SECTION A – COLLECTIVE BARGAINING RELATIONSHIP

Preamble

Both parties agree that the purpose of this Agreement is to:

1. Maintain an environment conducive to an efficient and effective level of quality education services to the pupils in the District; and
2. Maintain harmonious relations and foster cooperation between the Board and the Association; and
3. Set forth mechanisms for the expeditious resolution of differences which may arise as to the application or interpretation of the Agreement; and
4. Set forth the terms and conditions of employment agreed to between the parties.

ARTICLE A.1 TERM, CONTINUATION AND RENEGOTIATION

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement that was in effect between the two parties for the period July 1, 2019, to June 30, 2022, including any amendments agreed to by the parties during that period.

1. Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2022, to June 30, 2025. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.
2. In the event that a new Collective Agreement is not in place by June 30, 2025, the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.
3. All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.
4.
 - a. If employees are added to the bargaining unit established under section 5 of the *Public Education Labour Relations Act* during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.
 - b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.
 - c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.

5.
 - a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.
 - b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.
 - c.
 - i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See Letter of Understanding No. 1).
 - ii. The parties may agree to another designation which is consistent with the *Public Education Labour Relations Act*.

ARTICLE A.2 RECOGNITION OF THE UNION

1. The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to *PELRA* and subject to the provisions of this Collective Agreement.
2. Pursuant to *PELRA*, the employer in each district recognizes the local in that district as the teachers' union for the negotiation in that district of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in that district subject to *PELRA* and the Provincial Matters Agreement.
3. The BCTF recognizes BCPSEA as the accredited bargaining agent for every school board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the school boards and to bind the school boards by Collective Agreement in accordance with Section 2 of Schedule 2 of *PELRA*.

Local Provisions

4. Associated Professionals as defined below are included in the bargaining unit.
 - a. Definition: “Associated Professionals” will be defined mutually by the Board and the Association. Associated Professionals employed in the district are currently the positions of “Speech and Language Pathologists and School Psychologists.”
5. The parties agree that this Agreement does not apply to persons employed by the Board to teach in Summer School.

ARTICLE A.3 MEMBERSHIP REQUIREMENT

1. All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers' Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.
2. Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

ARTICLE A.4 LOCAL AND BCTF DUES DEDUCTION

1. The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.
2. At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties.
3. The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.
4. The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer.
5. The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

ARTICLE A.5 COMMITTEE MEMBERSHIP

1. Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.
2. In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee and the local shall appoint the representatives. The local will consider the mandate of the committee when appointing the

representatives. If the employer wishes to discuss the appointment of a representative, the superintendent or designate, and the president or designate of the local may meet and discuss the matter.

3. Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher Teaching on Call (TTOC) costs shall be borne by the employer.
4. When a TTOC is appointed to a committee referred to in Article A.5.1 and A.5.2 above, and the committee meets during normal instructional hours, the TTOC shall be paid pursuant to the provisions in each district respecting TTOC Pay and Benefits. A TTOC attending a "half-day" meeting shall receive a half-day's pay. If the meeting extends past a "half-day," the TTOC shall receive a full-day's pay.

ARTICLE A.6 GRIEVANCE PROCEDURE

1. Preamble

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

Steps in Grievance Procedure

2. Step One

- a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.
- b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

3. Step Two

- a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.
- b. The grievance shall be presented in writing giving the general nature of the grievance.

4. Step Three

- a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.

If both parties agree and the language of the previous Local Agreement stipulates:

- i. the number of representatives of each party at Step Three shall be three; and/or
 - ii. at least one of the employer representatives shall be a trustee.
- b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

5. Omitting Steps

- a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.
- b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

6. Referral to Arbitration: Local Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a Local Matters Grievance, as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a Local Matters Grievance. The parties shall agree upon an arbitrator within ten (10) working days of such notice.

7. Referral to Arbitration: Provincial Matters

- a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a Provincial Matters Grievance, as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.
- b. The referral to arbitration shall be in writing and should note that it is a Provincial Matters Grievance. The parties shall agree upon an arbitrator within ten (10) working days of such notice.

- c. Review Meeting:
 - i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a Provincial Matters Grievance that has been referred to arbitration.
 - ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.
 - iii. Each party shall determine who shall attend the meeting on its behalf.

8. Arbitration (Conduct of)

- a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.
- b. The arbitrator shall determine the procedure in accordance with relevant legislation and shall give full opportunity to both parties to present evidence and make representations. The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.
- c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.
- d. Authority of the Arbitrator:
 - i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
 - ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
 - iii. The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.
- e. The decision of the arbitrator shall be final and binding.
- f. Each party shall pay one half of the fees and expenses of the arbitrator.

9. General

- a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.
- b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.
- c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.
- d. No employee shall suffer any form of discipline, discrimination or intimidation by the employer as a result of having filed a grievance or having taken part in any proceedings under this article.
- e.
 - i. Any employee whose attendance is required at any grievance meeting pursuant to this article, shall be released without loss of pay when such meeting is held during instructional hours. If a Teacher Teaching on Call (TTOC) is required, such costs shall be borne by the employer;
 - ii. Any employee whose attendance is required at an arbitration hearing shall be released without loss of pay when attendance is required during instructional hours; and
 - iii. Unless the previous Local Agreement specifically provides otherwise, the party that requires an employee to attend an arbitration hearing shall bear the costs for any TTOC that may be required.

ARTICLE A.7 EXPEDITED ABITRATION

1. Scope

By mutual agreement, the parties may refer a grievance to the following expedited arbitration process.

