SECTION A THE COLLECTIVE BARGAINING RELATIONSHIP

ARTICLE A.1: TERM, CONTINUATION AND RENEGOTIATION

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement that was in effect between the two parties for the period July 1, 2019, to June 30, 2022, including any amendments agreed to by the parties during that period.

1. Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2022, to June 30, 2025. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.
2. In the event that a new Collective Agreement is not in place by June 30, 2025, the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.
3. All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.
4.
 - a. If employees are added to the bargaining unit established under section 5 of the *Public Education Labour Relations Act* during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.
 - b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.
 - c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.
5.
 - a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.
 - b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.
 - c.
 - i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See Letter of Understanding No. 1).
 - ii. The parties may agree to another designation which is consistent with the *Public Education Labour Relations Act*.

ARTICLE A.2: RECOGNITION OF THE UNION

1. The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to *PELRA* and subject to the provisions of this Collective Agreement.
2. Pursuant to *PELRA*, the employer in SD #19 (Revelstoke) recognizes the local (Revelstoke Teachers' Association) as the teachers' union for the negotiation in SD #19 of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in SD #19 subject to *PELRA* and the Provincial Matters Agreement.
3. The BCTF recognizes BCPSEA as the accredited bargaining agent for every school board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the school boards and to bind the school boards by Collective Agreement in accordance with Section 2 of Schedule 2 of *PELRA*.

ARTICLE A.3: MEMBERSHIP REQUIREMENT

1. All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers' Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.
2. Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

ARTICLE A.4: LOCAL AND BCTF DUES DEDUCTION

1. The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.
2. At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local

in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties.

3. The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.
4. The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer.
5. The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

ARTICLE A.5: COMMITTEE MEMBERSHIP

1. Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.
2. In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee and the local shall appoint the representatives. The local will consider the mandate of the committee when appointing the representatives. If the employer wishes to discuss the appointment of a representative, the superintendent or designate, and the president or designate of the local may meet and discuss the matter.
3. Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher Teaching on Call (TTOC) costs shall be borne by the employer.
4. When a TTOC is appointed to a committee referred to in Article A.5.1 and A.5.2 above, and the committee meets during normal instructional hours, the TTOC shall be paid pursuant to the provisions in each district respecting TTOC Pay and Benefits. A TTOC attending a "half-day" meeting shall receive a half-day's pay. If the meeting extends past a "half-day," the TTOC shall receive a full-day's pay.

ARTICLE A.6: GRIEVANCE PROCEDURE

1. Preamble

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

Steps in Grievance Procedure

2. Step One

- a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.
- b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

3. Step Two

- a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.
- b. The grievance shall be presented in writing giving the general nature of the grievance.

4. Step Three

- a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.

If both parties agree and the language of the previous Local Agreement stipulates:

- i. the number of representatives of each party at Step Three shall be three; and/or
 - ii. at least one of the employer representatives shall be a trustee.
- b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

5. Omitting Steps

- a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.

- b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

6. Referral to Arbitration: Local Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a Local Matters Grievance, as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a Local Matters Grievance. The parties shall agree upon an arbitrator within ten (10) working days of such notice.

7. Referral to Arbitration: Provincial Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a Provincial Matters Grievance, as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a Provincial Matters Grievance. The parties shall agree upon an arbitrator within ten (10) working days of such notice.
- c. Review Meeting:
 - i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a Provincial Matters Grievance that has been referred to arbitration.
 - ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.
 - iii. Each party shall determine who shall attend the meeting on its behalf.

8. Arbitration (Conduct of)

- a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.
- b. The arbitrator shall determine the procedure in accordance with relevant legislation and shall give full opportunity to both parties to present evidence and make representations. The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.

- c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.
- d. Authority of the Arbitrator:
 - i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
 - ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
 - iii. The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.
- e. The decision of the arbitrator shall be final and binding.
- f. Each party shall pay one half of the fees and expenses of the arbitrator.

9. General

- a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.
- b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.
- c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.
- d. No employee shall suffer any form of discipline, discrimination or intimidation by the employer as a result of having filed a grievance or having taken part in any proceedings under this article.
- e.
 - i. Any employee whose attendance is required at any grievance meeting pursuant to this article, shall be released without loss of pay when such meeting is held during instructional hours. If a Teacher Teaching on Call (TTOC) is required, such costs shall be borne by the employer;

- ii. Any employee whose attendance is required at an arbitration hearing shall be released without loss of pay when attendance is required during instructional hours; and
- iii. Unless the previous Local Agreement specifically provides otherwise, the party that requires an employee to attend an arbitration hearing shall bear the costs for any TTOC that may be required.

ARTICLE A.7: EXPEDITED ARBITRATION

1. Scope

By mutual agreement, the parties may refer a grievance to the following expedited arbitration process.

