if the job share arrangement ends.

All shared positions:

1. Employees (incumbent and partner) shall earn full seniority, have full rights under the Collective Agreement, and shall be entitled to benefits as set out in the agreement, except that the Employer's cost for premiums for benefits covered in Article 28 (Medical Services Plan, Pacific Blue Cross Extended Health, Pacific Blue Cross Dental Plan and the Employee Assistance Program) shall not exceed the cost of one full-time employee on those plans.
2. The Employer shall provide orientation.
3. Each incumbent and partner shall be entitled to Statutory Holiday pay at the same percentage as the percentage of full time that the employee works.
4. An employee shall have the right to post on any position for which they are qualified.
5. On elimination of the position the incumbent and partner left without a position each have the right to bump.
6. Employees sharing a position shall have first opportunity to cover the other employee's illness, vacation, leaves, etc.
7. Employees who enter into a job sharing arrangement may accept work in addition to the job sharing arrangement as long as the additional work does not conflict with the job share and does not exceed the maximum number of hours of work per day for the classification.

8. The Employer agrees not to increase the workload of the position because of the introduction of job sharing.
9. The Employer agrees there will be no reduction of the position as a consequence of the related job sharing arrangement.

The parties recognize that questions and/or problems may arise from this Letter of Understanding and agree to meet, as necessary, in order to resolve questions that arise.

In the event an individual has a concern with a specific application for job share and has legitimate grounds for appeal, the affected individual may appeal to a committee comprised of representatives from the Employer and the Union. In the event the Committee is unable to reach a consensus resolution, the matter may be referred to the grievance process.

Upon written notification, either party can cancel this Letter of Understanding, with 30 days notice. In the event this Letter of Understanding is cancelled, the incumbent will hold the position and the partner will be placed on the relief roster.

All shared assignments shall be reviewed by the Employer annually. If not renewed the Union may refer this matter to the grievance process.

LETTER OF UNDERSTANDING NO. 11

BETWEEN

**THE DELEGATED BARGAINING AUTHORITY FOR
THE BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION**

ACCREDITED FOR AND REPRESENTING:

THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 73 (KAMLOOPS-THOMPSON)

(hereinafter referred to collectively as the “Employer”)

AND

**THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 3500
AFFILIATED WITH THE CANADIAN LABOUR CONGRESS**

(hereinafter referred to as the “Union”)

Strong Start Coordinator

1. The Employer created the positions of Strong Start Coordinators responsible for delivery of the Strong Start Program and identified the requisite qualifications, fitness and ability consistent with the program objectives and direction of the Ministry of Education.
2. The Employer has agreed to the inclusion of the Strong Start Coordinator positions within the bargaining unit represented by the Union. The Union has agreed to the terms of this letter of understanding in recognition of the distinct character of this pre-school Strong Start Program. In extending this voluntary recognition, the Employer does not concede it was obliged to post and fill the initial positions under the collective agreement. It extends recognition without prejudice to the stand it may take in the creation of new positions, other than Strong Start Coordinator, in the future.
3. With the inclusion of the current and future Strong Start Coordinator positions under the collective agreement, the Employer has set the qualifications, fitness and ability in the attached Schedule 1. The Union acknowledges the Employer’s right to set the qualifications, fitness and ability and agrees that the qualifications established in Schedule 1 are fair and equitable. It is understood that any future variation of the qualifications, fitness and ability by the Employer will be subject to challenge if the Union does not believe the variation is a proper exercise of management and contractual rights under the collective agreement.
4. The Employer and Union acknowledge these newly-created and included positions under the collective agreement will be subject to review under the Job Evaluation Committee Maintenance Procedures Letter of Understanding. Any retroactivity under the Job Maintenance Plan would be effective July 1, 2008
5. The parties agree that the incumbent Strong Start Coordinators shall be recognized as regular part-time employees of the School District within the CUPE Local 3500 bargaining unit who will continue to be paid at their existing wage until June 30, 2008, or an earlier date mutually agreed to by the parties in lieu of

the salary and benefits otherwise provided under the Collective Agreement. Benefits shall commence September 1, 2008. The incumbents' seniority dates shall be the date each started employment with the respective employer.

6. In recognition of the character of the Strong Start Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 11(d) the following shall apply to the Strong Start program:

The employers reserve the right to deny an employee to bump into a Strong Start Coordinator position if this would create a negative impact on the Strong Start Program.

7. The times of the year at which the Strong Start Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the Strong Start Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 20 of the collective agreement the following shall apply to the Strong Start program:

These employees will take their annual vacation during Christmas and Spring Break or otherwise when the program is not operating.

- 1) The daily operation of the Strong Start Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 16(d) and 16(e) the hours of work provisions of the collective agreement. The parties agree to the following paragraphs:

Minimum Hours

The parties agree that, having regard to the unique nature of the position of Strong Start Coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the Strong Start Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.