2. Process

- a. The grievance shall be referred to one of the following arbitrators:
 - i. Mark Brown
 - ii. Irene Holden
 - iii. Chris Sullivan
 - iv. Elaine Doyle
 - v. Judi Korbin
 - vi. John Hall

- b. The parties may agree to an alternate arbitrator in a specific case and may add to or delete from the list of arbitrators by mutual agreement.
- c. Within three (3) days of the referral, the arbitrator shall convene a case management call to determine the process for resolving the dispute. The case management process shall include a time frame for the exchange of particulars and documents, a timeframe for written submissions if directed by the arbitrator, an agreed statement of facts, or any other process considered by the arbitrator to be effective in ensuring an expeditious resolution to the dispute. The parties will endeavour to exchange information as stipulated in the case management process within seven (7) days.
- d. If an oral hearing is scheduled by the arbitrator it shall be held within fourteen (14) days of the referral to the arbitrator. The hearing shall be concluded within one (1) day.
- e. The written submissions shall not exceed ten (10) pages in length.
- f. As the process is intended to be informal and non-legal, neither party will be represented by outside legal counsel.
- g. The parties will use a limited number of authorities.
- h. The arbitrator will issue a decision within five (5) days of the conclusion of the arbitration or submission process.
- i. Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution.

Local Provisions (Seniority-Layoff-Recall-Severance Pay)

- 6. Definition of Seniority
 - a. In this Agreement, “seniority” means a teacher’s aggregate length of service in the employment of the Board, inclusive of service under temporary appointment and part-time teaching. (For the purpose of calculating length of service, part-time teaching shall be credited on a pro-rated basis).
 - b. In addition to the provisions of Article C.2.7.a, the seniority for an employee on a continuing contract shall include:
 - i. Teacher teaching on call (TTOC) seniority accumulated pursuant to PCA Article C.2.3; and
 - ii. Seniority ported in accordance with PCA Article C.2.2 provided that in no case shall an employee be credited with more than one (1) year of seniority for any school year.
 - c. For continuing and temporary teachers re-entering employment with the Board after four (4) years or more absence, seniority, in terms of this Agreement shall be calculated only from the date of re-entry. The four (4) year limit does not apply to those teachers who have been absent specifically for maternity and/or parenting provided that the teacher has not taught elsewhere.
 - d. When the seniority of two or more teachers is equal pursuant to Section C, Article C.2.7.a and C.2.7.b. the teacher with the greatest continuous present employment with the Board shall be deemed to have the greatest seniority.
 - e. Only for the purposes of this article, when the seniority of two or more teachers is equal pursuant to Section C, Article C.2.7.d the teacher with the greatest number of days of TTOC teaching with the Board prior to appointment shall be deemed to have the greatest seniority.

- f. When the seniority of two or more teachers is equal pursuant to Section C, Article C.2.7.e, the teacher with the earliest date of acceptance of employment with the Board shall be deemed to have the greatest seniority.
- g. When the seniority of two or more teachers is equal pursuant to Section C, Article C.2.7.f, the teacher with the greatest aggregate length of service with another school authority recognized for salary experience purposes in this Agreement shall be deemed to have the greatest seniority.
- h. With respect to teachers on a continuing appointment and for the purposes of this article, leaves of absence in excess of one (1) month shall not count toward aggregate length of service with the Board, except:
 - i. Maternity/parental leave;
 - ii. Educational leave;
 - iii. Leave for duties with the Association, the Teacher Regulation Branch or the British Columbia Teachers' Federation;
 - iv. Secondment to the Ministry of Education, a Faculty of Education, or pursuant to a recognized teacher exchange program;
 - v. Long-term sick leave;
 - vi. Leave for teaching with the Department of National Defence or Canadian Universities Service Overseas;
 - vii. Long service leave;
 - viii. Leave for elected office at the provincial, federal, or municipal level;
 - ix. Compassionate care leave (Article G.2).
- i. With respect to teachers on temporary contract appointment and for the purpose of this Agreement, leaves of absence in excess of one (1) month shall not count toward aggregate length of service with the Board, except for maternity leave and long-term sick leave.
- j. Adult Educators' Seniority
 - i. For employees in adult education programs, seniority means an employee's aggregate length of service in the employment of the Board teaching in the adult education academic programs calculated in the same manner as for other employees under Article C.2.7.a and C.2.7.b.
 - ii. Article C.2.7.b to C.2.7.i inclusive, apply to determining the seniority of an employee in the adult education programs.
 - iii. Separate seniority status for employees teaching in (1) the mandatory or alternate grade school programs and (2) the adult education programs will be extinguished. The Board will establish a single seniority list for all employees.

7. Principle of Security

- a. The Board and the Association agree that increased length of service in the employment of the Board entitles employees with the necessary qualification to commensurate increase in security of teaching employment.

8. Definition of Qualifications

- a. In this Agreement “necessary qualifications” in respect of a teaching position means a reasonable expectation, based on the current certification, training, education, experience, skills and abilities of a teacher that that teacher will be able to perform the duties of the position in a satisfactory manner following a reasonable period of familiarization.