2. Process

- a. The grievance shall be referred to one of the following arbitrators:
 - i. Mark Brown
 - ii. Irene Holden
 - iii. Chris Sullivan
 - iv. Elaine Doyle
 - v. Judi Korbin
 - vi. John Hall
- b. The parties may agree to an alternate arbitrator in a specific case and may add to or delete from the list of arbitrators by mutual agreement.
- c. Within three (3) days of the referral, the arbitrator shall convene a case management call to determine the process for resolving the dispute. The case management process shall include a time frame for the exchange of particulars and documents, a timeframe for written submissions if directed by the arbitrator, an agreed statement of facts, or any other process considered by the arbitrator to be effective in ensuring an expeditious resolution to the dispute. The parties will endeavour to exchange information as stipulated in the case management process within seven (7) days.
- d. If an oral hearing is scheduled by the arbitrator it shall be held within fourteen (14) days of the referral to the arbitrator. The hearing shall be concluded within one (1) day.
- e. The written submissions shall not exceed ten (10) pages in length.
- f. As the process is intended to be informal and non-legal, neither party will be represented by outside legal counsel.
- g. The parties will use a limited number of authorities.

- h. The arbitrator will issue a decision within five (5) days of the conclusion of the arbitration or submission process.
- i. Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution.
- j. All decisions of the arbitrator are final and binding and are to be limited in application to the particular grievance and are without prejudice. They shall be of no precedential value and shall not thereafter be referred to by the parties in respect of any other matter.
- k. Neither party shall appeal or seek to review a decision of the arbitrator.
- l. The arbitrator retains jurisdiction with respect to any issues arising from their decision.
- m. Except as set out herein, the arbitrator under this process shall have the powers and jurisdiction of an arbitrator prescribed in the Labour Relations Code of British Columbia.
- n. The parties shall equally share the costs of the fees and expenses of the arbitrator.
- o. Representatives of BCPSEA and BCTF will meet yearly to review the expedited arbitration process.

ARTICLE A.8: LEAVE FOR PROVINCIAL CONTRACT NEGOTIATIONS

1. The employer shall grant a leave of absence without pay to an employee designated by the BCTF for the purpose of preparing for, participating in or conducting negotiations as a member of the provincial bargaining team of the BCTF.
2. To facilitate the administration of this clause, when leave without pay is granted, the employer shall maintain salary and benefits for the employee and the BCTF shall reimburse the employer for the salary costs.
3. Any other leaves of absence granted for provincial bargaining activities shall be granted on the basis that the salary and benefits of the employees continue and the BCTF shall reimburse the employer for the salary costs of any teacher employed to replace a teacher granted leave.
4. Any leaves of absence granted for local bargaining activities shall be granted in accordance with the Previous Local Agreement.

ARTICLE A.9: LEGISLATIVE CHANGE

1. In this article, “legislation” means any new or amended statute, regulation, Minister’s Order, or Order in Council which arises during the term of the Collective Agreement or subsequent bridging period.
2.
 - a. Should legislation render any part of the Collective Agreement null and void, or substantially alter the operation or effect of any of its provisions, the remainder of the provisions of the Collective Agreement shall remain in full force and effect.
 - b. In that event, the parties shall meet forthwith to negotiate in good faith modifications to the Collective Agreement which shall achieve, to the full extent legally possible, its original intent.
3. If, within thirty (30) days of either party's request for such meeting, the parties cannot agree on such modifications, or cannot agree that the Collective Agreement has been affected by legislation, either party may refer the matter(s) in dispute to arbitration pursuant to Article A.6 (Grievance Procedure).
4. The arbitrator's authority shall be limited to deciding whether this article applies and, if so, adding to, deleting from or otherwise amending, to the full extent legally possible, the article(s) directly affected by legislation.

ARTICLE A.10 LEAVE FOR REGULATORY BUSINESS AS PER THE TEACHERS ACT

1. Upon written request to the Superintendent or designate from the Ministry of Education, an employee who is appointed or elected to the BC Teachers’ Council or appointed to the Disciplinary or Professional Conduct Board shall be entitled to a leave of absence with pay and shall be deemed to be in the full employ of the board as defined in Article G.6.1.b.
2. Upon written request to the superintendent or designate from the Ministry of Education, a Teacher Teaching on Call (TTOC) who is appointed or elected to the BC Teachers’ Council or appointed to the Disciplinary and Professional Conduct Board shall be considered on leave and shall be deemed to be in the full employ of the Board as defined in Article A.10.1 above. TTOCs shall be paid in accordance with the Collective Agreement.
3. Leave pursuant to Article A.10.1 and A.10.2 above shall not count toward any limits on the number of days and/or teachers on leave in the provisions in Article G.6.

ARTICLE A.20: COPY OF AGREEMENT

The Board shall provide every employee with a copy of this agreement within thirty (30) days of ratification. The Board shall provide one printed copy for each school and each staff representative. Where additional printed copies are provided, the cost of printing shall be shared equally between the parties.