Break Periods

The parties agree that the paid rest period contemplated by Article 16(e) shall be taken during times that will not interfere with the operation of the Strong Start Centre.

9. The Union and the Employer agree that this Letter of Understanding will continue until such time as the Union and the Employer agree to terminate or amend the Letter of Understanding.

SUBJECT: DEFERRED SALARY LEAVE PLAN

1. Definition
 - a. The Deferred Salary Leave Plan allows CUPE members to defer a portion of their salary to fund a future leave of absence.
 - b. The CUPE employee participating in the Plan shall be referred to as the Participant.
2. Eligibility
 - a. All Category 1 regular full-time and regular part-time employees are entitled to enroll and make contributions to the Plan.
 - b. Participants must retain a regular full-time or part-time assign for a minimum of four (4) calendar years before taking a leave under the Plan, and only one (1) employee may be on leave at any one (1) time per department and site, unless otherwise agreed to by the department or site supervisor.
 - c. An eligible Participant will apply through the Human Resources Department for permission to participate in the Deferred Salary Leave Plan on or before March 31. The employee will identify the duration of the leave (subject to conditions of the Plan) and the amount of salary to be saved (before tax) in the Plan, over a maximum period of six years (also subject to conditions of the Plan).
3. Contributions
 - a. Employees wishing to enroll in the Plan shall apply in writing at least two (2) months before enrolment stating the percentage of their wages they wish to have deferred. The percentage deferred shall be a minimum of 10% and a maximum of 33-1/3% of gross wages, and the aggregate of percentages may not exceed 100% of salary in relation to the period of the leave.
 - b. Participants may adjust their percentage contribution amount once (1x) per calendar year.
 - c. Participants shall contribute to the Plan for a maximum of six (6) years or to a total of one year's salary, after which time they must take their scheduled leave or have their deferred salary paid out in a lump sum or on a payroll basis according to their position.
4. Leaves
 - a. Participants must provide six (6) months' notice of start/end dates before commencing their leave.
 - b. The employee will go on an unpaid leave subject to conditions contained in the Plan and in the Collective Agreement, and will receive the total amount of their funding through the School District payroll system either on a per-pay-period basis over the duration of the leave or in the form of lump-sum payment(s). Appropriate taxes and deductions will apply in either case.
 - c. Under Canada Revenue Agency Regulations, the employee must return to the School District after the leave for a period at least equal to the leave.

- d. The employee may not receive any additional remuneration from the employer or persons with whom the employer does not deal at arm's length during the leave of absence period, as per Income Tax Act regulation.
 - e. Deferred Salary Leaves must be for a minimum of six (6) months and a maximum of twelve (12) months, to be taken consecutively, as per the Canada Revenue Agency.
5. Assignment, Post & Fill
- a. The Participant will retain the assignment they hold at the commencement of their leave, for the duration of their leave. The employer will endeavour to fill their position temporarily for the duration of the Participant's leave.
 - b. The Participant will not be eligible to bid into other positions posted during their leave.
6. Benefits
- a. During the leave of absence, the responsibility for payment of premiums for benefits will be as set forth in the Collective Agreement.
 - b. The entire cost of the premiums is the sole responsibility of the employee. Employees who opt out of insured benefits may not be able to opt back in upon completion of the leave.
7. Seniority
- a. Employees on Deferred Salary Leave will not accrue seniority, in alignment with Article 22(H)3 of the Collective Agreement.
8. Employment Insurance and Pension
- a. In accordance with legislation the payments made during the leave shall be subject to income tax but not employment insurance.
 - b. EI premiums are based upon the employee's gross salary before deferrals during the period of deferral. No premiums are withheld from the deferred amounts when paid to the employee during the leave period.
 - c. Both the Employer and the Employee Canada Pension Plan (CPP) contributions during the leave shall be calculated for the complete leave duration and paid from the accrued savings.
 - d. Canada Pension Plan (CPP) premiums are based upon the salary net of the deferred amounts during the period of deferral, and on the deferred amounts when paid to the participant during the leave period.
 - e. Union Dues are based upon the gross salary before deferrals and no dues are withheld from the deferred amounts when paid to the employee during the leave period.
 - f. Contributions to your pension Plan are based upon "pensionable" gross earnings prior to deductions to the Deferred Salary Leave Plan. Thus, when deferred savings are paid during the leave period, pension contributions are not deducted. As your taxable income during the Savings Period is gross earnings less savings, yet your pension contributions are based upon your entire gross earnings, this may affect your eligibility to contribute to an RRSP. It would be advisable to consult with your financial advisor.
9. Length of Service
- a. Length of service-based accruals (e.g. vacation) shall be suspended for the period of leave.
10. Withdrawal from the Plan
- a. Withdrawal from the Plan is permitted only in the following circumstances:
 - 1. Death of the employee.
 - 2. Employee ceases to be employed by the District.
 - 3. Financial Hardship.
 - b. Upon withdrawal from the Plan, within sixty days the Board will pay to the Participant or the Participant's estate the Deferred Compensation amount.
11. Plan Interruption
- a. The Participant may on one occasion, while they are participating in the Plan, give notice to the Board to suspend their participation in the Plan as of September 1st for a period of one year. The Board will pay the regular salary amount to the Participant

as if they were not participating in the Plan. The amounts previously retained by the Board will continue to be held until the Participant withdraws from the Plan or takes a Leave of Absence.