9. Security of Employment Based on Seniority and Qualifications

- a. The Board may reduce the total number of teachers employed by the Board only for educationally viable reasons and/or budgetary constraints or in case of an adult education program as a result of a course cancellation or elimination. Where layoff of teachers is necessary for those reasons, the teachers to be retained on the teaching staff of the Board shall be those who have the greatest seniority, provided that they possess the necessary qualifications for the positions available.
- b. For the purpose of this article, “termination” (or “layoff”) includes the termination of teachers on continuing contract, termination of a temporary contract teacher prior to the end of the term of the contract, and a decision by the Board, other than for just and reasonable cause, to not offer a further contract to a teacher at the expiry of that teacher’s temporary contract. A decision not to offer a further contract to an adult education teacher at the expiry of a term contract does not constitute a termination (or layoff) for the purposes of this article.
- c. The Board shall give each teacher it intends to terminate pursuant to this Agreement (as early as possible but no less than) forty-five (45) days’ notice in writing. The 45 days’ notice may be shortened if circumstances necessitate by mutual agreement between the Board and the Association. Such notice is to take effect at the end of a school term, as defined in this Agreement, and to contain the reason for the termination, and a list of the teaching positions, if any, in respect of which the Board proposes to retain a teacher with less seniority. The Board shall concurrently forward a copy of such notice to the Association. The requirement that the effective date of the notice be at the end of a school term does not apply where the Board makes an appointment to a position which is temporarily vacant and which the Board reasonably believes will cease to be vacant at a time other than the end of a school term.

Within a reasonable period of time after the issuance of layoff notices, appropriate representatives of the Board shall schedule a meeting for affected teachers to review the layoff-recall process. Representatives of the Association shall be provided an opportunity to address affected employees at this meeting.

In the case of an adult education teacher, the notice period shall be 30 days and the effective date of the termination shall be at the end of the notice period and not at the end of the school term.

- d. Nothing in Section C, Article C.2.10.a, shall be taken to require the Board to transfer a teacher with greater seniority for the purpose of retaining on staff a teacher with less seniority than that teacher.

10. Teacher's Rights of Re-Engagement

- a. A teacher who has been terminated pursuant to this Agreement, and/or a teacher who had a temporary contract which has been completed, shall have recall rights for a period of two (2) years from the effective date of termination or completion.
- b. When a position on the teaching staff of the District becomes available, the Board shall, notwithstanding any other provision of this Agreement, first offer re-engagement to the teacher who has the greatest aggregate seniority among those terminated pursuant to this article, provided that teacher possesses the necessary qualifications and any special skills necessary for the available position and a satisfactory teaching report. If that teacher declines the offer, the position shall be offered to the teacher with the next greatest seniority and the necessary qualifications, and the process shall be repeated until the position is filled. All positions shall be filled in this manner while there are remaining teachers who have been terminated pursuant to this article.
- c. A teacher who is offered re-engagement pursuant to Section C, Article C.2.11.b, shall where practically possible, have up to 24 hours to inform the Board whether or not the offer is accepted. Where mutually agreed, a longer period of time may be provided for consideration of the offer.
- d. The Board shall allow two (2) school days from an acceptance of an offer under Section C, Article C.2.11.c, for the teacher to commence teaching duties, provided that, where the teacher is required to give a longer period of notice to another employer, such longer period shall be allowed.
- e. A teacher's right to re-engagement under this article is lost if:
 - i. The teacher refuses to accept two (2) positions, of equal or greater percentage of time than the teacher's last assignment for which they possess the necessary qualifications;
 - ii. two (2) years elapse from the date of termination under this article and the teacher has not been re-engaged, whichever comes first.
- f. Section C, Article C.2.11.e, does not apply if at the time of such offers the teacher would be entitled to maternity leave, or is attending university.

- g. Upon re-engagement, a teacher shall be entitled to a continuing appointment to the teaching staff of the district if they held a continuing appointment at the time of termination, or would otherwise be entitled to a continuing contract pursuant to this Agreement. The maintenance of continuing contract status shall not prevent the offer and acceptance of an assignment to a position which is temporarily vacant. A temporary teacher with recall rights only has recall rights to a temporary position unless recalled to a continuing position by the Board.
- h. The Board shall, by October 15 of each year forward to the Association a list of all teachers employed by the Board, in order of seniority calculated according to Section C, Article C.2.7, setting out the length of seniority as of September 1 of that year.
- i. A teacher re-engaged pursuant to this article shall be entitled to all sick leave credit accumulated at the date of termination or completion.
- j. A teacher who retains rights of recall pursuant to this article shall be entitled, if otherwise eligible to maintain participation in all benefits provided in this Agreement by payment of the full costs of such benefits to the Board.
- k. At the termination of the recall period, a teacher who has not been recalled shall retain no rights to employment, preference for employment, recall for employment, or return to employment.
- l. A recall list shall be maintained by the Board. A copy of the recall list will be provided to each teacher on the list and to the Association at the time that notice of layoff is issued. The Association shall be provided regular updates on the recall list while teachers remain in layoff.
- m. Unless otherwise agreed, pursuant to Article C.2.11.b, the Board shall arrange to have eligible qualified teachers from the recall list meet in person with the designated Human Resources representative for discussion, consideration and possible offering of appropriate available positions. It is acknowledged that teachers on the recall list are entitled to representation at such meetings. The Board will advise the Association of the scheduling of such meetings to facilitate representation. When a teacher is appointed to a position from the recall list, the Association shall receive notification of the appointment.

11. Severance Pay

- a. This subsection is applicable only to teachers who hold continuing appointment positions and is not to be interpreted in any way to apply to teachers who are on a temporary contract.
- b. A teacher on continuing appointment who has one (1) or more years of continuous employment and who is terminated pursuant to this Agreement may elect to receive severance pay at any time during the first twelve (12) months where the termination is effective June 30 or during the first eighteen (18) months when the termination is effective December 31.