ARTICLE A.21: CONTRACTING OUT

1. No RTA member employed by the Board will suffer reduction of employment due to contracting out.

Such assignment is to equal one full-time (1.0 FTE) position. The Board will consider school organization, timetables and program requirements before deciding upon a job sharing request.

Where the request is granted:

The difference between what is paid by the Board and what is required by the benefit carrier will be deducted and remitted on behalf of the employee so affected on a monthly basis.

- i. The job sharers are expected to make reciprocal arrangements for coverage during short-term leaves. Long-term leaves by one may be covered by the other with compensation on scale. Any exceptions to these situations can be resolved by mutual agreement between the Board and the RTA or by hiring a Teacher-Teaching-on-Call.

Part-time teaching shall be credited for purposes of seniority as if it were full-time service.
- ii. When the seniority of two (2) or more teachers is equal based on the paragraph above, the teacher having the greatest consecutive employment calculated from the effective date of appointment of consecutive service with the Board shall be deemed to have the greatest seniority.
- iii. When the seniority of two (2) or more teachers is equal based on the two (2) preceding paragraphs, the teacher with the greatest aggregate length of service with another school authority or authorities recognized for salary experience purposes on the salary schedule in this agreement, shall be deemed to have the greatest seniority.

3. Need to Reduce Staff Numbers

Where the Board considers that for educational, organizational or budgetary reasons it is necessary to reduce the total number of teachers employed by the Board, it shall be done in accordance with the provisions of this agreement. Nothing in this article is intended to interfere with the Board's authority regarding suspension, dismissal or termination of teaching personnel pursuant to this agreement.

4. Principle of Security

The Board and the RTA recognize that increased length of professional employment with the Board entitles teachers who possess the necessary qualifications to increased security of teaching employment.

5. Procedures for Reducing Staff Positions

When a reduction in the number of teachers employed is necessary, the teachers to be retained on staff shall be those who have the greatest seniority, provided that they possess the necessary qualifications for the positions available.

8. Recall to Employment Rights

A continuing teacher who is laid-off shall have recall to employment rights for twenty-four (24) months from the effective date of the lay-off. 9. Option of Severance Pay

- i. immediately elect to be paid severance pay and relinquish recall to employment rights; or

- b. Severance pay shall be calculated at the rate of five percent (5%) of one (1) year's salary for each completed year of continuous service to a maximum of one (1) year's salary. Salary on which severance pay is calculated shall be based on the teacher's salary at the effective date of the lay-off.
- c. A teacher who receives severance pay pursuant to this agreement and who is subsequently re-hired by the Board, shall retain any payment made under the terms of this article and in such case, for purposes only of the calculation of any severance pay in the future, the calculation of years of service shall commence with the date of such re-hiring.

10. Loss of Severance Pay Rights

A teacher's right to severance pay is lost if the teacher refuses two (2) recall offers of positions for which the teacher possesses the necessary qualifications, equal to or greater than the percentage of full-time equivalent position held by the teacher at the effective date of lay-off.

11. Process of Recall

- a. When a position on the teaching staff of the district becomes available, the Board shall, **NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT**, first offer the position to the teacher with recall rights who has the most seniority among those laid-off pursuant to this agreement, provided that the teacher possesses the necessary qualifications for the available position. If that teacher declines the offer, the position shall be offered to the teacher with recall rights with the next greatest seniority and the necessary qualifications, and the process shall be repeated until the position is filled. All positions which become available shall be filled in this manner while there are remaining teachers with recall rights pursuant to this agreement.
- b. If the position accepted is a temporary or term position, the teacher shall retain the right to recall to a continuing appointment, for which the teacher is qualified, in accordance with this agreement.
- c. A teacher who is recalled shall inform the Board whether or not the recall is accepted within three (3) working days of receipt of such offer, except where the recall is before the end of the school term during which the teacher has been laid-off, in which case, notice shall be given within twenty-four (24) hours of receipt of such recall.
- d. The Board shall allow two (2) weeks from the acceptance of a recall offer for the teacher to commence teaching duties. The Board and the teacher may extend this time by mutual agreement. The Board may employ a temporary or a Teacher-Teaching-On-Call for the position until the teacher recalled is available.

14. List of Those on Lay-Off

Each spring and fall term, the Board shall provide to the RTA a list of teachers on lay-off with recall rights.

15. Benefits on Lay-Off

A teacher on lay-off with recall rights shall be entitled, if otherwise eligible, to maintain participation in all health and welfare benefits by payment of the full premiums for such benefits to the Board.

16. Sick Leave on Recall

A teacher who returns following a recall shall be entitled to all the sick leave credit balance available at the date of lay-off.