12. General

- a. The Plan shall be subject to approval of Canada Revenue Agency and the Multi-Sector Pension Plan Trustees.
- b. The final document may include additional points for clarification without changing the intent of this Letter of Understanding.

The Canadian Union of Public Employees

SUBJECT: TWO-WEEK SPRING BREAK

The parties to the Collective Agreement agree without prejudice and precedent to address an additional week off at Spring Break by increasing the hours of work per day for the 2021/22, 2022/23, 2023/24, and 2024/25 school years for those school-term employees who would otherwise be laid off for the two weeks.

School-term employees in posted positions, including Aboriginal Education Workers, Buyer, Certified Education Assistants, 10- and 11-month clerical staff, and Library staff (as outlined in Schedule A) will have extra minutes per day added to their posted hourly assignments based on the number of days school is in session each year. Extra minutes will be banked and time accumulated will be paid out on the regular pay period in which the second week of Spring Break falls. Statutory holiday pay, vacation pay and sick leave pay will be paid at the increased hours at straight time at the current rate and level of pay associated with the classification and position that they occupy.

Scheduled hours per day	Total hours per week	Equivalent minutes per week	Extra minutes worked per day
4	20	1200	6
5	25	1500	8
5.5	27.5	1650	9
5.75	28.75	1725	9
6	30	1800	10
6.25	31.25	1875	10
7	35	2100	11

It is agreed that any time worked due to the additional minutes being added to the school day as a result of the two-week Spring Break that exceed the full-time hours of work defined in Article 16 of the Collective Agreement shall be paid at straight time.

Bus drivers shall be entitled to use vacation pay during the first week and vacation pay or banked overtime during the second week of Spring Break. If work is available which they are qualified to perform, bus drivers may request to work during the second week of Spring Break by informing dispatch of their availability by March 1st of each respective year.

Employees in the classifications listed below shall be paid vacation as per Article 20(C) during the first week of Spring Break. Employees may also choose to take an unpaid leave of absence during the second week of Spring Break as per Article 22(H), or agree to work additional hours during the school year equivalent to the total hours of work lost as a result of the school closure days. These hours of work will be scheduled by the employee's supervisor, in consultation with the employee. Additional hours worked will be recorded on a non-standard time sheet as extra time and submitted to Payroll to be added to the employee's bank at straight time rates of pay.

- Science Assistants
- Speech Language Pathologist Assistants
- Strong Start Facilitators

Casual employees will be paid at straight time based on hours worked on their bi-weekly pay. Time will not be banked.

Nothing in this agreement precludes the District from reducing the hours of work or laying off of staff should the need arise due to budgetary or other circumstances (for example, a reduction of funding due to fewer students, loss of grants, CEA change in hours, etc.).

To accommodate scheduling of the school calendar, the parties agree to review the agreement in the 2023-2024 school year, prior to the end of January 2024, and determine by mutual agreement.

3. This Letter of Understanding will expire at the conclusion of the Pilot Project, unless extended by the mutual written agreement of the Parties.

Early Childhood Educators

Terms and Conditions of Employment

4. Unless specifically identified in this LOU, the provisions of the collective agreement between the Employer and the Union will apply to the employment of the ECEs.
5. For the purpose of applying local collective agreement provisions, ECEs will be treated as ten (10) month school year employees who do not work on non-instructional days. In the event Districts elect a different model for providing services (e.g., continued service over holiday breaks or on non- instructional days), the District and local will modify or determine the application of local collective agreement provisions to facilitate these schedules.

Job Description and Qualifications

6. The Employer has identified the requisite qualifications and duties of the ECEs, in the attached Schedule 1. These qualifications and duties are consistent with the pilot program objectives and direction of the Ministry of Education. Any future variation of the qualifications, fitness and ability

9. The daily operation of the Project does not mirror the regular school day. The Union and Employer have agreed to recognize this in the application and administration of the hours of work provisions of the collective agreement Article 16. The pilot will operate between the hours of 7:00 a.m. and 6:00 p.m.
10. The parties agree that ECE's may work up to 8 hours/day at straight time rates without requiring overtime. Time worked will be pensionable and will count towards other benefit or prerequisite entitlements which are based on straight time hours.
11. The parties agree that the paid rest period contemplated by Article 16(E) shall be taken during times that will not interfere with the Pilot Project.