- c. Severance pay shall be calculated at the rate of five (5) percent of one (1) year's salary for each year of service with the Board or portion thereof to a maximum of two (2) years' salary. Salary on which severance pay is calculated shall be based on the teacher's salary at the time of their termination.
- d. A teacher who receives severance pay pursuant to this article and who, notwithstanding this Agreement, is subsequently rehired by the Board, shall retain any payment made under the terms of this article, and in such case, for the purposes of Section C, Article C.2.7.c, the calculation of years of service and seniority shall commence with the date of such rehiring.
- e. A teacher who elects to receive severance pay under this Agreement shall retain no rights to employment, preference for employment, recall for employment or return to employment.

12. Retraining

Teacher's Right to Retraining

- a. A teacher who receives notice of layoff under Section C, Article C.2.7 (Seniority) shall be entitled to receive a leave of absence for the purpose of retraining to qualify for another position with the Board. In the event that the teacher elects to take leave of absence for such purpose pursuant to Section C, Article C.2.7.h, the Board shall amend the effective date of the layoff notice to coincide with the beginning of the school term which next follows the expiry of the period of the leave or of any extension thereof.
- b. The teacher shall be entitled to a leave of absence for a term of one (1) year, or less at the teacher's option. An extension of the leave, with or without pay, shall be arranged by mutual agreement between the teacher and the Board.
- c. At the commencement of the school term next following the completion of the leave pursuant to Section C, Article C.2.13.a, the teacher shall be entitled to be assigned to a position which is vacant and for which they possess the necessary qualifications and in accordance with Section E, Article E.22. In such event the layoff notice shall be rescinded.
- d. In the event that the operation of Section C, Article C.2.13.c results in a notice of termination being issued to the incumbent, such incumbent is entitled to all rights pursuant to Section C, Articles C.2.10 and C.2.11.

ARTICLE C.3 EVALUATION

- 1. The purposes of evaluation provisions include providing employees with feedback, and employers and employees with the opportunity and responsibility to address concerns. Where a grievance proceeds to arbitration, the arbitrator must consider these purposes, and may relieve on just and reasonable terms against breaches of time limits or other procedural requirements.

[Note: See also Article E.28 Evaluation of Teachers.]

Upon achieving one (1) year of experience, an increment shall be awarded on the first of the month following the month in which the experience accumulation is earned.

ARTICLE C.21 EMPLOYMENT ON CONTINUING CONTRACT

- 2. Prior to when the Board proceeds with disciplinary action including dismissal, it shall immediately inform the teacher in writing.
- 3. Where a teacher is under investigation by the Board for any cause, the teacher shall be immediately advised in writing of that fact and the particulars of the allegation of which the Board is currently aware unless substantial grounds exist for concluding that such notification would prejudice the investigation. In any event, the teacher shall be notified at the earliest reasonable time and before any action is taken by the Board.

4. The teacher shall have, and be advised of, the right to be accompanied by a representative(s) of the Association at any meeting held under this article.
5. Unless the teacher, or the Association at the request of the teacher, waives the right to such meeting, the Board shall not suspend, discipline or dismiss any person bound by this Agreement unless it has, prior to considering such action, held a meeting between the teacher and the Superintendent or designate and the Board with the teacher entitled to be present, in respect of which:
 - a. The teacher shall be given seventy-two (72) hours' notice of the meeting which shall take place no later than five (5) working days after notice is received by the teacher;

 - c. The teacher or the Association on behalf of the teacher may file a written reply to the allegations prior to the meeting.

 - e. The decision of the Board shall be communicated in writing and shall contain a statement of the grounds for the decision.
6. Where a teacher is suspended under Section 15 (5) of the School Act, the Board shall, prior to taking further action under Section 15 (7) of the School Act, hold a meeting in accordance with the process outlined in Section C, Article C.22.5, unless the right to such meeting is waived by the teacher.

LETTER OF UNDERSTANDING NO. 6
BETWEEN
BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION
AND
BRITISH COLUMBIA TEACHERS' FEDERATION

Re: Article C.2. – Porting of Seniority – Separate Seniority Lists

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
 - Both K – 12 and adult education seniority are contained on a single list in both districts.
 - Normal rules of porting apply.
 - No more than 1 year of seniority can be credited and ported for any single school year.
 - Maximum of 20 years can be ported.
2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
 - Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
 - Both lists remain separate when porting.
 - Up to 20 years of K – 12 and up to 20 years of adult education can be ported to the corresponding lists.
 - Although the seniority is ported from both areas, the seniority is only activated and can be used in the area in which the teacher attained the continuing appointment. The seniority remains dormant and cannot be used in the other area unless/until the employee subsequently attains a continuing appointment in that area.
 - For example, teacher A in District A currently has 8 years of K – 12 seniority and 6 years of adult education seniority. Teacher A secures a K – 12 continuing appointment in District B. Teacher A can port 8 years of K – 12 seniority and 6 years of adult education seniority to District B. However, only the 8 years of K – 12 seniority will be activated while the 6 years of adult education seniority will remain dormant. Should teacher A achieve a continuing appointment in adult education in District B in the future, the 6 years of adult education seniority shall be activated at that time.
3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
 - A combined total of up to 20 years of seniority can be ported.
 - No more than 1 year of seniority can be credited for any single school year.

4. Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
- Up to 20 years of seniority could be ported to the seniority list to which the continuing appointment was received.
 - No seniority could be ported to the other seniority list.
 - For example, teacher A in District A currently has 24 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 20 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave – Simultaneously Holding Part-Time Appointments in Two Different Districts

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1 of the provincial Collective Agreement with respect to the situation where a teacher simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e., currently holds a part-time continuing appointment in one (1) district and then subsequently obtains a second part-time continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either resigns/terminates their employment from the porting district or receives a full leave of absence from the porting district.
2. The requirement for the teacher to initiate the sick leave verification process (90 days* from the initial date of hire) and the seniority verification process (within 90 days* of a teacher's appointment to a continuing contract) and forward the necessary verification forms to the previous school district shall be held in abeyance pending either the date of the employee's resignation/termination of employment from the porting district or the employee receiving a full leave of absence from the porting district.

[* Note: effective November 30, 2022, initiation of sick leave and seniority verification process was increased from 90 days to 120 days.]

3. Should a teacher port seniority under this Letter of Understanding, there will be a period of time when the employee will be accruing seniority in both districts. For this period of time (the period of time that the teacher simultaneously holds part-time continuing appointments in both districts up until the time the teacher ports), for the purpose of porting, the teacher will be limited to a maximum of 1 years seniority for each year.
4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this letter of understanding, the rules and application described in the Irene Holden award of June 7, 2007 concerning porting while on full-time leave shall then apply.
5. Consistent with Irene Holden's previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed and considered at labour management.

The following examples are intended to provide further clarification:

Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the employee has resigned or terminated their employment in district A. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 they also obtain a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for their full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee's leave of absence is effective. Once ported, the teacher's seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Signed this 26th day of March, 2020

Revised with housekeeping 28th day of October, 2022

* Note: effective November 30, 2022, initiation of sick leave and seniority verification process was increased from 90 days to 120 days.

AND

BRITISH COLUMBIA TEACHERS' FEDERATION

Re: Article C.2 – Porting of Seniority – Laid off Teachers who are Currently on the Recall List

The following letter of understanding is meant to clarify the application of Article C.2.2 of the provincial Collective Agreement with respect to the situation where a laid off teacher on recall in district A obtains a continuing appointment in district B, i.e., while holding recall rights in one (1) district obtains a continuing appointment in a second district. Should this specific situation occur, the following application of Article C.2.2 shall apply:

1. Laid off teacher holding recall rights in one school district may port up to twenty (20) years of seniority to a second school district when they secure a continuing appointment in that second school district.
2. Such ported seniority must be deducted from the accumulation in the previous school district for all purposes except recall; for recall purposes only, the teacher retains the use of the ported seniority in their previous district.
3. If the recall rights expire or are lost, the ported seniority that was deducted from the accumulation in the previous school district will become final for all purposes and would be treated the same way as if the teacher had ported their seniority under normal circumstances. No additional seniority from the previous school district may be ported.
4. If the teacher accepts recall to a continuing appointment in the previous district, only the ported amount of seniority originally ported can be ported back, i.e., no additional seniority accumulated in the second school district can be ported to the previous school district.
5. The ability to port while on layoff/recall is limited to a transaction between two districts and any subsequent porting to a third district can only occur if the teacher terminates all employment, including recall rights with the previous school district.
6. Consistent with Irene Holden's previous awards on porting, implementation of this letter of understanding is meant to be on a prospective basis and is not intended to undo any previous staffing decision with the understanding that anomalies could be discussed between the parties.
7. This letter of understanding in no way over-rides any previous local provisions currently in effect which do not permit a teacher maintaining recall rights in one district while holding a continuing position in another school district.

The following examples are intended to provide further clarification:

Example 1

A Teacher has 3 years of seniority in district “A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. This teacher after working 1 year in district “B” accepts recall to a continuing appointment in district “A”. Only 3 years of seniority would be ported back to district “A” and for record keeping purposes, the teacher’s seniority record in district “B” would be reduced from 4 years down to 1 year.

Example 2

A Teacher has 3 years of seniority in district ‘A” has been laid off with recall rights. While still holding recall rights in district “A”, the teacher secures a continuing appointment in district “B”. Once ported, this teacher would have 3 years seniority in district “B”, 3 years of seniority in district “A” for recall purposes only and 0 years of seniority in district “A” for any other purposes. After working 2 years in school district “B” this teacher’s recall rights in school district “A” are lost. No further seniority can be ported from district “A” to district “B” and for record keeping purposes, the teacher’s seniority record in district “A” would be zero for all purposes.

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Article C.4 TTOC Employment – TTOC Experience Credit Transfer within a District

The purpose of this letter of understanding is to address situations within a single district where a temporary/continuing teacher is also currently a Teacher Teaching on Call (TTOC) or in the past has been a TTOC.

Teachers described above accrue experience for the purpose of increment advances under two (2) separate Collective Agreement provisions (silos), i.e., within a district, the employee triggers increments under Article C.4 for TTOC experience accrued and may also trigger increments under the applicable previous local agreement increment language for temporary/continuing experience accrued.