- c. Before proceeding to Step 2, the complainant may approach their administrative officer, staff representative or other contact person to discuss potential means of resolving the complaint and to request assistance in resolving the matter. The assistance may include the administrative officer meeting with the alleged harasser to communicate the concern and the request that the behaviour stop. If the matter is resolved to the complainant's satisfaction the matter is deemed to be resolved.
- d. If the matter is not resolved, the administrator may meet with the complainant and respondent separately, and may invite them to participate in a facilitated discussion. All parties involved must agree to respect confidentiality.
- e. In the circumstances where a respondent has acknowledged responsibility, the employer may advise the respondent in writing of the standard of conduct expected by the employer. Such a memo shall be non-disciplinary in nature and may be referred to only to establish that the respondent has been advised of the expected standard of conduct.

10. Step 2 – Formal Complaint Process

11. Step 3 – Formal Resolution Process

- a. The employer shall review the particulars of the complaint as provided by the complainant pursuant to Article E.2.10.a. 14. The local and the complainant shall be informed in writing whether there was a finding of harassment, and whether disciplinary action was or was not taken.
15. If the harassment results in the transfer of an employee it shall be the harasser who is transferred, except where the complainant requests to be transferred.
16. If the employer fails to follow the provisions of the Collective Agreement, or the complainant is not satisfied with the remedy, the complainant may initiate a grievance at Step 3 of Article A.6 (Grievance Procedure). Re: Employment Equity – Indigenous Peoples

The parties recognize that Indigenous Peoples are underrepresented in the public education system. The parties are committed to redressing the under-representation of Indigenous Peoples in the workforce and therefore further agree that:

1. They will encourage and assist boards of education, with the support of the local teachers' unions, to make application to the Office of the Human Rights Commissioner under section 42 of the *Human Rights Code* to obtain approval for a "special program" that would serve to attract and retain Indigenous employees.
2. They will encourage and assist boards of education and local teachers' unions to include a request to grant:
 - a. priority hiring rights to Indigenous applicants; and
 - b. priority in the post and fill process and layoff protections for Indigenous employees in applications to the Office of the Human Rights Commissioner.
3. The parties' support for special program applications is not limited to positions funded by targeted Indigenous Education Funding.
4. The provincial parties will jointly develop communications and training which will support the application for and implementation of special programs in districts. As part of the communications and training initiative, the parties will develop an Implementation Guide to be shared with boards of education and local teachers' unions.
5. The provincial parties will meet to initiate this work within three (3) months of ratification of this agreement (or other time period as mutually agreed to) with the goal of completing the Implementation Guide and a plan for communications and training within one (1) year.

Re: Article C.2. – Porting of Seniority – Separate Seniority Lists

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
 - Both K – 12 and adult education seniority are contained on a single list in both districts.
 - Normal rules of porting apply.
 - No more than 1 year of seniority can be credited and ported for any single school year.
 - Maximum of 20 years can be ported.

2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
 - Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
 - Both lists remain separate when porting.
 - Up to 20 years of K – 12 and up to 20 years of adult education can be ported to the corresponding lists.
 - Although the seniority is ported from both areas, the seniority is only activated and can be used in the area in which the teacher attained the continuing appointment. The seniority remains dormant and cannot be used in the other area unless/until the employee subsequently attains a continuing appointment in that area.
 - For example, teacher A in District A currently has 8 years of K – 12 seniority and 6 years of adult education seniority. Teacher A secures a K – 12 continuing appointment in District B. Teacher A can port 8 years of K – 12 seniority and 6 years of adult education seniority to District B. However, only the 8 years of K – 12 seniority will be activated while the 6 years of adult education seniority will remain dormant. Should teacher A achieve a continuing appointment in adult education in

District B in the future, the 6 years of adult education seniority shall be activated at that time.

3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
 - A combined total of up to 20 years of seniority can be ported.
 - No more than 1 year of seniority can be credited for any single school year.
4. Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
 - Up to 20 years of seniority could be ported to the seniority list to which the continuing appointment was received.
 - No seniority could be ported to the other seniority list.
 - For example, teacher A in District A currently has 24 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 20 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION

AND

BRITISH COLUMBIA TEACHERS' FEDERATION

Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave – Simultaneously Holding Part-Time Appointments in Two Different Districts

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1 of the provincial Collective Agreement with respect to the situation where a teacher simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e., currently holds a part-time continuing appointment in one (1) district and then subsequently obtains a second part-time continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either resigns/terminates their employment from the porting district or receives a full leave of absence from the porting district.
2. The requirement for the teacher to initiate the sick leave verification process (90 days* from the initial date of hire) and the seniority verification process (within 90 days* of a teacher's appointment to a continuing contract) and forward the necessary verification forms to the previous school district shall be held in abeyance pending either the date of the employee's resignation/termination of employment from the porting district or the employee receiving a full leave of absence from the porting district.

[* Note: effective November 30, 2022, initiation of sick leave and seniority verification process was increased from 90 days to 120 days.]