Vacation

12. ECEs will take their annual vacation during Christmas and Spring Break or otherwise when schools are not in session.

Employee Movement/Bumping

13. In recognition of the character of the ECE positions, and the need to maintain continuity of instruction, the Union and Employer have agreed that in addition to the terms contained within Article 11(B), the following shall apply to ECEs:

The employer reserves the right to deny an employee the right to bump into an Early Childhood Educator position if this would negatively impact the Pilot Project.

Use of Other Employees in Existing Classifications

14. While ECEs will be the main support staff participants in the Pilot Project, education assistants and/or other support staff classifications may also provide services in connection with the Pilot Project. These arrangements will vary from District to District. Where Districts contemplate using other bargaining unit employees to support the Pilot Project, provided that the employee assigned possesses the appropriate qualifications for the position at the time of assignment, any required collective agreement modifications will be discussed and negotiated at the local level and included in their LOU. The parties to this agreement have established the following guiding principles in this regard:
 - a. Services may be required for over the full day (7 a.m. - 6 p.m.). Hours of work, assignment of employees, post and fill, rest periods, and vacation language may need to be amended.

**SUBJECT: CERTIFIED EDUCATION ASSISTANT UNDERFILL APPOINTMENTS
TEST PROGRAM**

The parties to the Collective Agreement agree without prejudice and precedent to address the recruitment and retention challenges surrounding Certified Education Assistants.

Intent and Application

Underfill allows for the appointment of candidates who have a combination of skills, education and experience and who demonstrate capacity and potential for a role as a CEA, and who are qualified to perform the full functions of the position based on the language of the respective job description, but do not possess a Certified Education Assistant Certificate. The act of underfilling shall not eliminate existing assignments, nor replace qualified staff in assignments.

This underfill approach is utilized to support human resource planning objectives, including:

- Supporting the efforts of hiring diverse and representative employees
- Recruiting and hiring during periods when the employer is experiencing a shortage of qualified CEAs
- Increasing meaningful job opportunities for CEA candidates in our community

The Associate Superintendent of Human Resources determines the need for underfill in consultation with the Union. Posting for underfill positions shall proceed in accordance with the Collective Agreement but may be posted internally and externally simultaneously. No external candidate shall be hired over qualified internal applicants.

The employer shall determine the qualifications for positions that the employer posts, recruits for and fills.

Underfill Appointment

Underfill appointments require the approval of the Associate Superintendent of Human Resources in consultation and agreement with the Union.

Employees hired using the underfill program will be considered Category 4 Relief employees (under Article 9) in a trial/probationary period (under Article 12(C)1 and 2) until they are released from underfill at the completion of the underfill appointment.

The employer shall provide CPI Training to all Candidates at the earliest opportunity.

At the time of appointment, an underfill offer letter will define the terms and conditions of the appointment. This offer letter will specify:

- The time period for the underfill appointment (to a maximum of one (1) calendar year)
- The specific training and experience requirements that the employee must meet before release to the full classification level.
- The rate of pay, which is commensurate with the rate of pay for a relief employee in the full classification according to Schedule A of the Collective Agreement
- The standard terms of relief employment, including procedures for dispatching and availability
- A copy of the job description of the respective full classification position
- Contact information for the Manager of Human Resources as the supervisor.

Those in underfill appointments will be evaluated by their supervisor every 12 weeks. Failure to achieve a satisfactory evaluation at any point could result in termination. Employees on probation in an underfill assignment are not entitled to post into a CEA assignment or into another classification during their underfill appointment.

Release from Underfill

Following the completion of the (maximum) one (1) calendar year underfill appointment, release to full classification may be achieved through the following:

- a. Successful completion of the (maximum) one (1) calendar year appointment, with recommendation for full classification by the employee’s appointed supervisor
- b. Demonstration that the employee meets the knowledge, skills and abilities required in the full classification

Current, fully qualified CEA staff will not be displaced by employees hired under this underfill program. At release from underfill to full classification, the employee is no longer bound by this Letter of Understanding and Article 12 of the Collective Agreement (*Promotions and Staff Changes*) will apply. Upon successful completion of the underfill appointment, the employee will be awarded a seniority date. This seniority date will be calculated as per Article 10(A) of the Collective Agreement.

All other terms of the Collective Agreement shall apply.

This agreement shall remain in place for one full year from the date of signing, at which time it shall be reviewed by the parties and either mutually amended to address problematic issues, or unilaterally rescinded by either party with thirty (30) days notice.

7. That the final proposal must be ratified by the parties' appropriate constituents prior to acceptance.
8. The union reserves the right to grieve if the process is impeded for non-bona fide reasons.

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.

- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

16. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. 22. Employee Support Grant

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.