In order to allow a TTOC the opportunity to transfer, within a district, their TTOC experience earned under Article C.4 (new provision effective September 19, 2014) towards that of the applicable previous local Collective Agreement increment language for continuing and/or temporary employees, the parties agree to the following:

1. This option can only be exercised where in a single district a temporary/continuing teacher is also currently a TTOC or in the past has been a TTOC in the same district.
2. This agreement only applies to TTOC experience earned under Article C.4 since September 19, 2014 in that district.
3. This agreement only applies to a transfer within a district. This agreement is in no way applicable to a transfer of experience or recognition of experience between districts.
4. The transfer of experience credit can only be transferred one way; from that of TTOC experience earned under Article C.4 to that of the temporary/continuing previous local agreement increment provision, i.e., it cannot be transferred for any reason from that of temporary/continuing to that of a TTOC.
5. Transfers can only be made in whole months.
6. For the purpose of transfer, 17 FTE days of TTOC experience credit will equal/be converted to one month of experience credit.
7. Should the teacher choose the option to transfer, transfers must be for the entire amount of TTOC experience in their Article C.4 bank on the deadline date for notice, i.e., with the exception of any leftover days remaining (1 – 16 days) after the whole month conversion calculation is made, no partial transfer of TTOC experience are permitted. (See example below).

8. Once transferred, the previous local Collective Agreement increment provisions for temporary/continuing employees (including effective date of increment) will apply to the TTOC experience transferred.
9. Transfers can only occur and take effect twice a year (August 31 and December 31).
10. For a transfer to occur effective August 31st, written notice from the employee to transfer must be received by the district no later than June 30th of the preceding school year (see attached form A). This transfer would only include the TTOC experience accrued up until June 30th of the preceding school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4.
11. For a transfer to occur effective December 31st, written notice from the employee to transfer must be received by the district no later than November 15th of the school year (see attached form B). This transfer would only include the TTOC experience accrued up until November 15th of the school year. Once written notice is received from the teacher to transfer the TTOC experience that decision is final and under no circumstances will the experience be transferred back to C.4. (See attached form B)
12. This agreement takes effect on the signatory date signed below.

Example:

1. On June 1, 2015, Teacher A provides written notice to the district that they would like to transfer their Article C.4 TTOC experience that they will have accrued up until June 30, 2015 (in terms of closest equivalent month) to their temporary/continuing previous local agreement increment experience bank.
2. On June 30, 2015, Teacher A has 70 TTOC days of experience accrued under Article C.4.
3. On August 31, 2015, 4 months of experience would be transferred to their experience bank under the applicable previous local Collective Agreement increment language for continuing and/or temporary employees and 2 days of TTOC experience would remain in their TTOC bank under Article C.4. (70 divided by 17 = 4 whole months, with 2 days remaining)
4. Effective August 31, 2015, the previous local Collective Agreement increment language for temporary/continuing employees would then apply to the 4 months of experience that was transferred.

LETTER OF UNDERSTANDING NO. 12

BETWEEN

BRITISH COLUMBIA PUBLIC SCHOOL EMPLOYERS' ASSOCIATION (BCPSEA)

AND THE

BRITISH COLUMBIA TEACHERS' FEDERATION (BCTF)

Re: Agreement Regarding Restoration of Class Size, Composition, Ratios and Ancillary Language

WHEREAS the Parties acknowledge that, as a result of the majority of the Supreme Court of Canada, adopting Justice Donald's conclusion that the *Education Improvement Act* was unconstitutional and of no force or effect, that the BCPSEA – BCTF Collective Agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* are restored.

AND WHEREAS the Parties further acknowledge that the Supreme Court of Canada's decision triggered Letter of Understanding No. 17 to the 2013 – 2019 BCPSEA – BCTF Provincial Collective Agreement which required the Parties to re-open Collective Agreement negotiations regarding the Collective Agreement provisions that were restored by the Supreme Court of Canada.

AND WHEREAS the Parties further acknowledge that Letter of Understanding No.17 required an agreement "regarding implementation and/or changes to the restored language".

AND WHEREAS this Letter of Understanding has been negotiated pursuant to the Letter of Understanding No. 17 fully and finally resolves all matters related to the implementation of the Supreme Court of Canada's Decision. As such, the Parties acknowledge that the re-opener process set out in Letter of Understanding No. 17 has been completed.

THEREFORE THE PARTIES AGREE THAT:

I. IMPLEMENTATION OF THIS LETTER OF UNDERSTANDING

Shared Commitment to Equitable Access to Learning

1. All students are entitled to equitable access to learning, achievement and the pursuit of excellence in all aspects of their education. The Parties are committed to providing all students with special needs with an inclusive learning environment which provides an opportunity for meaningful participation and the promotion of interaction with others. The implementation of this Letter of Understanding shall not result in any student being denied access to a school educational program, course, or inclusive learning environment unless the decision is based on an assessment of the student's individual needs and abilities.

Schedule "A" of All Restored Collective Agreement Provisions

2. The Parties have developed a Schedule of BCPSEA-BCTF Collective Agreement provisions that were deleted by the *Public Education Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* ("the restored Collective Agreement provisions") that will be

implemented pursuant to this Letter of Understanding. This Schedule is attached to this Letter of Understanding as Schedule “A”.

Agreement to be Implemented

3. School staffing will be subject to the terms and this Letter of Understanding, comply with the restored Collective Agreement provisions that are set out in Schedule “A”.