3. Should a teacher port seniority under this Letter of Understanding, there will be a period of time when the employee will be accruing seniority in both districts. For this period of time (the period of time that the teacher simultaneously holds part-time continuing appointments in both districts up until the time the teacher ports), for the purpose of porting, the teacher will be limited to a maximum of 1 years seniority for each year.
4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this letter of understanding, the rules and application described in the Irene Holden award of June 7, 2007 concerning porting while on full-time leave shall then apply.
5. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed and considered at labour management.

The following examples are intended to provide further clarification:

Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the employee has resigned or terminated their employment in district A. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for their full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee's leave of absence is effective. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Signed this 26th day of March, 2020

Revised with housekeeping 28th day of October, 2022

Re: Article C.2 – Porting of Seniority – Laid off Teachers who are Currently on the Recall List

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial Collective Agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

1. Laid off teacher holding recall rights in one school district may port up to twenty (20) years of seniority to a second school district when they secure a continuing appointment in that second school district.
2. Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in their previous district.
3. If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.
4. If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.
5. The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.
6. Consistent with Irene Holden's previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.
7. This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district "A" has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. This teacher after working 1 year in district "B" accepts recall to a continuing appointment in district "A". Only 3 years of seniority would be ported back to district "A" and for record keeping purposes, the teacher's seniority record in district "B" would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district 'A' has been laid off with recall rights. While still holding recall rights in district "A", the teacher secures a continuing appointment in district "B". Once ported, this teacher would have 3 years seniority in district "B", 3 years of seniority in district "A" for recall purposes only and 0 years of seniority in district "A" for any other purposes. After working 2 years in school district "B" this teacher's recall rights in school district "A" are lost. No further seniority can be ported from district "A" to district "B" and for record keeping purposes, the teacher's seniority record in district "A" would be zero for all purposes.

Re: Provincial Extended Health Benefit Plan

1. The Provincial Extended Health Benefit Plan as provided for under Article B.11.1 is as set out in Appendix A to this Letter of Understanding.
2. The Provincial Extended Health Benefit Plan may only be amended or altered by agreement of BCPSEA and the BCTF.
3. The carrier/insurer for the Provincial Extended Health Benefit Plan may only be changed with prior consultation between BCPSEA and the BCTF.

The consultation process will be consistent with the 2012 process. In the event of a dispute in the selection/change of the carrier/insurer, the matter shall be referred to Mark Brown, or an agreed-upon alternative, to be dealt with on an expedited basis.

This provision covers any district or local that is part of the Provincial Extended Health Benefit Plan.

4. Any efficiencies or cost reductions achieved as a direct result of the establishment of the Provincial Extended Health Benefit Plan will be used to further enhance the Provincial Extended Health Benefit Plan.
5. The Provincial Extended Health Benefit plan does not include a medical referral travel plan (a "MRTP"). However, any school district that elects to participate in the Provincial Extended Health Benefit Plan and currently has a MRTP will continue to provide a MRTP.
6. Where the local union elects not to participate in the Provincial Extended Health Benefit Plan, the school district will continue to provide the existing extended health benefit plan between the parties.
7. As of September 1, 2022, local unions representing all members in the following school districts have voted against joining the Provincial Extended Health Benefit Plan:
 - a. Vancouver Teachers' Federation [VSTA, VEAES]¹ / SD No. 39 (Vancouver)
 - b. Coquitlam Teachers' Association / SD No. 43 (Coquitlam)

¹ The references to VSTA and VEAES represent internal union organization. The reference to the Vancouver Teachers' Federation is for Collective Agreement matters.

8. The local unions representing all members in the school districts in paragraphs 7.a and 7.b may elect to join the Provincial Extended Health Benefit Plan at any time during the term of the Collective Agreement.

LETTER OF UNDERSTANDING NO. 11

BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Article C.4 TTOC Employment – TTOC Experience Credit Transfer within a District

The purpose of this letter of understanding is to address situations within a single district where a temporary/continuing teacher is also currently a Teacher Teaching on Call (TTOC) or in the past has been a TTOC.

Teachers described above accrue experience for the purpose of increment advances under two (2) separate Collective Agreement provisions (silos), i.e., within a district, the employee triggers increments under Article C.4 for TTOC experience accrued and may also trigger increments under the applicable previous local agreement increment language for temporary/continuing experience accrued.

In order to allow a TTOC the opportunity to transfer, within a district, their TTOC experience earned under Article C.4 (new provision effective September 19, 2014) towards that of the applicable previous local Collective Agreement increment language for continuing and/or temporary employees, the parties agree to the following:

1. This option can only be exercised where in a single district a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC in the same district.
2. This agreement only applies to TTOC experience earned under Article C.4 since September 19, 2014 in that district.
3. This agreement only applies to a transfer within a district. This agreement is in no way applicable to a transfer of experience or recognition of experience between districts.
4. The transfer of experience credit can only be transferred one way; from that of TTOC experience earned under Article C.4 to that of the temporary/continuing previous local agreement increment provision, i.e., it cannot be transferred for any reason from that of temporary/continuing to that of a TTOC.
5. Transfers can only be made in whole months.
6. For the purpose of transfer, 17 FTE days of TTOC experience credit will equal/be converted to one month of experience credit.

