Agreement on Start-Up Activities for Second Semester

The BC Public School Employers' Association (BCPSEA) and the BC Teachers' Federation (BCTF) have recently reached agreement on class/program composition and formation activities related to the beginning of the second semester. Similar to the start-up activities at the beginning of the school year, we have agreed as follows:

"BCTF members shall participate in the normal manner in the class/program composition and formation from January 30, 2012 to and including February 8, 2012 in all semestered schools. It is understood that this may include communications and meetings of teachers with the principal for the sole purpose of organizing the class/program composition and formation and will include notification by BCTF members to counselors of the names of students who have not completed or who have failed first semester courses."

The BCTF and BCPSEA have also agreed that they will discuss extending this period if second semester class/program composition and formation is not completed by February 8, 2012.