II. NON-ENROLLING TEACHER STAFFING RATIOS

4. All language pertaining to learning specialists shall be implemented as follows:
- A. The minimum district ratios of learning specialists to students shall be as follows (except as provided for in paragraph 4(B) below):
 - i. Teacher librarians shall be provided on a minimum pro-rated basis of at least one teacher librarian to seven hundred and two (702) students;
 - ii. Counsellors shall be provided on a minimum pro-rated basis of at least one counsellor to six hundred and ninety-three (693) students;
 - iii. Learning assistance teachers shall be provided on a minimum pro-rated basis of at least one learning assistance teacher to five hundred and four (504) students;
 - iv. Special education resource teachers shall be provided on a minimum pro-rated basis of at least one special education resource teacher to three hundred and forty-two (342) students;
 - v. English as a second language teachers (ESL) shall be provided on a minimum pro-rated basis of at least one ESL teacher per seventy-four (74) students.
 - B. For the purpose of posting and /or filling FTE, the Employer may combine the non-enrolling teacher categories set out in paragraph 4 (A) (iii) - (v) into a single category. The Employer will have been deemed to have fulfilled its obligations under paragraphs 4 (A) (iii) – (v) where the non-enrolling teacher FTE of this single category is equivalent to the sum of the teachers required from categories 4 (A) (iii)-(v).
 - C. Where a local Collective Agreement provided for services, caseload limits, or ratios additional or superior to the ratios provided for in paragraph 4 (A) above – the services, caseload limits or ratios from the local Collective Agreement shall apply. (Provisions to be identified in Schedule “A” to this Letter of Understanding).
 - D. The aforementioned employee staffing ratios shall be based on the funded FTE student enrolment numbers as reported by the Ministry of Education.
 - E. Where a non-enrolling teacher position remains unfilled following the completion of the applicable local post and fill processes, the local parties will meet to discuss alternatives for utilizing the FTE in another way. Following these discussions the Superintendent will make a final decision regarding how the FTE will be deployed. This provision is time limited and will remain in effect until the renewal of the 2022-2025 BCPSEA – BCTF provincial Collective Agreement. Following the expiration of this provision, neither the language of this provision nor the practice that it establishes regarding alternatives for

utilizing unfilled non-enrolling teacher positions will be referred to in any future arbitration or proceeding.

III. PROCESS AND ANCILLARY LANGUAGE

5. Where the local parties agree they prefer to follow a process that is different than what is set out in the applicable local Collective Agreement process and ancillary provisions, they may request that the Parties enter into discussions to amend those provisions. Upon agreement of the Parties, the amended provisions would replace the process and ancillary provisions for the respective School District and local union.
(Provisions to be identified in Schedule “A” to the Letter of Understanding).

IV. CLASS SIZE AND COMPOSITION

PART 1: CLASS SIZE PROVISIONS

6. The BCPSEA – BCTF Collective Agreement provisions regarding class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented as set out below:

Class Size Provisions: K - 3

The size of primary classes shall be limited as follows:

- A. Kindergarten classes shall not exceed 20 students;
 - B. Grade 1 classes shall not exceed 22 students;
 - C. Grade 2 classes shall not exceed 22 students;
 - D. Grade 3 classes shall not exceed 22 students.
7. Where there is more than one primary grade in any class with primary students, the class size maximum for the lower grade shall apply.
 8. Where there is a combined primary/intermediate class, an average of the maximum class size of the lowest involved primary grade and the maximum class size of the lowest involved intermediate grade will apply.

K-3 Superior Provisions to Apply

9. For primary and combined primary/intermediate classes where the restored Collective Agreement provisions provide for superior class size provisions beyond those listed in paragraphs 6 through 8 above, the superior provisions shall apply. [Provisions to be identified in Schedule “A” to this Letter of Understanding].

Class Size Language: 4-12

10. The BCPSEA-BCTF Collective Agreement provisions regarding Grade 4–12 class size that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented.

PART II – CLASS COMPOSITION PROVISIONS

Implementation of Class Composition Language

11. The BCPSEA-BCTF Collective Agreement provisions regarding class composition that were deleted by the *Public Education and Flexibility and Choice Act* in 2002 and again in 2012 by the *Education Improvement Act* will be implemented. The Parties agree that the implementation of this language shall not result in a student being denied access to a school, educational program, course, or inclusive learning environment unless this decision is based on an assessment of the student's individual needs and abilities.
12. The parties agree that the August 28, 2019 Jackson Arbitration on *Special Education Designations* is binding on the parties and that Arbitrator Jackson maintains jurisdiction on the implementation of the award.

PART III: CLASS SIZE AND COMPOSITION COMPLIANCE AND REMEDIES

Efforts to Achieve Compliance: Provincial Approach

13. The Parties agree that paragraphs 14-16 of this agreement establish a provincial approach regarding the efforts that must be made to comply with the class size and composition provisions set out in Schedule "A" to this agreement and the remedies that are available where non-compliance occurs. This provincial approach applies to all School Districts and replaces all restored Collective Agreement provisions related to compliance and remedies for class size and composition. For clarity, the restored Collective Agreement compliance and remedy provisions that are replaced by this provincial approach are identified in Schedule "A" to this Letter of Understanding. The Parties commit to reviewing this provincial approach in the 2022 round of negotiations.

Best Efforts to Be Made to Achieve Compliance

14. School Districts will make best efforts to achieve full compliance with the Collective Agreement provisions regarding class size and composition. Best efforts shall include:
 - A. Re-examining existing school boundaries;
 - B. Re-examining the utilization of existing space within a school or across schools that are proximate to one another;
 - C. Utilizing temporary classrooms;
 - D. Reorganizing the existing classes within the school to meet any class composition language, where doing so will not result in a reduction in a maximum class size by more than:
 - five students in grades K-3;
 - four students for secondary shop or lab classes where the local class size limits are below 30, and;
 - six students in all other grades.

These class size reductions shall not preclude a Superintendent from approving a smaller class.