7. Should the teacher choose the option to transfer, transfers must be for the entire amount of TTOC experience in their Article C.4 bank on the deadline date for notice, i.e., with the exception of any leftover days remaining (1 – 16 days) after the whole month conversion calculation is made, no partial transfer of TTOC experience are permitted. (See example below).
8. Once transferred, the previous local Collective Agreement increment provisions for temporary/continuing employees (including effective date of increment) will apply to the TTOC experience transferred.
9. Transfers can only occur and take effect twice a year (August 31 and December 31).
10. For a transfer to occur effective August 31st, written notice from the employee to transfer must be received by the district no later than June 30th of the preceding school year (see attached form A). This transfer would only include the TTOC experience accrued up until June 30th of the preceding school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4.
11. For a transfer to occur effective December 31st, written notice from the employee to transfer must be received by the district no later than November 15th of the school year (see attached form B). This transfer would only include the TTOC experience accrued up until November 15th of the school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4. (See attached form B)
12. This agreement takes effect on the signatory date signed below.

Example:

1. On June 1, 2015, Teacher A provides written notice to the district that they would like to transfer their Article C.4 TTOC experience that they will have accrued up until June 30, 2015 (in terms of closest equivalent month) to their temporary/continuing previous local agreement increment experience bank.
2. On June 30, 2015, Teacher A has 70 TTOC days of experience accrued under Article C.4.
3. On August 31, 2015, 4 months of experience would be transferred to their experience bank under the applicable previous local Collective Agreement increment language for continuing and/or temporary employees and 2 days of TTOC experience would remain in their TTOC bank under Article C.4. (70 divided by 17 = 4 whole months, with 2 days remaining)
4. Effective August 31, 2015, the previous local Collective Agreement increment language for temporary/continuing employees would then apply to the 4 months of experience that was transferred.

LETTER OF UNDERSTANDING NO. 12

BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Agreement Regarding Restoration of Class Size, Composition, Ratios and Ancillary Language

WHEREAS the Parties acknowledge that, as a result of the majority of the Supreme Court of Canada, adopting Justice Donald's conclusion that the *Education Improvement Act* was unconstitutional and of no force or effect, that the BCPSEA – BCTF Collective Agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* are restored.

AND WHEREAS the Parties further acknowledge that the Supreme Court of Canada's decision triggered Letter of Understanding No. 17 to the 2013 – 2019 BCPSEA – BCTF Provincial Collective Agreement which required the Parties to re-open Collective Agreement negotiations regarding the Collective Agreement provisions that were restored by the Supreme Court of Canada.

AND WHEREAS the Parties further acknowledge that Letter of Understanding No.17 required an agreement "regarding implementation and/or changes to the restored language".

AND WHEREAS this Letter of Understanding has been negotiated pursuant to the Letter of Understanding No. 17 fully and finally resolves all matters related to the implementation of the Supreme Court of Canada's Decision. As such, the Parties acknowledge that the re-opener process set out in Letter of Understanding No. 17 has been completed.

THEREFORE THE PARTIES AGREE THAT:

I. IMPLEMENTATION OF THIS LETTER OF UNDERSTANDING

Shared Commitment to Equitable Access to Learning

1. All students are entitled to equitable access to learning, achievement and the pursuit of excellence in all aspects of their education. The Parties are committed to providing all students with special needs with an inclusive learning environment which provides an opportunity for meaningful participation and the promotion of interaction with others. The implementation of this Letter of Understanding shall not result in any student being denied access to a school educational program, course, or inclusive learning environment unless the decision is based on an assessment of the student's individual needs and abilities.

Schedule “A” of All Restored Collective Agreement Provisions

2. The Parties have developed a Schedule of BCPSEA-BCTF Collective Agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* (“the restored Collective Agreement provisions”) that will be implemented pursuant to this Letter of Understanding. This Schedule is attached to this Letter of Understanding as Schedule “A”.

Agreement to be Implemented

3. School staffing will be subject to the terms and this Letter of Understanding, comply with the restored Collective Agreement provisions that are set out in Schedule “A”.

II. NON-ENROLLING TEACHER STAFFING RATIOS

4. All language pertaining to learning specialists shall be implemented as follows:
 - A. The minimum district ratios of learning specialists to students shall be as follows (except as provided for in paragraph 4(B) below):
 - i. Teacher librarians shall be provided on a minimum pro-rated basis of at least one teacher librarian to seven hundred and two (702) students;
 - ii. Counsellors shall be provided on a minimum pro-rated basis of at least one counsellor to six hundred and ninety-three (693) students;
 - iii. Learning assistance teachers shall be provided on a minimum pro-rated basis of at least one learning assistance teacher to five hundred and four (504) students;
 - iv. Special education resource teachers shall be provided on a minimum pro-rated basis of at least one special education resource teacher to three hundred and forty-two (342) students;
 - v. English as a second language teachers (ESL) shall be provided on a minimum pro-rated basis of at least one ESL teacher per seventy-four (74) students.
 - B. For the purpose of posting and /or filling FTE, the Employer may combine the non-enrolling teacher categories set out in paragraph 4 (A) (iii) - (v) into a single category. The Employer will have been deemed to have fulfilled its obligations under paragraphs 4 (A) (iii) – (v) where the non-enrolling teacher FTE of this single category is equivalent to the sum of the teachers required from categories 4 (A) (iii)-(v).
 - C. Where a local Collective Agreement provided for services, caseload limits, or ratios additional or superior to the ratios provided for in paragraph 4 (A) above – the services, caseload limits or ratios from the local Collective Agreement shall apply. (Provisions to be identified in Schedule “A” to this Letter of Understanding).
 - D. The aforementioned employee staffing ratios shall be based on the funded FTE student enrolment numbers as reported by the Ministry of Education.

- E. Where a non-enrolling teacher position remains unfilled following the completion of the applicable local post and fill processes, the local parties will meet to discuss alternatives for utilizing the FTE in another way. Following these discussions the Superintendent will make a final decision regarding how the FTE will be deployed. This provision is time limited and will remain in effect until the renewal of the 2022-2025 BCPSEA – BCTF provincial Collective Agreement. Following the expiration of this provision, neither the language of this provision nor the practice that it establishes regarding alternatives for utilizing unfilled non-enrolling teacher positions will be referred to in any future arbitration or proceeding.

III. PROCESS AND ANCILLARY LANGUAGE

5. Where the local parties agree they prefer to follow a process that is different than what is set out in the applicable local Collective Agreement process and ancillary provisions, they may request that the Parties enter into discussions to amend those provisions. Upon agreement of the Parties, the amended provisions would replace the process and ancillary provisions for the respective School District and local union. (Provisions to be identified in Schedule “A” to the Letter of Understanding).

IV. CLASS SIZE AND COMPOSITION

PART 1: CLASS SIZE PROVISIONS

6. The BCPSEA – BCTF Collective Agreement provisions regarding class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented as set out below:

Class Size Provisions: K - 3

The size of primary classes shall be limited as follows:

- A. Kindergarten classes shall not exceed 20 students;
 - B. Grade 1 classes shall not exceed 22 students;
 - C. Grade 2 classes shall not exceed 22 students;
 - D. Grade 3 classes shall not exceed 22 students.
7. Where there is more than one primary grade in any class with primary students, the class size maximum for the lower grade shall apply.
 8. Where there is a combined primary/intermediate class, an average of the maximum class size of the lowest involved primary grade and the maximum class size of the lowest involved intermediate grade will apply.

K-3 Superior Provisions to Apply

9. For primary and combined primary/intermediate classes where the restored Collective Agreement provisions provide for superior class size provisions beyond those listed in paragraphs 6 through 8 above, the superior provisions shall apply. [Provisions to be identified in Schedule “A” to this Letter of Understanding].

Class Size Language: 4-12

10. The BCPSEA-BCTF Collective Agreement provisions regarding Grade 4–12 class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented.

PART II – CLASS COMPOSITION PROVISIONS

Implementation of Class Composition Language

11. The BCPSEA-BCTF Collective Agreement provisions regarding class composition that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented. The Parties agree that the implementation of this language shall not result in a student being denied access to a school, educational program, course, or inclusive learning environment unless this decision is based on an assessment of the student’s individual needs and abilities.
12. The parties agree that the August 28, 2019 Jackson Arbitration on *Special Education Designations* is binding on the parties and that Arbitrator Jackson maintains jurisdiction on the implementation of the award.

PART III: CLASS SIZE AND COMPOSITION COMPLIANCE AND REMEDIES

Efforts to Achieve Compliance: Provincial Approach

13. The Parties agree that paragraphs 14-16 of this agreement establish a provincial approach regarding the efforts that must be made to comply with the class size and composition provisions set out in Schedule “A” to this agreement and the remedies that are available where non-compliance occurs. This provincial approach applies to all School Districts and replaces all restored Collective Agreement provisions related to compliance and remedies for class size and composition. For clarity, the restored Collective Agreement compliance and remedy provisions that are replaced by this provincial approach are identified in Schedule “A” to this Letter of Understanding. The Parties commit to reviewing this provincial approach in the 2022 round of negotiations.

Best Efforts to Be Made to Achieve Compliance

14. School Districts will make best efforts to achieve full compliance with the Collective Agreement provisions regarding class size and composition. Best efforts shall include:
 - A. Re-examining existing school boundaries;
 - B. Re-examining the utilization of existing space within a school or across schools that are proximate to one another;

- C. Utilizing temporary classrooms;
- D. Reorganizing the existing classes within the school to meet any class composition language, where doing so will not result in a reduction in a maximum class size by more than:
 - five students in grades K-3;
 - four students for secondary shop or lab classes where the local class size limits are below 30, and;
 - six students in all other grades.