Note: For the following School Districts, class sizes for K-1 split classes will not be reduced below 14 students:

- School District 10 (Arrow Lakes)
- School District 35 (Langley)
- School District 49 (Central Coast)
- School District 67 (Okanagan-Skaha)
- School District 74 (Gold Trail)
- School District 82 (Coast Mountain)
- School District 85 (Vancouver Island North)

E. Renegotiating the terms of existing lease or rental contracts that restrict the School District's ability to fully comply with the restored Collective Agreement provisions regarding class size and composition;

F. Completing the post-and-fill process for all vacant positions.

Non-Compliance

15. Notwithstanding paragraph 14, the Parties recognize that non-compliance with class size and composition language may occur. Possible reasons for non-compliance include, but are not limited to:

- compelling family issues;
- sibling attendance at the same school;
- the age of the affected student(s);
- distance to be travelled and/or available transportation;
- safety of the student(s);
- the needs and abilities of individual student(s);
- accessibility to special programs and services;
- anticipated student attrition;
- time of year;
- physical space limitations;
- teacher recruitment challenges.

Remedies for Non-Compliance

16. Where a School District has, as per paragraph 14 above, made best efforts to achieve full compliance with the restored Collective Agreement provisions regarding class size and composition, but has not been able to do so:

A. For classes that start in September, the District will not be required to make further changes to the composition of classes or the organization of the school after September 30 of the applicable school year. It is recognized that existing "flex factor" language that is set out in the restored Collective Agreement provisions will continue to apply for the duration of the class.

For classes that start after September, the District will not be required to make further changes to the composition of classes or the organization of schools after 21 calendar days from the start of the class. It is recognized that existing “flex factor” language that is set out in the restored Collective Agreement provisions will continue to apply for the duration of the class.

- B. Teachers of classes that do not comply with the restored class size and composition provisions will become eligible to receive a monthly remedy for non-compliance effective October 1st (or 22 calendar days from the start of the class) as follows:

$$(V) = (180 \text{ minutes}) \times (P) \times (S1 + S2)$$

V = the value of the additional compensation;

P = the percentage of a full-time instructional month that the teacher teaches the class;

S1 = the highest number of students enrolled in the class during the month for which the calculation is made minus the maximum class size for that class;

S2 = the number of students by which the class exceeds the class composition limits of the Collective Agreement during the month for which the calculation is made;

Note: If there is non-compliance for any portion of a calendar month the remedy will be provided for the entire month. It is recognized that adjustments to remedies may be triggered at any point during the school year if there is a change in S1 or S2.

- C. Once the value of the remedy has been calculated, the teacher will determine which of the following remedies will be awarded:

- i) Additional preparation time for the affected teacher;
- ii) Additional non-enrolling staffing added to the school specifically to work with the affected teacher’s class;
- iii) Additional enrolling staffing to co-teach with the affected teacher;
- iv) Other remedies that the local parties agree would be appropriate.

In the event that it is not practicable to provide the affected teacher with any of these remedies during the school year, the local parties will meet to determine what alternative remedy the teacher will receive.

Re: Structural Review Committees

1. Tri-partite sub-committee to review the split-of-issues

Further to Mediator Schaub's recommendation in his June 7, 2021 Section 53 Report, the parties agree to establish a sub-committee to review the split-of-issues between Provincial Matters and Local Matters.

The sub-committee will consist of equal representation from Provincial Government, BCPSEA, and BCTF. There will be no more than three (3) representatives from each party.

The sub-committee will commence within three (3) months of the conclusion of the 2022 provincial bargaining process.

The committee will provide their agreed to recommendations to the appropriate Ministers of the Provincial Government and their respective parties within two (2) months of their first meeting, or another period mutually agreed to.

2. Review of local bargaining trial procedure

The parties agree to review the 2022 Local Bargaining Procedure within six (6) months of the completion of the 2022 round of provincial collective bargaining, or another period as mutually agreed to by the provincial parties.

The parties may make determinations about an extension of the Procedure without prejudice to either party's ability to raise Letter of Understanding No. 1 *Re: Designation of Provincial and Local Matters* in provincial collective bargaining.

A committee of not more than three (3) BCPSEA and three (3) BCTF representatives will complete the review. The committee will conclude its work within two (2) months of the first meeting date, or another period as mutually agreed.

Re: Employment Equity – Groups That Face Disadvantage

The parties support building a public education system workforce which reflects community diversity.

The parties recognize that Boards of Education may identify within their workforce the need to support groups who face disadvantage as recognized by the Office of the Human Rights Commissioner (e.g. racialized people, people with disabilities/disabled people, LGBTQ2S+ people, etc.).

The parties therefore agree that:

1. They will encourage and assist boards of education, with the support of the local teachers' unions, to make application to the Office of the Human Rights Commissioner (under section 42 of the *Human Rights Code*) to obtain approval for a "special program" that would serve to attract and retain employees from groups who face disadvantage.
2. They will encourage boards of education to consult with the local teachers' unions regarding the identification of the group(s) the special program is intended to attract and retain.
3. They will encourage boards of education to consult with the local teachers' unions regarding the identification of the position(s) to which the special program application should apply. The parties recognize that a special program application may be in relation to a specific position or program, or an overall hiring objective.
4. They will encourage and assist boards of education and local teachers' unions to include in applications to the Office of the Human Rights Commissioner a request to grant:
 - a. priority hiring rights to applicants from groups who face disadvantage; and
 - b. priority in the post and fill process for employees from groups who face disadvantage.
5. In conjunction with LOU No. 4, the provincial parties will jointly:
 - a. develop communications and training which will support the application for and implementation of special programs in districts; and
 - b. develop an Implementation Guide to share with boards of education and local teachers' unions.