These class size reductions shall not preclude a Superintendent from approving a smaller class.

Note: For the following School Districts, class sizes for K-1 split classes will not be reduced below 14 students:

- School District 10 (Arrow Lakes)
 - School District 35 (Langley)
 - School District 49 (Central Coast)
 - School District 67 (Okanagan-Skaha)
 - School District 74 (Gold Trail)
 - School District 82 (Coast Mountain)
 - School District 85 (Vancouver Island North)
- E. Renegotiating the terms of existing lease or rental contracts that restrict the School District's ability to fully comply with the restored Collective Agreement provisions regarding class size and composition;
 - F. Completing the post-and-fill process for all vacant positions.

Non-Compliance

15. Notwithstanding paragraph 14, the Parties recognize that non-compliance with class size and composition language may occur. Possible reasons for non-compliance include, but are not limited to:
- compelling family issues;
 - sibling attendance at the same school;
 - the age of the affected student(s);
 - distance to be travelled and/or available transportation;
 - safety of the student(s);
 - the needs and abilities of individual student(s);
 - accessibility to special programs and services;
 - anticipated student attrition;

- time of year;
- physical space limitations;
- teacher recruitment challenges.

Remedies for Non-Compliance

16. Where a School District has, as per paragraph 14 above, made best efforts to achieve full compliance with the restored Collective Agreement provisions regarding class size and composition, but has not been able to do so:

- A. For classes that start in September, the District will not be required to make further changes to the composition of classes or the organization of the school after September 30 of the applicable school year. It is recognized that existing “flex factor” language that is set out in the restored Collective Agreement provisions will continue to apply for the duration of the class.

For classes that start after September, the District will not be required to make further changes to the composition of classes or the organization of schools after 21 calendar days from the start of the class. It is recognized that existing “flex factor” language that is set out in the restored Collective Agreement provisions will continue to apply for the duration of the class.

- B. Teachers of classes that do not comply with the restored class size and composition provisions will become eligible to receive a monthly remedy for non-compliance effective October 1st (or 22 calendar days from the start of the class) as follows:

$$(V) = (180 \text{ minutes}) \times (P) \times (S1 + S2)$$

V = the value of the additional compensation;

P = the percentage of a full-time instructional month that the teacher teaches the class;

S1 = the highest number of students enrolled in the class during the month for which the calculation is made minus the maximum class size for that class;

S2 = the number of students by which the class exceeds the class composition limits of the Collective Agreement during the month for which the calculation is made;

Note: If there is non-compliance for any portion of a calendar month the remedy will be provided for the entire month. It is recognized that adjustments to remedies may be triggered at any point during the school year if there is a change in S1 or S2.

- C. Once the value of the remedy has been calculated, the teacher will determine which of the following remedies will be awarded:
- Additional preparation time for the affected teacher;
 - Additional non-enrolling staffing added to the school specifically to work with the affected teacher’s class;
 - Additional enrolling staffing to co-teach with the affected teacher;

iv) Other remedies that the local parties agree would be appropriate.

In the event that it is not practicable to provide the affected teacher with any of these remedies during the school year, the local parties will meet to determine what alternative remedy the teacher will receive.

Re: Employment Equity – Groups That Face Disadvantage

The parties support building a public education system workforce which reflects community diversity.

The parties recognize that Boards of Education may identify within their workforce the need to support groups who face disadvantage as recognized by the Office of the Human Rights Commissioner (e.g. racialized people, people with disabilities/disabled people, LGBTQ2S+ people, etc.).

The parties therefore agree that:

1. They will encourage and assist boards of education, with the support of the local teachers' unions, to make application to the Office of the Human Rights Commissioner (under section 42 of the *Human Rights Code*) to obtain approval for a "special program" that would serve to attract and retain employees from groups who face disadvantage.
2. They will encourage boards of education to consult with the local teachers' unions regarding the identification of the group(s) the special program is intended to attract and retain.
3. They will encourage boards of education to consult with the local teachers' unions regarding the identification of the position(s) to which the special program application should apply. The parties recognize that a special program application may be in relation to a specific position or program, or an overall hiring objective.
4. They will encourage and assist boards of education and local teachers' unions to include in applications to the Office of the Human Rights Commissioner a request to grant:
 - a. priority hiring rights to applicants from groups who face disadvantage; and
 - b. priority in the post and fill process for employees from groups who face disadvantage.

5. In conjunction with LOU No. 4, the provincial parties will jointly:
 - a. develop communications and training which will support the application for and implementation of special programs in districts; and
 - b. develop an Implementation Guide to share with boards of education and local teachers' unions.
